

Item: Pharos: Dalhousie University Yearbook 1964

Call Number: LE 3 D35 1964

Additional Notes:

Digital version of 1964 Dalhousie University yearbook, 256 pages, black and white with some colour. The yearbook contains images and text regarding the University, the graduates, the faculty and the buildings. Information regarding the editorial staff can be found on page 154-155. "Pharos" is both a reference to the destroyed lighthouse in ancient Alexandria and the name of the yearbook series.

This document is a digital facsimile of the materials described above. It was digitized on June 20th 2012.

The original materials and additional materials which have not been digitized can be found in the Dalhousie University Archives and Special Collections using the call number referenced above.

In most cases, copyright is held by Dalhousie University. Some materials may be in the public domain or have copyright held by another party. It is your responsibility to ensure that you use all library materials in accordance with the Copyright Act of Canada. Please contact the Copyright Office if you have questions about copyright, fair dealing, and the public domain.

PHAROS '64

PHAROS

. . . at the mouth of the harbour, majestically, there stood the PHAROS, towering its lofty head above the city of Alexandria, a beacon of warning and succor to the merchants and scientists, men of letters, scholars and statesmen who braved the wrath of the wind and the waters in search of life.

May this PHAROS be a symbolic beacon of our College by the Sea. Let the light of Dalhousie guide you wherever you may sail on the Sea of Life.

Dedication

Professor J.G. Adshead

It is with great pride and pleasure that we, the editors, dedicate PHAROS '64 to Professor J. G. Adshead.

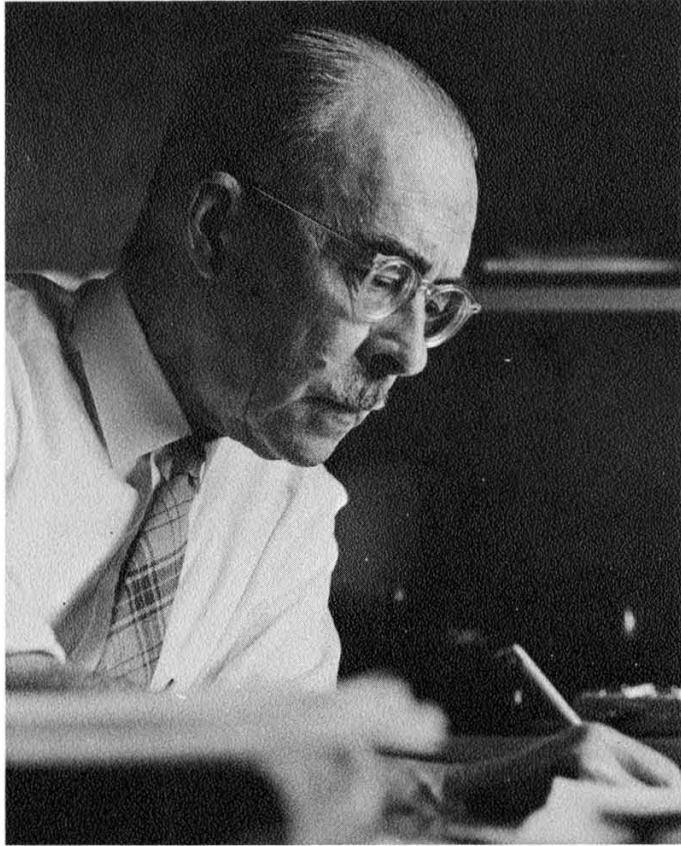

Professor Adshead was born in Manchester in 1904 where he attended the Stockport Grammar School for eight years, receiving in his last two years the gold medal awarded to the best student in the school. From Stockport, he went to Cambridge University, entering Gonville and Caius College as Senior Student; i.e., the top entering student at the college. Three years later he graduated, not only with first class honours in mathematics but with distinction (known at Cambridge as a "b*"). He continued to study mathematics for a fourth year with a George Green Studentship.

Well as he did in the field of scholarship, Professor Adshead's interests were not confined to books. At his school, he was captain of the football, cricket, and lacrosse teams. The latter sport he continued at Cambridge, obtaining his half-blue for four years, and being a member of the Oxford-Cambridge team that toured the United States in 1926.

In 1927 he came to Canada and was appointed to the staff of King's College. He was nominated in 1929 by Cambridge University to the Joseph Hodges Choate fellowship for a year of study at Harvard University. Some years later he studied for a summer at Hamburg University in Germany under Professor Blaschke and another summer at Freiburg in Breisgau. In 1947, he was transferred to the Dalhousie teaching staff as acting Head of the Department of Mathematics and in 1953 was appointed Head of the Department.

Professor Adshead has spent many of his summers travelling in Europe, mostly on foot, and there are very few places on the continent which he has not visited with his close friend and fellow staff member Dr. G. E. Wilson.

Professor Adshead is especially remembered by all his students for the enthusiasm displayed in the presentation of his lectures, and as a true educator, he is thought of with only the greatest of respect and admiration.

Dr. H.R. Theakston

The death of Dr. H.R. Theakston, Rt. Hon. C.D. Howe Professor of Engineering, on August 26, 1963, brought to an end a distinguished career as engineer, educator, and soldier. His association with Dalhousie lasted for forty years. In 1915 he graduated from Dalhousie with an Engineering Diploma and then joined the 85th Highland Battalion of the C.E.F., serving with distinction in France. On his return from overseas, he completed the B. Eng. at Nova Scotia Technical College, where he won the Governor General's Medal in 1921. Shortly after graduation, he joined the engineering teaching staff of Dalhousie and served the university in several capacities. In 1929 he was made Professor of Engineering and in 1946, Head of the Department. During the Second War, Dr. Theakston was in charge of the R.C.A.F. University Reserve Training Plan at Dalhousie, from which he retired in 1954 with the rank of Wing Commander. When the Rt. Hon. C.D. Howe Chair of Engineering was established in 1952, Dr. Theakston became its first occupant. In 1954 he was honoured by Nova Scotia Technical College with the degree of Doctor of Engineering. He represented the University in many professional groups related to his dual occupations of engineer and teacher, and sat in the Senates of both Dalhousie and Nova Scotia Technical College.

Dr. Theakston's energy and enthusiasm were dedicated to the University and his profession. As University Engineer during his period of service he supervised the planning and construction of fifteen major building units on both campi ranging from the Law Building in 1922 to the Men's Residence in 1961, thus making a major contribution to the "Vision of Dalhousie" as it exists physically today. His teaching, both by precept and example, inspired many of his students to go on to positions of responsibility and trust in all parts of the world, and all these remember him with affectionate respect.

In Memoriam

Dr. James Robert Corston

DR. JAMES ROBERT CORSTON was born in Halifax on March 12th., 1879, the son of James F. and Nancy MacLennan Corston. After attending the Halifax Academy, he entered Dalhousie from which he graduated in Arts in 1898 and in Medicine in 1902. While at Dalhousie he was a noted athlete and football star.

He was a member of the teaching staff of the Faculty of Medicine from 1911 to 1948, retiring with the rank of Associate Professor of Medicine and Clinical Medicine. In addition to his many years of teaching, Dr. Corston was for a long time a member of the Board of Governors of Dalhousie University where his wisdom, diplomacy, and innate sense of what was right and good were a source of real strength to his associates. He had a deep and abiding love for his alma mater which was manifest in deeds rather than in words.

In Memoriam

President John F. Kennedy

born May 29, 1917-assasinated Nov. 22, 1963

The courage of life is often a less dramatic spectacle than the courage of a final moment; but it is no less than a magnificent mixture of triumph and tragedy. A man does

what he must - in spite of personal consequences, in spite of obstacles and dangers and pressures - and that is the basis of all human morality.

- "Profiles in Courage," 1955
John F. Kennedy

Dr. Henry D. Hicks
President of Dalhousie University

I am particularly pleased, on this the first year of my assumption of the presidency of Dalhousie University, to extend greetings to the graduating class through the medium of the 1964 PHAROS.

All the institutions in our society are undergoing great changes in these interesting and significant years in the middle of the twentieth century and the university has a particularly important part to play in the preservation of the democratic ideal in a free society. It must, of course, play its part through the students who are its graduates, and who are the debtors to their ALMA MATER for the education they have received. It is my hope that you have received some glimpse of the greatness of the opportunity and the challenge of our times during your stay at Dalhousie University.

The University itself continues to grow and become more complex, and I am sure that the annual record provided by PHAROS will serve as a unifying influence in the University and a pleasant reminder in the years to come of the many associations you have made during your time here.

I wish you well, and hope that each and every one of you will continue the process of education which you have commenced in your preparatory and secondary schools and carried a step further at the University.

A handwritten signature in black ink, appearing to read "Henry D. Hicks", is written over two horizontal lines. The signature is stylized and cursive.

Officers of the Administration

F. RONALD HAYES
M. Sc., Ph. D., D. Sc., F.R.M.S.,
F.R.S.C.; Vice-President of the Uni-
versity.

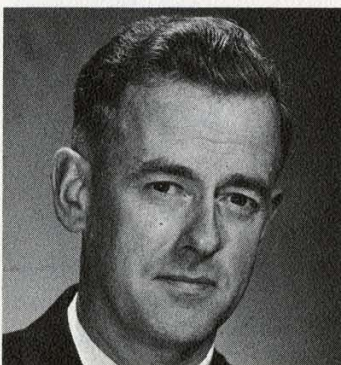

CHRISTINE I. IRVING
B. Com., C.A.; Dean of Women.

KENNETH D. GOWIE
M.A.; Dean of Men.

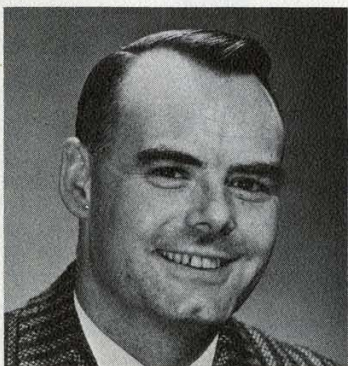

BEATRICE R. E. SMITH
Registrar.

DONALD H. McNEILL
B. Sc., R.I.A.; Business Manager.

ARTHUR F. CHISHOLM
B. E. (Civil) (N.S.T.C.), M.E.I.C.,
P. Eng.; University Engineer.

JOHN P. WILKINSON
B. A., M.L.S.; University Librarian.

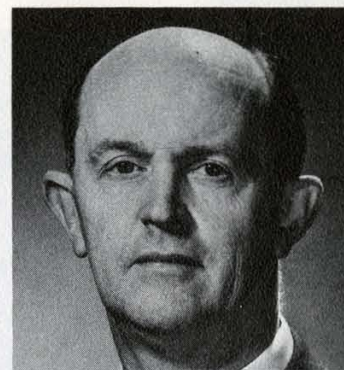

BRUCE G. IRWIN
C.D., B. Com.; Director of Alumni
Affairs.

GUY HENSON
B.A.; Director, Instit. of Pub. Affairs.

Deans and Department Heads

H. B. S. COOKE
M.A., D. Sc., F.R.S.S. Afr.; Dean of
Arts and Science.

J. D. MacLEAN
D.D.S., F.I.C.D., F.A.C.D.; Dean
of Dentistry.

R. S. CUMMING
B.A., M.A.; Head of Commerce.

W. R. TROST
B. Sc., Ph. D.; Dean of Graduate
Studies.

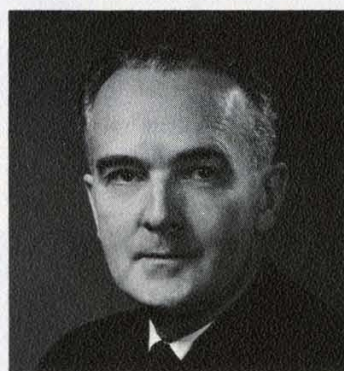

K. F. MARGINSON
B.E., N.S.T.C., M.E.I.C., P. ENG.;
Acting Head of Engineering.

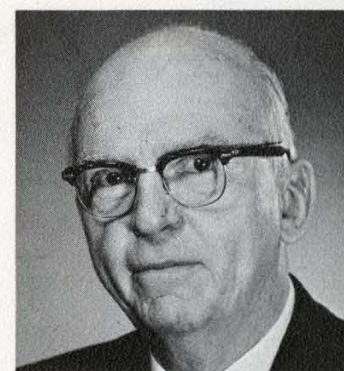

A. S. MOWAT
M.A., B.ED.; Head of Education.

R. M. MacDONALD
B.S.A., M.B., C.L.B., F.R.C.P. (C.);
Dean of Health Professions.

C. B. STEWART
B.Sc., M.D., C.M., M.P.H., Dr. P.
H., F.A.P.H.A., F.R.C.P. (C.); Dean
of Medicine.

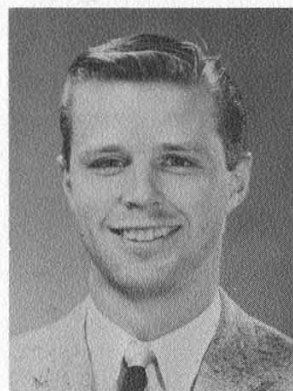

H. E. READ
O.B.E., Q.C., B.A., LL.B., LL.M.,
S.J.D., D.C.L., LL.D.; Dean of Law.

George Cooper
President

Council of Dalhousie

Graham Read
Vice-President

At the close of this academic year, I gladly take this opportunity on behalf of the Council to thank all the students who have contributed to life here at Dalhousie. Participating in student activities brings about a two-fold result. Not only is the life of the collegian enhanced by working with others on the field and in the different societies, but the memories of all the students are made richer and fuller by their combined efforts.

In particular, our thoughts are with the graduating class--you who are through with your years of study at Dalhousie, but not, I hope, through with Dalhousie itself; we wish you every success.

There is talk these days about student apathy--apathy toward national and international affairs, apathy toward religion and politics, apathy toward student matters and toward Dalhousie. This is bunk--particularly the last - apathy toward Dalhousie. We have a tremendously deep-rooted tradition of excellence at Dalhousie. It is a quiet tradition, but because of this, a strong one. What is more, it is not a stagnant one, but a growing one. If I may take the liberty of offering advice to the graduating class, it is, that by espousing the name and tradition of Dalhousie you will never go wrong.

To the students of Dalhousie, my heartfelt thanks for your support and for the privilege of being president of the Council. To the Council, I express the great pleasure which comes to me from working in close association with you this past year. To the graduating class, on behalf of all the rest of us--congratulations and the best of luck.

Bath, N.B.
Activities: Phi Rho Sigma.
Future Intentions: Graduate Study in Surgery.

PEDDLE, DAVID BOYD
Buchans, Nfld.
Activities: Phi Chi; Medical Society
Future Intentions: General Practice

Medicine

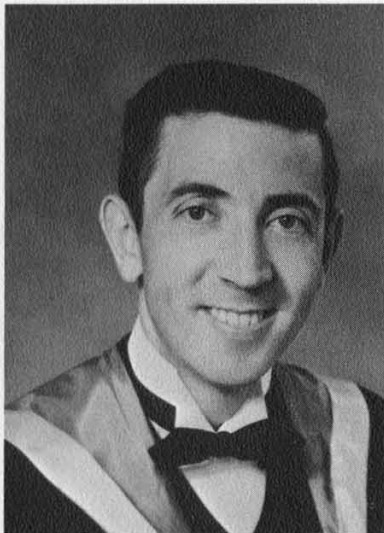

✓
**PLOUGHMAN,
 WILLIAM ROBERT MCLEOD**
 St. John's, Nfld.
 Activities: Phi Chi.
 Future Intentions: General Prac-
 tice.

PROSSER, ROBERT GORDON
 Moncton, N.B.
 Activities: Phi Chi.
 Future Intentions: Army.

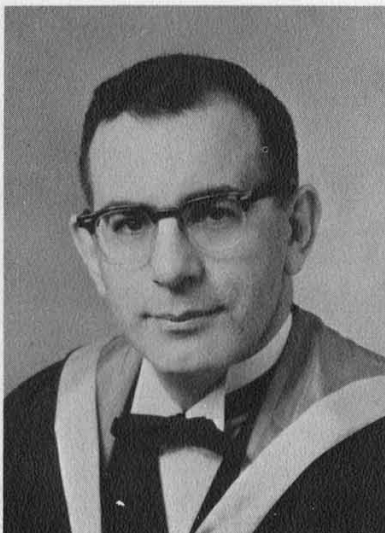

**ROOPNARINESINGH,
 CHANDRA ANN**
 Curepe, Trinidad

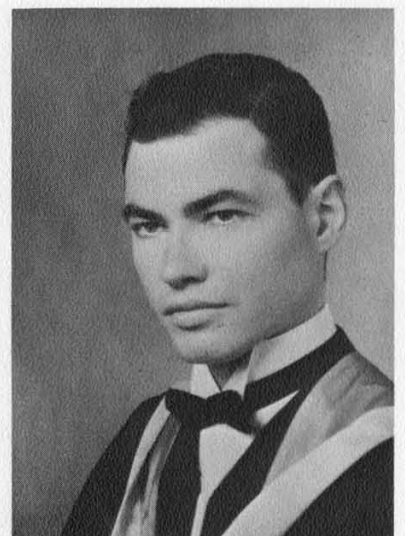

QUIGLEY, MICHAEL PATRICK
 Halifax, N.S.
 Activities: Phi Rho Sigma.
 Future Intentions: General Practice.

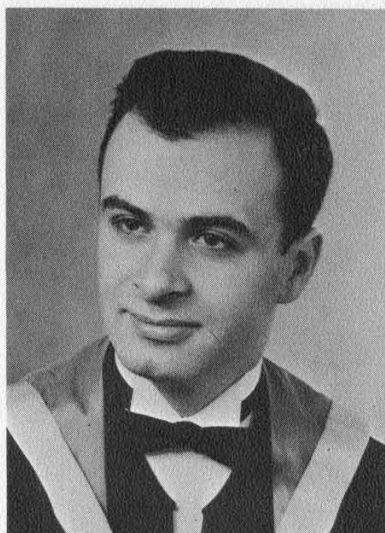

RUCKER, MORTON STANLEY
 Brooklyn, N.Y.
 Activities: Medical Society, President 1963-
 64; Vice-President, Class of '64; Medical
 Journal.
 Future Intentions: General Practice.

RUSSELL, NEVILLE ANDERSON
 Bay Roberts, Nfld.
 Scholarships: Ebin J. Carey Award for
 Anatomy, 1961-62; Michael Carey Award,
 1962-63; Dr. J. Black Prize for Surgery,
 1962-63.
 Activities: Med. Society; Phi Chi; Alpha
 Omega Alpha; Life Vice-President, Class of
 '64.
 Future Intentions: General Practice; then
 Specialty.

SALTZMAN, MARTIN
 Brooklyn, N.Y.
 Future Intentions: Postgraduate Study in
 Internal Medicine.

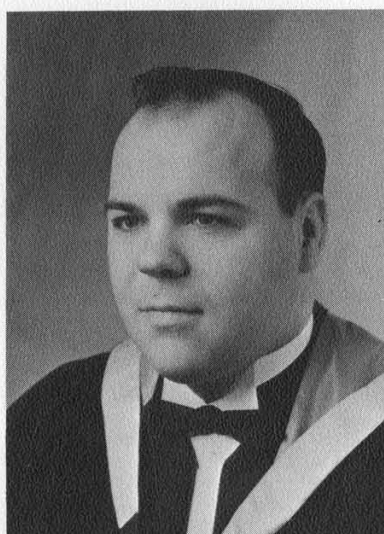

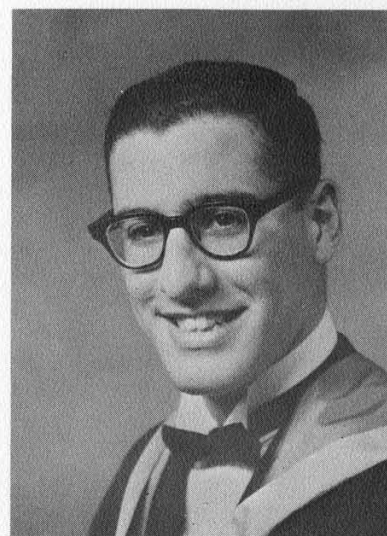

SANFACON, PHILIP GUY
Grand Isle, Maine
Activities: Phi Chi.
Future Intentions: Specialty.

SCHAEFER, JOHN PAUL
Dunnville, Ont.
Activities: P.Y.P.S.; Alpha Omega Alpha;
Inter-Fac. Hockey.
Future Intentions: Postgraduate Work.

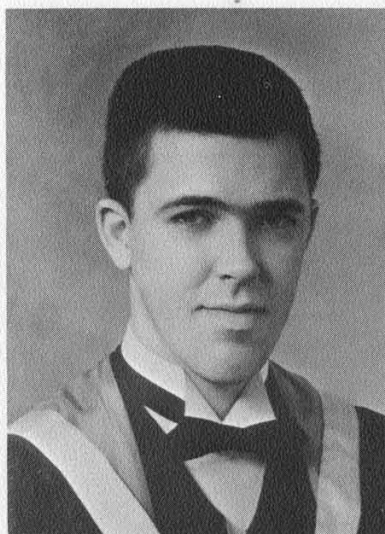

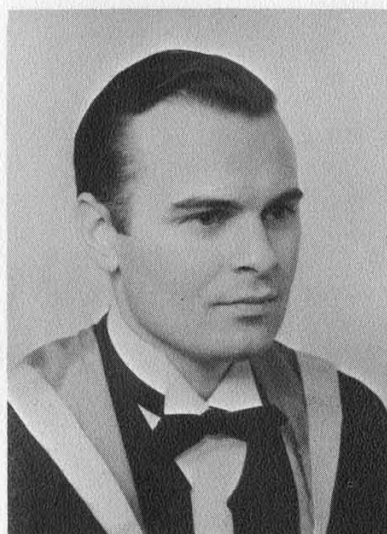

SIMON, LOUIS MICHAEL
St. John, N.B.
Activities: Medical Society; Students' Council Representative; Phi Rho Sigma; Inter-Fac. Hockey, Football, Basketball, Volleyball.
Future Intentions: Practice Medicine.

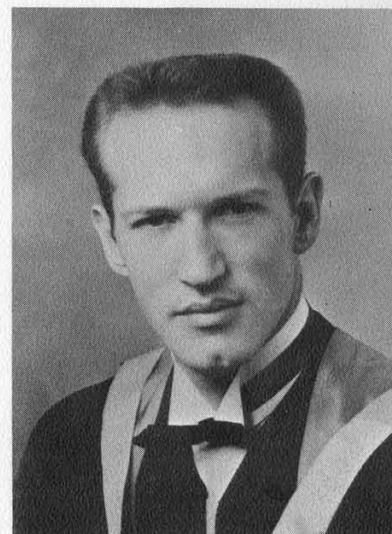

SHLOSSBERG, ALLAN HARVEY
Halifax, N.S.
Future Intentions: Specialty.

SMITH, JAMES ALEXANDER
Port Mouton, N.S.
Activities: Medical Society; Medical Journal; Phi Rho Sigma; Inter-Fac. Basketball.
Future Intentions: General Practice.

TOWNSEND, CLARENCE HENRY
Grand Pré, N.S.
Activities: Phi Rho Sigma.

WELLMAN, JOHN MICHAEL
Halifax, N.S.
Activities: Phi Rho Sigma; Varsity Football
Basketball; Inter-Fac. Football, Basketball
Future Intentions: Specialty in Surgery

Medicine

Degree in Nursing

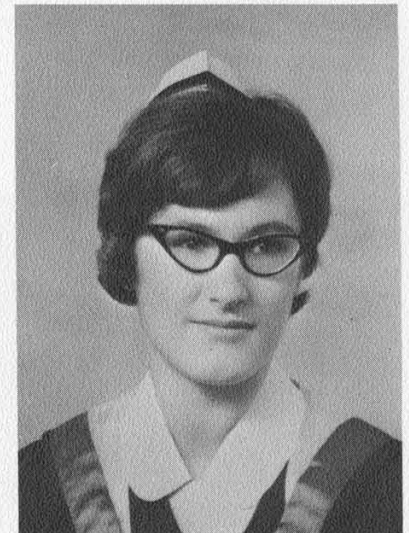

BEAZLEY, NORMA GRANT
Spryfield, N.S.
Scholarships: Dalhousie Entrance
Scholarship, 1958.
Activities: Nursing Society, Pres-
ident, 1959-60; Nursing Rep. to
Students' Council, 1959-60.
Future Intentions: Teaching in a
School of Nursing.

CLEYLE, THERESA HELEN
Kentville, N.S.
Major: Administration.
Future Intentions: Undecided.

CURREN, ANNA MARY
St. John's, Nfld.
Scholarships: St. John Ambulance Coun-
tess Mountbatten Bursary, 1963-64.
Activities: President of Dalhousie Nursing
Society.
Future Intentions: Teaching in School of
Nursing.

GRANT, JEAN ANNE
Halifax, N.S.
Activities: Pi Beta Phi; Cheerleading; J.V.
Basketball.
Future Intentions: Teaching in Schools of
Nursing.

HUME, MARGARET ROSE
Montague, P.E.I.
Scholarships: University, 1959.
Activities: Nursing Society, 1960-61; Gaz-
ette (Circulation), 1958-59.
Future Intentions: Teaching in School of
Nursing.

LESLIE, DOREEN BERYL
Montreal, Que.

PRICE, KAREN VIRGINIA
Windsor, N.S.
Activities: D.G.D.S.; D.G.A.C., Sec., 19-
59-60; Alpha Gamma Delta, Activities
Chairman, 1959-60; Field Hockey; Man-
ager, Varsity Basketball.
Future Intentions: Teaching in School of
Nursing.

ARSENEAU,
MARIE PATRICIA ANN
Tracadie, N.S.
Future Intentions: Head Nurse.

BIDDINGTON,
IRENE ELIZABETH MARIE
Moncton, N.B.

GREENE, BELLE BEULAH
Lancaster, N.B.

DINGWELL, JENNIE HELENE
Midgell, P.E.I.

MAC DONNELL,
MARGARET THERESA
New Glasgow, N.S.

MAC QUARRIE, BARBARA JEAN
New Waterford, N.S.
Activities: Drama.
Future Intentions: Travel.

MARTIN, DIANNE MARGARET
Halifax, N.S.
Future Intentions: Continue Nursing Career.

Nursing

Nursing

MURPHY, NINA MARGARET
Rolling Dam, N.B.
Scholarships: Saint John General
Hospital School of Nursing Alum-
nae Scholarship, 1963.
Future Intentions: Hospital Nurs-
ing.

NOONAN, BERNADETTE EMMA
Central Bedeque, P.E.I.
Future Intentions: Head Nurse.

MURRAY, SHIRLEY AGNES
Little Shemogue, N.B.

POIRIER, HUBERTE MARIE
Shediac, N.B.
Future Intentions: Nursing.

ROSS, MARY KAREN
Glace Bay, N.S.
Future Intentions: Head Nurse.

RUSSELL, JANET DOUGLAS
Chatham Head.

SPINGER, MARY SANDRA
St. John, N.B.

Nursing

ANDREW, BARBARA GRACE
Lancaster, N.B.

ANDREWS, DOREEN JENNIE
O'Leary, P.E.I.
Future Intentions: Nursing with P. H. N.

BEATON, CATHERINE ISABEL
St. Eleann's, P.E.I.

CLARK, MORA ESTELLE
Stellararton, N.S.

CREELMAN, DOROTHY ISABEL
Truro, N.S.
Future Intentions: Public Health Nursing.

COLBERT, CLARE MARY
Sydney, N.S.

CRIDDLE, ANNE DOREMY
Portsmouth, England.

Nursing

DOYLE, MARY FLORENCE
Mabou, C.B.
Future Intentions: To continue with
Dept. National Health or Welfare
Medical Services.

