

Item: Pharos: Dalhousie University Yearbook 1965

Call Number: LE 3 D35 1965

Additional Notes:

Digital version of 1965 Dalhousie University yearbook, 287 pages, black and white with some colour. The yearbook contains images and text regarding the University, the graduates, the faculty and the buildings. Information regarding the editorial staff can be found on page 216-217. "Pharos" is both a reference to the destroyed lighthouse in ancient Alexandria and the name of the yearbook series.

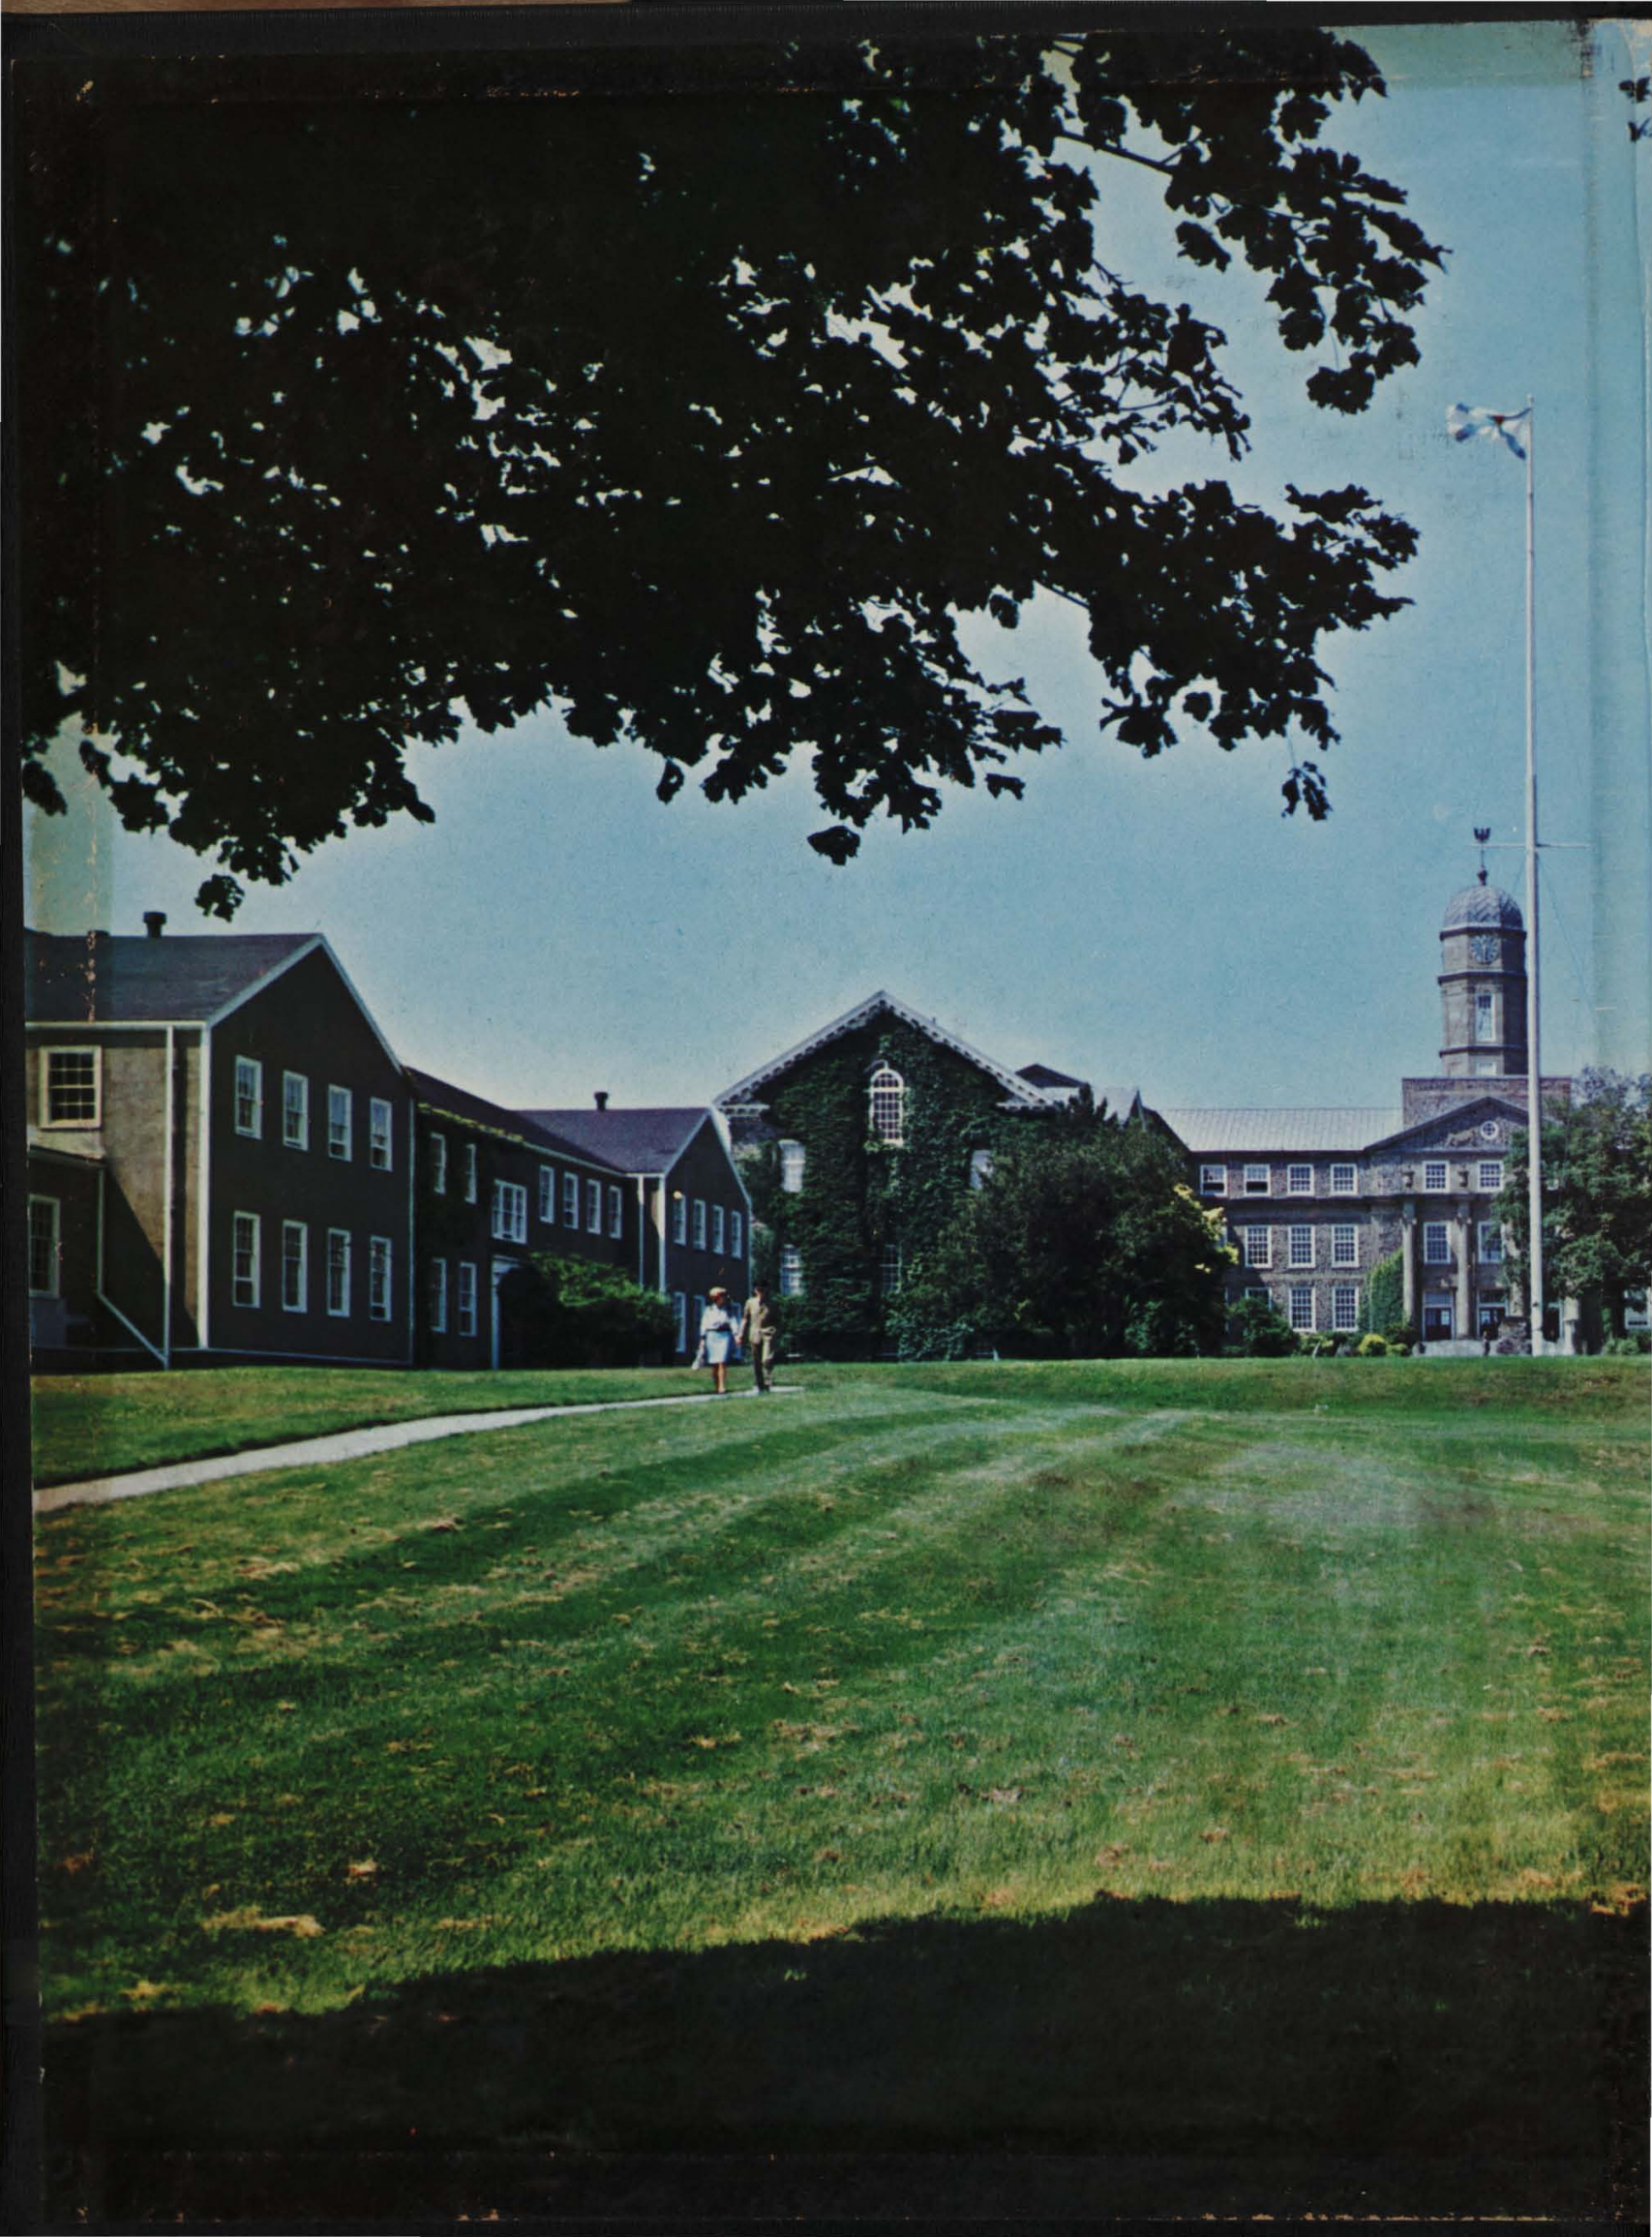

This document is a digital facsimile of the materials described above. It was digitized on July 13th 2012.