DRUHAN, JEANETTE MERCEDES
Westville, N.S.
Future Intentions: Public Health Nursing.

ENGLAND, CHRISTIE PEARLE

DUNN, PATRICIA JACQUELINE
Bathurst, N.B.
Future Intentions: Public Health Nursing
in N.B.

FRASER, DOROTHY JULANNE
Pictou, N.S.
Future Intentions: Public Health Nursing.

FRASER, MARY EVELYN
New Glasgow, N.S.
Future Intentions: Public Health Nursing.

FRICKER, LUCILLE BEATRICE
Tucson, Arizona.

GALLANT, MARY SANDRA
Halifax, N.S.
Future Intentions: Public Health
Nursing.

HERDER, GAIL ALLISON
St. John's, Nfld.

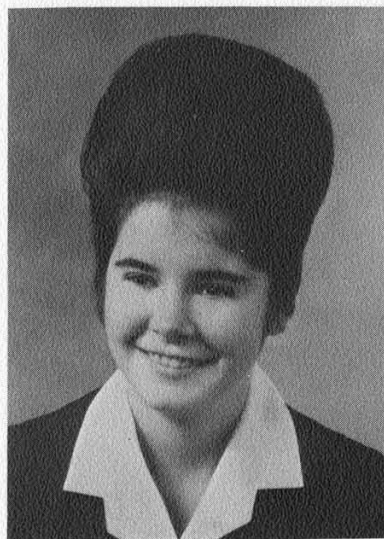

HOLLAND, ENID MAY
Melbourne, Australia
Future Intentions: Public Health Nursing.

HILLIER, MARILYN NAOMI

KIRK, MAUDE CHRISTENA
Antigonish, N.S.

LE BRUN, VIRGINIA ANN
Arichat, Cape Breton

LITTLE, DOREEN ELAINE
Truro, N.S.

Nursing

Nursing

LONGARD,
JEANNE MARGARET
Chatham, N.B.

LOWNDS, JEAN
Saskatoon, Sask.
Future Intentions: V. O. N.

MAC DONALD, MARGARET JO-ANNE
New Waterford, N.S.

MAC KEIGAN, CORNELIA AGNES
Sydney, N.S.
Future Intentions: Public Health Nursing.

MAC LEAN, JEAN GORDON
Stellarton, N.S.
Future Intentions: Public Health Nursing.

MAC LEOD, HEATHER GOOBIE
Baddeck, N.S.
Future Intentions: Public Health Nursing.

MORRISEY, NORMA EILEEN
Cherry Valley, P.E.I.
Future Intentions: Farmer's Wife.

PURDY, JANET CLAIRE
St. John, N.B.

RENNER, CATHERINE MARDA
Halifax, N.S.

ROBICHAUD, LENORA MARIE
Meteghan, N.S.

RICHARDS, CAROLYN DALE

ROSE, SHARON MARGARET
New Glasgow, N.S.

ROSS, JUDITH ANNE
New Glasgow, N.S.
Future Intentions: Public Health Nursing-
Dept. N.S.

RUPERT, DIANE MARGARET

Nursing

Nursing

SINCLAIR, JANET DIANE
Middleton, N.S.

SMILEY, NINA LILLIAN
Port Dufferin, N.S.
Future Intentions: Public Health Nursing.

STANELY, ALICE LOUISE
Barrington Passage
Future Intentions: Provincial Public Health Nursing.

WALSH, MARY EVELYN
Pugwash, N.S.
Future Intentions: Public Health Nursing.

BANKS, JANET HELEN
Kingston, N.S.
Future Intentions: Teaching in School of Nursing.

WAMMES-HENNIE, ELIZABETH
Vianen, Holland
Future Intentions: Public Health Nurse.

WEEDON, HORACE CHRISTOPHER
London, England
Future Intentions: Public Health Nursing.

Nursing

BARRETT,
BRENDA ELIZABETH
Glace Bay, N.S.
Future Intentions: Nursing at General Hospital, Glace Bay.

BOONE, YVONNE DELORES
Glace Bay, N.S.
Future Intentions: Teaching in School of Nursing.

CARTER, EDITH REBECCA
Amherst, N.S.
Future Intentions: Teaching in School of Nursing.

BOWMAN, KATHRYN HELENA
Hunter River, P.E.I.
Future Intentions: Teaching in School of Nursing.

CHRISTIE, PATRICIA JOYCE
Prince Claire, Quebec
Future Intentions: Clinical Teaching.

CORMIER, MARILYN ISABEL
Trenton, N.S.
Future Intentions: Teaching in School of Nursing.

FERRIS, GLORIA THERESA
Sydney, N.S.
Future Intentions: Teaching in School of Nursing.

Nursing

HARDY, ERMA JEAN
Alberton, P.E.I.
Future Intentions: Teaching.

HATCH, MARTHA ALICE
Montreal, P.Q.

LE DREW, EMMA ELFREDA
Sydney, N.S.
Scholarships: Sydney City Hospital Bur-
sary, 1963-64.
Future Intentions: Teaching at Sydney City
Hospital.

MAC DONALD,
ELIZABETH FRANCES
New Glasgow, N.S.
Future Intentions: Teaching in School of
Nursing.

MARTELL, ELTA FAY
Port Caledonia
Future Intentions: Nursing at General
Hospital, Glace Bay.

MELLOR, ANNE ELIZABETH
Halifax, N.S.
Future Intentions: Teaching in School of
Nursing.

NEVE, VIRGINIA GRACE
Lancaster, N.B.
Future Intentions: Teaching Nursing.

Nursing

O'NEILL,
GAIL MONICA AGNES
Yarmouth, N.S.

PIPES, CAROL ANNE BURTON
Saint John, N.B.
Scholarships: N. B. Dept. of Health, 1963-
64.
Future Intentions: Clinical Teaching.

STUBBS, KAREN ELIZABETH
Dartmouth, N.S.
Activities: Skating; Swimming.
Future Intentions: Clinical Instructor.

WALROND, GLADYS ELISE
Sydney, N.S.
Future Intentions: Teaching in School of
Nursing.

WILLIAMS, JOAN CYNTHIA
Halifax, N.S.
Future Intentions: Teaching and Super-
vision in Nursing.

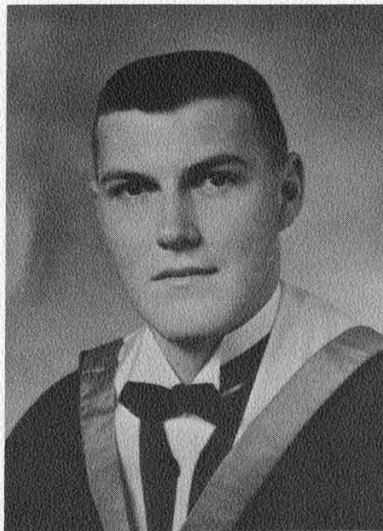

WONG, PESSY GABRIELLE
Hong Kong
Future Intentions: Teaching.

WOODSIDE, MARY ELEANOR
Summerside, P.E.I.
Future Intentions: Teaching and Super-
vising of Nursing.

Pharmacy

SARSON, BYRON GORDON
Pugwash, N.S.
Scholarships: Burroughs and Wellcome
Scholarship.
Future Intentions: Pharmacy.

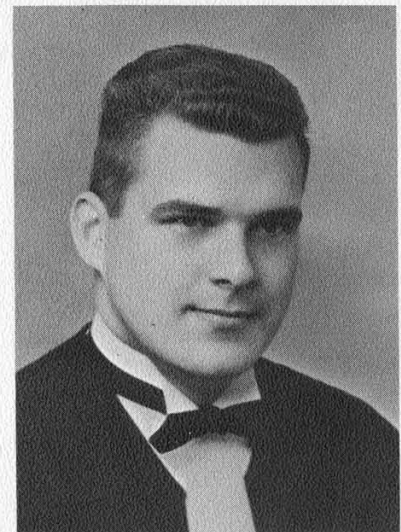

WILLIAMS, JANE LAURA
Windsor, N.S.
Scholarships: Entrance; Burroughs- Well-
come Schol.; Pfizer Bursary.
Activities: Ground Hockey; Basketball;
Volleyball.
Future Intentions: Pharmacist.

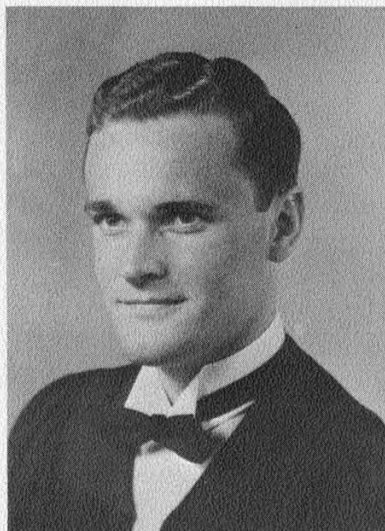

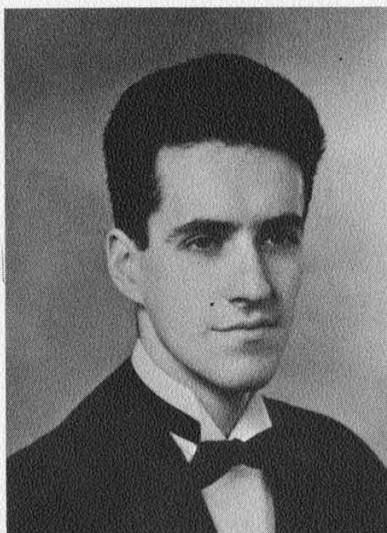

BEATON, NELSON DONNELL
Glace Bay, Cape Breton
Future Intentions: Retail Pharmacy.

HANKINSON, DAVID CURTIS
Weymouth, N.S.
Activities: Pharmacy Rep. for Students'
Council; President of Pharmacy Society,
1962-63; D.G.D.S.

JAMIESON,
DAVID ORVAN
Bathurst, N.B.
Activities: Golf; Curling;
Swimming.
Future Intentions: Retail Phar-
macy.

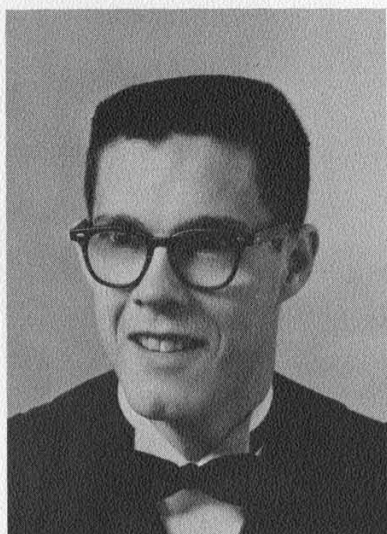

KEARNS, WILLIAM DAVID
New Glasgow, N.S.
Activities: Scuba Diving.
Future Intentions: Retail Pharmacy.

MATHESON, WILLIAM MILLAR
O'Leary, P.E.I.
Future Intentions: Retail Pharmacy.

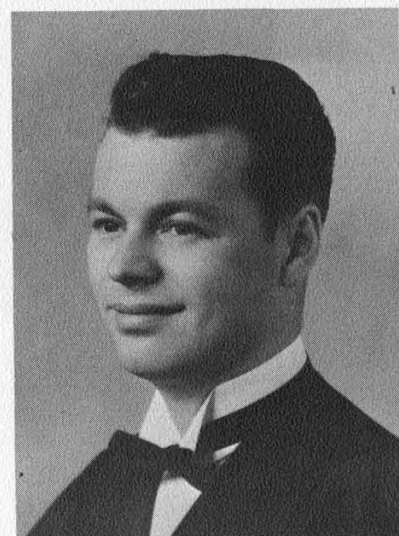

Pharmacy

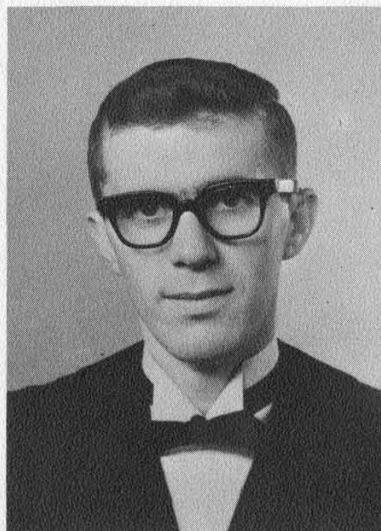

NADEAU, JOSEPH RONALD COUDE
Edmundston, N.B.
Activities: Swimming; Skating; Skiing.
Future Intentions: Retail Pharmacy.

MOORE, MICHAEL PAUL
Andover, N.B.

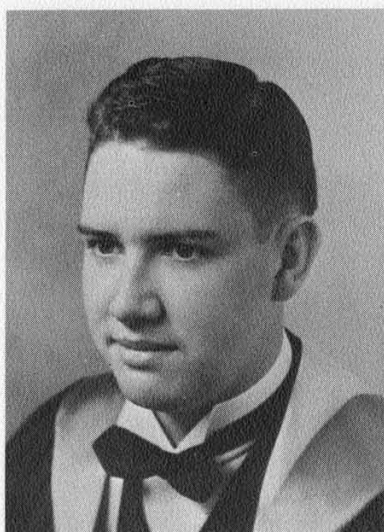

SPRIGGS,
FRANK DENSLEY
Halifax, N.S.
Activities: Hockey; Bowling.
Future Intentions: Retail Pharmacy.

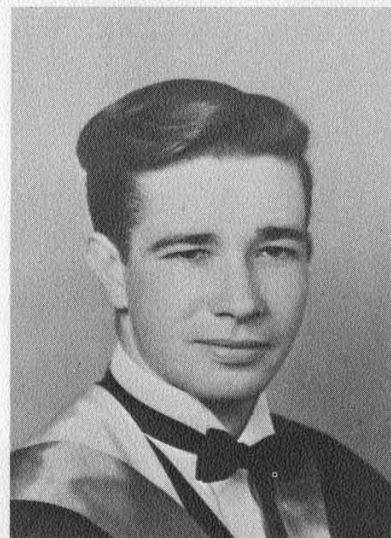

TUCKER, JOHN FLOYD
Tatamagouche, N.S.
Scholarships: Pfizer Pharmacy
Bursary, 1963-64.
Activities: President, Pharmacy
Society.

Engineering Physics

ANSTEY, WAYNE
Halifax, N.S.
Major: Physics, Mathematics
Scholarships: Entrance, 1960-61; University,
1961-62, 1963-64; Dr. A. S. MacKenzie, 19-
62-63; Ross Stewart Smith, 1962-63.
Activities: Zeta Psi; Inter-Fac. Football, Basket-
ball; Bowling.

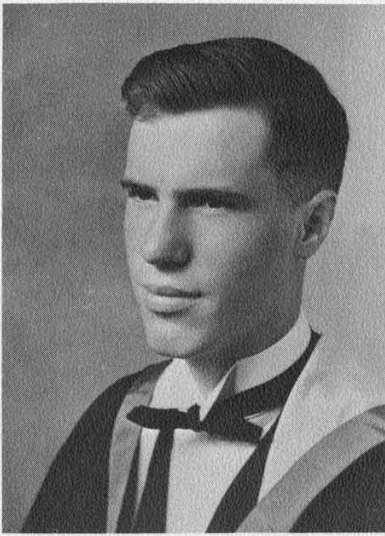

CRAIG, TERRANCE WAYNE
Halifax, N.S.
Major: Physics
Scholarships: Entrance, 1960-61; Univer-
sity, 1961-64; R.O.T.P.
Future Intentions: Officer in R. C. N.

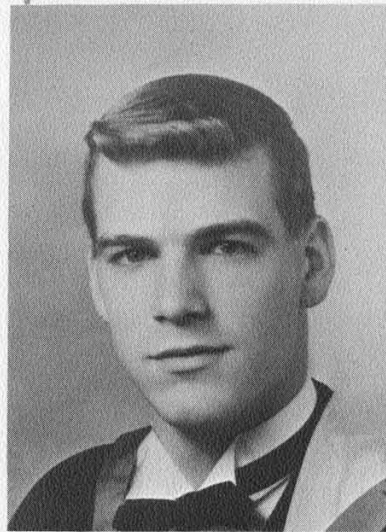

WESSMAN, LARS ERIC
Liverpool, N.S.
Major: Engineering Physics
Scholarships: University
Scholarship 1961-62, 19-
63-64.
Activities: Peccats Band;
Sigma Chi, Social Chair-
man, 1961-62; R.O.T.P.
(Navy).
Future Intentions: R. C. N.

BIRD, HENRY MINTO BOOTH
 Halifax, N.S.
 Major: Physics
 Scholarships: Entrance, 1959; University,
 1960-63; MacGregor Memorial, 1962-63.
 Activities: R.C.A.F.; U.R.T.P.; Exclusive
 Physics Tea Club; Judo; Swimming.
 Future Intentions: M.Sc.

Honours Science

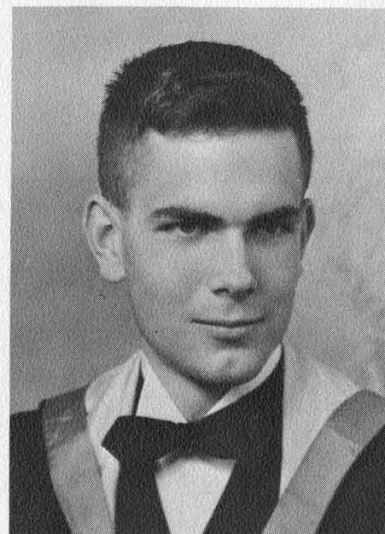

ARCHIBALD, MALCOLM
 ALEXANDER ARMSTRONG
 Halifax, N.S.
 Major: Physics
 Scholarships: Entrance, 1960-61; Ross
 Stewart Smith, 1961-63; MacGregor Mem-
 orial, 1962-63; Alcan, 1963-64; Waverley
 Prize; Dawson Club Essay Prize.
 Activities: Badminton Club.
 Future Intentions: Postgrad. Work in
 Physics.

FIELD, CHRISTOPHER ARNELL
 Burlington, Ont.
 Major: Math.
 Scholarships: General Motors.
 Activities: Canterbury; Sigma Chi,
 House Manager; Badminton; Skiing.

BLAIR, HARRY VINCENT
 Amherst, N.S.
 Major: Chemistry
 Scholarships: Shawinigan Scholarship
 in Chemistry, 1960-63.
 Activities: S.C.M., Treas., 1962-63;
 Sigma Chi, Rushing Chairman; Bad-
 minton; Men's Residence Council, Pres-
 ident, 1962-63.
 Future Intentions: M.Sc. in Chemistry.

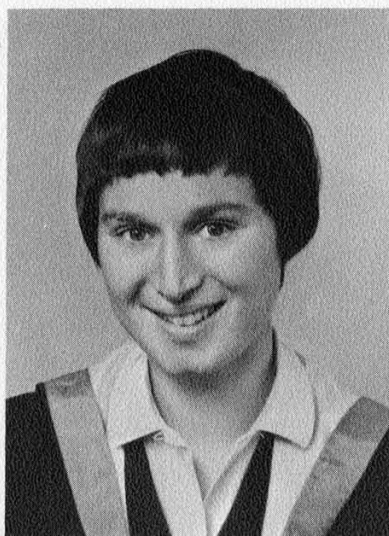

KEENAN,
 DAVID GORDON
 Halifax, N.S.
 Major: Physics
 Scholarships: University
 Scholarships, 1960-63.

GRAHAM, DAVID JOHN
 Halifax, N.S.
 Major: Physics
 Scholarships: Entrance;
 University, 1962-64.
 Activities: Film Society;
 Model Parliament.

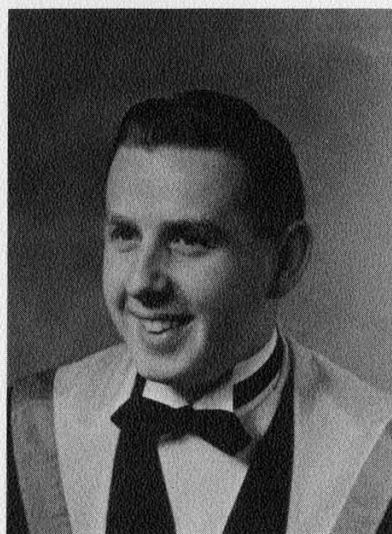

Honours Science

KEEN, CHARLOTTE ELIZABETH
Halifax, N.S.
Major: Physics
Scholarships: Entrance, 1960-61; R.S. Smith, 1962-63; University, 1962-64; Khaki; Douglas Memorial Prize; Alliance Française Prize; Dr. H. Henderson.
Activities: Vice-Pres., Ski Club; Sec. Dawson Club.

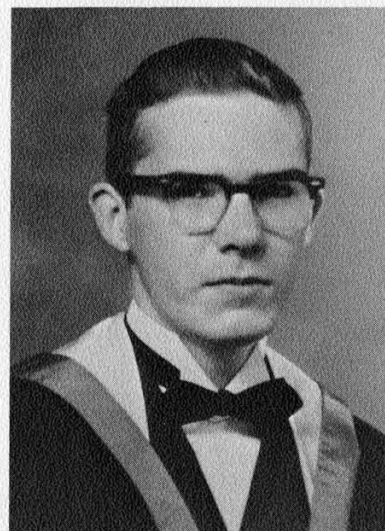

LEE, YIM HA
Hong Kong
Major: Chemistry
Scholarships: University Scholarships, 19-60-62.

McDONALD, ARTHUR BRUCE
Sydney, N.S.
Major: Physics
Scholarships: Entrance, 1960-61; International Nickel Co., 1961-63; University, 1963-64.
Activities: Liberal Club; Sodales; J.V. Football; Inter-Fac. Basketball, Bowling, Volleyball.
Future Intentions: Ph. D. in Physics.

MacQUARRIE, DAVID LOGAN
Halifax, N.S.
Major: Physics and Math
Scholarships: Entrance, 1959; University, 1961-63; North British, 1961; Khaki, 1962.
Future Intentions: Marine Biophysics.

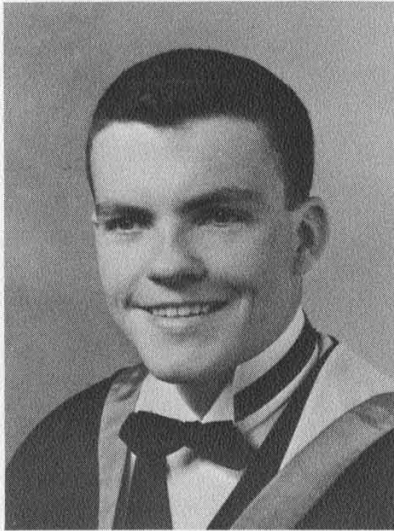

MESSERVEY,
DIANA TEMPLE
Stephenville Crossing,
Nfld.

Major: Chemistry
Scholarships: Entrance, 19-59; University, 1960-63; Charles and Cecelia Jeverling, 1960; W. Todd, 19-62; Belle Crowe, 1963.
Activities: Science Society, Treas., Sec.; C. I. C. Secretary, 1962; Ground Hockey, 1961-62.
Future Intentions: M.Sc.

SAUNDERSON, HEATHER
 Halifax, N.S.
 Major: Mathematics
 Scholarships: Ross Stewart Smith, 1959-60, 1961-62; University, 1960-61, 1962-63.
 Activities: Varsity Basketball; J. V. Basketball.

Honours Science

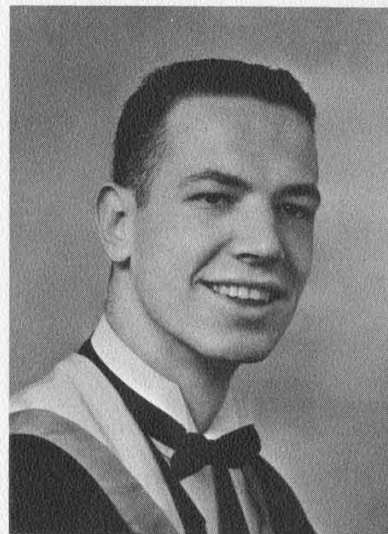

NICHOLSON,
 PETER JOHN MacKENZIE
 Annapolis Royal, N.S.
 Major: Physics
 Scholarships: Inco, 1960-64; Physics Prizes, 1961-63.
 Activities: Sodales; D.A.A.C., Vice-President; Student Council; Phi Kappa Pi; Varsity Basketball, Volleyball; Inter-Fac. Basketball.
 Future Intentions: Graduate Studies.

TAYLOR, DUGALD ALEXANDER
 Halifax, N.S.
 Major: Physics
 Scholarships: Entrance; Math Congress; A. Pollock; University, 1962-64; H.H. MacGregor Memorial.
 Activities: Physics Tea Club; U.R.T.P.; Electronics.
 Future Intentions: Graduate Studies (Physics).

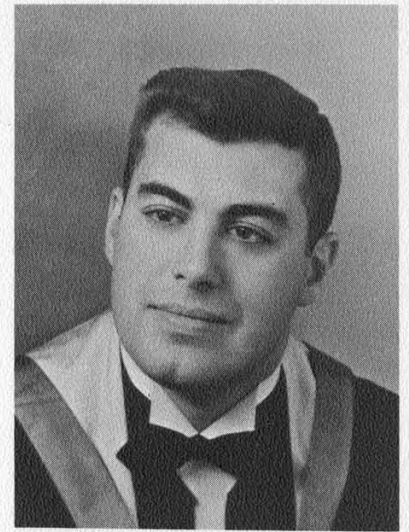

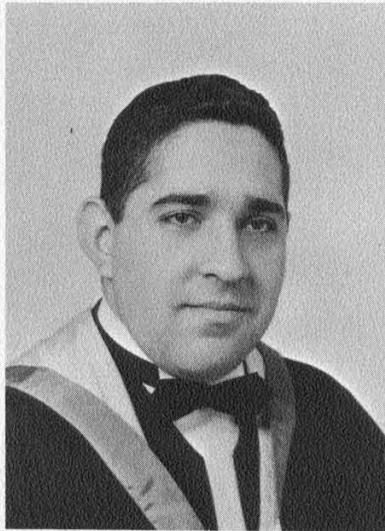

SMITH, MURIEL FLORENCE
 Windsor, N.S.
 Major: Biochemistry
 Scholarships: Entrance, 1960-61; University, 1961-63; Dalhousie Club of New York, 1960-64; Bank of Montreal, 1960; G. H. Campbell Memorial, 1961-62; E. Ross Faulkner, 1963-64.

WATERFIELD,
 RONALD GARY
 Dartmouth, N.S.
 Major: Chemistry
 Scholarships: Union Carbide (Canada) Ltd., 1960-64.
 Activities: Christ Church Social Club.
 Future Intentions: Master of Science.

Science

ABELSON, KENNETH ALLAN
 Long Island, New York
 Major: Zoology
 Activities: Hillel, Assistant Social Chairman, 1963-64; Tau Epsilon Phi, Rushing Chairman, 1963-64; Varsity Football; J.V. Football; Inter-Fac. Basketball.
 Future Intentions: Medical School.

AGAR, ALLEN EDWARD
 Niagara Falls, Ontario
 Major: Chemistry
 Activities: Tau Epsilon Phi, Vice Chancellor, 1963-64; Rushing Chairman, 1962-63, Athletic Chairman, 1961-62; Varsity Football; J. V. Football, Hockey; Inter-Fac. Football, Hockey.

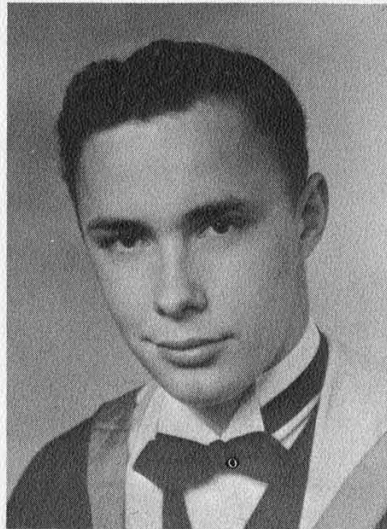

ALEXANDER,
 DOUGLAS GORDON
 Grenava, West Indies
 Activities: West Indian Society.

ALEXANDER, LEO HARRY
 Halifax, N.S.
 Scholarships: Q. E. H. S. Foundation Scholarship, 1960-61; University, 1962-63.
 Activities: Dalhousie Engineering Society, Secretary-Treasurer, 1963-64; Inter-Fac. Basketball, Ping-Pong, Football, Bowling.
 Future Intentions: N.S. Technical College.

AMYS, PHILIP
 WALLACE HEWITT
 Baie d'Orte, Quebec
 Major: Math
 Activities: Zeta Psi; J. V. Soccer; Gazette; Residence Council.

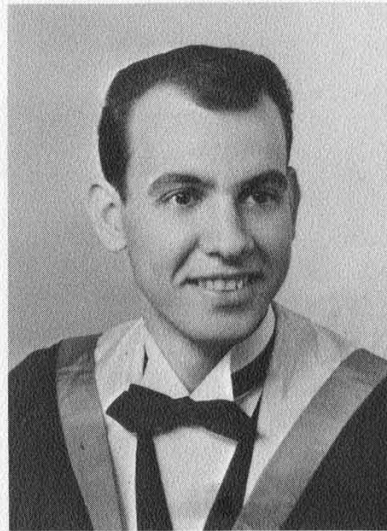

ANDERSON,
 THANE WESLEY
 Morell, P.E.I.
 Major: Botany, Geology
 Future Intentions: Graduate Studies.

BLAKNEY, GEORGE BARTON
 Newcastle, N.B.
 Major: Chemistry
 Scholarships: Entrance, 1960, University
 1961-62; Belle Crowe Chemistry, 1962.
 Activities: C. I. C., Student Chapter; Sigma
 Chi; Varsity Basketball, Football; Inter-
 Fac. Basketball.

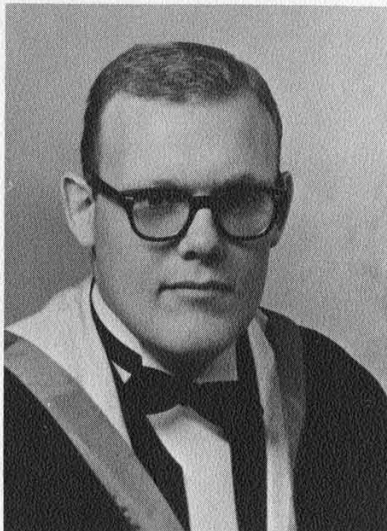

BALBIRSINGH, RISHNU
 Curepe
 Major: Biology
 Future Intentions: Graduate Studies.

CAMPBELL, FREDERICK
 HERBERT ALEXANDER
 Kingston, N.S.
 Major: Geology
 Activities: Phi Delta Theta, 1963-64;
 Varsity Soccer, Basketball.
 Future Intentions: Postgraduate Studies.

Science

BYRNE, BRIAN D'ARCY
 Liverpool, N.S.
 Major: Biology, Chemistry.
 Activities: Phi Kappa Pi.

CLARK,
 CHARLES DAVID
 Charlottetown, P.E.I.
 Major: Math
 Scholarships: University,
 1961-62; 1963-64.
 Activities: Sigma Chi,
 Pledge Trainer 1963-64;
 R.O.T.P. (R.C.N.).
 Future Intentions: Navy.

CASSELMAN,
 MICHAEL DAVID
 Halifax, N.S.
 Major: Biology
 Scholarships: Entrance, 19-
 60-61; County of Halifax,
 1960-61; University 1963-
 64.
 Future Intentions: Med-
 icine.

Science

COWIE, JAMES WAYNE

Liverpool, N.S.

Activities: Sigma Chi (Pro-Consul, 1962-63; Editor, 1963-64; Senior I. F. C. Rep., 1963-64; Alumni Relation Mng., 1963-64); Inter-Fac. Curling; Band.
Future Intentions: N. S. Tech.

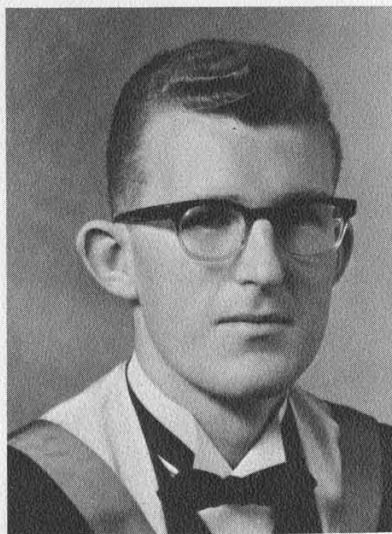

CROWELL,
EVELYN KATHARINE MAURINE
Halifax, N.S.

Major: Chemistry

Scholarships: Entrance, 1959-60; University, 1961-62, 1963-64.

Activities: Pi Beta Phi, Social Chairman, 1961-62; Inter-Fac. Volleyball; Badminton; Gazette, Typist.

Future Intentions: Lab Work.

CUNNINGHAM, JAMES GREY

Halifax, N.S.

Major: Zoology

Scholarships: Entrance, 1960-61; University, 1961-62.

Activities: University Reserve Squadron.

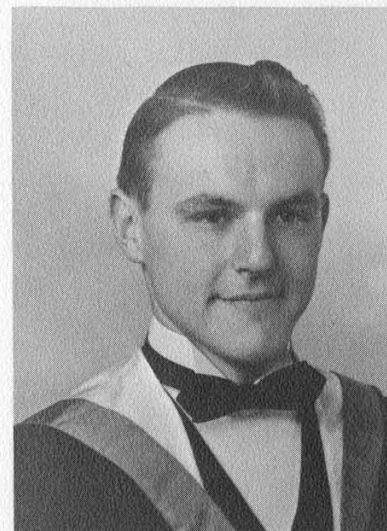

DOGGETT, ANGUS LAWRENCE

Liverpool, N.S.

Major: Chemistry and Math

Activities: Liberal Club; Judo Club.

Future Intentions: Bachelor of Commerce.

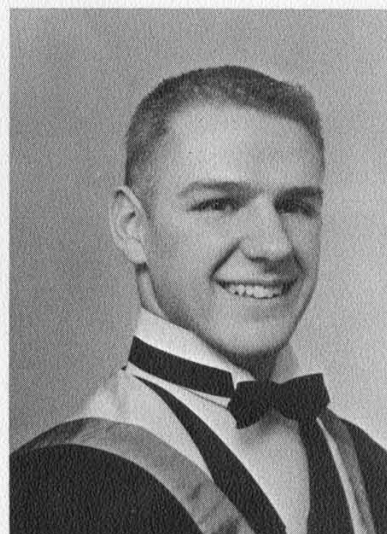

EATON,
ROBERT WILSON

Halifax, N.S.

Major: Geology

Activities: Junior Chamber of Commerce; Sunday School Teacher; Registered Industrial Accounting Society; Inter-Fac. Hockey, Basketball, Football.

Future Intentions: National Sea Products Ltd.

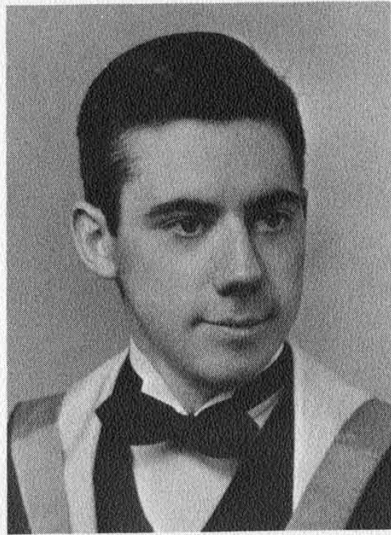

ELLIOTT,
THOMAS MICHAEL
Lantz, N.S.

Scholarships: Entrance 1960-61; Leonard Foundation, 1960-63.

Activities: Canterbury, President, 1963-64; King's Varsity Volleyball; King's Hockey Team.

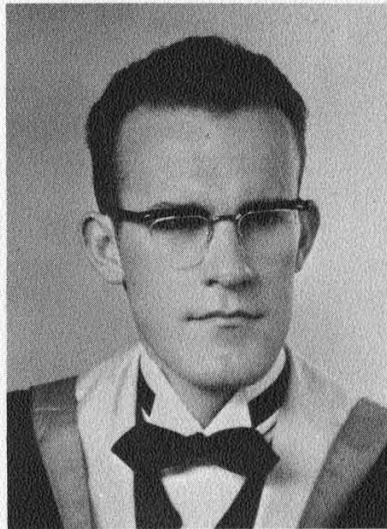

FRIHAGEN, SIGNE JEAN
 Halifax, N.S.
 Major: Math
 Scholarships: Bruce Bursary, 1962-63; G.V. Douglas Prize, 1963.
 Activities: D.G.A.C.; Y.P.U.; Varsity Field Hockey, Basketball, Volleyball; Water-Skiing; Pharos (Co-Editor, 1963; Editor, 1964).

FRASER, FREDERICK DONALD
 Halifax, N.S.
 Activities: President, Dal Curling, 1962-63; Sigma Chi, Tribune 1963-64; Inter-Fac. Curling.

Science

FULLERTON, RODNEY BRYAN
 Grand Lake, N.S.
 Major: Math and Physics
 Scholarships: Leonard Foundation, 1961-62.
 Future Intentions: Bachelor of Education.

FRIZZELL,
 JOHN BENTLEY HALDANE
 O'Leary, P.E.I.
 Future Intentions: Medical School.

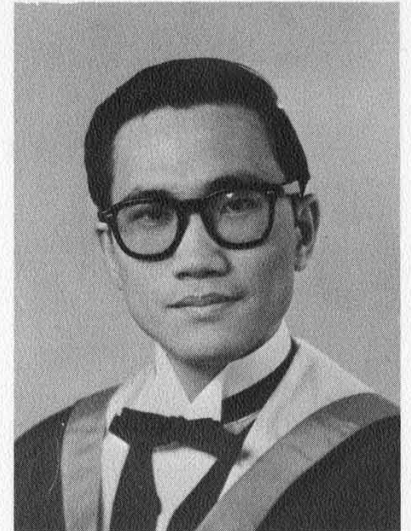

HARLOW, JEAN VIVIAN
 Quebec
 Major: Math
 Activities: D.G.A.C., Sec.-Treasurer, 1962-63, Vice-President, 1963-64; Alpha Gamma Delta, Scribe, 1962-63.

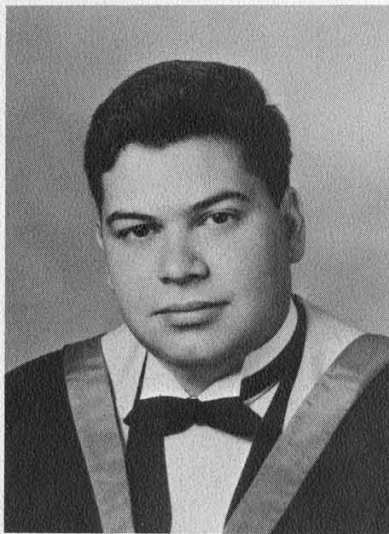

HART,
 JAMES DOUGLAS
 Buchans, Nfld.
 Activities: Residence Sports.
 Future Intentions: N. S. Tech.

Science

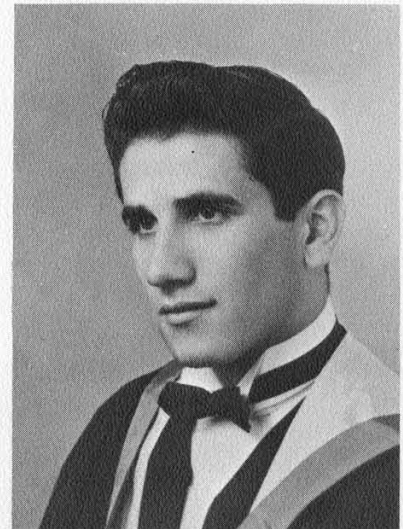

HORNE, MARGOT LOU
Dartmouth, N.S.
Activities: Pi Beta Phi, Corresponding Sec.,
1962-63; J. V. Basketball.

IP, FRANCIS KING CHUEN
Hong Kong
Major: Physics
Scholarships: University, 1962.
Activities: J. V. Soccer; D.C.S.S., Vice-
Pres.

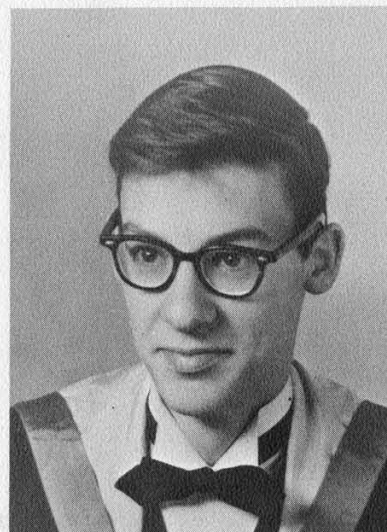

JACOBSON, JACOB ZACHARY
Dartmouth, N.S.
Major: Physics, Math.
Activities: D.G.D.S.; Tau Epsilon Phi;
Gazette; Scuba Diving; Football.

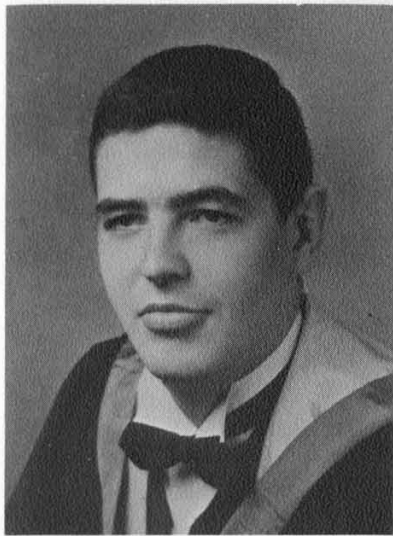

KADRY, AHMID SAID
Beirut, Lebanon
Major: Psychology
Activities: I.S.A., 1962-64; Debating;
Golf; Tennis.

LO, LEE YIN
Sarawak
Major: Biology
Scholarships: Colombo Plan.
Future Intentions: Teaching.

LUKE,
MICHAEL OWEN
Beloril, P. Q.
Major: Chemistry
Activities: D.G.D.A., 19-
60-61; Canterbury, 19-
60-62; Flying Club, 19-
62-63; Philosophy, 19-
62-63; C.I.C.; Badminton.
Future Intentions: Work
in Chemistry.

McKIM, WILLIAM JOHN ANDREW
 Saint John, N.B.
 Major: Physics
 Activities: D.G.D.S., 1961-63; N.F.C.U.S.
 Committee.

Science

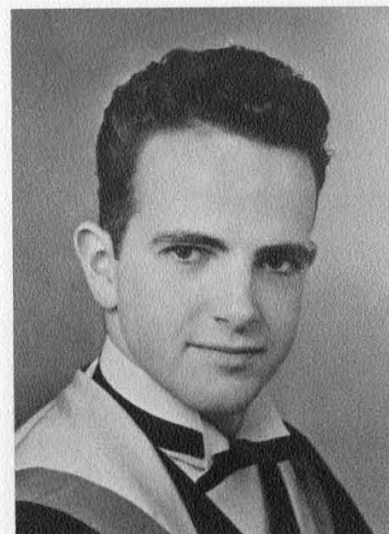

McCORMICK, CHARLES WILLIAM
 Annapolis Royal
 Major: Physics, Math
 Future Intentions: Medical School.

 Halifax, N.S.
 Major: Zoology
 Scholarships: Entrance, 1960-61.
 Activities: Skiing; Art; Swimming.
 Future Intentions: Postgraduate Work.

MILLER, JONATHAN MATTHEW
 Halifax, N.S.
 Major: Physics, Math
 Future Intentions: U. of T., Industrial
 Engineering.

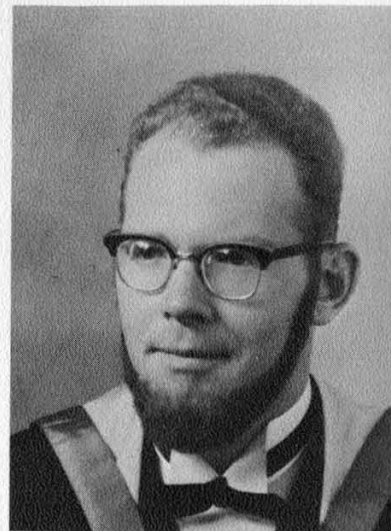

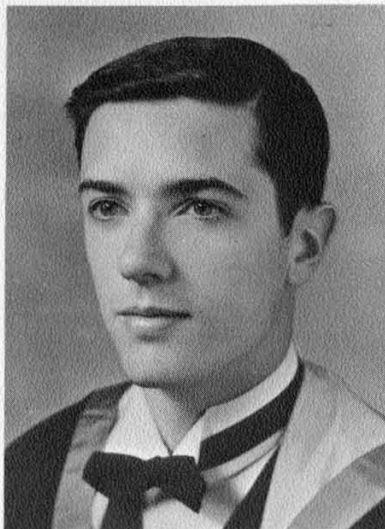

NEWMAN,
 MARILYN ELIZABETH
 Stewiacke East, N.S.
 Major: Zoology
 Activities: D.G.D.S. Stage
 Crew.
 Future Intentions: Teaching.

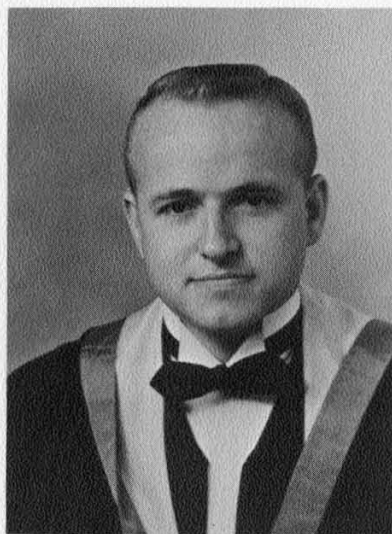

PARSONS,
 ARTHUR HEDLEY
 St. John's, Nfld.
 Major: Biology
 Scholarships: Entrance 1960-
 61; University, 1963-64.
 Future Intentions: Medical
 School.

Science

PEGLAR, MURRAY ALLEN
Halifax, N.S.
Major: Zoology
Activities: Phi Chi, Tau Omicron Chapter,
U. of T.
Future Intentions: Medicine.

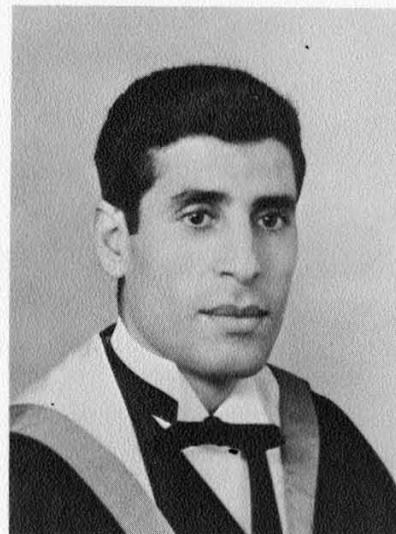

ROBSON, JOSEPH WILFRED
North Sydney, N.S.
Activities: Varsity Soccer.

ROSERE, RALPH ALLAN
Dartmouth, N.S.
Major: Zoology
Activities: Inter-Fac. Basketball, Volley-
ball.
Future Intentions: Medicine.

SALAH, ADIL FAUZL
Jeun, Jordon
Activities: Soccer; Drawing.
Future Intentions: Medicine.

SAMPLE, KAREN AGNES
Westville, N.S.
Major: Biology
Scholarships: University,
1963-64.
Activities: Riding, Bowling.
Future Intentions: Medical
School.

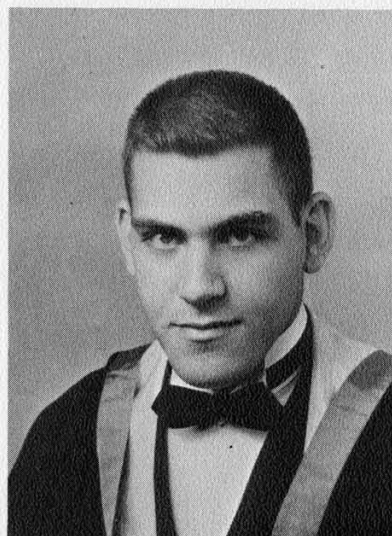

SHAW,
ALLAN CAMERON
Halifax, N.S.
Major: Geology
Activities: Phi Delta Theta,
Historian 1962-63.
Future Intentions: Law.

STEWART, JOAN KATHLEEN
 Halifax, N.S.
 Major: Biology
 Scholarships: Entrance 1960-61; University, 19-63-64.
 Activities: Delta Gamma, Pres. 1962-63; Pi Beta Phi - Schol. Chairman, 1961-62; Panhellenic Pres., 1962-63; Gazette; Pharos; Student Council.

Science

SPEIGHT, RICHARD CECIL

TAN, TENG CHENG
 Kuching, Sarawak
 Major: Biology
 Scholarships: Colombo Plan; University, 1960-61, 1962-63.
 Future Intentions: B.Ed.

SUFFIDY, GEORGE MORRIS
 Toronto, Ontario
 Major: Chemistry
 Scholarships: R.C.A.F.; R.O.T.P.
 Activities: Pep Cats Band; Water Safety Instructor.
 Future Intentions: Air Force, Teaching.

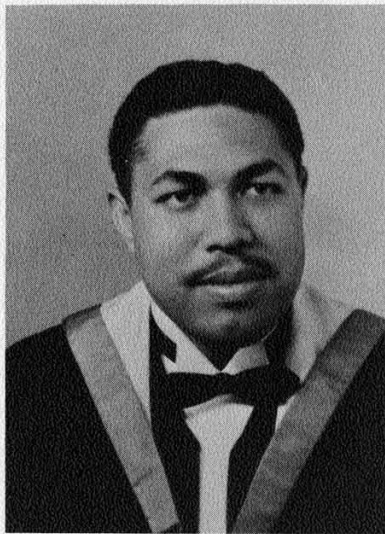

VEEMAN, GLENN ALLAN
 Macrarie, Saskatchewan
 Major: Biology
 Scholarships: N.F.C.U.S. Exchange Scholarship.
 Activities: Inter-Fac. Hockey, Basketball, Curling.
 Future Intentions: Medicine.

WILE, ALICE PATRICIA
 Liverpool, N.S.
 Major: Chemistry
 Scholarships: Entrance, 19-60.
 Activities: Pi Beta Phi; Inter-Fac. Badminton.

Science

WILSON, DAVID
Kingston, Jamaica
Major: Biology
Activities: Soccer; West Indian Society;
Winter Carnival Committee.
Future Intentions: Medical School.

WONG, HIN CHOR
G Rua Da Almirante Sergid Macad
Activities: Chinese Student Association;
Teacher, Chinese School.
Future Intentions: Dental School.

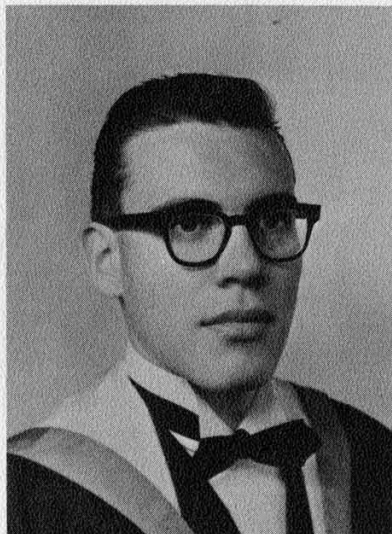

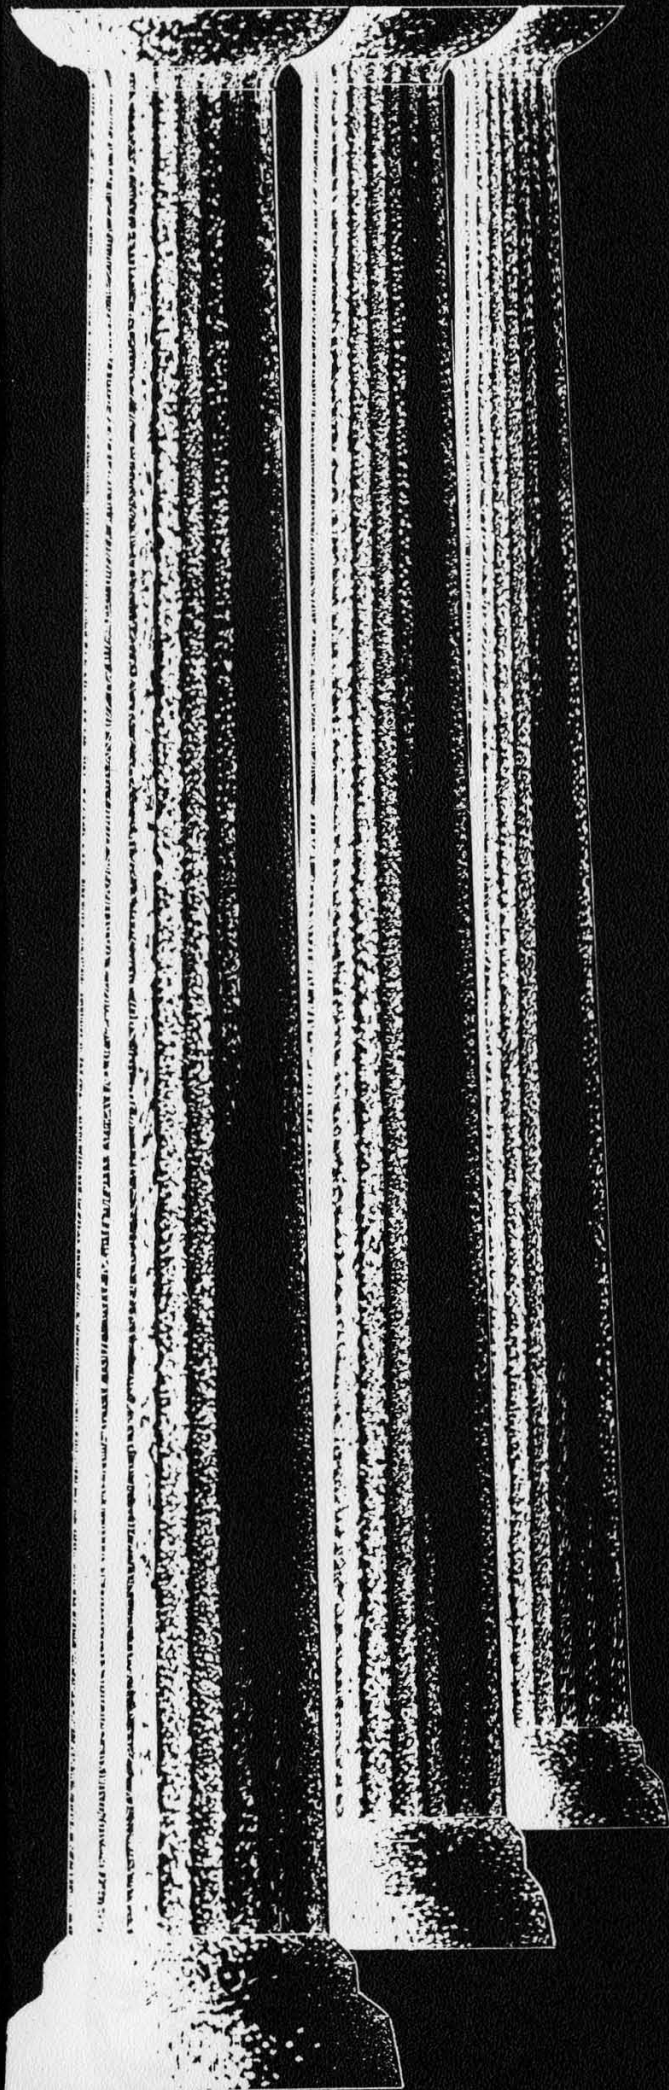

WRIGHT, WENDY JEAN
Halifax, N.S.
Major: Math.
Scholarships: Entrance, 1960-61.
Activities: Alpha Gamma Delta, House
Chairman, 1962-63; Panhellenic Dele-
gate, 1962-63, Corresponding Sec., 19-
63-64; J. V. Ground Hockey; English
Choral Singers; All Saints Senior Choir.