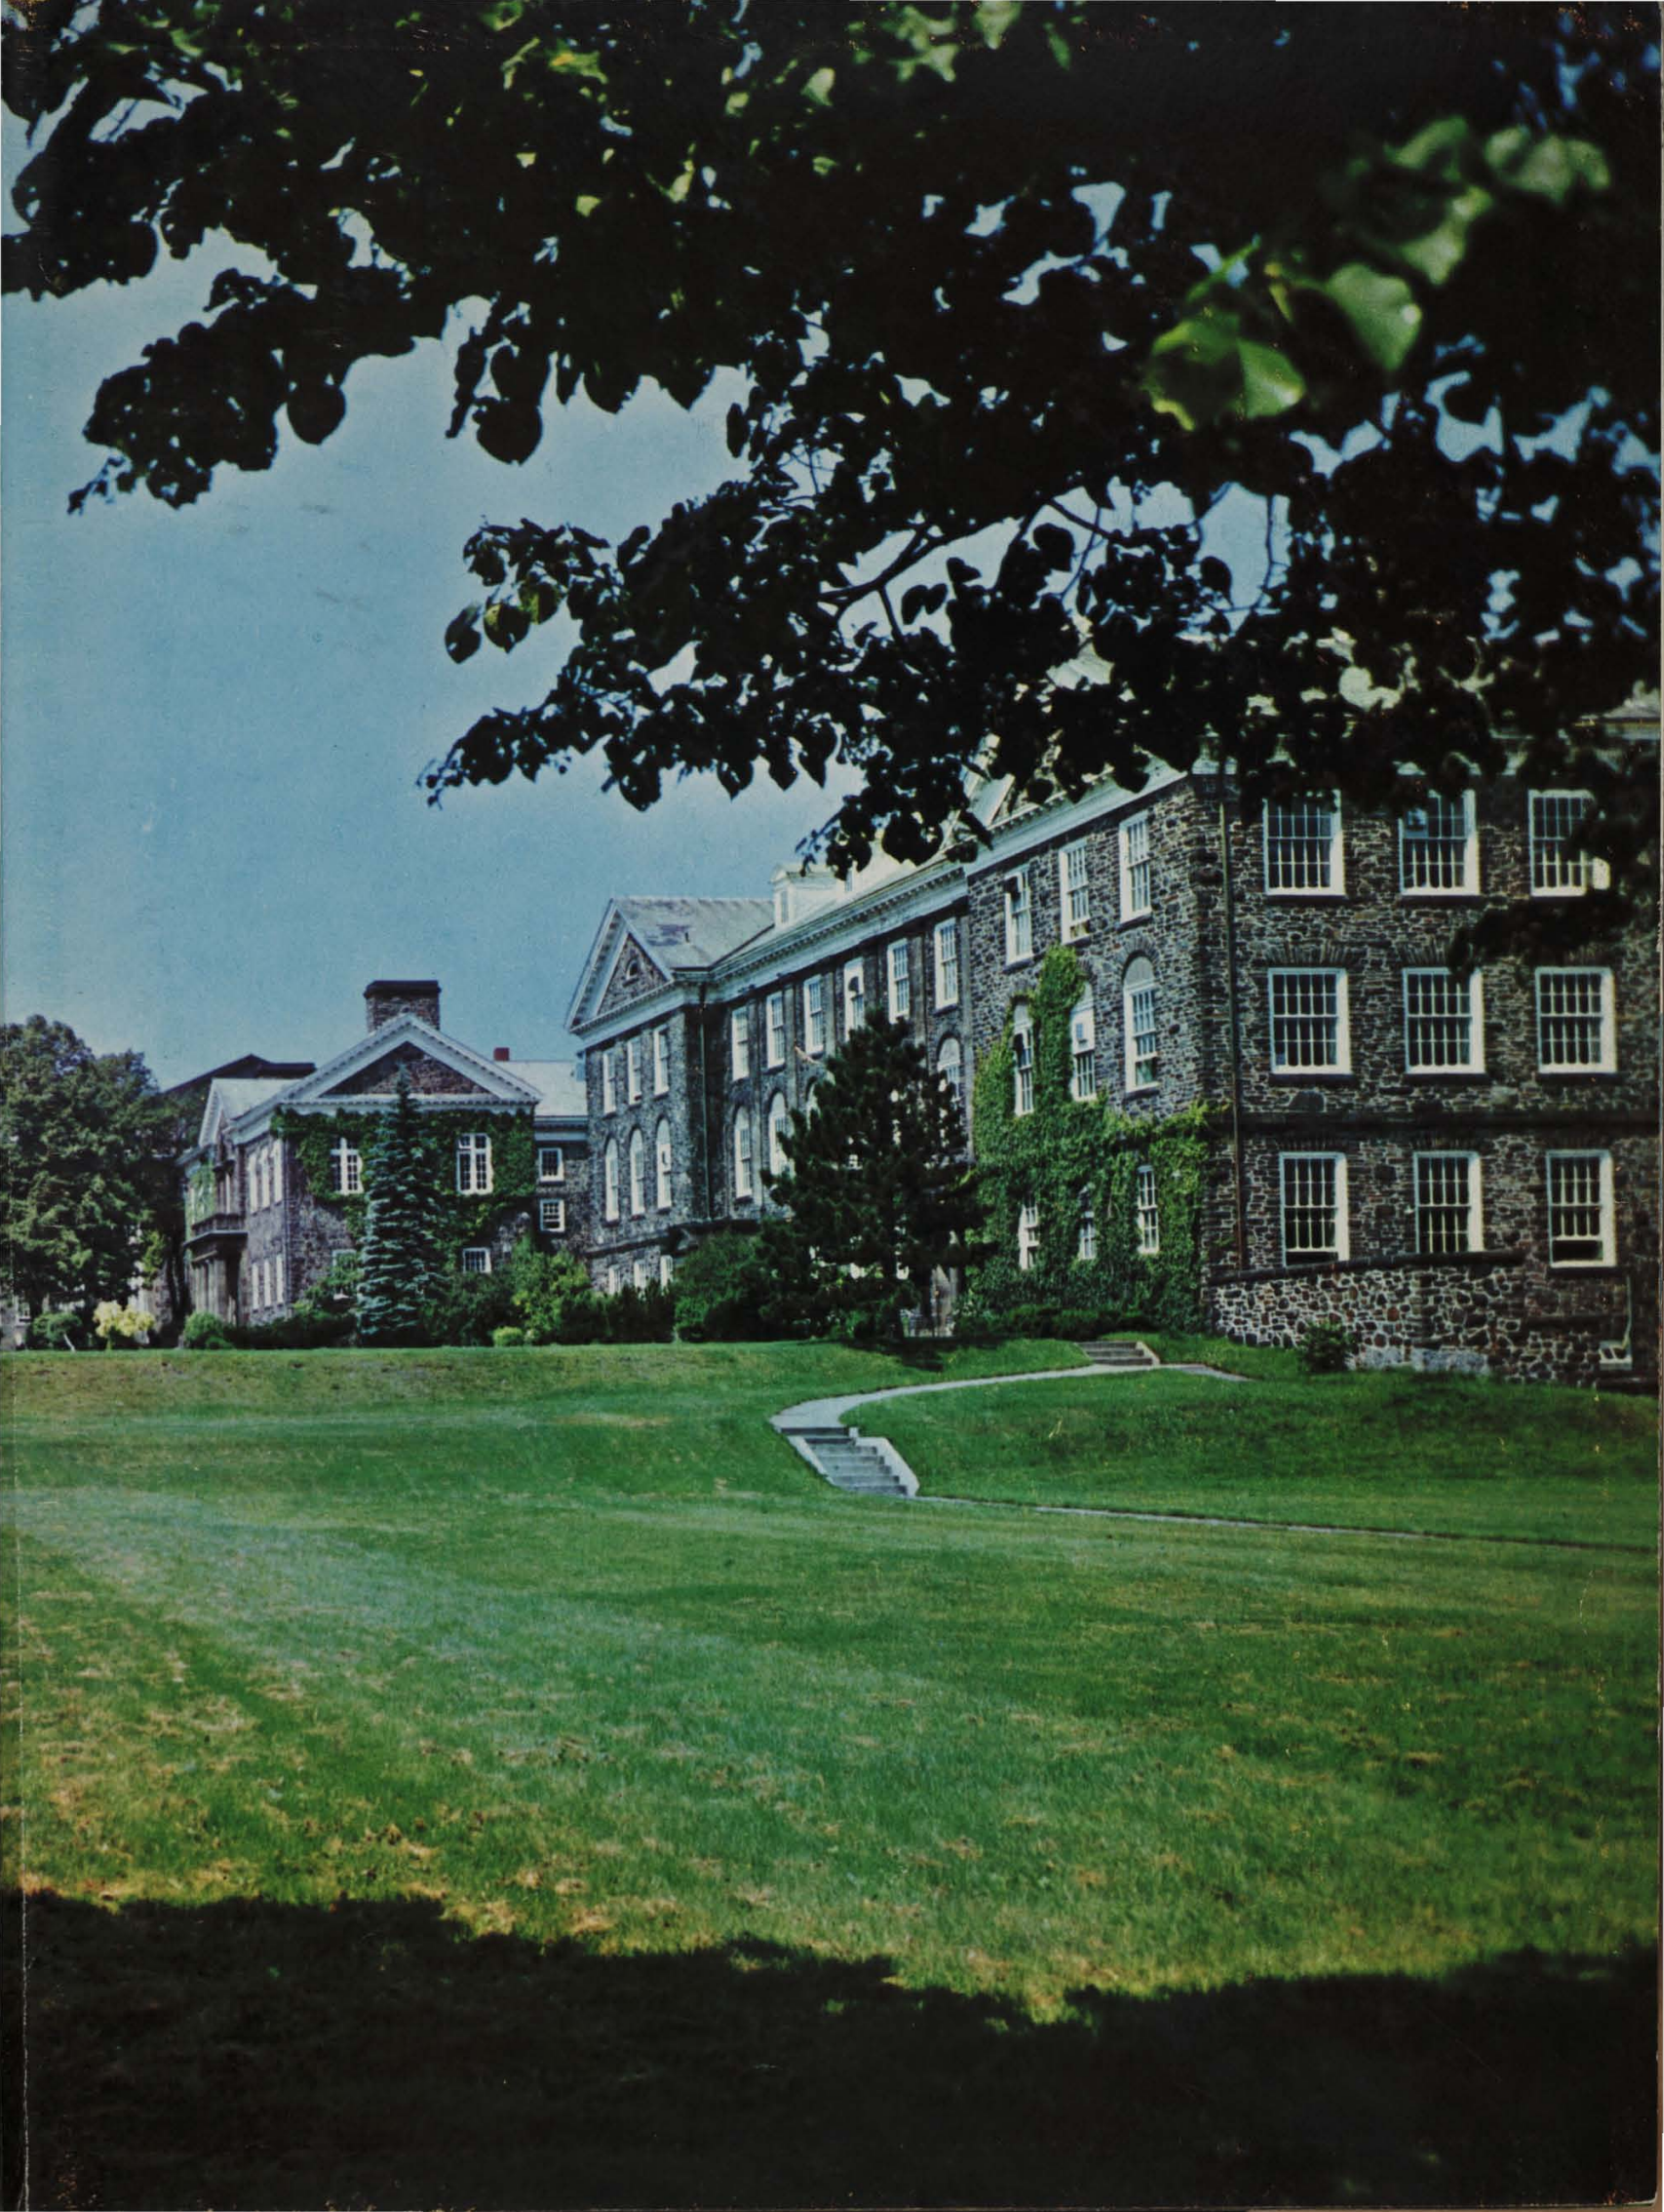

The original materials and additional materials which have not been digitized can be found in the Dalhousie University Archives and Special Collections using the call number referenced above.

In most cases, copyright is held by Dalhousie University. Some materials may be in the public domain or have copyright held by another party. It is your responsibility to ensure that you use all library materials in accordance with the Copyright Act of Canada. Please contact the Copyright Office if you have questions about copyright, fair dealing, and the public domain.

PHAROS

...at the mouth of the harbour, majestically, there stood the PHAROS, towering its lofty head above the city of Alexandria, a beacon of warning and succor to the merchants and scientists, men of letters, scholars and statesmen who braved the wrath of the wind and the waters in search of life.

May this PHAROS be a symbolic beacon of our College by the Sea. Let the light of Dalhousie guide you wherever you may sail on the Sea of Life.

THE

CAMPUS

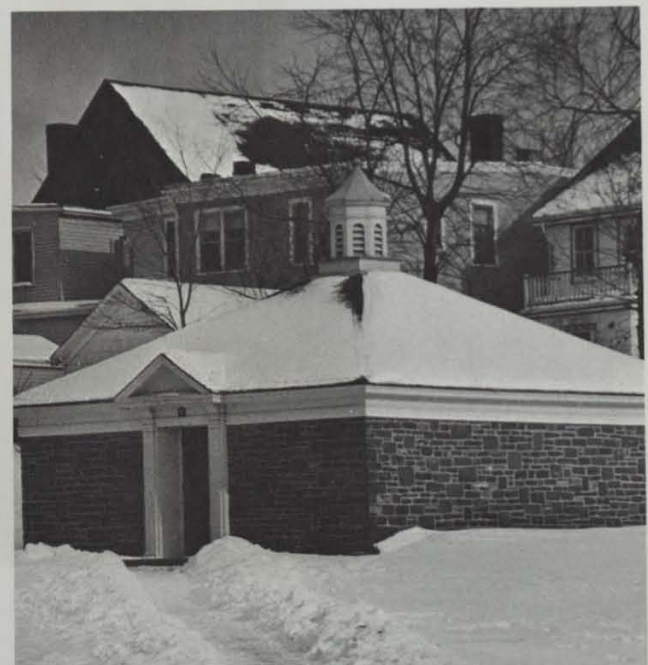

STUDLEY CAMPUS

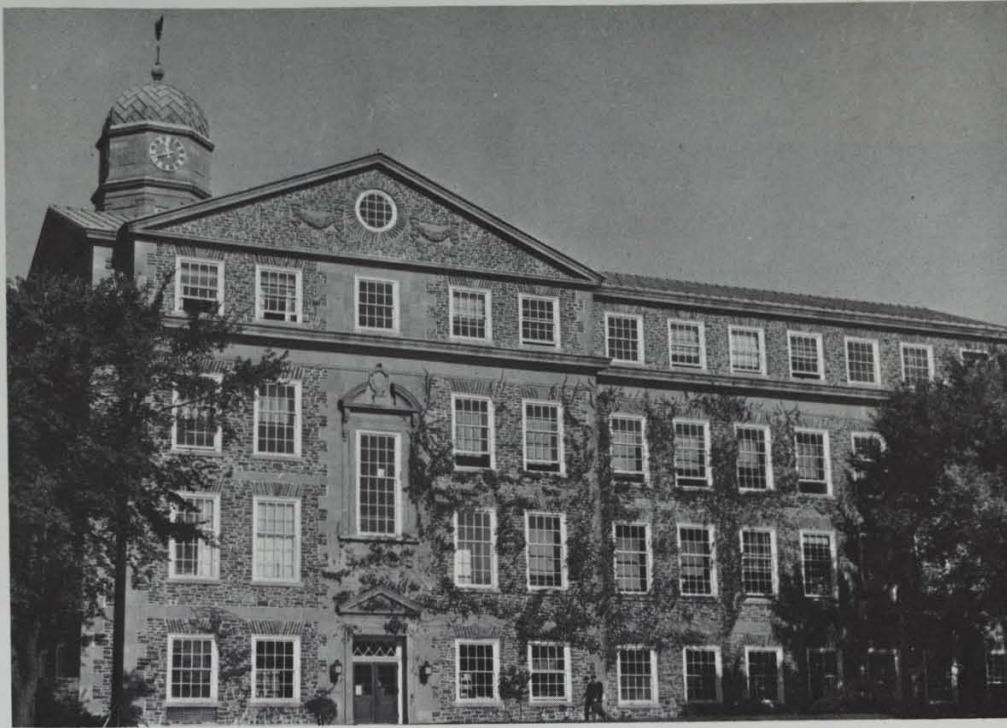

Chemistry Building

Seismograph Building

Arts and Administration Building

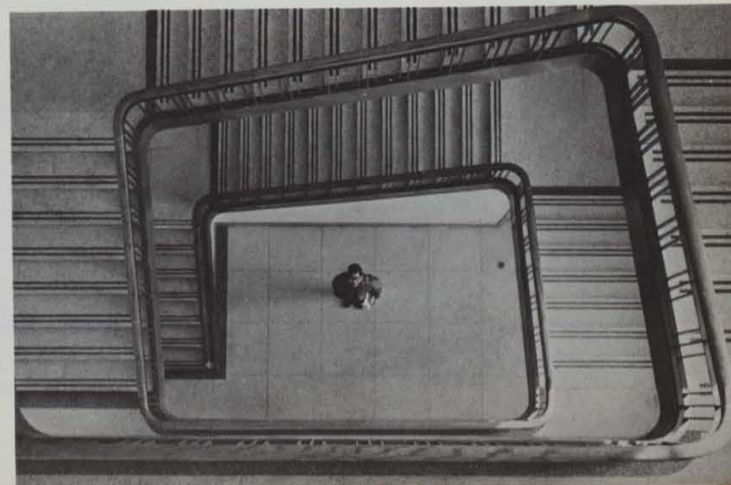

The Art Gallery provides some "food for thought."

Registration time in the A and A building.

Sometimes it seems like a long way to have to go for a lecture

Law Building

Speaker Judy LaMarsh in Library.