YOUNG, GAIL PATRICIA
Dartmouth, N.S.
Scholarships: Entrance, 1960-61; Uni-
versity, 1961-62, 1963-64; N.F.C.U.S.
Exchange, 1962-63.
Activities: Cheerleading; Students'
Council, 1961-62, 1963-64; N.F.C.
U.S. 1962-63; C.U.S., Chairlady, 19-
63-64; Pi Beta Phi.
Future Intentions: Graduate Study.

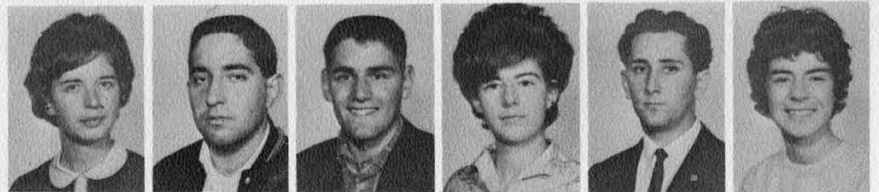

ZINCK,
MAURICE EVANS
Chester, N.S.
Major: Chemistry
Activities: Member of Dal-
King's Universities Contingent
C.O.T.C., Representative with the
Canadian Army in Germany; Varsity
Soccer; J. V. Hockey.
Future Intentions: Post-graduate
Work in Chemistry.

UNDERGRADUATES

Arts

Abbot, R. Abelson, A. Adelaar, J. Aggas, R. Allan, R. Allport, E.

Andersen, E. Anderson, C. Anderson, R. Andrews, S. Anslow, J. Appel, M. Archibald, C.

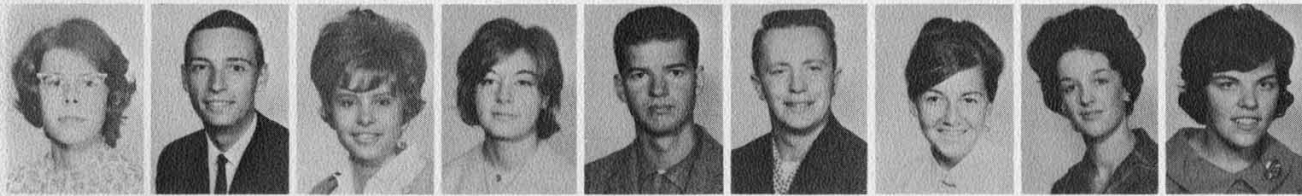

Armstrong, D. Attis, S. Avery, D. Baird, H. Baker, A. Ball, I. Balloch, P. Bate, J. *

Battist, A. Benjamin, J. Best, J. Bird, B. Bird, M. Black, E. Black, V. Blakeney, P. Bloom, M.

Bolton, S. Bowditch, V. Bowes, E. Brady, B. Breithaupt, P. Brennan, A. Bridgewater, S. Brock, A. Brown, J. Bryant, W.

Burnham, L. Burrow, G. Burstall, M. Caldwell, C. Cameron, B. Cameron, G. Cameron, S. Campbell, B. Campbell, B.

Cannell, L. Canning, D. Caron, J. Carten, B. Cassell, G. Chambers, I. Chan, R. Chan, S.

Chan, V. Chavy, J. Chisholm, C. Clancy, R. Clare, D. Clark, E. Clark, R.

Arts

Clark, R. Clark, S. Clendenning, D. Cleveland, G. Cleveland, J. Coleman, B.

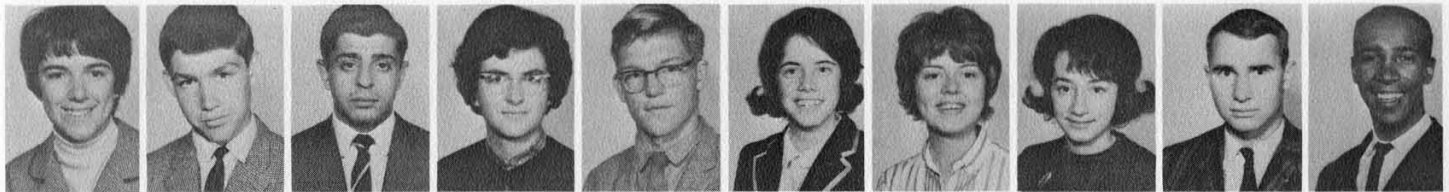

Compton, M. Connelly, J. Conrod, J. Cook, C. Cook, S. Corban, P. Cosgrove, J.

Couture, A. Cowan, H. Cragg, J. Craik, S. Creighton, B. Cresine, G. Crickard, F. Crooks, D.

Crosthwait, C. Crouse, A. Cruikshank, J. Curry, P. Dacey, R. Daley, R. Davidson, M. Davis, M. Davison, J.

Dayton, W. de Catanzaro, G. Delefos, P. d'Entremont, C. Derrick, M. Dexter, B. Dickson, B. Dillon, C. Disney, T. Dixon, B.

Donaldson, J. Donovare, E. Doody, F. Douglas, M. Drmaj, R. Drover, D. Drysdale, H. Drysdale, K. Dudley, L.

Dunlop, A. Dunlop, G. Dunn, J. Dunsmuir, M. Dunsworth, J. Durrant, R. Eagles, S. Earle, C.

Eldridge, C. Elliott, J. Eville, D. Fairley, L. Farrell, F. Felderhof, M. Fenton, D.

Arts

Arts Society

The Arts Society, representing Dal's largest faculty was successful, this year, in making its mark in campus activities. After a late start, on Oct. 24, with the election of an Executive, the Society went into full swing. On the sports scene, under the direction of Bill Raine, Arts teams were entered in football, squash, handball, badminton, basketball, and hockey. In both hockey and basketball, the teams were at the top of the league. Spirit was again exhibited by Arts members with representation at the Hillel Bowlathon and the Winter Carnival Go-Cart Races.

A successful Arts Ball, held at Ashburn Country Club, on January 31, was the highlight of the year. In general, the year proved to be one of the most successful for the Arts Society.

Arts Queen, Sue Powers

A view of the A&A Building from the Dingle.

Executive: Lynn Black, Lanny Rice, Betty Anne Levy.
Sitting: Ted Rowen-Legg (Pres.).

Three avid Psychologists.

Roaming through the stacks.

Commerce Society

The members of the Dalhousie Commerce Company have had a very busy year. A reception for commerce and economics professors and students was held in October at the Men's Residence. During the term several industrial speakers came to the university to give talks to those interested in careers in their particular fields.

The Advertising Bureau, The Travel Bureau, and A.I.-E.S.E.C. were controlled and operated by members of the Commerce Company.

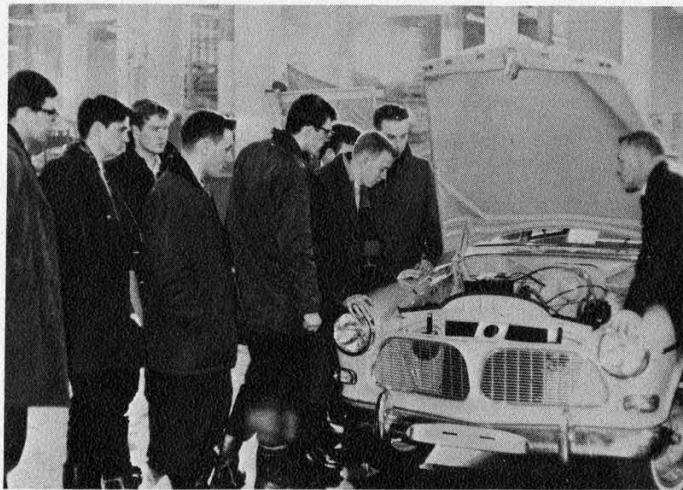

The highlight of the year was Commerce Week held from January 13 to 17. During the week, some of the events programmed were the annual banquet and ball at which the Commerce Queen was crowned and two industrial tours - Volvo and Oland's. The big event of the week was the performance of the Travellers folk singing group which preceded the Sweater Dance and the crowning of the Sweater Queen.

Commerce Queen, Miss Marjorie Baxter, being crowned by Professor Cumming.

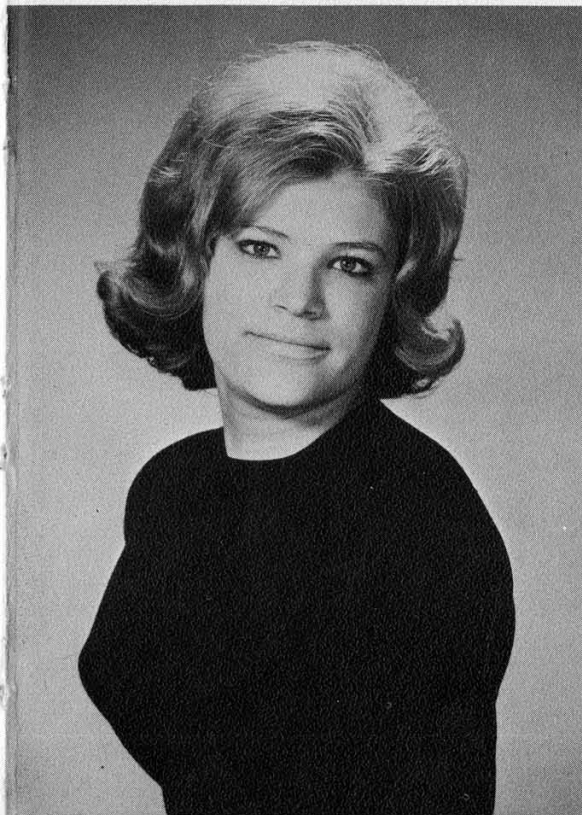

Executive - Standing: Dick Isnor, Peter Mills.
Sitting: Tom Hayes (Pres.), Linda Thompson.

Touring the Volvo plant.

Sweater Queen, Joan Levin.

The Travellers.

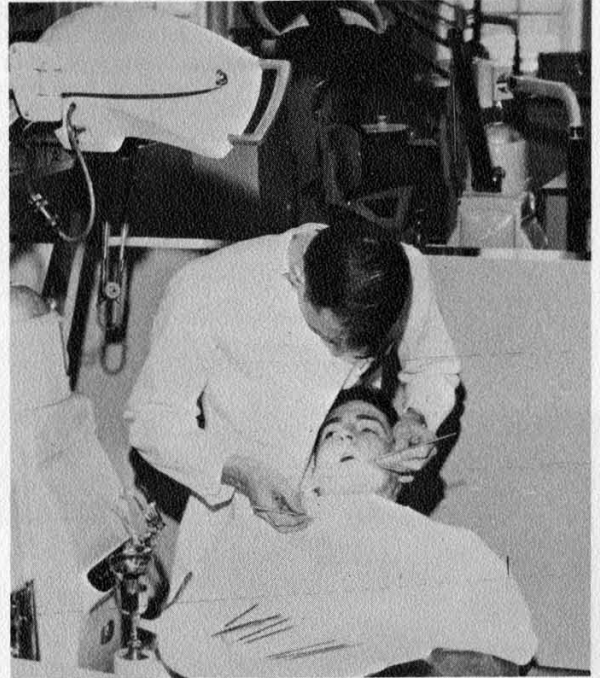

Dental Society

Dr. MacLean crowning Miss Barbara Jane Mercer, Dental Queen.

The Dental Society had an active year, participating in and supporting most campus activities, particularly the S.U.B. fund campaign. The Dental Ball, held in the Autumn, was again a great success. Interfaculty sports were keenly, if not always successfully, engaged in.

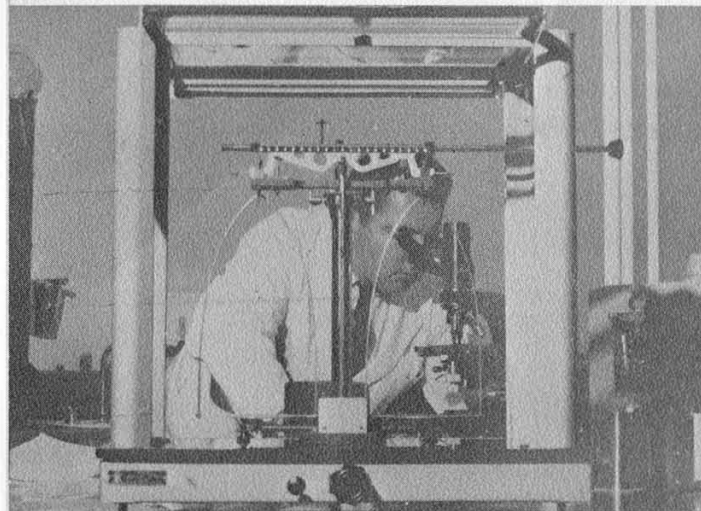

Several socials, including a Pre-dent Night were held, and all were well attended. It is hoped that next year will be a bigger and better year for the Society and that, although, we are a small faculty, we shall be able to take our place in campus activities to an even greater extent.

Ron Rowe and trusting victim.

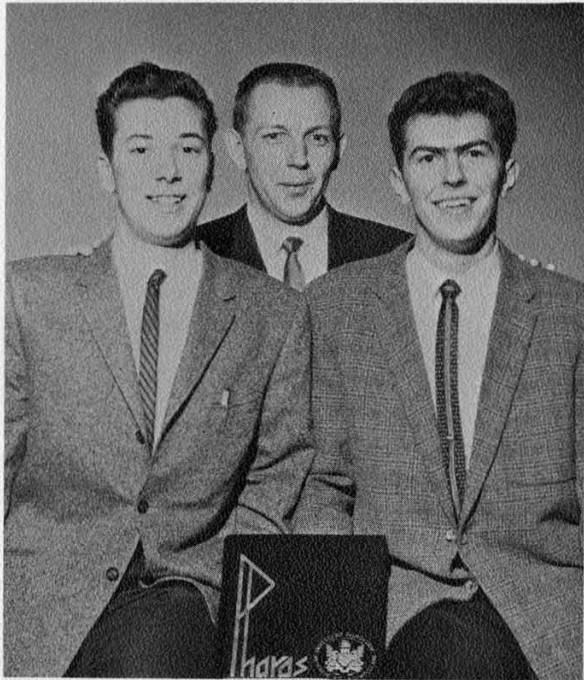

Ed Hannigar, Dave MacIntosh, Don Hathaway (Pres.), Jack Thompson.

James Cleary in Research Lab.

Engineering Society

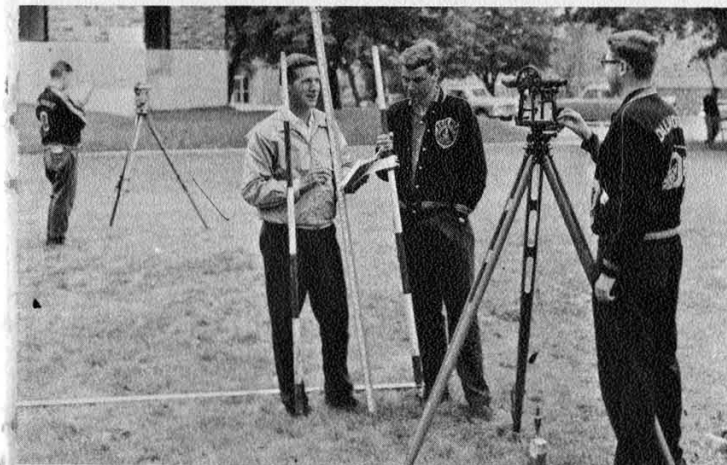

Executive — Leo Alexander, Dave Mercer (Pres.), Winston Ernst.

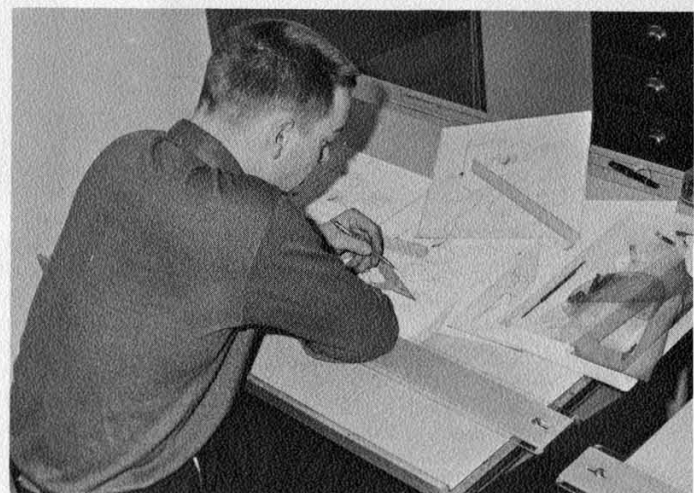

Engineering Queen, Miss Judy Greenwood, being crowned by Professor Margenson.

The year was started off with the annual Engineers' Party, a special welcome for our Freshmen. The next event of the year was the Engineers' Stag and once more the engineers endorsed their theme song. Following the Christmas break, the new year began with a bang, featuring the Hayloft Jamboree, being followed two weeks later by the Engineers' Ball at the Lord Nelson Hotel.

Our enthusiasm was a bit dampened this year when the Gazette staff handed us the papers instead of putting up the usual opposition to our unique method of obtaining free advertising on the front page. Nevertheless the Engineers' Ball was duly advertised. As usual the Engineers lent a helping hand in the Winter Carnival Program. The Society participated in all interfac sports and gave a good account of themselves, especially in hockey, football, basketball, and badminton. The year was most successfully ended with our annual free banquet at the Nova Scotian Hotel.

Engineers getting early start at Surveying Camp.

An engineer hard at work in the Drafting Room.

Law Society

Miss Barbara Goldfarb, Law Queen, being crowned by Professor Murray.

The highlight of the fall term for the law society was the Law Ball held early in November. This was paralleled in the spring term by the Poor Man's Law Ball which was held in February at the Jubilee Boat Club.

There have been plans this year to rent a house for the law society which would be called Welland House, after the first dean of the law school. The law society sponsored in the fall Moot Court - a mock trial in which all second and third year students participate as lawyers and judges respectively.

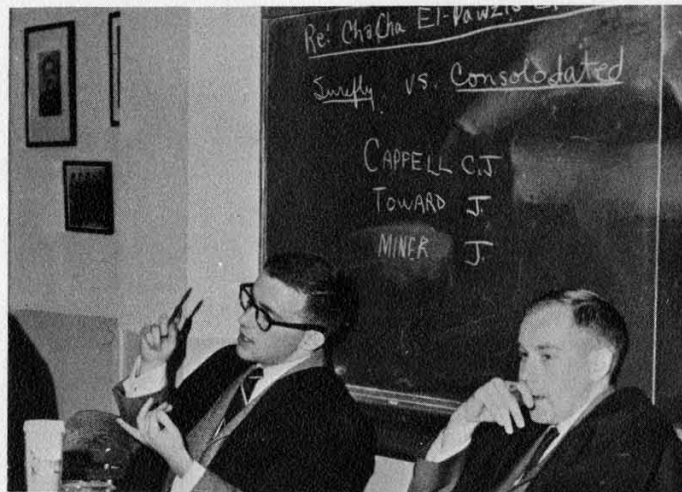

In February the Smith Shield was held where the four most successful students who participated in Moot Court argue a case before two judges of the Superior Court of Nova Scotia and the president of the Nova Scotia Barristers Association.

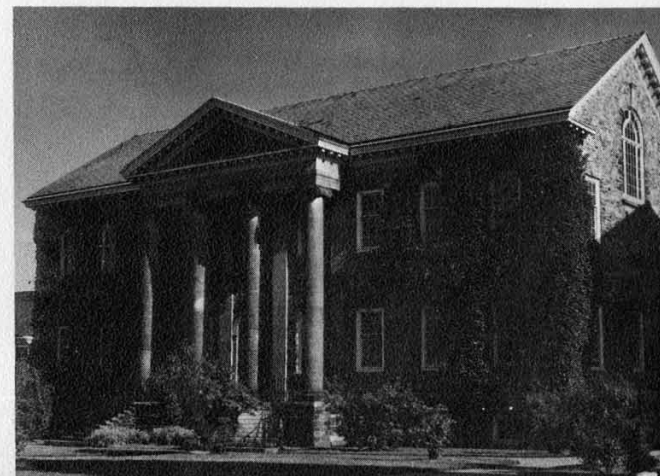

Executive - Standing: Dave Mann, Peter Green, Art Donahoe. Sitting: Brian Noonan (Pres.), Warren Footit.

John Grant making a point of law for the benefit of the bench in Moot Court.

Mr. Justice Cappell isn't so sure he accepts Mr. Grant's point while Mr. Justice Toward looks pensive.

Medicine Society

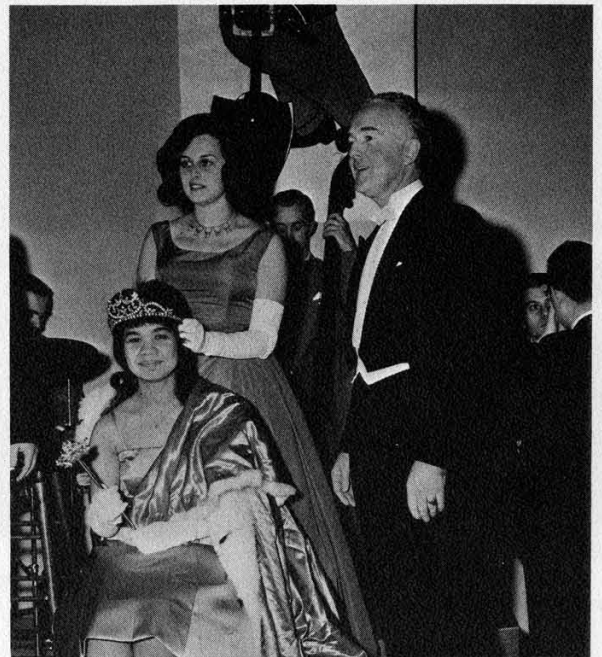

The usual events of the society this year were carried out without any significant difficulty. The poor attendance of the students at general meetings was not a welcome sight by the Executive and necessitated that the bulk of the society's work be carried out by the Executive Committee. This speeded up processes greatly, but suffered from the lack of enthusiasm and stimulation generated by a large group.

The highlight of the year was the Med Ball held Dec. 6th at the Lord Nelson Hotel. Ken Anderson, Les Bordon, and their cohorts put much effort into it and resulted in one of the best attended balls by the students in recent years. A charming Trinidadian miss, Merle Darbasie, was chosen queen. The first annual professor-of-the-year award was given to Dr. R.O. Jones and was received with total enthusiasm.

The Orientation Committee at the first of the year and the Medical Journal Staff throughout the year showed very creditable work. Athletic teams in interfaculty sports did extremely well, both in numbers of students participating, and awards won. Our Students' Council Representatives have been at odds with the Council on many matters, but a workable solution to our demands was found in most cases.

Executive: Standing: Laurie MacNeil, Sandy Ross, Tony Measham.
Sitting: Ken Anderson, Gordon Mockler, Donna MacRae.

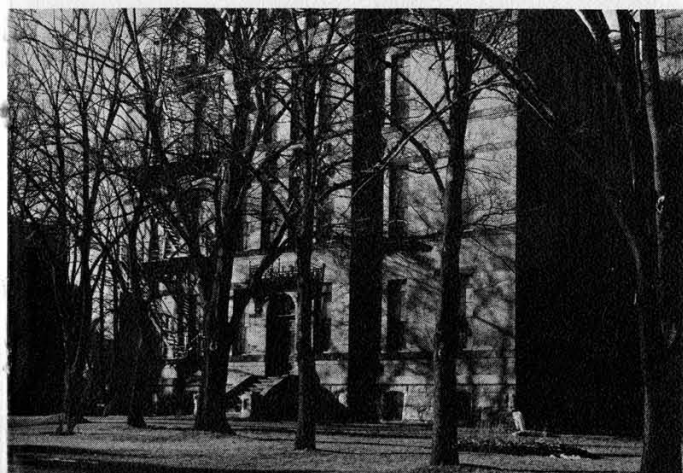

Dr. Stewart looks on as Judy Hammerling crowns Merle Darbasie, Medicine Queen.

Dr. Shortt, Dr. Parigh, Miss Fanjoy examining a patient.

Dr. Quigley displaying his bedside manner.

Pharmacy Society

Dr. MacKnight being made an Honorary Member of the Pharmacy Society by Floyd Tucker and Kay Freeman.

Carol Holland, Pharmacy Queen.

Activities started with the Society entertaining the Freshmen and Freshettes to a Coke Party. A party for the whole society was held during the first week at Eleanor Dunsworth's cottage.

On November 1, the Society sponsored the Friday night dance at the gym. For Pharmacy Week, a display was prepared in the Dispensing Lab. This was entered in competition with all the Pharmacy Schools across Canada. Our display took first prize in the competition.

On November 27, we entertained Dr. Jessie MacKnight and made her an Honorary Member of the Society. Also during the same night we heard a talk in Pharmacy Education in England by Dr. A.H. Beckett, Head of the School of Pharmacy at the College of Science and Technology, Chelsea England.

Our Formal was held on January 31 at which time our Queen, Miss Carol Holland, was crowned.

February 13, the Society was entertained by the Hospital Pharmacists at the Halifax infirmary. Talks on importance of radio activity in Pharmacy and Hospital Pharmacy were heard.

The Society ended its year with elections of new executive and a Banquet on February 29, free to all Society members.

Executive: Gerry Kearnes, Floyd Tucker, (Pres.), Kay Freeman.

Pharmacy Display which took first prize in the Canadian University School of Pharmacy Competition.

Science Society

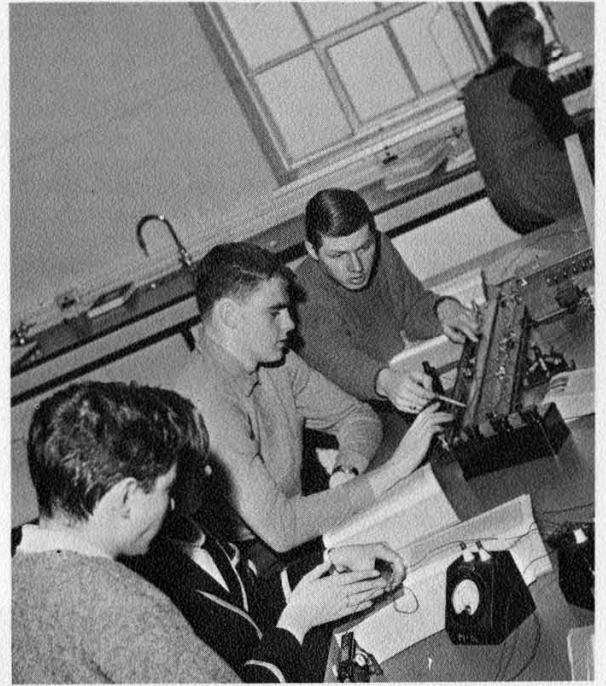

Dr. H.B.S. Cook crowning Miss Diana Yue, Science Queen.

The Science Society members participated in an active program during 1963-1964. The science ball with theme "Aquanight", held on November 15 at the Lord Nelson Hotel, was a great success.

During the spring term the Society sponsored a speaker and a record hop in the gym, as well as other social activities.

The Science teams made a good showing in interfaculty sports, winning the cross-country race and the badminton tournament, and providing spirited competition in football, hockey, and basketball.

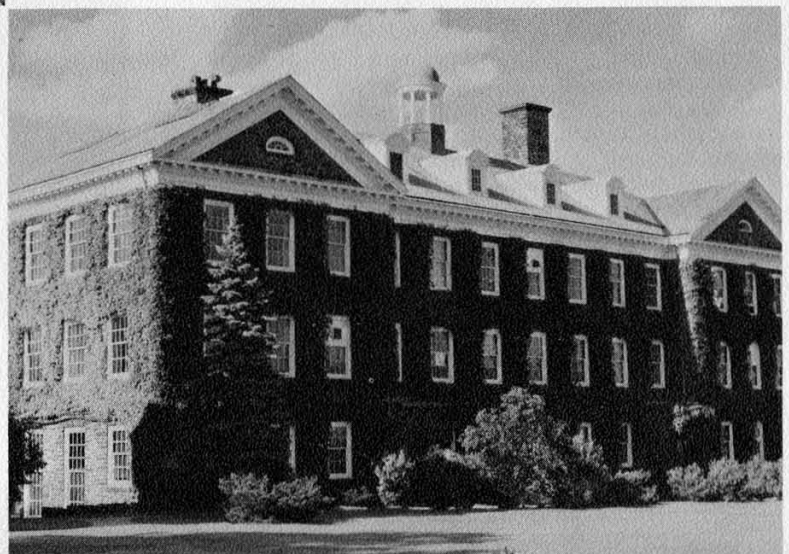

An experiment in Physics 1 Lab.

Liquid air being put into helium cryostat.

Science Society Executive: Standing: Karen Ridgway, Dave Simpson, Diana Messervey.
Sitting: Barry Hargrave, President.

Pre-Med Society

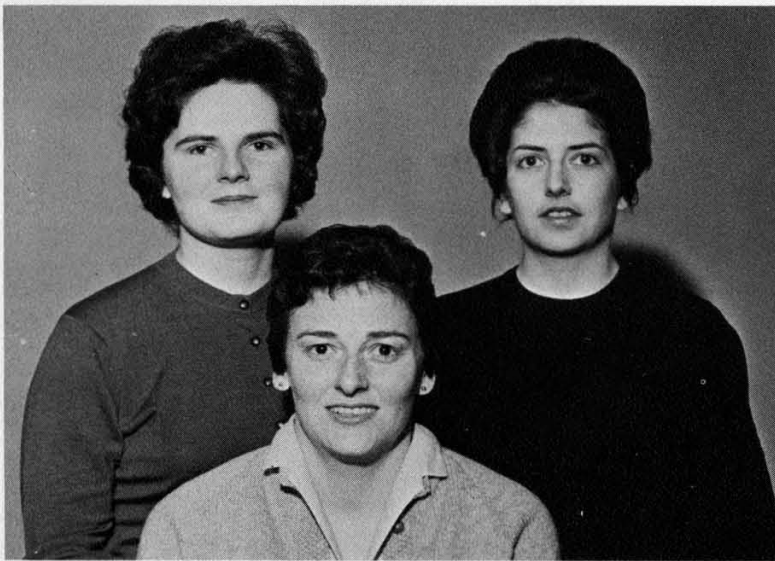

At one time the pre-med student pursued the necessary academic subjects for entrance into Med school without the benefit of a closer and more practical contact with the life's work that was ahead of him. At Dalhousie for these past years, the pre-med students have had their own society, organizing and directing activities of common interest in all aspects of medical practice.

These activities include films, speakers, tours, and informal gatherings. One interesting event was the coffee session with Dean Stewart of the Medical Faculty and Dr. Bethune, the administrator of the Victoria General Hospital. In the first term the group made tours of the Nova Scotia Hospital, the Children's Hospital, and the Victoria General.

Perhaps one of the most interesting activities has been the institution of "emergency rounds" at the emergency department of the V.G., where each night two members don white coats and join interns in their duties, and are permitted to observe any emergency cases. Several times students have been fortunate enough to see emergency appendectomies.

Executive: Frank Bishop (Pres.), April Dockrill, Roddy MacInnes, Vaughan Roxborough.

Executive: Joan Williams, Anna Curren, Diane Sinclair.

Nurses' Society

Membership in the Nurses' Society this year totaled one hundred and thirty-two - eighty-four in one year diploma courses and forty-eight in the six year B.N. degree program. Meetings were held monthly with guest speakers. The major business of the year was revision of the society's constitution.

Members organized curling and bowling teams, and participated in the Hillel Bowlathon in January. A pizza and wine party was held in October. The Annual Ball was held in January with Miss Lynn Graham crowned as Nursing Queen, and in February the Public Health Department of Nova Scotia sponsored an afternoon tea for the society members.

Members also took part in the student Blitz held in October and made the largest collection of any society participating.

Graduate Society

The Dalhousie Society of Graduate students started the fall term with a general meeting to elect officers.

In November, the society sponsored a cocktail party and dance, with faculty representatives as guests. A spring theme party in March and visits to local industries were held.

The society is investigating the medical coverage plan for graduate students with the hope of extending the plan through summer months. Plans are being formulated for a graduate student house on a co-operative basis. This year saw the beginning of the Graduate Students' Wives Club.

The Graduate Society does not plan to end activity with spring exams. Most graduate students are at university in the summer doing research, so summer cook-outs are planned.

Standing: Dave Mitchell, Terry Hogan, Herbert Wallace.
Sitting: Joanne Dowell, Elizabeth Rehling.

Ted Lawrence, Ian Harris, Fred Campbell (Pres.)

Dawson Geology Club

The purpose of the Dawson Geology Club is to increase knowledge of Geology. The club consists of a nucleus of members who plan lectures attended by Geology students. Dr. Harrison, director of the Geological Survey of Canada, Professor Krank of McGill, and Dr. Fronberg, were some of the speakers. Topics included the National Research Council on Photogrammetry, mining in Mexico, and color in rocks. Among the field excursions to various geological aspects of the Maritimes, was a trip to the salt mines of Pugwash.

Five graduate students from the club attended a Geological Society of America Conference in New York. More of the club's geology enthusiasts will attend a Maritime Geological Conference at the University of New Brunswick.

Sociology Club

The Sociology Club is open to all students taking sociology courses. Two members are elected from each of the five sociology classes to meet and plan lectures, films, and discussions for the club's members.

During the year the club invited Perry Rockwood, a well-known clergyman in Halifax, to speak on Censorship. Statistics and Re-Habilitation were two other topics on which lectures were given. A film on Prejudice and a banquet completed the year's activities.

Standing: Harry Thompson, Lawrence Peck, Mike Hoare, Brian Brown.
Sitting: Mary Lou Leadbeater, Mardi Donahue, Sandy Lesyk.

Standing: Steve Baig, Harry Blair.
Sitting: Bill MacDonald, (Pres.), Mel Heit.

C.I.C.

The Chemical Institute of Canada, Student Chapter is a club designed to bring together the chemistry students on this campus and introduce them to some of the aspects of chemistry. The chapter has been active for many years, and this year the membership is almost double that of previous years.

Each session, tours were conducted at various institutions in the Halifax-Dartmouth area-places such as the National Research Council, Imperial Oil, Institute of Oceanography, and others. When possible guest speakers were invited to a meeting. From talks given by graduate students on their projects, undergraduates members gained an insight into the research being carried on at Dalhousie. A special tour of the chemistry building was conducted this year to give members a first hand view of research techniques.

Men's Residence

Left to Right: Jamie Richardson, Bill Bezanson, Steve Gibbon, Murray Roulston, Ross Bingham, Wayne Born, (Pres.), Bob Roberts, Don MacLean, Pat Ryall, Vaughan Roxborough, Mike Jelks.

The Residence Council is the body governing student affairs in the Men's Residence. It is responsible for organizing Residence sports, debating, library, the Residence Newspaper, and various other activities.

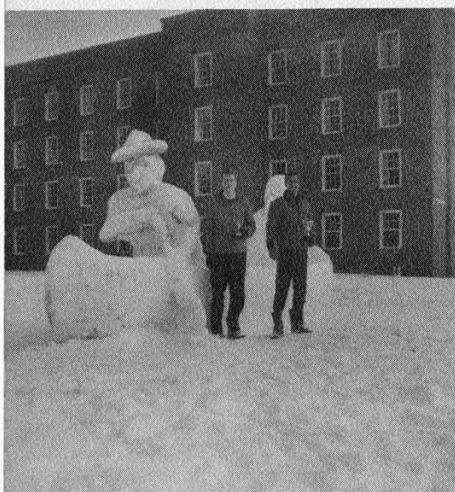

The Residence, soon to double its membership to about three hundred, is well on its way to winning the MacLean Trophy for inter-residence sports, and the Hicks Trophy for inter-residence debating at the time of writing. It won both the inter-residence and the overall competition in the Winter Carnival Snow Sculpturing Contest.

Nearly every Saturday night this year, the Men's Residence has provided dances for campus students. These were almost as popular as the Friday night dances in the Gymnasium, and they will probably be continued next year.

For the first time there was a Residence Freshman Initiation at the beginning of the year. Another new project was the residence radio station. At the time of writing, only formal approval was necessary before the station was installed.

Under the leadership of President Wayne Born, the Council provided for the Residence Ball in January and two banquets, one in the fall and one in the spring.

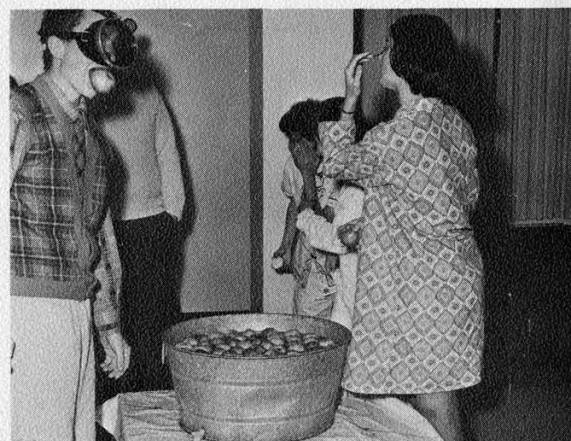

The year was most successful, and if enrollment implies success, next year will be even more rewarding.

Pete Crawford and Bob Dailey and their snow sculpture which won the competition

The South Wing "Beatles"

Inter-Residence Hallowe'en Party

Shirreff Hall

The Shirreff Hall House Committee is the executive of the Shirreff Hall Self-Governing Association. It is made up of representatives of different classes. House Committee plays an important part in the life of every Hall girl.

This year, Shirreff Hall was successful in having President Hicks and the Senate seriously consider a new constitution which would bring our old constitution, dated 1923-24, up to date. It is the responsibility of the house Committee to interpret and enforce the rules of the Constitution to the satisfaction of all.

The Hall Formal, the Christmas Charity Project, The Hall Christmas Banquet and Party, and the Senior Banquet were all organized by members of House Committee. The executive is also functional as an important bridge between the Dean, Miss Irvine, and the rest of the Hall girls.

House Committee:
 Standing: Victoria Stanfield, Ginny Sancy, Mary Martin, Leslie Tracey, Jay Botterell, Wendy Dayton.
 Sitting: Viki Cumming, Joanne Godfrey, Eleanor Chew, Becky Chan.

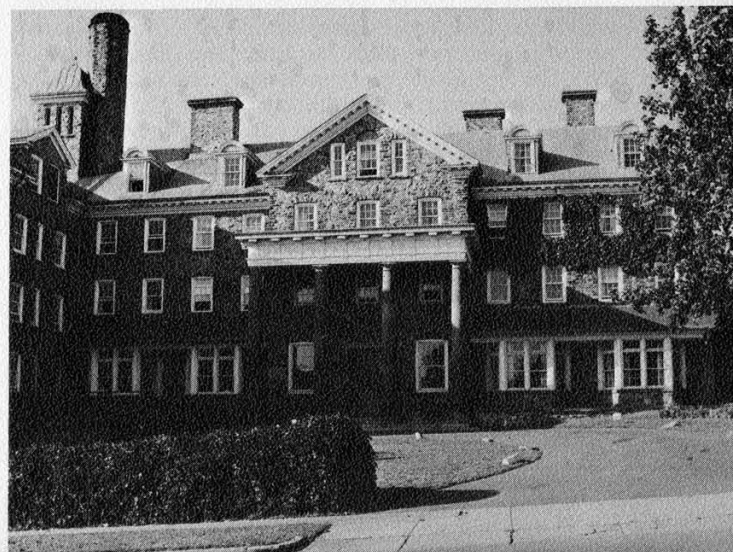

Sing Song at Hall Formal

Gail Corners Laurie

Hall girls and dates.

African Student Association

African students from the Nova Scotia Technical College, Saint Mary's University, King's College, and Dalhousie University, belong to the African Student Association of Halifax.

The year's activities began near the end of September with the orientation of new African students in Halifax. The students were taken on a tour of the city, shown a film on Nova Scotia, and entertained at a banquet and dance.

The students celebrated Kenya's independence December 20; there were African side shows, a dance, and refreshments. Dr. H. B. S. Cook, Dean of Arts and Science, was the speaker for the occasion.

Panel discussions on African affairs were held throughout the winter. A fund raising program for the students' Union Building completed the active year.

Sitting: Simeon Macana (Pres.).
Standing: S. Essop, John Akabutu.

Sitting: Meng Hee Tan, Leo Hall, Francis Ip.
Standing: Robert Mak, Teng Lek Khoo, Yeong Lee.

Chinese Society

This year was perhaps one of the most active for the Chinese Students' Society. During the summer the society corresponded with prospective Chinese students coming to Dalhousie. Collaborating with the Halifax Rotary Club, the society helped in accommodating these new students in the Fall. Several social gatherings were organized to promote intra-collegiate and inter-collegiate relationships between members. These include a "welcoming part", a weiner roast, a Christmas dance, a Chinese New Year banquet and dance, and a skating party. The society also participated in the series of games organized by the Halifax Chinese Students' Association. To strengthen cultural ties, the society organized forums on "Malaysia" and "Hong Kong" and was pleased with the public response. Finally, a year book was published to summarize the year's activities.

West Indian Society

The West Indian Society is an active association which provides a welcome at the beginning of each year for all new students from the West Indies. The Society helps these new students to find suitable accommodation in the city and to feel at home both on and off the campus. At meetings this year, the programmes were conducted by various members who spoke on the progress and the problems of their native countries. This was especially interesting due to the recent political developments in the Carribean. During the year, the society sponsored a dance in the Dal Gym, complete with steel band, and took part in Hillel's Bowlathon. Its members also participated in the I.S.A.'s cultural weekend, when students from other lands had an opportunity to present their native cultural heritage to their fellow students.

Sitting: Edward Long, Hollis Whitehead, Ed Batocsingh.
Standing: Dave Wilson, Anthony Thompson.

Executive - Standing: Pam Young, Glenn Veeman, Peter Stirling, Margie Mac-Dougald.
Sitting: Gail Young (Pres.).

C.U.S.

In 1963 N.F.C.U.S. (National Federation of Canadian University Students) was changed to C.U.S. (Canadian Union of Students) so that the organization would fit into the French ideas on education and culture. N.F.C.U.S. was on a provincial level, whereas C.U.S. was designed to be on a more national basis.

Some of the activities sponsored nationally by C.U.S. were an inter-regional exchange scholarship whereby students could study in different areas of Canada, and the magazine Campus Canada. This year emphasis was on Bi-Culturalism, the Duality of Canada, and Foreign Aid.

In Dalhousie this year, C.U.S. revised the discount service, set up a high school visitation program, and prepared a brief on loans and bursaries for students to the Provincial Government. Delegates will be sent from Dal to a National Congress in the fall, a National Seminar in late summer, and an Atlantic Regional Conference.

I.S.A.

The relatively new name, International Students' Association, introduced in the university 1959-60, replaced a previous organization known as F.R.O.S. (Foreign Relations with Overseas Students).

Since that time the Association has grown steadily, and is now quite large. It consists of foreign students from many different countries and cultures, and also interested Canadian students.

The I.S.A. has two aims in view. The first is to foster good relations and to promote cultural exchanges between foreign students and Canadian students. The second aim is to give assistance to those foreign students who encounter problems while at university. Both of these aims are integrated into the Association's activities for the year.

An interesting and important fact to notice about the I.S.A., is that the Executive body is very cosmopolitan in nature--it is made up of representatives of different countries. They attempt to devise a program which will best suit the Association's aims.

Executive - Standing: Leland MacLean (Pres.), Jay Malhotin.
Sitting: Robert Mak, Anja Weste, Ahmad Kadry.

Standing: Peter Hayden (Pres.), Dave MacAdam.
Sitting: Daphne Armstrong, Helvi Vontso.

W.U.S.C.

World University Service of Canada is affiliated with World University Service, the international organization of university students and professors that aims to promote international understanding, and good-will on the university level, and to provide material relief and assistance to students and professors in underprivileged regions.

Each year at Dal W.U.S.C. sponsors the Treasure Van which brings handicraft from all corners of the world. The profit from this goes to international student relief, and other educational activities.

In addition, W.U.S.C. sponsors a series of speakers on international affairs. W.U.S.C. also sends one student each year to W.U.S. Seminar, or Study Tours.

Sitting: Nancy Morrison, Doug Gough.
Standing: Gary Moore, Father Tuck, Mike Elliott.

Canterbury

This year Canterbury provided a varied program for Anglicans on campus. Tuesday noon hours were devoted to a classroom Eucharist in the Arts building and Sunday evenings were set aside for group get-togethers. Canterbury Council selected some lively and even 'way-out' topics for our Sunday sessions. 'Social Psychology of Sex', an African Night, Folk Singing, and a Coffee House complete with candles and beat poetry were highlights of the program before Christmas. Other social activities included a corporate communion and breakfast, a dance, and work parties in the Cathedral on Saturday afternoon.

Under the guidance of Rev. Lloyd Gesner and Rev. Bob Tuck, the Anglican students enjoyed a more than successful year.

Hillel

Hillel is a society which offers a social, religious, and cultural programme to all Jewish students on campus. This season got under way with a successful dance, and throughout the year supper meetings were held which included lectures by prominent educators. The religious programme included special services and discussion groups at the home of Rabbi Deitcher on Sunday afternoons. Hillel also sponsored a Bowl-athon, open to all societies and fraternities.

Arlene Jacobson, Elka Mark, Harriett Pascal

Bernie McCabe, Dave MacAdam, Katy Lou Powell

Newman Club

The Dal-Tech Newman Club enjoyed one of its most successful seasons this year. The term was opened with the folk-singing combination of Bruce and Bernadette and having set the pace proceeded with stimulating talks, a panel discussion, a well-attended Communion Breakfast and a varied social programme. The Post Christmas season was highlighted by the long-awaited return skating party, panel discussions, films, and the festive Paddy's Day Party in mid-March.

This year also saw the publication of the "tip sheet" --the bi-annual newsletter acquainting members with the activities, notable members of the club, and a potpourri of tidbits!

It was a very good year; the executive thank the chaplain, Father Gordon Hayes and its members for their co-operation and participation.

I.V.C.F.

Inter-Varsity Christian Fellowship is an inter-denominational association of groups of Christian students in universities, teacher training colleges, high schools and nurses training colleges. Their common purpose is to witness to the reality of the person, Jesus Christ. Through Bible Studies, discussion groups, guest speakers and socials they seek "to know Christ and to make Him known."

This year's program included a series of biblical studies on characters in the old Testament, discussions centred around the book "Basic Christianity" and monthly fireside fellowships featuring topics such as "negative Christianity" and "The Evangelical and Politics." A visit was made in the second term by I.V.C.F. staff member Tony Tyndale and national secretary Wilbur Sutherland.

I.V.C.F. enjoyed a successful and rewarding year.

Rupert Ray (Pres.), Marlene Hawgood, Dalle Moore.

Sitting: Wendy Doody, Nora McCulloch, Mary Nguan.
Standing: Kevin Ball, (Pres), Tony Metie.

S.C.M.

In spite of threatening clouds, the Dalhousie-Kings Student Christian Movement is still tagging along in its traditional way. Besides losing elected president Lorraine Cole to Toronto, we have also lost half of our office rights to D.G.D.S. However, true to itself, S.C.M. transcends all this and carries on an ambitious programme for 1963-64. As usual, there are study groups, lecture series and panel discussions which reflect, we hope, the diversity of interests of the S.C.M. So it is not surprising that the "Agnostic Week-end" and Akbar Hagg of the Billy Graham team were items on the programme. In this way, the aims of the movement can be manifested in that a Christian setting is provided in which all those interested in Christianity can question and discuss all topics relevant to this realm.

A.I.E.S.E.C.

A.I.E.S.E.C. is an international organization whose purpose is to promote international understanding amongst the leaders of tomorrow by carrying out the international exchange of jobs during the summer. A.I.E.S.E.C. is not new to Dalhousie, but this year marks the first time that the committee has been in a position to send students overseas. Through the co-operation of numerous Halifax firms, students from Dalhousie will be able to take up management training jobs in one of the more than twenty foreign countries in which this program operates. In addition to providing jobs, A.I.E.S.E.C. offers study tours and seminars which help to familiarize the students with the economy and life of the country which they are visiting. With the enthusiastic support that has thus far been shown by the faculty of Dalhousie and the business firms of Halifax, the A.I.E.S.E.C. committee looks forward to a profitable future.

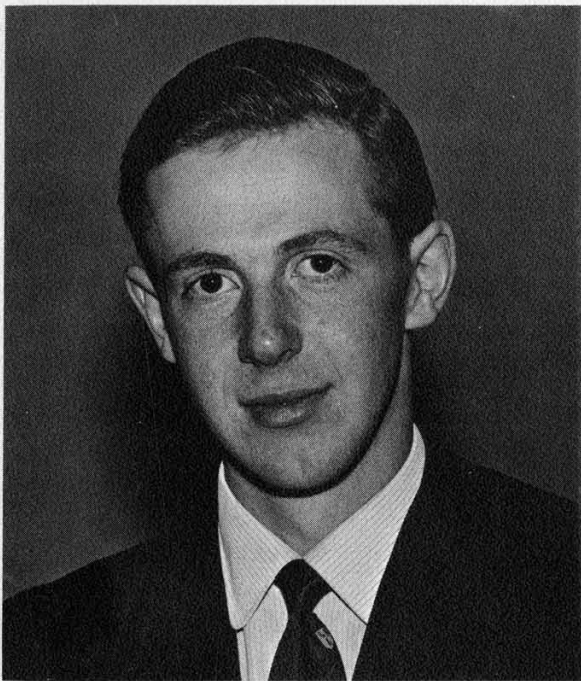

Barry Oland, John Renouf (Pres.), Tim Tracey, Sue Blackmore.

Sodales

Sodales, the collegiate debating society whose name means "friends", expanded its activity this year to begin an Inter-Residence Debating League, including the six residences in the Halifax area: Dal. Men's, St. Mary's, Alexandra Hall, Kings', Pine Hill and Shirreff Hall. The league began in January to compete for the trophy which was donated by Dr. Hicks in the previous year. The organization carried on its regular debating programme within the New Men's Residence, and sent a team to the marathon debate at McGill's Winter Carnival in February. Sodales was also responsible for organizing the Dalhousie Model Parliament, which met in February.

Executive: Brian Noonan, Porter Scobey (Pres.), Allan Silverman.

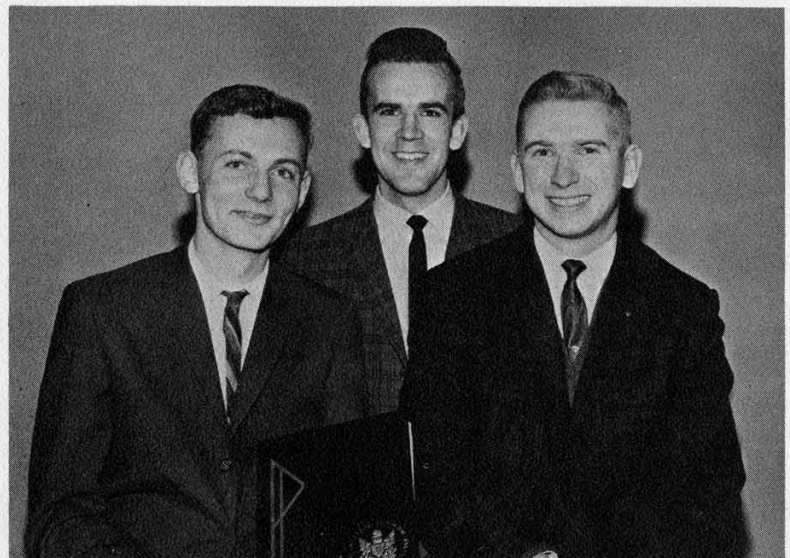

Kelly Hyslop

Dal Ad Bureau

The Dalhousie Advertising Bureau is a profit making organization with the largest part of its profits going to the Council of Students. The advertising field is a very competitive one, and especially so in Halifax with a large number of Universities and High Schools competing for the local businessman's advertising dollar. But the Dalhousie Advertising Bureau with its persistent and hard working members has shown that it can compete successfully.

D.A.B. handled the advertising for the Gazette, Pharos, D.G.D.S. program, the Student Directory, and the Winter Carnival Program.

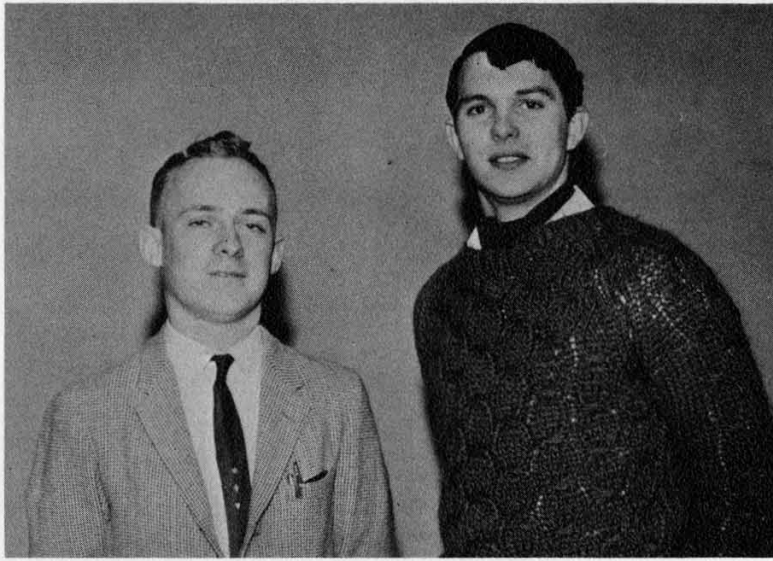

Bob Creighton, Milton Zwicker, Dave Archibald.

Students' Directory

This year the directory and the student handbook were issued separately, with the handbook available during initiation. This year the directory included the home addresses and the Student Council constitution was brought up to date completely before printing.

In previous years, there were many many complaints because of numerous mistakes in the Directory. This year a great effort was made to minimize mistakes by first taking the names from I.B.M. cards, then posting proofs of the pages to give every student a chance to check his or her name, address, and phone numbers before the directory went to print. The co-operation of the Atlantic Printing Co. made the task much easier, and the new set up should prove even more successful next year.

Ed Gesner, Doug Kerr; missing: Jeanette Seager, Mitch Morrison

Cercle Français

Le Cercle Français is an organization which hopes to promote interest in French language and culture. The meetings, held once every three weeks, are open to all who would like a better understanding of French. The main event of the year, held just after Munro Day, is La Soiree Theatrale, an evening of plays and songs.