An "outsiders" view of the Common Room.

MacDonald Memorial Library

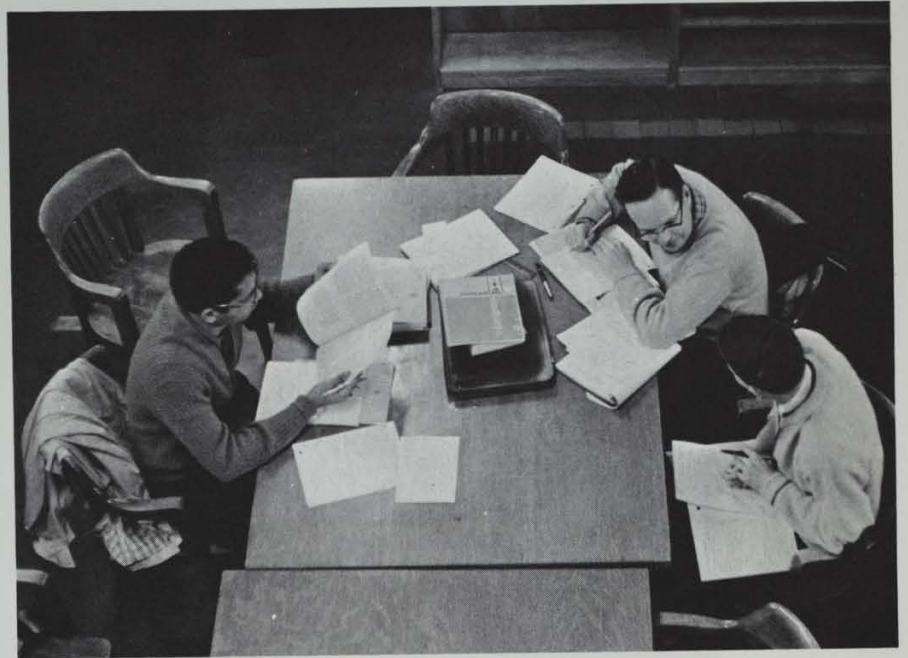

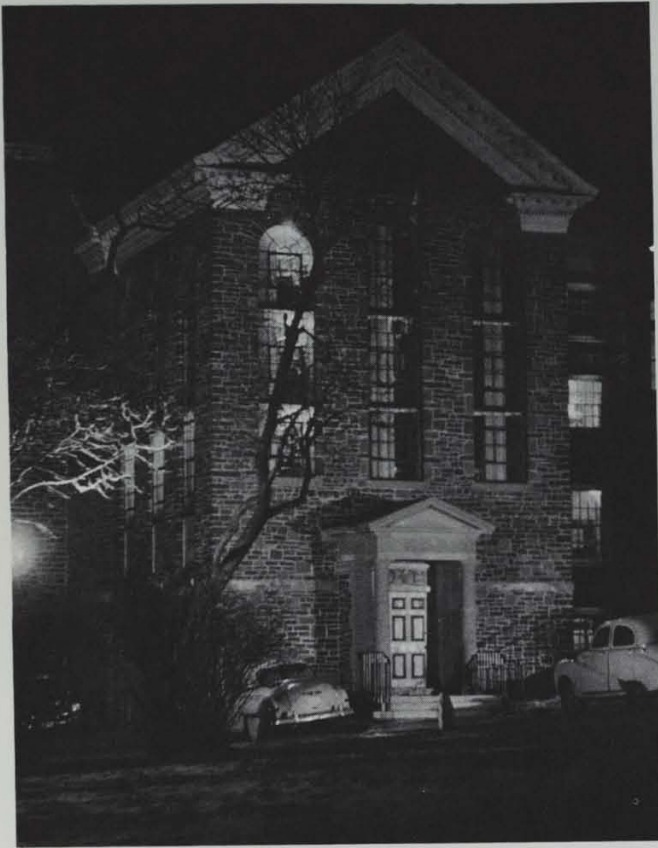

Table talk

Arts Annex

Feeding the rat in the Undergraduate Psychology laboratory.

When the chips are down

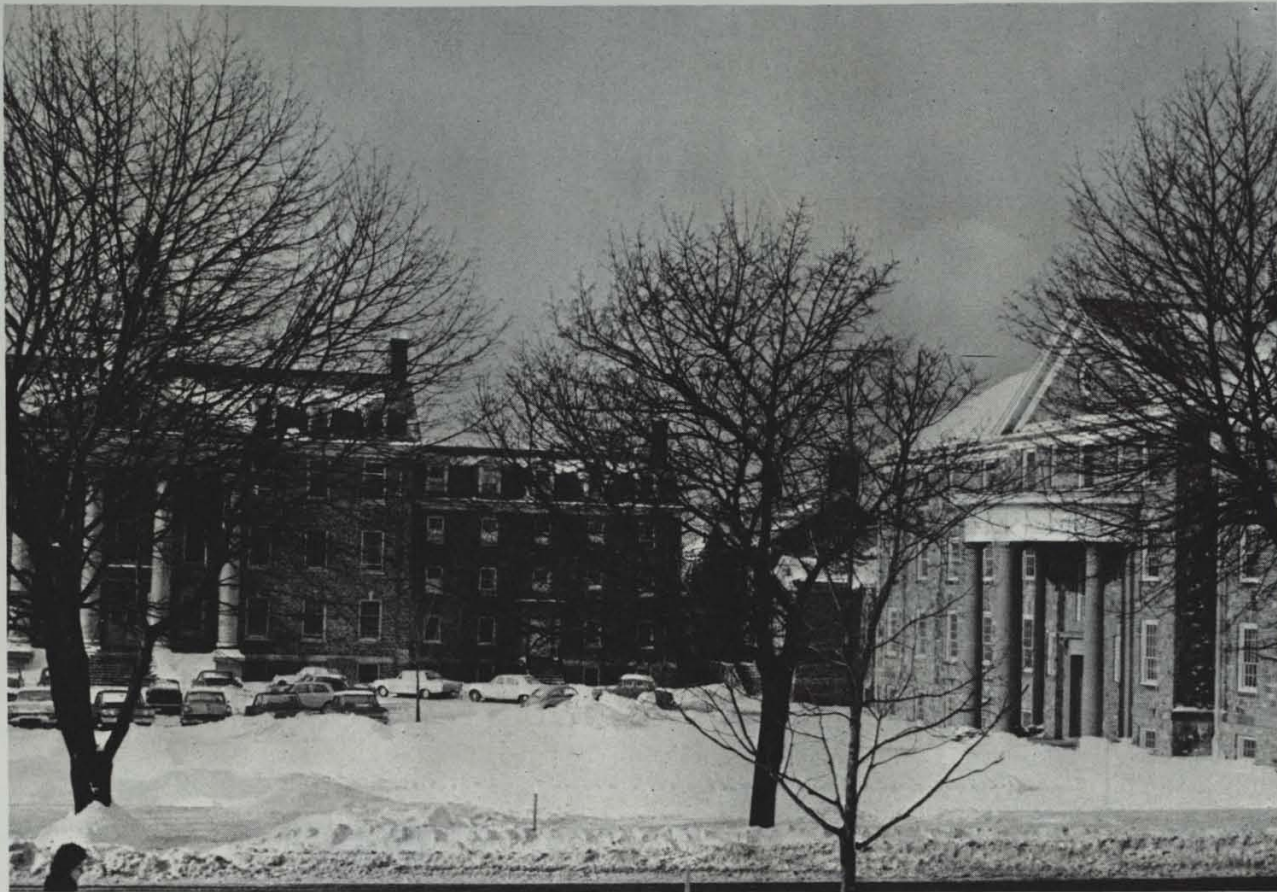

Sir James Dunn Building

Students make use of the excellent facilities in the Physics Lab in the Dunn Building.