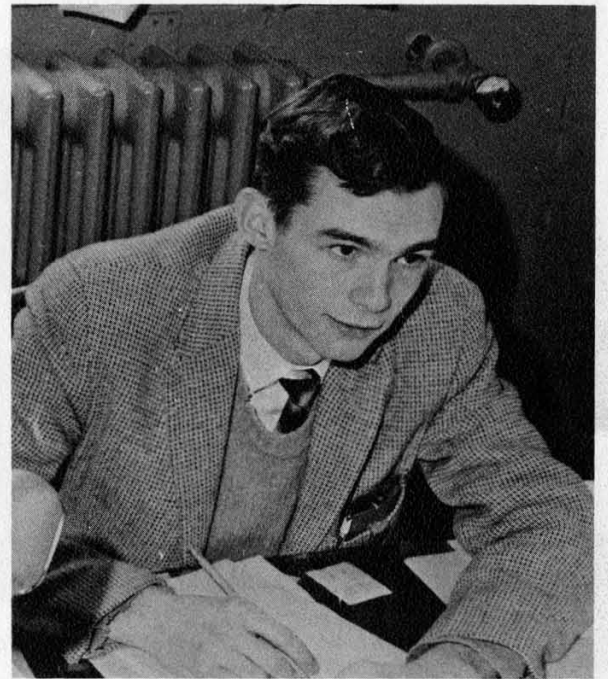

Some of the highlights of the year were a talk by Professor Duval "Separatism Non, Etat Oui", a discussion about French vacations with Professor Boyd and a variety of exciting films in French.

Campus Co-ordinator

In co-operation with the various student organizations and the university Engineer's Office, the campus co-ordinator's purpose is to arrange and co-ordinate student activities and dances.

This year's main problem evolved from an insufficient number of free Friday nights which were available for student dances. Consequently some societies did not sponsor a dance.

Further problems arose from the lack of a definite policy concerning week-end meetings on campus. However, in general, the student body was most co-operative in their efforts to assist the campus co-ordinator.

Don Moors

Sitting: Michele Guite.
Standing: Pat Ballock, Tony Roy, Frank Hennigar, Lucy Lambert.
Missing: Gill MacLaren.

Publicity Committee

The Dalhousie Publicity Organization was this year completely re-organized - demonstrating a great improvement over the performance of previous years.

Directly associated with the Campus Co-ordinator the department - (with an operating budget increased by more than two thousand per cent) gained a permanent student office. Further developments included the institution of weekly radio programming, of a Gazette column (Campus Corner) and of three co-ordinated departments - graphic art, (designing D.G.D.S. Brigadoon, and Winter Carnival posters, Canadian Union of Students letter head etc.) - specialized publicity campaigns (Student Fund Drive, Winter Carnival) - and general campus publicity (events within the jurisdiction of Student Council, Students Societies and Clubs).

Plans are now in progress to expand the new advertising and graphic art reference library, to absorb the position of Campus Co-ordinator, to gain admittance to the "Art Director's Club of New York's" Annual Conference on visual communication, and finally, to establish an affiliated department of commercial art.

Ski Club

The ski club, although 1963-64 was only its second year, was one of the most popular clubs on campus. There were more than seventy-five members. Joining meant becoming a member of three organizations - the Canadian Amateur Skiing Association, the Wentworth Ski Club, and the Dalhousie Ski Club. A team from the club raced at Wentworth and in an inter-college meet at St. F.X.

Club business, films on skiing, and the individual problems of the members were items on the agenda of monthly meetings.

Throughout the skiing season (late December until early April) there were as many trips to Wentworth as the weather allowed. The bus left the Dalhousie Gym every Sunday at 7:30 A.M. and returned at 7:00 P.M.

Improved facilities and supervised instruction have attracted many more skiers to the ski club.

Standing: John Worts, Jack Killin.
Sitting: Karen Burton, Tony Roy (Pres.), Ron Worthington.

Standing: Roger Field, Barry Mills, Francis Weil.
Sitting: David Graham, Pat Bell, Carla Laufer.

D.G.D.S.

The Dalhousie Glee and Dramatic Society, despite organizational problems which prevented the holding of a fall play, had a very successful year. After a year's absence, the Connolly Shield Competition for one-act plays was planned. However, lack of interest among the societies invited to take part resulted in its not being held.

The Society was rewarded for many months of hard work with the presentation of its annual musical, which this year was BRIGADOON. Presented at the Q.E.H. Auditorium 11 Feb. to 15 Feb., the show was one of the best and liveliest productions presented by the society in recent years. Directed by Miss Genni Archibald, produced by J.A.F. Macdonald, the show was an extremely polished presentation. Music was again provided by Capt. Ken Elloway and the RCA Band. The Society would like to thank Capt. Elloway for his efforts in our behalf over the past years and to wish him all the best, now that he is retiring from the army.

DGDS has submitted a new constitution for the approval of the Students' Council, and plans a greatly expanded program of activities for next year, with increasing emphasis on the dramatic aspect, although the musical will certainly not be neglected.

Film Society

In its second season, Dalhousie University Film Society emerged as one of the most stimulating organizations on campus. At the beginning of the fall term, a successful membership campaign was launched in which memberships were rapidly sold to eager students, faculty, and staff. This great response enabled the society to show more than the six offered feature-length programs.

Before Christmas, BLACK ORPHEUS, I VITELLONI, BREATHLESS, and EMIL AND THE DETECTIVES excited controversial comments from the viewers. Five programs were held in the Spring term including an evening of short films from Germany, Denmark, and the Netherlands, a program of experimental films, THE KNIFE, THE TALES OF THE PALE, and MYSTERIOUS MOON IN THE RAIN, as well as another feature.

Program notes were provided for the viewers who in turn wrote their own comments about the films and engaged in discussions after showings.

John Lee, Joe Macdonald (Pres.), Bill Owen.

Delta Gamma

Executive: Audrey Attis, Secretary; Janet Young, President.

Delta Gamma is an organization open to all women on campus, providing an opportunity for the girls from the Halifax area to get to know the out-of-town students from Shirreff Hall. This year opened with an introductory meeting and initiation ceremony for the freshettes, including a candlelight service and fashion show. January 20 - 24 was "Sadie Hawkins Week", during which members serenaded the boys at fraternities and residences, broomball games took place between girls and fraternity teams, and the Campus King was crowned at the climatic dance at the end of the week. January 28 - 30 was the Delta Gamma Blood Drive with competition keen for the trophies offered to the residence, fraternity, and faculty, with the greatest percentage of donors per group. Delta Gamma also participated in inter-collegiate debating, which rounded out a full and busy year for the organization.

Sadie Hawkins Week Jan. 20-24

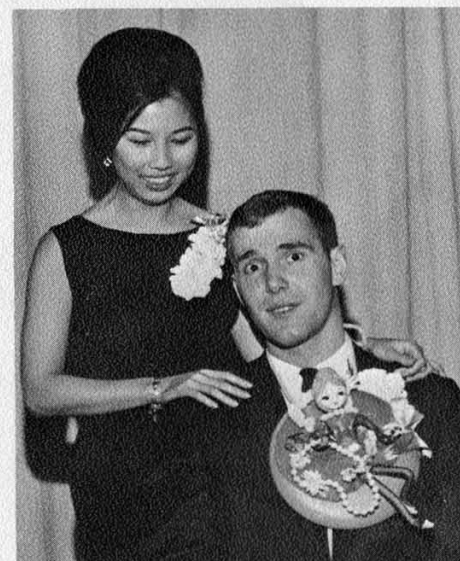

- Mon. - Neptune Theatre - "Diary of a Scoundrel"
- Tues. - Serenading the undergrad fraternities.
- Wed. - Broomball Game. Score 7 - 3 (Girls)
- Thurs. - Serenading the residences and graduate fraternities.
- Fri. - Crowning of Campus King at Sadie Hawkins Dance.

Campus King, Brock Rondeau, being crowned by Janet Young.

The Blood Drive.

The most original corsage!

U.N.T.D. C.O.T.C. R.O.T.P.

A number of Dalhousie students have chosen one of the three armed services as their career upon graduation, while others have make use of their summers and occasional evenings during term to receive reserve officer training. All agree that the camaraderie, the extra training (whether communications for science or personnel work for arts student) and pay, are decided benefits.

In the tri-service Regular Officer Training Plan (R.O.T.P.), undergraduates with the rank, pay and allowances of officer cadets attend Dalhousie, take their degree, and become regular officers in the career of their choice upon graduation.

The military training programme has been endorsed by the National Conference of Canadian Universities. The Conference and the Department of National Defence realize equally well the importance of educated leaders, with military experience, in the preservation of our national liberty.

Canadian Officers' Training Corps

The training programme of C.O.T.C. is divided into two phases: (a) Theoretical and (b) Practical. The Theoretical Phases are conducted during the academic year, surveying such subjects as Introduction to the Army, Organization and Administration, Minor Tactics, National Survival, Nuclear Warfare. The Practical Phases are conducted during the summer vacation period at Corps Schools where cadets are guaranteed a minimum of sixteen weeks employment. The training consists of a detailed study of General Military Subjects during the First Phase; subjects special to Corps during the Second Phase; and "In-Job" training with Regular Army units in Canada and in Germany during the Third Phase.

Pay is at the rate of \$235.00 per month with allowances as applicable. During the academic year cadets may receive up to \$100.00.

University Naval Training Division

Training during the academic year at Dalhousie begins the first year as an introduction to seamanship, navigation and communications, the second and third years advance this training, concentrating on leadership and strategy. Dalhousie cadets spend a portion of the summer boardship applying the winter training in various departments; they may find themselves on look-out, navigating room, or below in the engineroom. Rounding out the cadet's experiences at sea are the interesting calls at foreign ports in the south Atlantic or Europe. After graduation, cadets may enter the General list in the rank of Sub-Lieutenant.

Regular Officer Training Plan

The plan consists of summer training at R.C.A.F. stations in Canada and overseas, and weekly lectures and parades at Dalhousie during the winter. Summer training is composed of six weeks at Reserve Officer's School, to be followed with the appropriate branch training in, perhaps, aeronautical engineering, telecommunications, or air traffic control. The R.O.T.P. Officer Cadets are on regular air force duty throughout the term, receiving actual flying training in summer, and upon graduation a permanent commission as Flight Officer in the R.C.A.F.

Model Parliament

Standing: Don Moors, Rick Crothers, Judi Bollman, Joe MacDonald, Rob Smith.
Sitting: Ann MacLean, Barry Oland, Martha Cassel.
Missing: Harry Thompson.

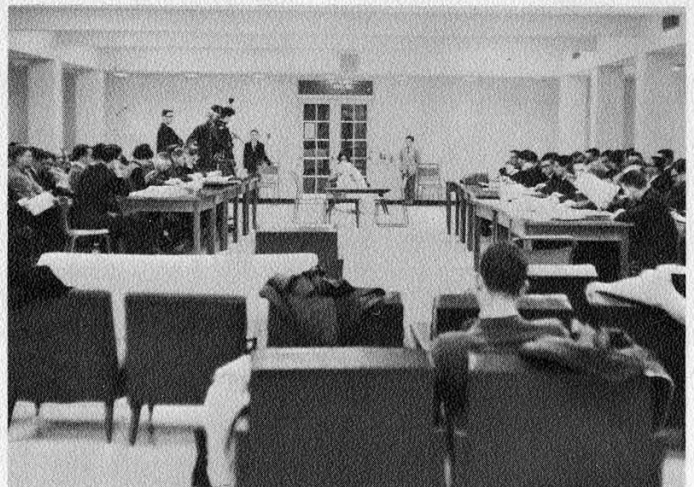

On Jan. 30, The Dalhousie Model Parliament elections were held with the Conservative Party under Barry Oland gaining 478 votes. The Liberals, led by Garth Burrow collected 320 and the New Democrats led by Terry Morley managed 203 votes.

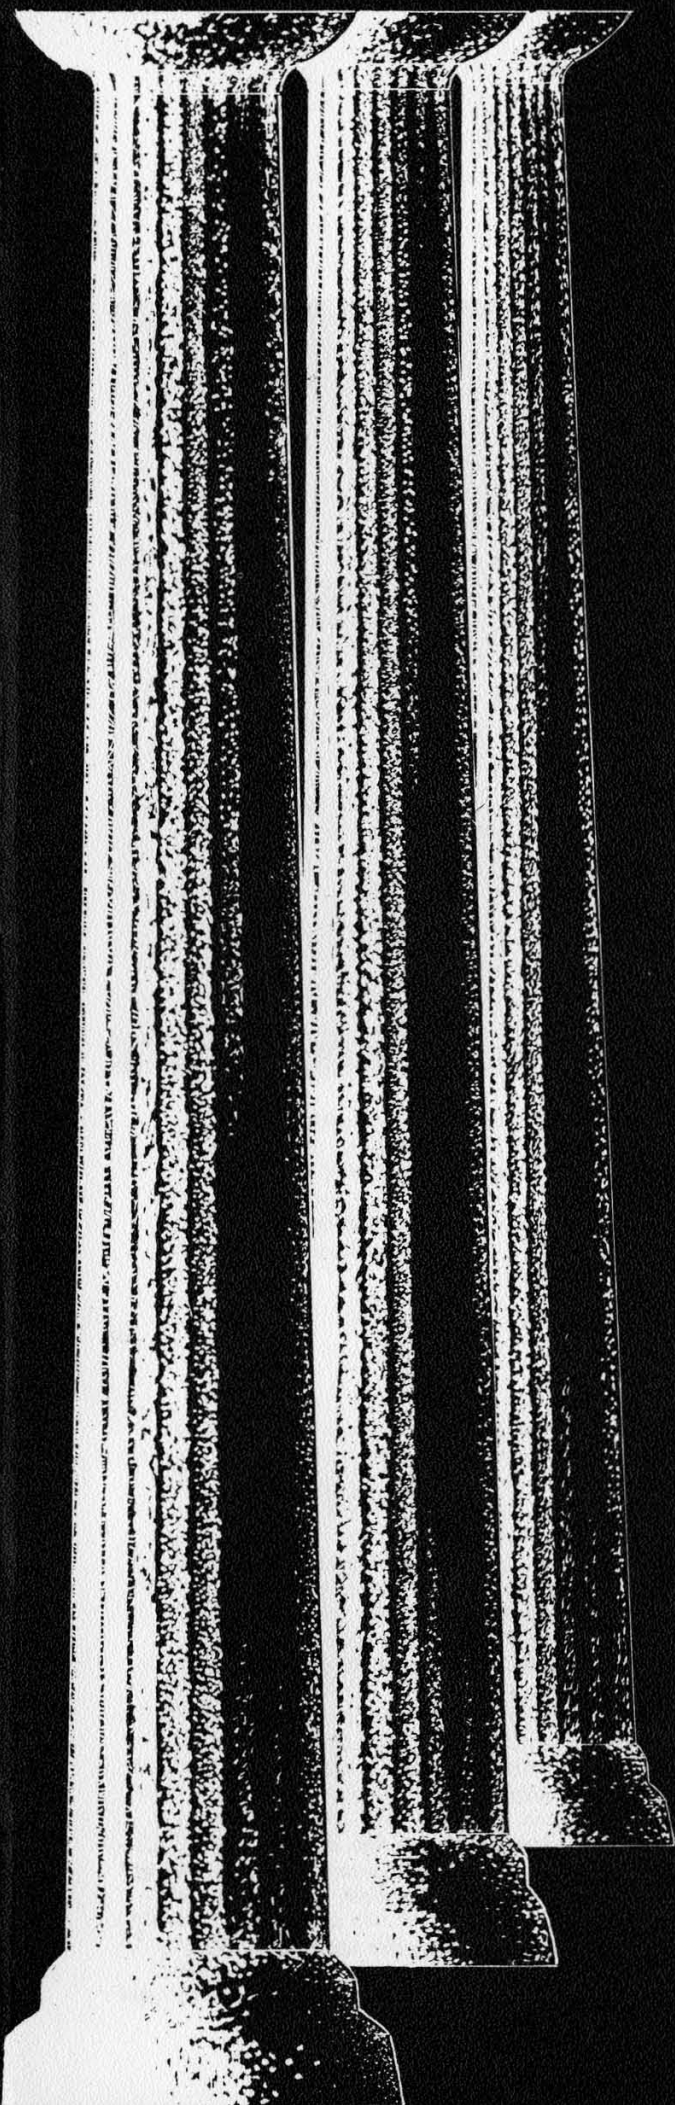

The week long campaign showed variety in presentation and philosophy with the main discussion centering on lowering the voting age to eighteen years. The Conservatives were against this measure, while the Liberals and New Democrats were for it.

The minority Conservative government was able to remain in government for the two day parliament held in the Men's Residence Library on Feb. 18 and 19.

Standing: H. Doug Roberts, Garth Burrow, Gordon Hunter.
Sitting: Dale Blair, Janette Fisher, Don Brazier.

FRATERNITIES

Alpha Gamma Delta

Front Row: Sonja Weil, Jackie Leary, Evelyn Rumley, Marg Miles, Barbara Currie, Margie Baxter, Beth Trerice, Ruth Manuel, Ginny Saney.
Second Row: Wendy Wright, Barbara Dexter, Jean Harlow, Diane Keating, Pat Nelson, Joan Tanning, Judy Simms, Michael Sullivan, Janet Smith, Karen Hilton, Jennifer Dixon, Margie Webb.
Third Row: Sue Connor, Karen Ridgway, Judy Ridgway, Nancy Goucher, Lorinda Aubie, Bobbie Aggas, Nancy Parker, Janet Speight, Barbara Gittens, Karen Willis, Karen Price.

Alpha Gamma Delta International Fraternity installed Alpha Eta Chapter at Dalhousie in 1932. One of ninety-three chapters in Canada and the United States, Alpha Eta has welcomed over three hundred young women as members of the fraternity. The present undergraduate chapter has thirty-five members.

As a group, Alpha Gamma Delta participates in campus projects which this year included the Blitz for the Building Fund, the Blood Drive and the Bowlathon. All members participate in campus activities, many holding offices in various clubs and societies. Alpha Gamma Delta has been honoured with the choice from among her members of faculty queens, which this year have been Barbara-Jane Mercer, Dentistry Queen, and Marjorie Baxter, the undergraduate chapter president, Commerce Queen. Last year's Campus Queen, Beth Trerice, and one of this year's Winter Carnival Princesses, Virginia Saney, are also Alpha Gams.

Alpha Gamma Delta does not confine her activities to the university campus. The Fraternity's International Altruistic Project concerns the rehabilitation of children and adults with cerebral palsy, and Alpha Eta Chapter's local project centres around the Handicap Class at Sir Charles Tupper School. Chapter members visit the class to assist the teachers and plan parties for the children, and the chapter makes gifts of books and supplies of the specific kind needed by physically handicapped children.

Many though the chapters varied activities may be, nothing is allowed to distract any member from the studies which Alpha Gamma Delta recognizes to be deserving of any student's first attention. That many sisters have won scholarships in both undergraduate and postgraduate study is evidence that high scholastic standing is one of the first goals of the fraternity.

Alpha Gamma Delta is a fraternity where friendships and loyalties are formed and developed during the most important years of a young woman's life. The continued, lifelong contact with fraternity sisters keeps active the inquiring minds which Alpha Gamma Delta helps to develop in the university.

Pi Beta Phi

First Row: Lyn Ross, Margie McDougald, Marilyn Hayman, Barbara Reardon, Joan Hattie, Carol Fogo, Joan Stewart, Jane Gill, Betty Hicks.
Second Row: Margie Davison, Virginia Gill, Alison Baker, Linda Thomson, Sue Powers, Sue Blackmore, Ann Renouf, Barbara Carten, Mardi Donahoe, Allison Ross, Karen Quigley.
Third Row: Judy Greenwood, Brenda Campbell, Janet Davidson, Donna Unwin, Diane Thompson, Leslie Baldwin, Jean Hattie, Kathie Walters, Frances Farrell, Joan Kimber, Barbara Gough, Sandra Simpson, Dale Sullivan, Bev Campbell, Mary Lou MacDonal, Brenda Mann, Kathie Lou Powell, Pam Young, Judy Bollman.

The history of Pi Beta Phi dates back to 1867 when twelve young women at Monmouth College, Monmouth, Illinois, founded the first national college fraternity for women, then called I.C. Sorosis. The Greek letters Pi Beta Phi were used as a secret motto and not until 1888 was the original name changed officially to Pi Beta Phi.

From one chapter with twelve members, Pi Beta Phi has become an international fraternity with 104 chapters, 288 alumnae clubs, and over 70,000 initiates. The Nova Scotia Alpha Chapter of Pi Beta Phi was established in Halifax in 1934. The membership has steadily increased since. This season the active membership stood at thirty-nine with a pledge class of thirteen.

On campus, the Pi Phi's assist in the rink canteen. The National Altruistic project of Pi Beta Phi is the Settlement School in Gatlinburg, Tennessee which was established in 1914 as a lasting memorial to its founders. The fraternity has greatly increased its services in the area since then, embracing such programs as education, health, and handicrafts. Besides contributing to the national project, the five Canadian Pi Phi Chapters have established their own project. Funds are distributed equally among the eight schools of Social Work in Canada to provide for scholarships.

Among numerous social functions, the highlight of the year was the annual ball held at the Nova Scotian Hotel in January with "Midnight in Paris" providing the theme. Allan Shaw was this year's Pi Phi Prince.

Campus royalty this year from Pi Phi has included Judy Greenwood as Engineering Queen, and Janet Davidson and Brenda Mann as Winter Carnival Princesses.

Last fall, President Joan Hattie, and Joan Stewart travelled to Boston for a regional conference. The coming attraction is the national conference, this year to be held in Victoria, B.C., in June.

Activities for the 1963-64 year will come to a close with "Frat Cam" to be held at a summer home following Spring Exams.

Phi Chi

First Row: Keith Spenser, Larry Green, Steve Katz, Bill Squires, Dave Baxter, Mike Dunn, Bill Stein, Howard Naideck.
Second Row: Harry Edstein, Ken Anderson, Ross Webster, Vince Audain, Keith Yates, Claude Bagder, Eugene Nurse, Lucia Vallilo, Kim Hara, Bill Sturk, Tom Roy.
Third Row: Bernie Klein, Peter Goddard, John Collingwood, Kurt Culmer, Carl Chow, Ron Whelan, Bill Dolan, Gordon Hanes, Bill Tiller, Gary Chessey, Graham Finch, John Crocker, Kishor Parigh, Don Wright.

Phi Chi this year at Dalhousie had an exemplary year, with many noteworthy activities reflecting the true fraternal spirit of true co-operation amongst the Brothers.

Phi Chi has a long history of association with Dalhousie. Beginning with an embryonic organization in the winter of 1928, Nu Sigma Chapter has steadily expanded its facilities and activities into one of the most popular fraternities.

From the acquisition of our present house on Robie Street in November of 1936, Nu Sigma Chapter has had a remarkable record of successes in both scholastic and intracurricular fields. Nu Sigma Chapter has been fully accepted by a medical faculty, and recognition of the role and influence of the fraternity justly stems from an excellent record which the Brothers have maintained steadfastly over the years.

Social successes at Phi Chi have always been notable and this year has seen no exception. Both major functions, the Initiation Banquet and the Annual Formal Dance, were well attended and enjoyed by all. Many house parties also formed part of the social scene.

We confidently look forward to the future, feeling certain that Nu Sigma will continue to play a part in the life of Dalhousie.

Phi Rho Sigma

First Row: Ed MacLeod, Ed Rosenburg, Sandy MacDonald, John Acker, Bill Buntain, Dave Dewar, Harry Collabau, Ron Bariault, George Fraser, Gary Styles, Ray Petrie, Eric Romanovsky, Vars Andersons, Ken Knowles.
Second Row: Pete Hawk, Ted Luther, Doug Trueman, Norm Garey, Neils Harison, Doug Inglis, Dr. Gass, Dr. Bethuve, John Bessonnette, Eric Jamieson, Winston Gaum, Morty Teach.
Third Row: Mike Jennings, Howie Cameron, Henry Muggah, Tony Measham, Clarence Campbell, Len Levine, George Whitman, John Sapp, Dave Large, Paige Emereault, Pete Blackie, Hal Tauchie, John Akabutu, Norm Hayne, Ron Craig, Hal Murray, Charlie Budd, Charlie Brown, Bob Lea, John Currie, Roger Michael, Herb Mitton.
Fourth Row: Cle Marshall, Don MacQuarrie, Ivan Wolfrey, Bill Covert, Ken Nickerson, Al Johnson, Brian Hoar, John Howard.
Fifth Row: Jim Short, Dave Seaman, Jerry Power, Sandy Ross, Ron Legacy, Garth Christie, John Jefferson, Ken MacKenzie, Dave Knickle, Phil Bagnall, Sandy Berens, Clarence Felderhoff, George Sapp, Al Felix, Howie Parker, Vern MacDonald, Harry Pollett, Sterling Parker, Jim Simmonds, Mike Quigley, Stu Schwartzburg, Gordie Mockler.
Sixth Row: George Hale, Roy England, Eldon Smith, Frank Sim, Ron Stewart, Peter Nichols, Bob Martin, Leroy Hefferman, Jim Holland, Syd Grant, Rollie Langille, John Stewart, Ken MacIntyre, Clary Townsend.

Enthusiasm has been the keynote of success for the past year at Alpha Eta of Phi Rho Sigma. Largely responsible has been the attitude of active participation of over one hundred active members - medical students and internes. There was an excellent programme of professional speakers, good academic standing was attained by all the members and many improvements were made at the Chapter House at 5725 Inglis St. The varied and imaginative programme of parties resulted in one of the best social years on record. An energetic pledging and initiation gained us a large, active pledge class and the house and dining room showed a profit due to good cooking and management.

The years activities were climaxed by the Annual Banquet at which Dr. Charles Gass was guest speaker. His eloquent and moving words spoken on the "Arts of Medicine" will long be remembered by all. The Phi Rho Ball was held at the Lord Nelson Hotel with music by Don Warner.

This years executive consisted of:

President:	Doug Inglis
Vice President:	John Bessonnette
Secretary:	Hal Murray
Treasurer:	Eric Jamieson

Alpha Eta came into being in Halifax in 1925 with nine members. As the only Canadian chapter of this international Fraternity, we are proud today to have a large share of representation on the Grand Chapter.

As a professional organization, our fraternity is based on the ideals of brotherhood and dedication to the study and practice Medicine - the art of healing.

Phi Delta Theta

First Row: Rob Thorburn, Dave Archibald, David Mann, Alan Shaw, John Grant, John Cooper, Paul Breithaupt, John Stewart, Jamie Wright, Tom Hays.
Second Row: Bill Acker, Dick Litz, Tom LeBrun, Al Carter, Bill Dickson, Peter Mills, Bob Teed, Alan Hayman, Frank Somerville, Don McDougall.
Third Row: Lee Horne, Dave Ritcey, Brian Crocker, Kelly Hyslop, Jim Cowan, Harold Garrison, Bryan Coleman, Bill MacInnes, Glen Christoff, Mike Banks, Sam Clowser.

The Phi Delta Theta Fraternity, now in its thirty-fourth year at Dalhousie, has this season continued to encourage active participation in University activities. Some success has been achieved insomuch as Phi Deltas now serve as President of the Commerce Company, President of the Arts Society, President of the Law Society, President of D.A.A.C., Editor of the Student Directory, President of the Council of Students and Chairman of W.U.S.C.

Under the thoughtful and able leadership of John Grant, Nova Scotia Alpha has witnessed a myriad of household improvements as well as increased enthusiasm on behalf of our active members in both academic and athletic pursuits. No small amount of distinction was achieved by the Chapter's record of more than ten scholarships at the end of the last academic year. Indicative of the variety of students active in Phi Delt, is the fact that these awards were for studies ranging from Arts through Science to Commerce, Law and Medicine. Athletically the Chapter was fortunate in fielding a football team which was able to emerge victorious from the Inter-fraternity League with the I.F.C. trophy.