King's College

The main buildings of the University of King's College are situated around the Quad shown above. Alexandra Hall (above right) and the Gymnasium (not shown) are two of the newer buildings on the campus.

Education Building

The Education Building houses facilities for both the Education department and the College of Pharmacy.

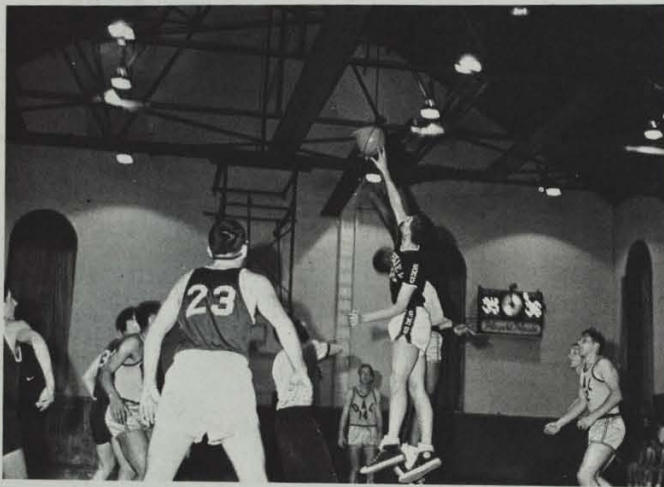

Pharmacy student, Diane Dunphy, is shown in one of her labs.

Memorial Rink

Silhouettes on ice.

Reach for the sky.

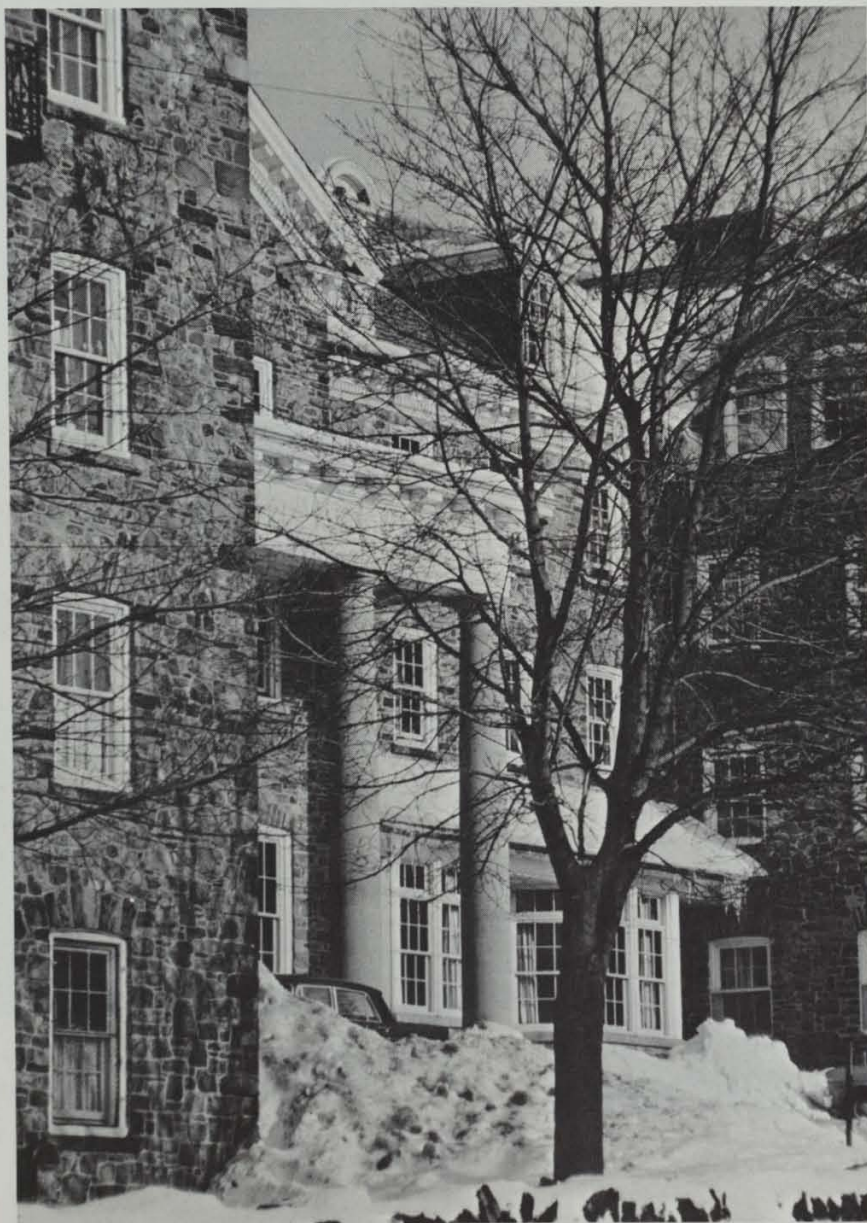

Gymnasium

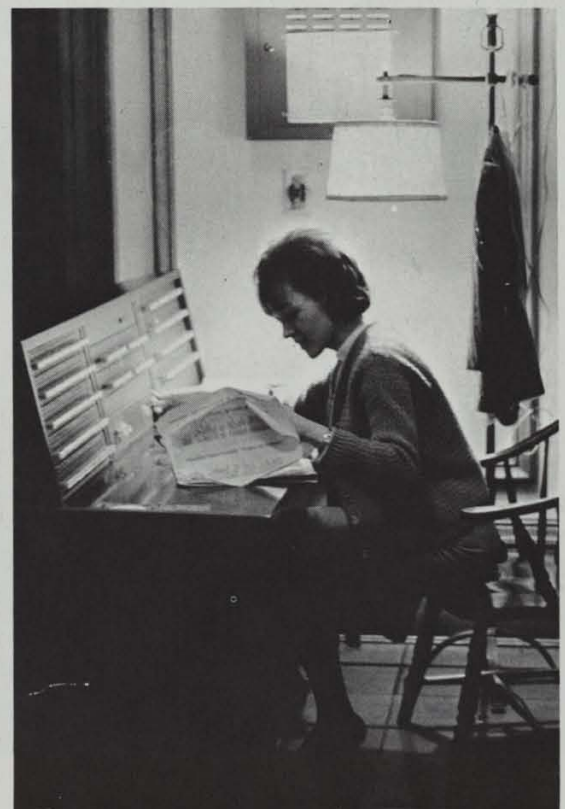

Men's Residence

Shirreff Hall

Where's Dinner!

Late hours at the switchboard.

Forrest Building

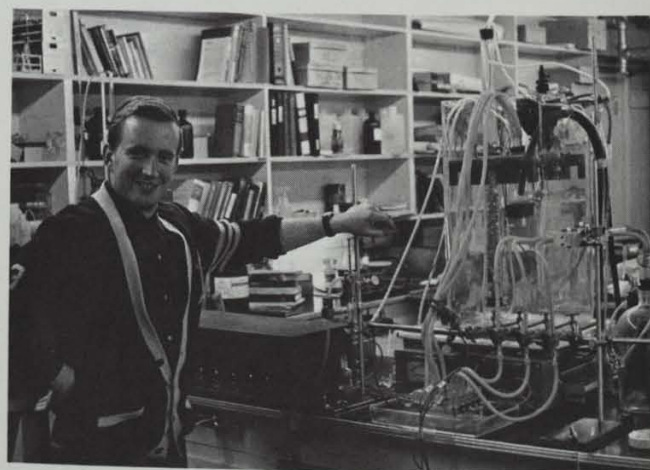

CARLETON

Biology 1 laboratory.

Medical Sciences Building

Marine Botany laboratory.

Dental Building

CAMPUS

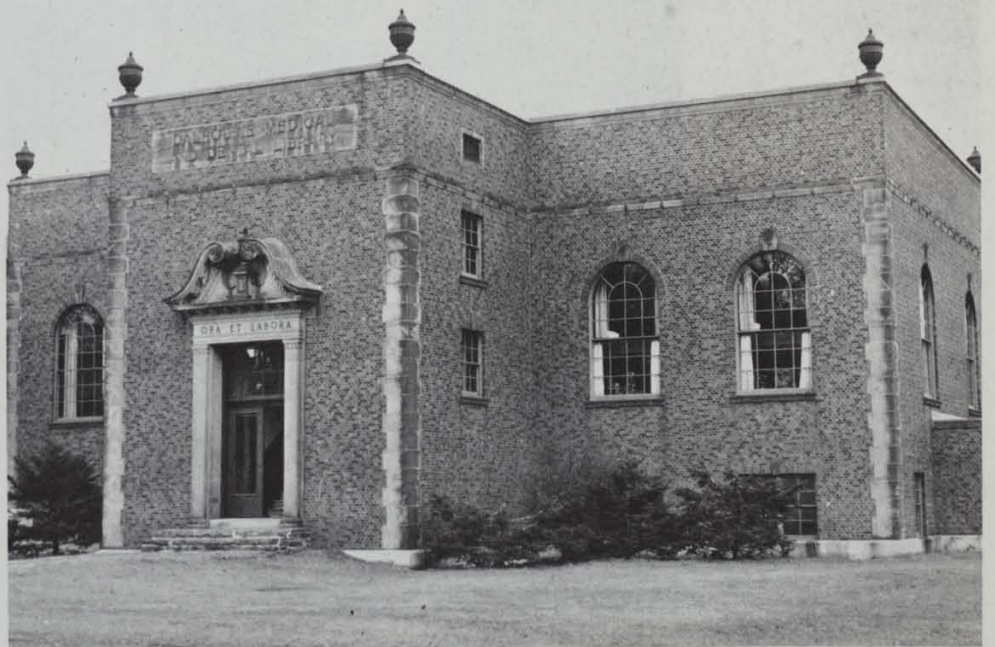

Students watch a denture demonstration.

Medical and Dental Library

A prospective Dental Hygienist takes an impression of her "patient's" teeth.

EXPANSION PROGRAM

Shirreff Hall

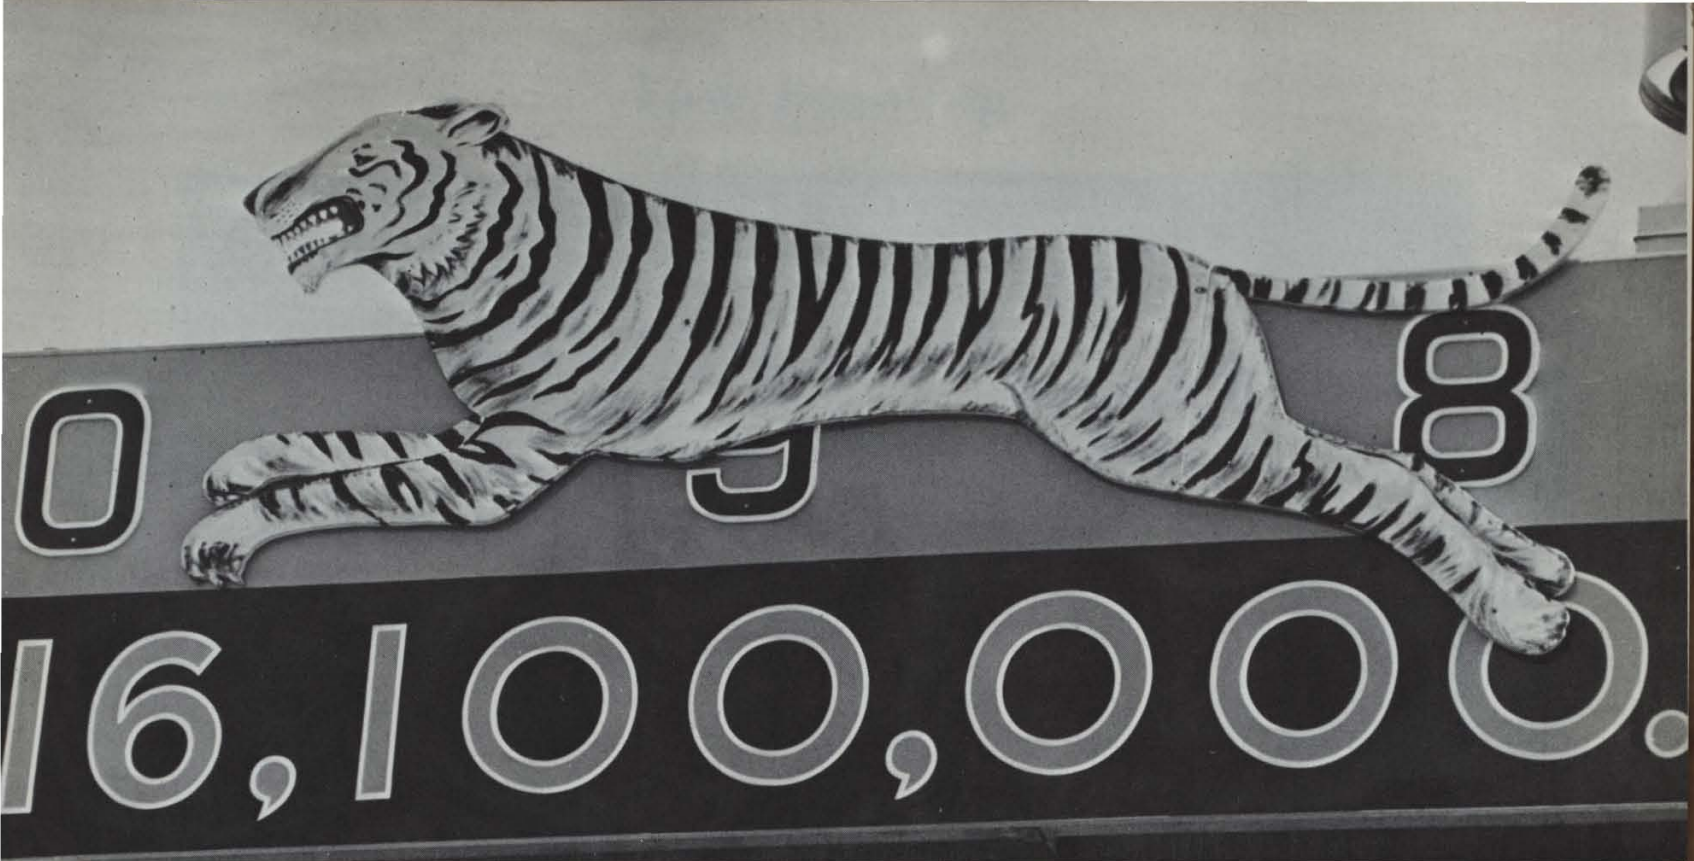

An addition to Shirreff Hall was completed during the summer of 1963.

Men's Residence

The addition to the Men's Residence was completed for use in the Fall of 1964.

The Dal tiger indicates the progress toward the \$16.1 million Fund objective. Since the picture was taken, total subscriptions have passed the \$10,250,000 mark.

Chemistry Building

Construction began in the Fall of 1964 on the addition to the Chemistry Building, first project started under the expansion program covered by the \$16.1 million Dalhousie Fund. The extension will join the Chemistry Building to the MacDonald Memorial Library.

Some Engineering students make a contribution at the construction site.

Medical Building

This is a picture of the proposed new Sir Charles Tupper Medical Building, Nova Scotia's contribution to the nation's Confederation Centennial memorial projects. It is to be named in honour of Sir Charles Tupper, one of the Fathers of Confederation and the only medical doctor to have achieved the rank of Prime Minister. The building, the largest, tallest, and costliest to be built by the University, is to be situated on the north-east corner of the Carleton campus.

Law Building

Canada's oldest law school is to have a new building. The new building, which is scheduled for completion by July, 1966, will enable the law school to more than double its present enrolment. The location for the new building is the north side of University Avenue between Henry and Edward streets.

Student Union Building

The past two years has seen an intensified interest in obtaining a Student Union Building. Attempts had been made previously to obtain a student center, even to the point of having plans drawn by an architect, but the plans did not materialize.

When the University embarked on its expansion program, construction of a S.U.B. was placed on a list of priorities. Students have assisted in the fund raising campaign through various activities and have contributed over \$118,000 to the fund. A yearly assessment of \$10 has been, and will continue to be levied against each student by the Students' Council to add to this sum. The total will be applied against the cost of the S.U.B.

Feeling that the need for student facilities had become urgent, and that construction of the building should not be delayed any longer than absolutely necessary, the 1964-65 Students' Council set out to determine the needs of the students with a view to having new plans drawn up to replace the ones obtained years ago which were felt to be obsolete.

A special ad hoc committee was set up to:

I) prepare a brief history of efforts which have been made in the past to obtain a S.U.B.

II) prepare a comprehensive outline of student needs projected to 1975.

III) prepare an outline of alternative methods of financing the building.

IV) prepare a list of possible sites.

V) propose alternative plans (architectural and furnishing)

VI) propose alternative methods of operating and administrating the S.U.B.

The completion of these preliminary objectives is but the first step in the long march to the construction of the long overdue student center, but the first step is often the most difficult.