In service to the community, the Phi Deltas hosted the children from two local orphanages, first at a hockey game in which all participated, and then at the House where food, fun and music were the order.

The annual Fraternity Weekend was most successful thanks to the careful chairmanship of Rob Thorburn, whose efforts insured the good time enjoyed by all at every function. The close of the Weekend's activities heralded the installation of President John Cooper and his executive. Combining their administration with the talents and abilities of our twenty new pledges of the year, Phi Delta Theta anxiously awaits a new term of service and participation here at Dalhousie.

Phi Kappa Pi

First Row: George Nye, David George, Bill Dennis, Bob Covert, Ted Flowers.

Second Row: Frank Bishop, Ed Hannigan, Jostin McNeil, James Muir, Archie Munroe, Peter Marshall, John McMullen.

Third Row: Tom Stanfield, Terry Poole, Dick Brown, Dave Thompson, Sean Higgins, Paul Thompson, Emmett Foley, Allan Robertson, Paul Gray.

Fourth Row: Jack Thompson, Fulton Logan, John Weatherhead, Tom Disney, Rick Carruthers, Fred Carpenter, Andy Tulk, Peter Stark, Maurice Wong.

Phi Kappa Pi Fraternity has not only the esteem of being Canada's only National Fraternity but also it has the distinction of being the first Fraternity on Dalhousie Campus.

The early days of Phi Kapp were uncertain and the location of the house changed from Le-Marchant and Morris Streets to Coburg Road. During the war, Phi Kapp was discontinued. A King's College group, the Beaver Club, formed the nucleus of the post war brotherhood. With a solid group, the chapter again looked for a house and finally settled in the current location on Robie Street.

Celebrating our 41st anniversary, it has again been a great year for Phi Kappa Pi. In September, before college had officially begun, we held our national convention for delegates across Canada including chapters from Montreal, Toronto, and Alberta.

Under the direction of our social chairman, Dave George, our parties were better than ever. Exchange parties were held with Pi Beta Phi and Sigma Chi. We had several theme parties including a Hallowe'en Costume Party, a pizza party, a Beatle Party, and one of our most successful, a Roman Toga Party, which was held during our initiation Weekend. This year, on occasion, we have had a band which made the house almost "rock off its foundations".

The brothers of the Fraternity have done a great deal of work improving the house this year. Our two main rooms for parties were completely repainted and several rooms have been retiled with the result that the house is in better shape than it has ever been.

Highlighting our year was our annual weekend held in the first week of February with the annual ball taking place at the Lord Nelson Hotel. Our new award for the most outstanding active member was presented to Dave George by the alumni at the banquet.

We now have a pledge class of fourteen members. Enthusiasm was the keyword of our last class, who, at the end of their initiation, presented the fraternity with a large plaque with our motto "Canada's National Fraternity" on it. The Zeta Gamma Chapter of Phi Kappa Pi has now an active membership of forty-five.

Graduation this spring will see the departure of several of our brothers including our past-president, Tom Stanfield. Our sincere best wishes go out to them all and especially Tom, who made this year one of our best.

Sigma Chi

Back Row: Jon Berger, Jim Cowie, Mike Johnson, Harry Blair, George Blakney, Chris Field, Tim Tracey, Al Goddard, Dave Graham.
Second Row: George Thornhill, Blair Green, Dave Clark, Bruce Davidson, Gordon Hand, Pete Delefes, John Hajdu, Hal Prescott, John Micallef, Fred Fraser, Milton Zwicker, Les O'Brien.
Front Row: Agnew Meek, Ted Reevey, Ted Kirk, Chris Flood, Bruce Petrie (Consul), Tony Pitts, Hugh Smith, Roddy McInnes, Al Covert.

Sigma Chi Fraternity was founded in 1855 at Miami University, Oxford, Ohio. Since that time, the brotherhood of Sigma Chi has spread to one hundred and thirty-eight chapters in universities throughout North America, including five chapters at Canadian Universities.

Gamma Rho Chapter of Sigma Chi received its charter in 1933, and many of the charter members of that year are still active in our chapter. This is perhaps indicative of the strong and lasting ties which bind Sigma Chis together. We are especially proud of our Halifax Alumni Chapter, whose continued efforts over the years have resulted, among other things, in having the best fraternity housing at Dalhousie.

Gamma Rho Chapter has enjoyed a most successful year in 1963-64. The year was highlighted by the annual Sweetheart Ball and Banquet, held March 6 in the Lord Nelson Hotel, with the International Grand Consul in attendance.

Sigma Chis were active throughout the year, including the summer months. In June, Consul Bruce Petrie attended the Sigma Chi Grand Chapter in Houston, Texas, and in August, Milton Zwicker and Dave Clark attended the annual Workshop, held this year in Knoxville, Tennessee.

In the fall, the chapter resumed regular activities with an active membership of thirty-five brothers and twelve pledge brothers, with fifteen brothers and pledges living in the chapter house.

The social functions of the year provided some most enjoyable evenings, perhaps the most memorable being the Pyjama-Cocktail Party, the Fisherman's Theme Party and the exchange parties with Phi Kappa Pi.

Other successful ventures included the publication of our chapter newsletter, under the editorship of Jim Cowie, and the promotion of our High School Program, in which Sigma Chis visited high schools throughout the province speaking to students groups and giving students an insight into university life from a student viewpoint.

We in Sigma Chi feel that college fraternities are capable of playing, and do play, an important role in assisting in the social and academic development of young men and it is our objective to do our best to play our part in the creation of responsible citizens.

Tau Epsilon Phi

Standing: Stan Jacobson, Willard Strug, Mel Shiffman, Morton Schneider, Martin Rosen, Pat Kinnear, Ed Schwartzburg, Gerry Betik, Izzy Vender, Jamie Levitz, Richard Rachlis, Jim Whittaker, Al Agar, Sherman Rubin, Mitchell Morrison, Sheldon Rubin.
Front Row: Carl Raphael, Morty David, Vaughan Roxborough, Alan Stern, Mike Hart, Eddie Richardson, Paul Beeber, Ken Abelson.

In 1932, twelve Dalhousie students associated themselves with Tau Epsilon Phi Fraternity, and on April 19th of that year, Tau Iota Chapter was awarded its charter. Since that date, it has grown and progressed. Now, as the only Canadian chapter of Tau Epsilon Phi, Tau Iota preserves the international nature of the fraternity.

The years of growth and development were trying. Initially, the fraternity lacked a chapter house. Disappointed, but not discouraged with the lack of facilities, the brotherhood held meetings in houses, basements, and hotel rooms, applying themselves to the task of building and expanding their fraternity. Finally in 1954, a chapter house was obtained on Vernon Street, giving tangible expression to the long hours and ceaseless devotion of the brotherhood. In 1958, the chapter moved to its present address, 6076 South Street.

The brotherhood of TEP is comprised of individuals whose academic, athletic, and extracurricular interests exhibit great diversity. One will find TEP men on varsity teams, writing for University publications, serving on student organizations. Yet, despite this diversity of interests, the brothers of TEP display complete unity as a fraternity. Whether it be playing together at an inter-fraternity football game, enjoying themselves at a party, or giving blood to retain the "Butsy Trophy" for the sixth straight year, TEP men exhibit that spirit of true fraternalism that has become synonymous with Tau Iota.

Zeta Psi

Standing: Conrad Sarty, Chuck Thomson, Dick Drmaj, Frank Mosher, Jim MacNutt, Ian Henderson, Barry Oland, Dale Retallack, Harris Dunn, Phil Amys.
Front Row: Don Doyle, Dave Mercer, Ernie Paige, Harry Mathers, Geoff Smith, Dave Chendenning, Brian Jay, Steve Gibbon, Bill Priest, Paul Corban.

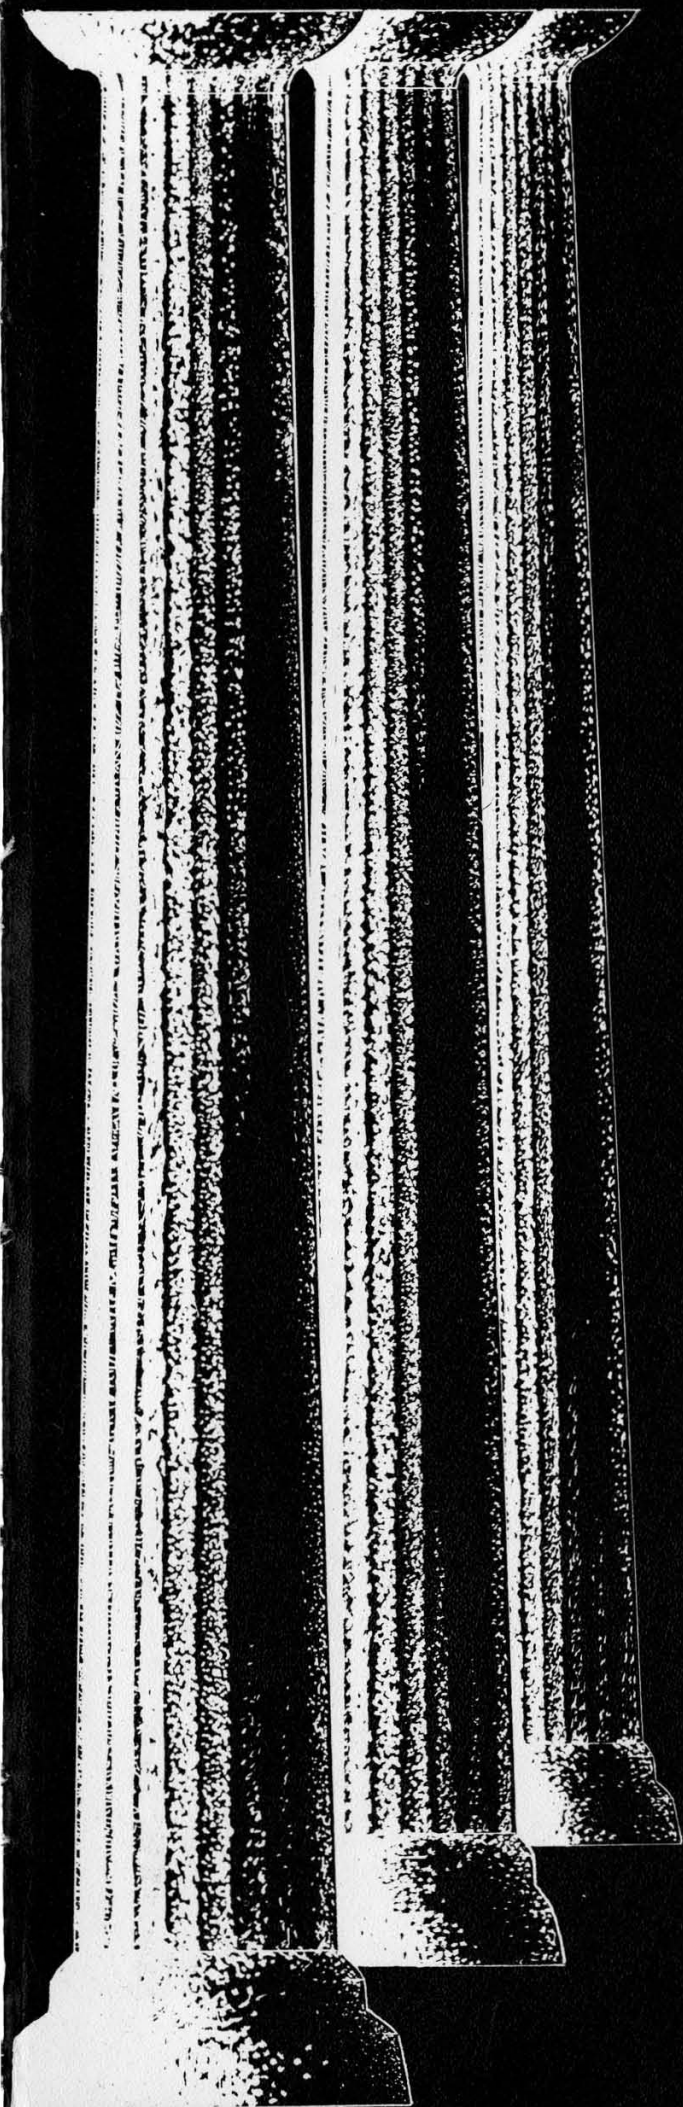

Zeta Psi fraternity was founded on June 1, 1847 by a group of New York University students. It was the first Greek Letter Society to cross the continent and establish itself on the Pacific coast. In addition it was also the first fraternity to become international when the Theta Xi Chapter was established in 1879 in Toronto. Since that time, six other chapters have been established in Canada, creating strong international ties.

Alpha Mu Chapter was founded at Dalhousie in 1938, by the Hon. H. P. McKeen, the present Lt. Governor of Nova Scotia, G. R. K. Lynch, and George Mitchell. Since its founding at Dalhousie, Alpha Mu has maintained the Zeta Psi tradition of leadership in campus activities and development of the individual within the fraternity. Accordingly, Alpha Mu has had an active and lively season. The pledges, actives and elders have kept spirit alive scholastically but especially socially.

The social calendar consisted of such traditional parties as Champagne, Roman Toga, Apple Jack, Milk-Punch and the newly created Beatle Party. The Annual Fraternity Weekend was held at the Lord Nelson Hotel on February 14-16 followed by an outing at St. Margaret's Bay. It was again the highlight of the season and a successful reward for the great effort put into its organization.

Alpha Mu was well represented at the 1963 Fraternal Convention held in June at Sebasco Estates Maine.

Alpha Mu has again maintained the Zeta Psi tradition of leadership on Dalhousie Campus in student government, politics and varsity sports.

The Dalhousie Amateur Athletic Club had a successful year in contributing to the growth of athletics at Dalhousie.

The D.A.A.C. directly supervises the inter-faculty athletics at Dalhousie and offers opinion as to the students' needs on the inter-collegiate and recreational level. Football, Cross Country, Hockey, Tennis, Curling, Table Tennis, Squash, Racquets, Handball, Basketball and Volleyball are among the activities sponsored by D.A.A.C. Plans have been initiated for sponsoring a fifty mile bicycle race, called the "Little 500", early next fall.

I would like to thank all the members of D.A.A.C. for contributing their efforts in making this a successful year and especially to thank Mr. K. D. Gowie for the guidance and enthusiasm he imparted to all who worked with him. He has put impetus into the athletic program at Dalhousie. Under such leadership, we can be assured that the athletic program will continue to expand and be of value to all who participate.

Yours truly,

John MacKeigan,
President.

BILL RAINE
ARTS

Athletic Department

KEN GOWIE (ATHLETIC DIRECTOR)

This year the Athletic Department continued to lay a foundation for a broad, varied, strong program in athletics, physical education and recreation for all Dalhousie Students. The Administration provided additional staff, improved facilities, and gave additional support in other ways to enable us to feel confident that a definite change for the better would result.

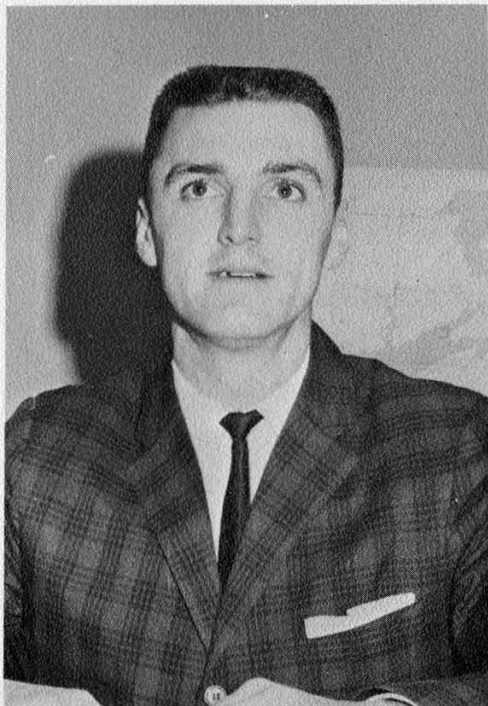

The support of the D.A.A.C., and D.G.A.C., the Pep Cats, the Cheerleaders, the Gazette, the Student Body, the Faculty and the Administration cannot be underestimated. The increased support of the Alumni must be recognized. One of the greatest contributions to the Athletic Scene at Dalhousie has been a change in attitude on the part of many students from "doing the school a favor by playing"

to "having the honor and privilege to represent Dalhousie". We've had the TASTE of winning this year and I believe we are on the way to many more-successful years.

Next year, in addition to Miss Arnold, Mr. Rutigliano, and Mr. Yarr (who have all provided dedicated leadership) the Administration will provide another full-time staff member. Better service will be provided in the Athletic Office by providing additional assistance for Miss Murphy. Indications are that many renovations will be effected in facilities over the summer months.

With the continued support of all Dalhousians we look to better years ahead. To those who will not be back we extend our best wishes for the future with the hope that the Athletic Scene of '64 has provided you with warm and lasting memories.

Yours sincerely,
K. D. Gowie, Director.

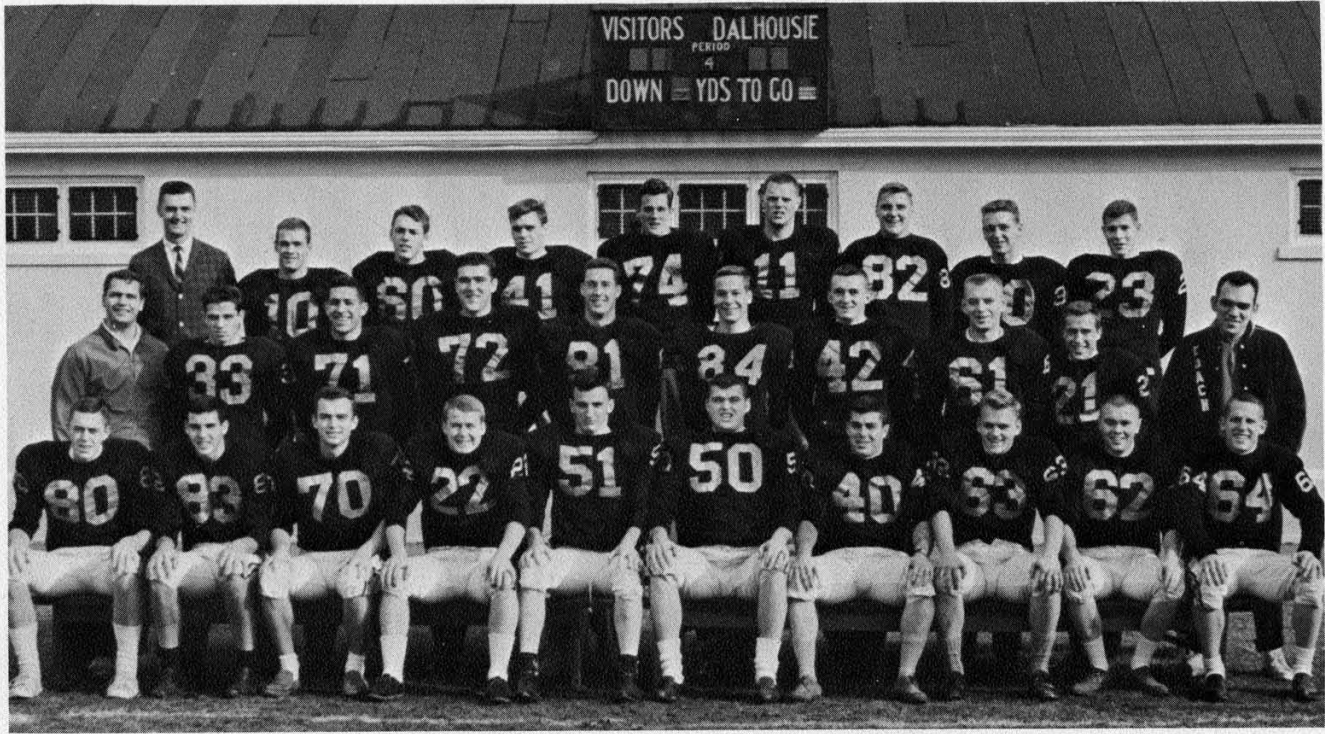

COACH YARR

COACH RUTIGLIANO

Varsity Football

1963 FOOTBALL TIGERS — Top Row, left to right: Coach Al Yarr, Gord Marler, Bill Raine, Chris Flood, John McFarlane, Dave Precious, Brian Coleman, John MacKeigan, Cam Trotter. Middle Row: George Markov, Charles Puleo, Jeff Corey, Bob Mullen, Duff Waddell, Wally Clements, Don Rutledge, Jamie Muir, Jim Collins, Coach Joe Rutigliano. Bottom Row: Bob McFarlane, John Tilley, Gord Hunter, Bill Stanish, Ian Oulton, Conrad Sarty, Al Agar, Ted Cameron, Ken Dawson, and John St. Armand.

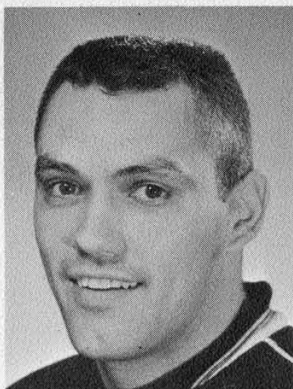

The 1963 story of the Dalhousie Tigers is one of injuries and inexperience. During the season, the team had spirited determination against sometimes overwhelming odds, and when spirits should have sagged, the team fought harder than ever.

The bright spot in Dal's record this season was the 19-12 defeat they handed Acadia Axemen. Other games were heart breakers, as against Stadacona and U.N.B., when the Tigers faltered in the the second half.

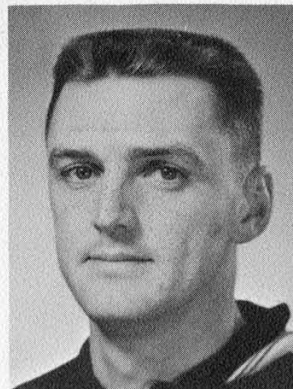

Perhaps the greatest setback the team faced was injuries. Team captains Duff Waddell and Wally Clements, two Dalhousie stalwarts, were missed early in the season, as was Conrad Sarty on the line. Other players that were injured, were returned playing before they were fully recovered.

Coach Rutigliano and his staff - line coach Al Yarr and back coaches Dick Loiselle and Ron Simmons-deserve credit for the many hours spent training the team.

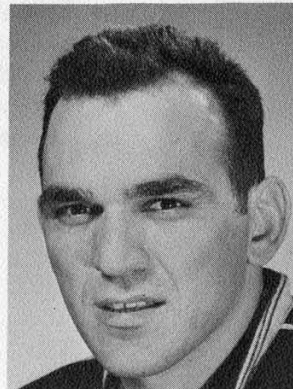

The winter conditioning programme introduced by the coach last year, and the new high school training programme for students from the Halifax area should provide Dal with some new and exciting football players in years to come.

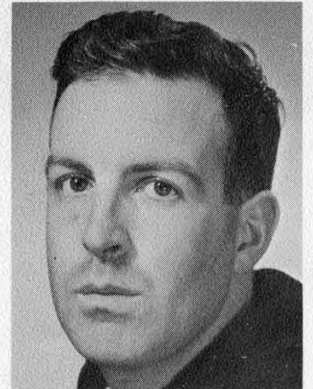

DICK LOISELLE

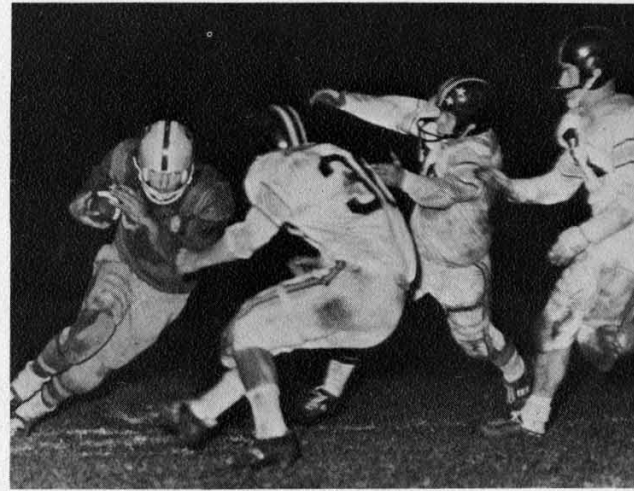

ALAN YARR

JOE RUTIGLIANO

Tennis

Peter Marshall, John Cruikshank, Richard Speight.

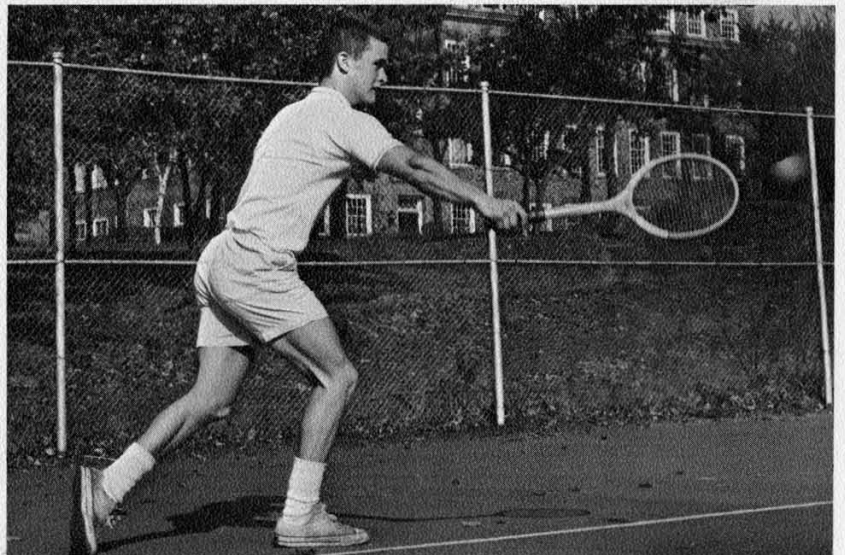

The 1963-64 Maritime Inter-collegiate Tennis Tournament was held in Fredericton, N.B. Participating were Nova Scotia Technical College, University of New Brunswick, and the stalwart Dalhousie squad consisting of singles player John Cruikshank, and the doubles team of Richard Speight and Peter Marshall. The tourney was a round-robin series.

Dalhousie's hard-playing doubles twosome lost to Nova Scotia Tech in a nerve-wracking three sets and to U.N.B. 6-4, 6-4. Singles entry John Cruikshank won his first match 7-5, 6-0 over Nova Scotia Tech, but lost to U.N.B.'s Basset 6-3, 6-0. The final standings were:

1st place	U.N.B.
2nd place	Dalhousie
3rd place	Nova Scotia Tech

STANDINGS:

U.N.B.

Track Team

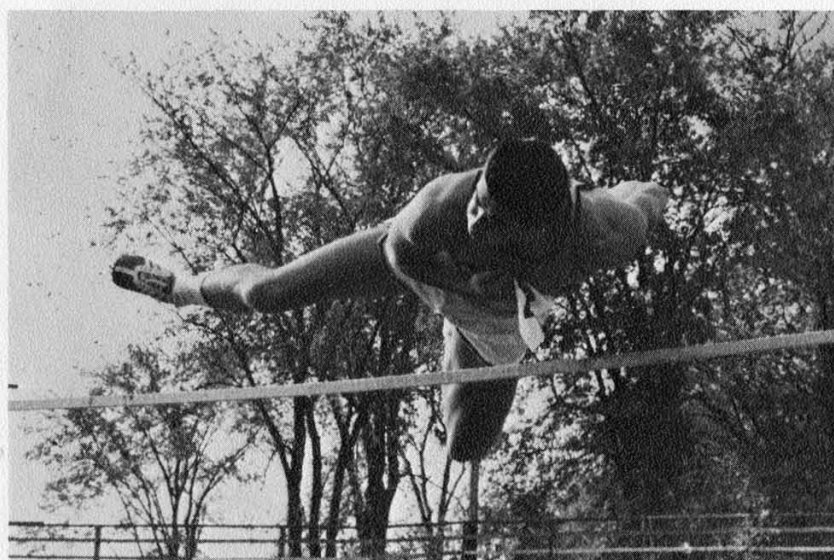

Back Row: Coach Yarr, Jim Seaman, Simon Naddrell, Pete Spencer, Tony Roy, Sandy Cameron, Gordon Warnica, Tony Pitts.
 Front Row: Dave Grant, John Whitely, Rod MacInnes, Rick Mede, Bill MacInnis, Bernie Ungerman.

The 1963 Inter-collegiate Track meet was held in Antigonish with Acadia, St. F.X., and Dalhousie attending. For the first time in recent years, Dalhousie had a talented and spirited track team. The main reason for the team's success was the interest and enthusiasm of Coach Yarr, under whose guidance the team practised regularly with the newly constructed training facilities.

An encouraging prospect — the whole team will be returning next year with such runners as John Whitely, Jim Seaman, Rod MacInnes, and Rick Mede. In the field events Simon Maddrell and Bill MacInnes will return.

Bill MacInnes broke a track record this year with a hop step and jump mark of 43' 8 1/2".

TED REEVEY

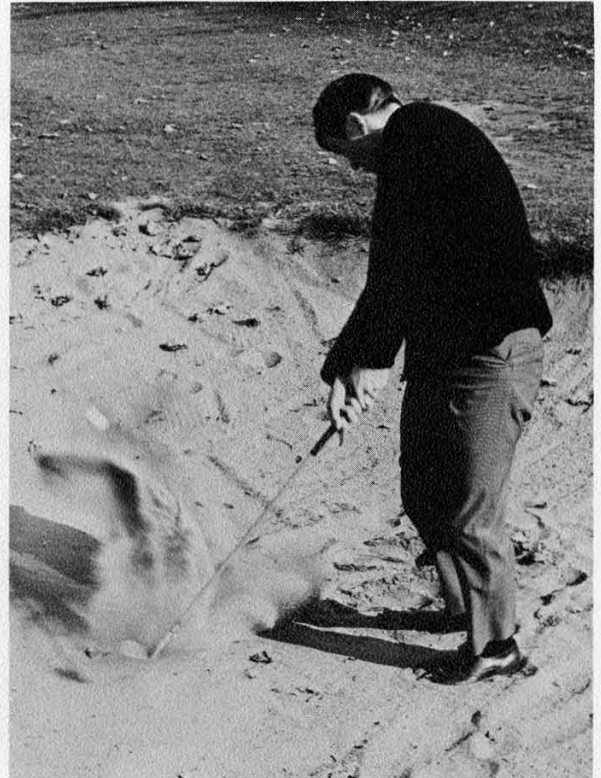

JOHN WEATHERHEAD

Five Maritime universities, including U.N.B., Dal, Mt. A., St. F.X., and St. Thomas, participated in this year's M.I.A.U. golf meet at the Fredericton Golf and Country Club. U.N.B., with a total of 304, finished in first place, forty strokes ahead of DAL's 344.

Dal was represented by John Weatherhead with an 87, Ted Reevey with 76, Les O'Brien with 93, and Tor Boswick with an 88. The best score was obtained by Davidson of U.N.B. with a 74.

LES O'BRIEN

TOR BOSWICK

Varsity Swimming

Left to Right: Gord Macmichael, Lee Kirby, Dave Archibald, Rob Murray, John Finley.
Missing: Nick Fowler, Dave Clark, Ed Doe.

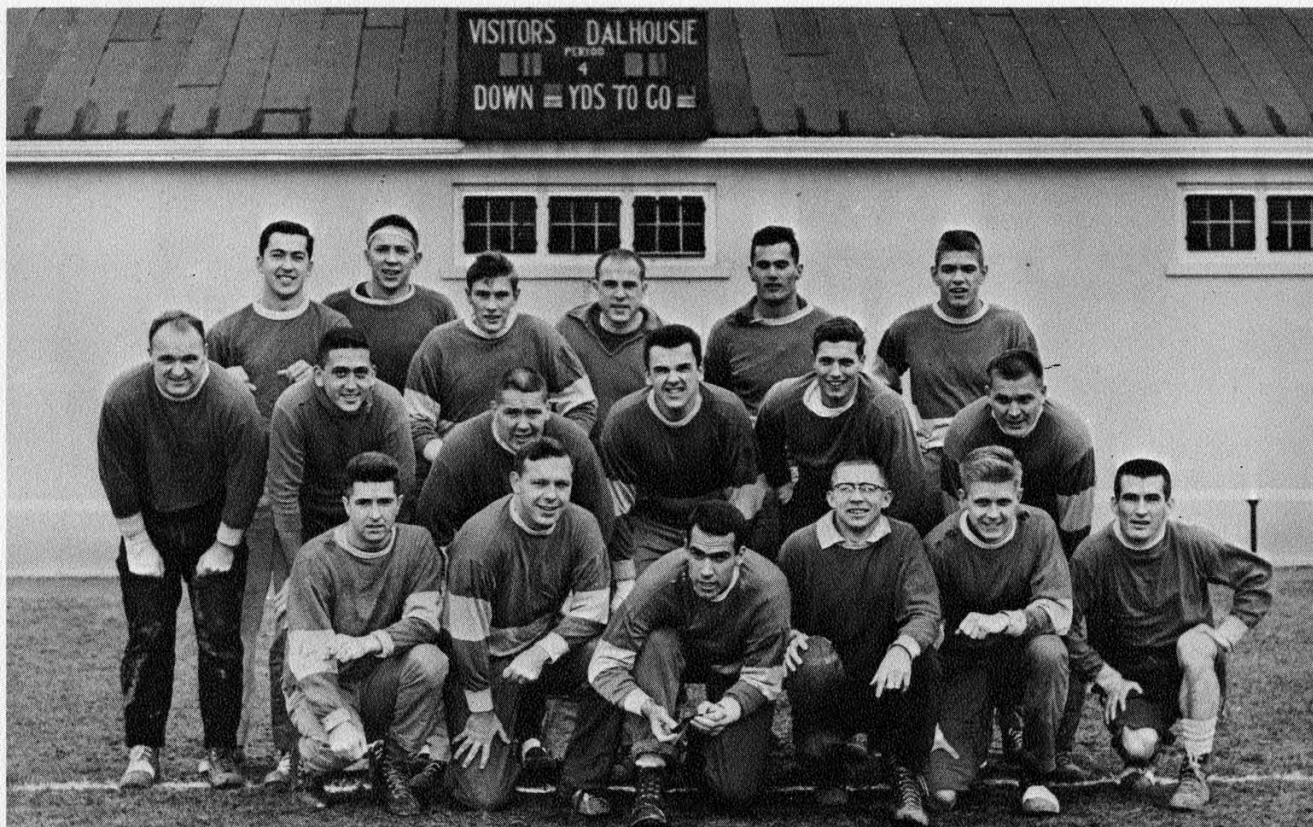

The Dal Swim Team has a commendable record for its second year as a full fledged Varsity Sport. This year, five hours per week were devoted to training (three hours in the water, two hours on land) as compared to with two hours per week last year.

Seven of the ten regular swimmers this year were freshmen and will be back next year to form the base for what could be a winning team.

Through the swimming season, which ran five months, the men's team won two out of five dual meets held with Acadia, Mount Allison, and Memorial universities. The Dal team also swam in the Nova Scotia Open Championships, and has hopes of winning that meet next year.

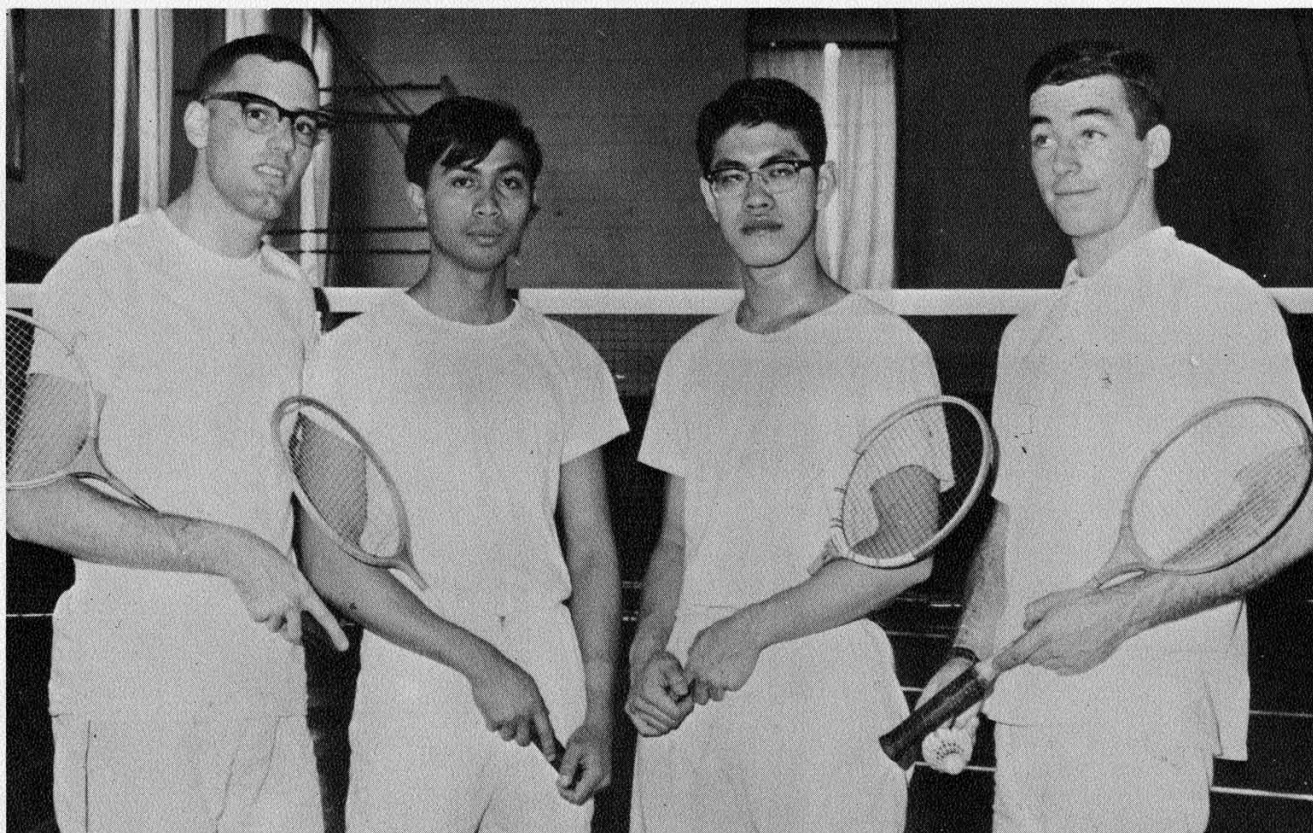

The swimmers of the 1963-64 Dalhousie team owe a debt of gratitude to coach Miss Carol Arnold (mama) for the enthusiastic and experienced coaching which she gave.

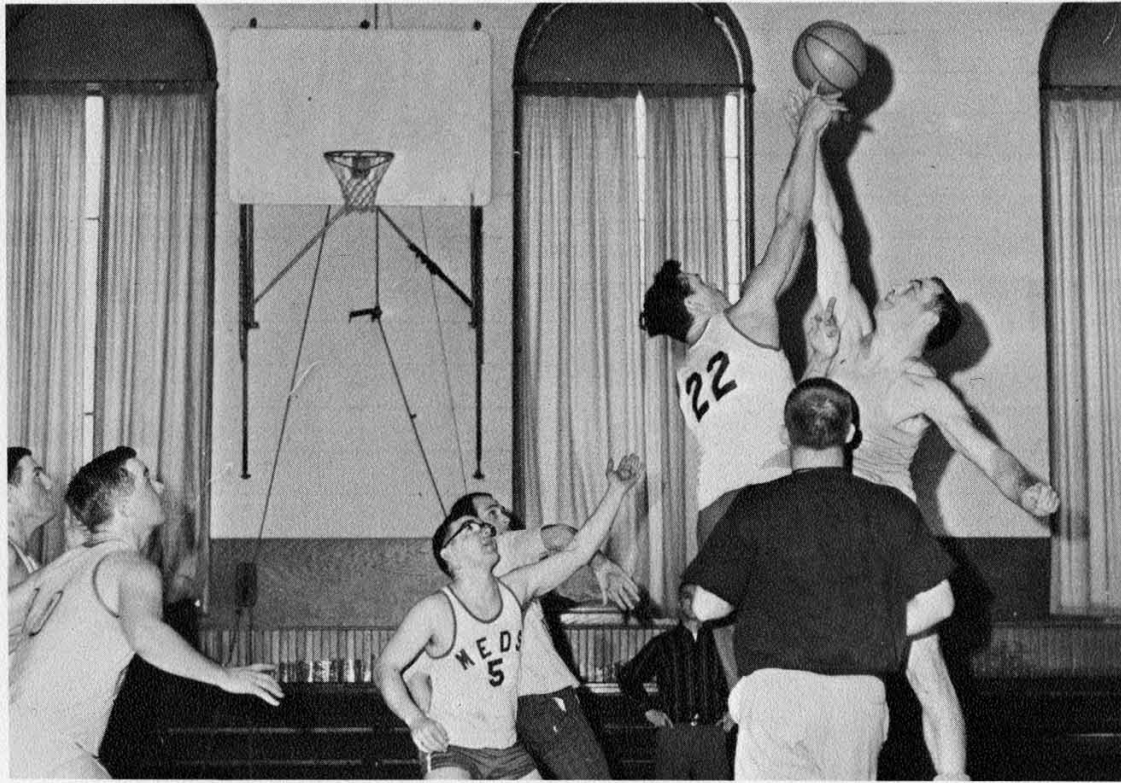

Back Row, Left to Right: Jim Shortt, Bill Dolan, Ken MacKenzie, Bill Lenco, Dave Knickle, Brian Hoar.
 Middle Row : Bill Buntain, Sandy Berens, Charlie Brown, John Acker, Hal Murray, Merv Shaw.
 Front Row : Ron Craig, Peter Hawk, Bob Lee, Al McKay, Eric Ramanosky, Frank Gilles.

BADMINTON-SCIENCE

Left to Right: Dave Dickie, Muri Muhammad, Khoo Teng Lek, Richard Speight.

Inter-Collegiate Badminton Champions

Back Row, Left to Right: Dave Dickie, Muri Muhammad, Hari Swaminathan, Khoo Teng Lek.

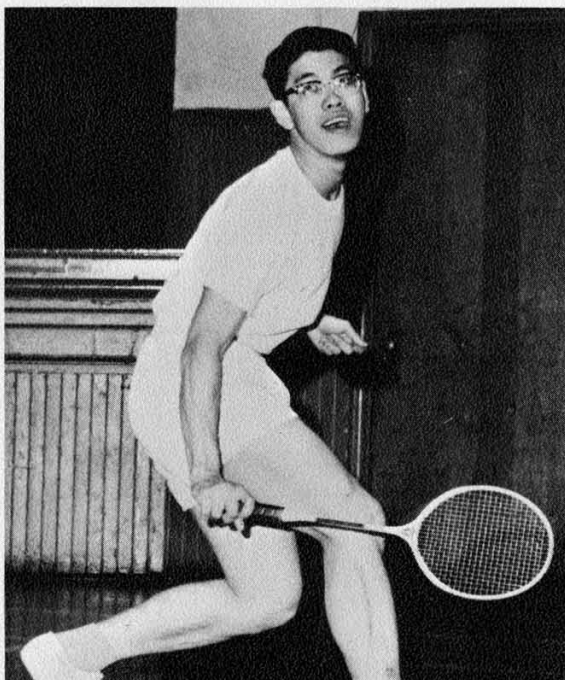

Front Row: Virginia Neve, Gay Donovan, Sharon Smith, Kathleen Quinlan.

Our badminton team remedied the fact that Dal had not been able to win any inter-collegiate sport this past year. At Mount Allison Univ., on Saturday, March 14, at the inter-collegiate Badminton Championship, the men's and mixed doubles teams rallied their way to convincing victories, while the women's team emerged second.

In the men's division there were six teams: Dal, Mt. A., N.S. Tech., U.N.B., St. F.X. and St. Thomas. The very same team from Dal that won a narrow victory last year triumphed fairly easily this year. Khoo Teng Lek went through undefeated to become the singles champion. The doubles pair of Muri Muhammad and David Dickie lost their first match, but then warmed up, easily swept aside all other opposition, thus still ending up as winners of the event.

Virginia Neve and Hari Swaminathan had very little difficulty in beating the other two teams entered in mixed doubles, and thus became the first winners of the Mt. A. W. A. A. challenge cup.

Our ladies team of Kathleen Quinlan (singles) and Gay Donovan and Sharon Smith (doubles) put up a very creditable performance to finish second (in a tie with Mt. A.) behind U.N.B. Gay and Sharon beat all other teams, but lost in a close game to U.N.B.

Varsity Basketball

For the second year in a row, Dalhousie basketball fans have seen an entirely new varsity team on the court. In addition, the basketball Tigers were fortunate to have superb full-time Coach Al Yarr, whose prime athletic interest is basketball.

Consequently, the Tigers won their first varsity basketball games since the upset against St. Mary's three years ago. True, two victories out of twelve league games is not tremendous in itself, but it is certainly a change from previous years. The future is the brightest it has been for a long time. Barring academic failures, most of this year's team will be back next year, and in addition, Coach Yarr has been actively recruiting star high school players, and prospects for getting them are good.

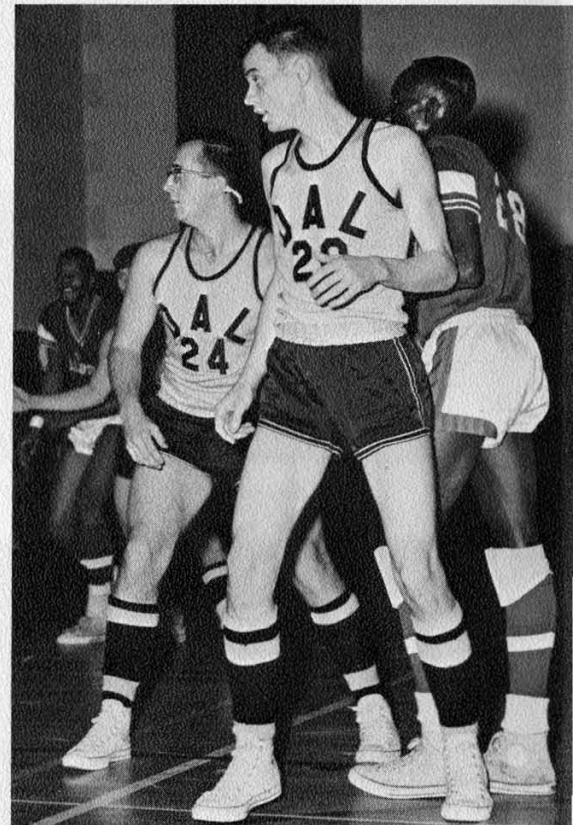

The big distinction with this year's team remains the victory against St. F. X. The packed house of Dalhousie fans will remember that thrilling game for a long time to come. Every man was playing at his best, and unfortunately, as in all sports, that cannot be true for every game.

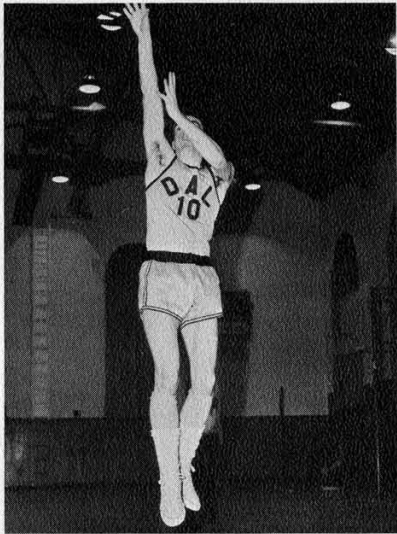

If next year's team exhibits the same spirit and will-to-win as this year's team did, with Coach Yarr's added new recruits, Dal should have many more games like the one against St. F. X.

APTITUDE WORK EDUCATION

A University graduate needs direct his energies to an occupation where he can utilize his natural aptitude, his energy and his education for the greatest effectiveness.

Through work by knowledgeable people with natural aptitudes, we can meet the competition and overcome existing challenges in the Atlantic Provinces.

Opportunities await you in Dosco if you are prepared to win your way, because of Dosco's diversified industrial activities. These complex industries have requirements in all kinds of Engineering (industrial, mining, electrical, mechanical, chemical, marine and construction); in Metallurgy; in Business and Industrial Management; in Accountancy; in Chemistry and in many other vocations.

The rewards and satisfactions are yours for the winning!

Enquire about the Career Opportunities offered to students as Naval Officer Cadets through the Tri-Service Regular Officers Training Plan.

ROTP Officer Cadets at university have their tuition paid and receive an allowance of \$75.00 a year for books. They receive \$65.00 a month for room and board during the academic years and are paid \$73.00 a month throughout the year.

During undergraduate summers, Naval ROTP Cadets train in ships and shore establishments and are given 30 days leave each year. The ROTP Cadet must serve a minimum of three years in the RCN after graduation with a degree.

For further information see your nearest RCN Recruiting Office.

As you advance in your career, a home, a wife and family will be in your plans. Among other things you will want to give them financial security. Married or single, the best way to guarantee your future and theirs is to begin a life insurance program which will provide protection and a planned accumulation of savings. It is a program which if necessary can also fit into your business plans.

Whatever your responsibilities in the future, you will be glad you looked into life insurance while you are young and insurable. Ask Keith Fancy, and those associated with him, to show you how you can program your life insurance savings to advantage.

inaugurated as President and Vice-Chancellor

February 1, 1964

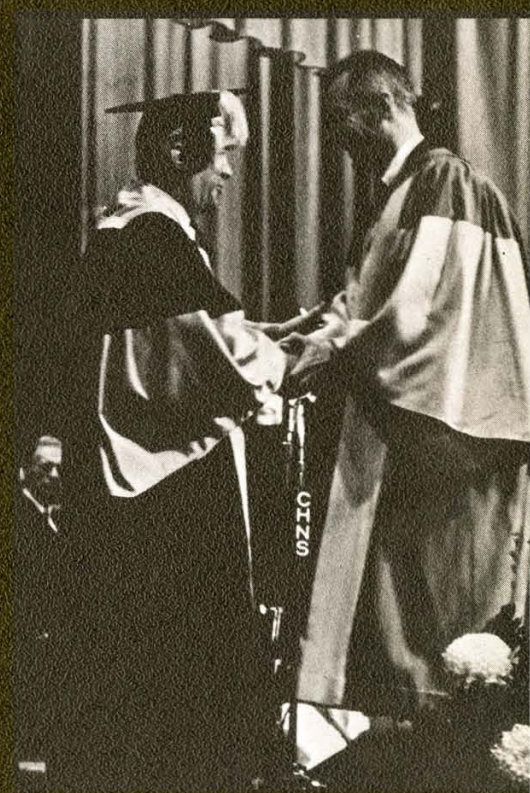

Mr. Stoker begins the Inauguration.

Distinguished scholars honour Dr. Hicks.

The investiture of the President by Dr. Cummings.

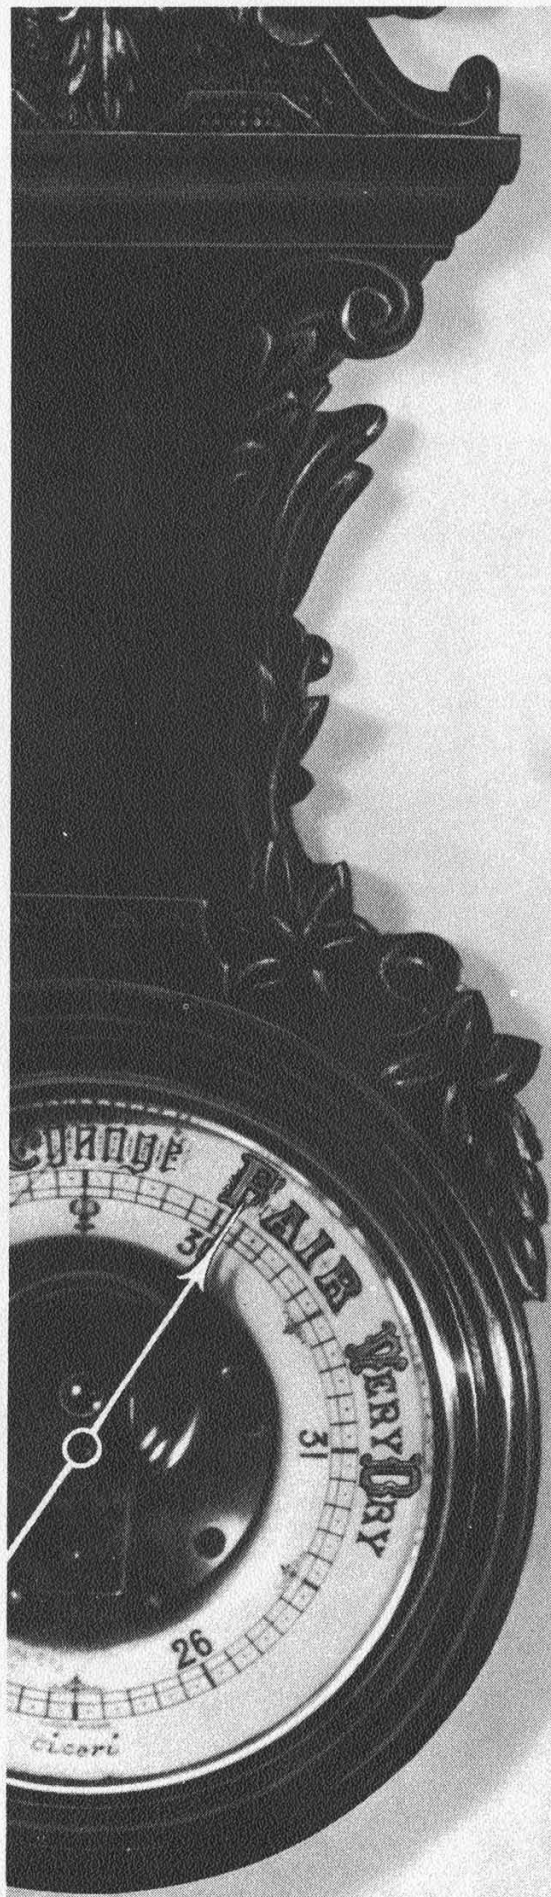

President Hicks congratulated.

Honourary L.L.D. to J.P.V.D. Balsdon of Oxford.

Congratulations from Indian Universities by Prof. D.P. Varma.

Times may change...
but Jenkins
high standards remain

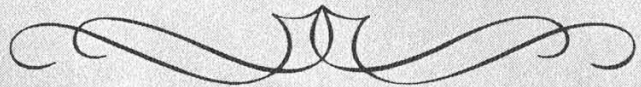

Products may be modified, new developments incorporated, new techniques utilized — but Jenkins standards of quality and craftsmanship remain as high as that day, in 1869, when "A Fair Offer" was first published.

A Fair Offer

"If you will put a Jenkins Valve, recommend for your particular service, on the worst place you can find — where you cannot keep other valves tight — and if it is not perfectly tight or it does not hold steam, oil, acids, water or other fluids longer than any other valve, you may return it and your money will be refunded."

Jenkins Bros Limited

For more than 90 years buyers of Jenkins valves have been given this unparalleled assurance, inviting test of Jenkins performance, not merely in average applications, but rather in the very toughest you can find.

It is republished from time to time as a reminder that these constant high standards are an integral part of every Jenkins valve you buy. Jenkins Bros., Limited, Lachine, Que.