Sir Winston Churchill

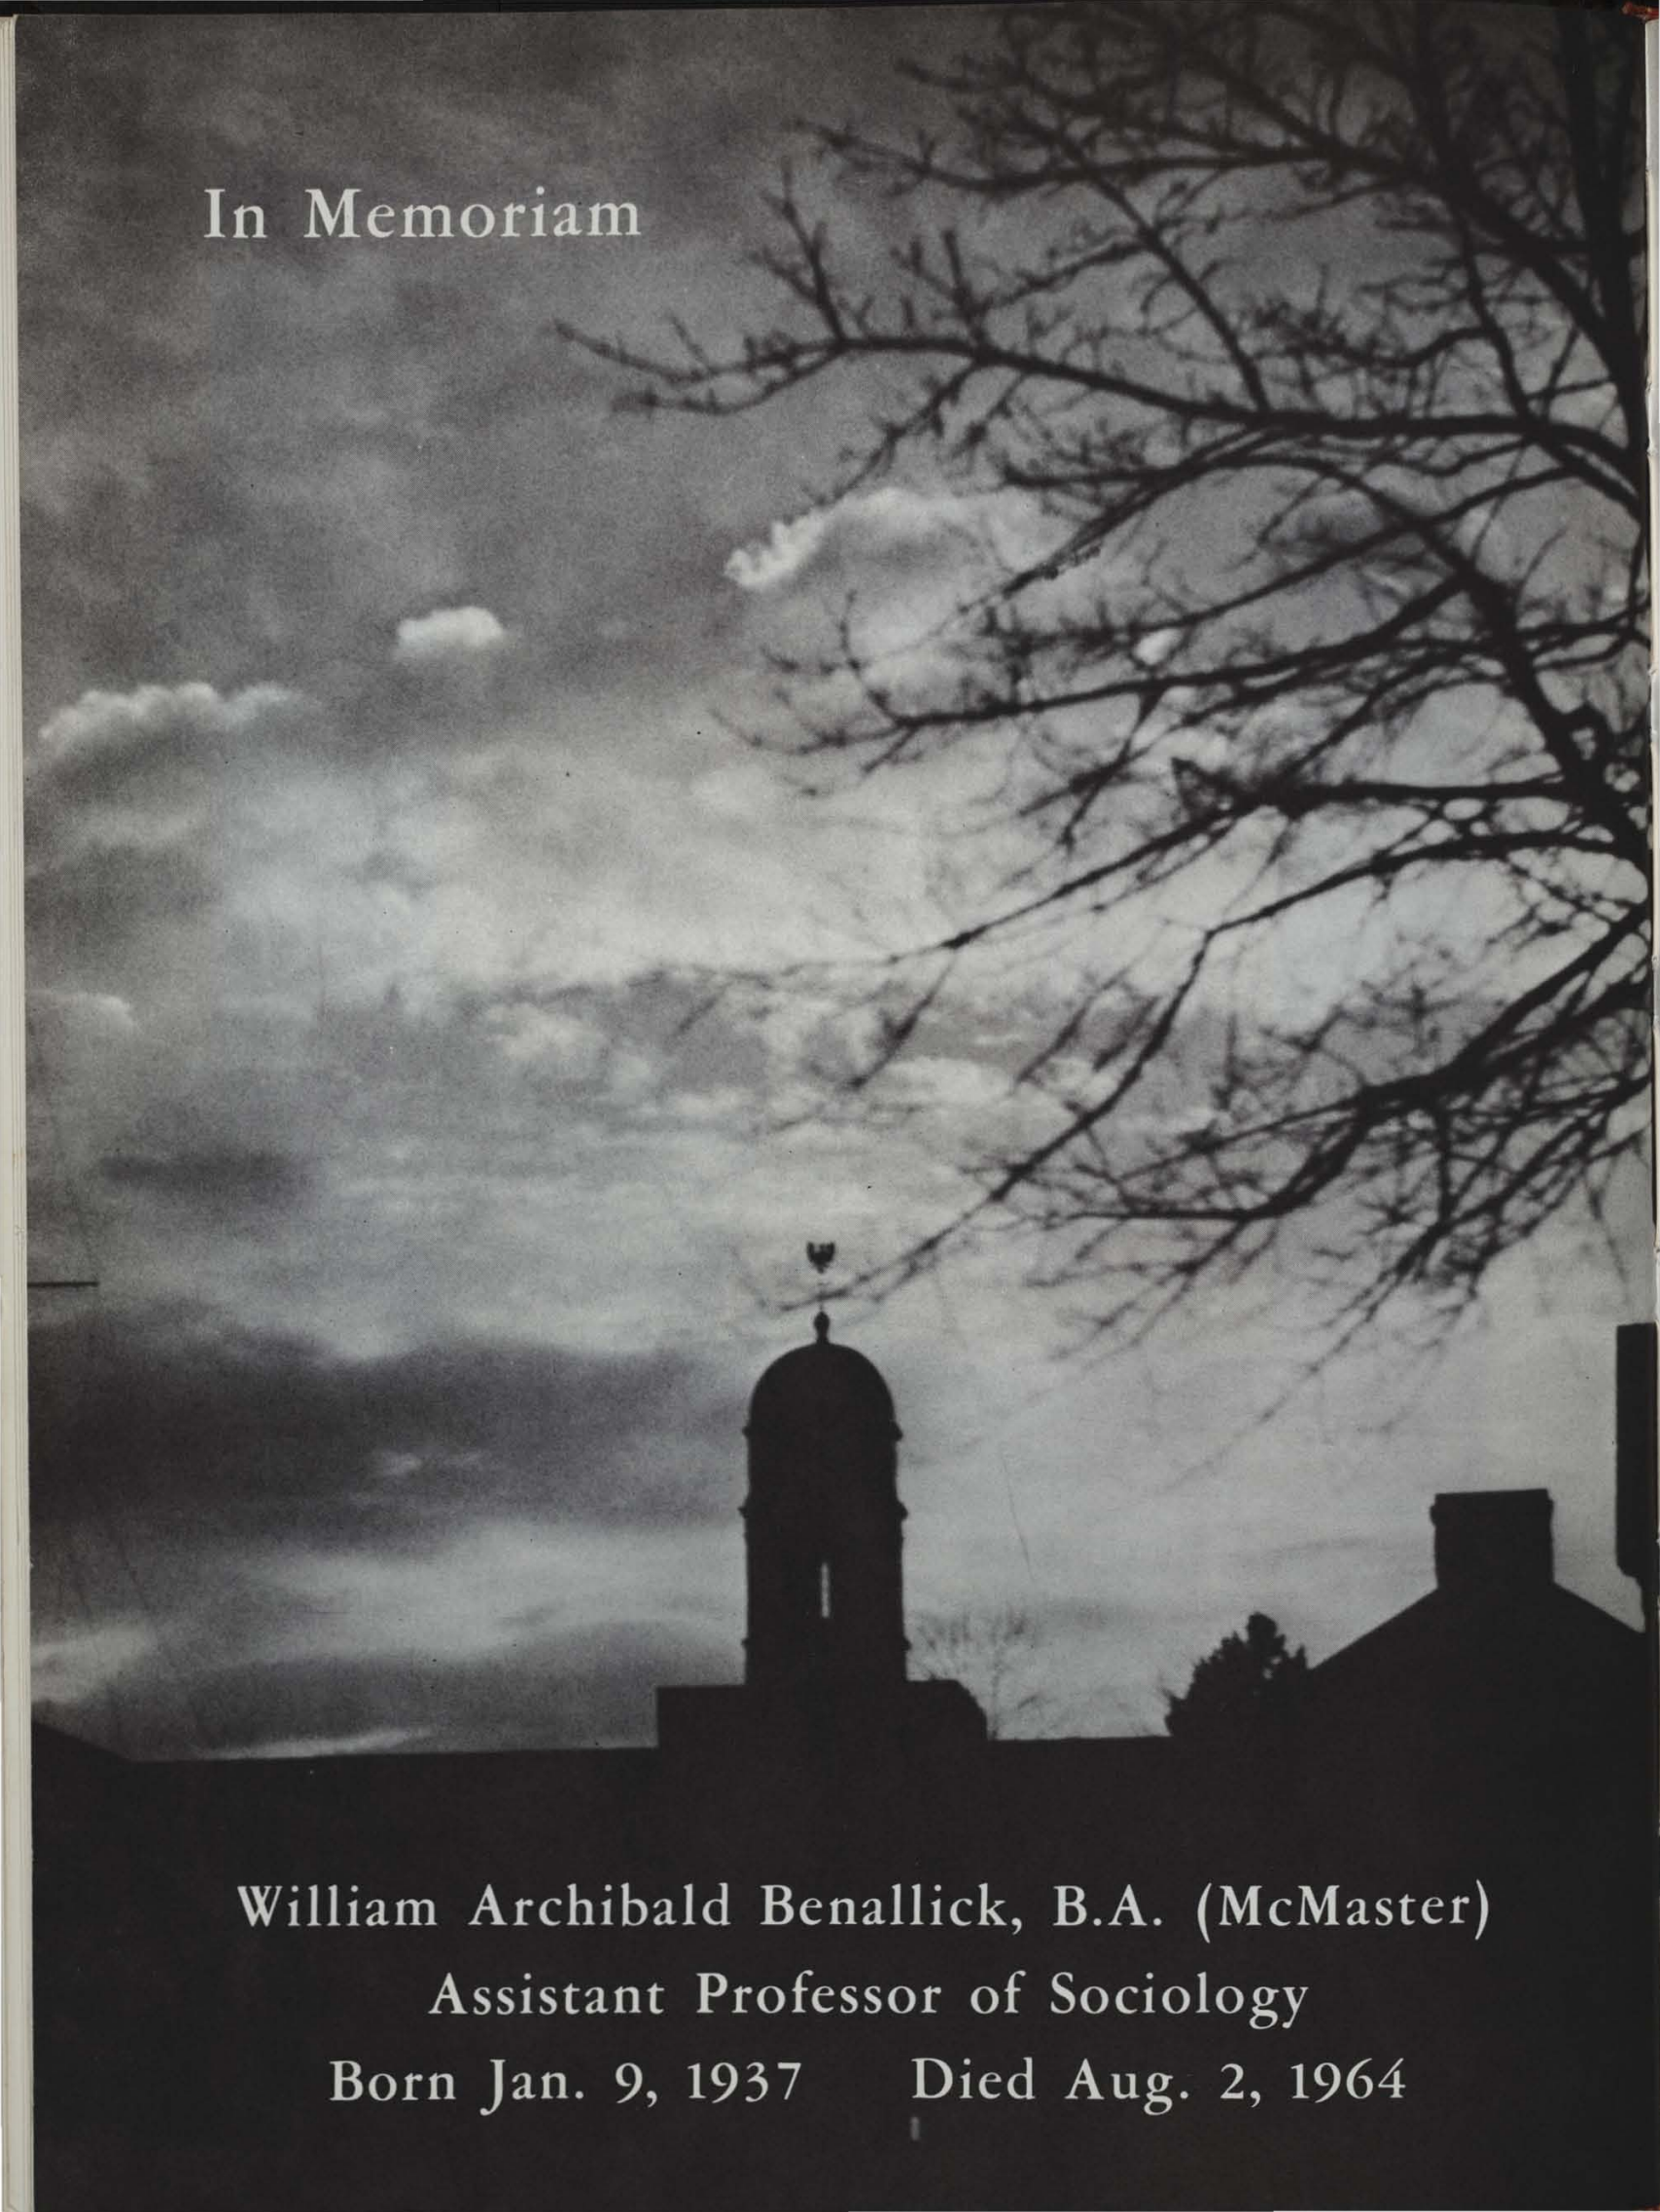

1874-1965

"When there was darkness in the world, and hope was low in the hearts of man, a generous providence gave us Winston Churchill. As long as men tell about the victory, the name of Churchill will live."

. President Lyndon B. Johnson

"Sir Winston has passed on, but the example of his courage, the majesty of his words, the inspiration of his leadership and of his life, these will endure for all time."

. . Prime Minister Lester B. Pearson

In Memoriam

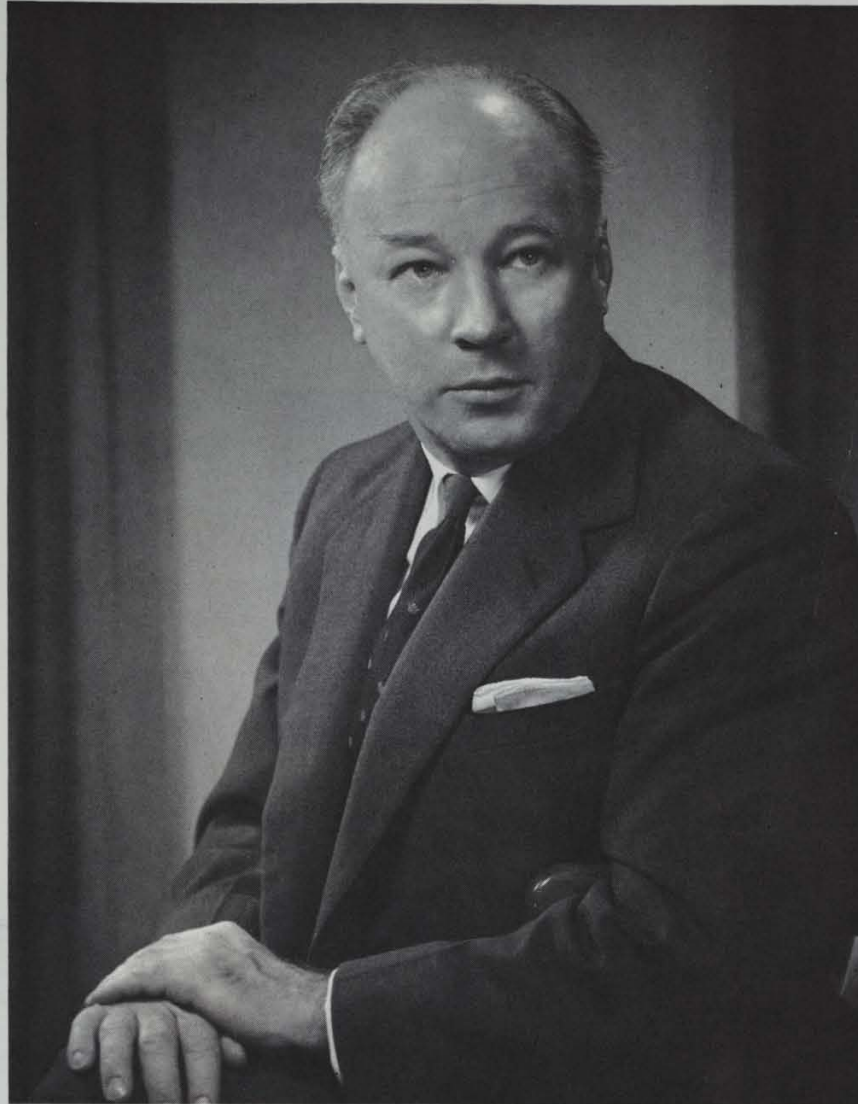

William Archibald Benallick, B.A. (McMaster)

Assistant Professor of Sociology

Born Jan. 9, 1937 Died Aug. 2, 1964

Dr. Henry D. Hicks

President of Dalhousie University

I am pleased again in this, my second year as President of the University, to be asked to extend greetings to Dalhousie's graduating class of 1965, through the medium of PHAROS.

It is of particular significance to me that I came back to Dalhousie as Dean of the Faculty of Arts and Science four years ago when many of you entered the University in the Freshman Class. We have seen an astonishing growth in our enrollment during that period. The total registration in 1960-61 was 2058 students and this year it is 3412.

The Faculty and the Administration have done everything in their power to maintain high standards of instruction and to keep the size of classes as small as possible. In four years the staff in the Arts and Science Faculty has been doubled and private houses have been purchased and converted into additional classrooms and offices. You in turn have been patient with the inconveniences that gradually diminishing space has imposed upon you, and I am grateful for your co-operation.

If you should return to the campus in ten or fifteen years' time — and I hope you will come back for a visit — you will almost certainly find double the number of students that are here today and many new buildings to accommodate them.

In the meantime, I wish each and every one of you well in the new life which you will be commencing on graduation. I hope the memories that you take with you after these years at Dalhousie will be mostly pleasant ones.

A handwritten signature in cursive script, reading "Henry D. Hicks". The signature is written in dark ink and is underlined with two horizontal lines.

DALHOUSIE UNIVERSITY
HALIFAX, N. S.

Peter Herrndorf, *President*

The privilege of serving in student government is a rare one, but it is a privilege that inevitably brings its share of both satisfaction and frustration. On the one hand, there is a feeling that in some small way you have helped to make this a successful and enjoyable year for the students of Dalhousie; on the other hand, there is a feeling of disappointment that you have failed to accomplish all that you set out to do, and that you will not be able to finish your task.

From a personal point of view, the end of the academic year brings to mind both of these emotions. But most of all, it brings to mind a feeling of deep gratitude to the many students at Dalhousie who have given so much of themselves in order to provide services and activities for the entire student body. These students, a few of them well known, but the great majority untouched by recognition, make it possible for others to take best advantage of their leisure time.

In addition, I would like to thank the students of Dalhousie who have given me the opportunity to serve as President of the Council of Students. It has been both a privilege and an honour.

Peter Herrndorf

SPORTS

Athletic Department

Kenneth Gowie (Athletic Director)

During 1964-65, evidence of the hard work of the past three years by your student athletic clubs, the student, and the Physical Education and Athletic Staff began to show with more people participating in, and greater support for, an expanded programme.

Twenty teams representing Dalhousie in various Inter-collegiate Sports. Eighteen inter-faculty activities were provided. Students could and did take part in twenty-nine different recreational activities. Instruction was provided in sixteen activities varying from badminton and weight training to judo and modern dance. Majorettes, Pepcats, and Cheerleaders added colour and excitement to spectator sports.

Among the new activities were the Little 500 Bicycle, Rugger, Inter-collegiate Sailing, Fencing, J.V. Football, Swimming and Red Cross Instructors' Courses.

The swim team program was expanded from one to seven meets, Cross Country from one to seven meets. J.V. Hockey, Basketball, and Football were strengthened. In all sports an improvement in the calibre of play was to be clearly seen. I believe we can be optimistic and project that it won't be long until Dalhousie Students and supporters enjoy the victories for which they have so long hungered.

Plans are already underway for further expansion and greater improvement of the programme for 1965-66. Your continued support and participation can make the coming year "the best yet".

I would like to express my own appreciation and that of Miss Arnold, Mr. Yarr, Mr. Selder and Mr. Rutigliano for your splendid support and for making our association with you so rewarding.

Yours Sincerely,

K.D. Gowie, Director
Department of Athletics
and Physical Education

Carol Arnold

Dennis Selder

Alan Yarr

Joseph Rutigliano

D.A.A.C.

Sandy MacDonald, John Roach, Bill Raine, Mike Bent, Brock Rondeau, John Tilley, Jerry Betik, Wally Fedoryk, Peter Smith, Elliott Jacobson.

The year 1964-65 will go down in the history of the D.A.A.C. at Dalhousie as extremely successful. The functions of the D.A.A.C. have evolved over the years until finally they include the regulation of all interfaculty sports and act as a focal point for student opinion with regards to the Varsity and Junior Varsity programs. This year the program consisted of 12 sports including touch football, hockey, basketball, volleyball, tennis, badminton, curling, table tennis, squash, handball, cross-country and bicycle racing.

Interfac meetings were held on the average of once per week and our budget was in the vicinity of \$3,000. A few outstanding purchases included 108 new interfac sweaters, 10 racing bikes, and two fibre-glass goalie masks. Mr. Gowie instituted what was termed Intercollegiate Meetings, where the members of D.A.A.C. received information regarding Intercollegiate athletics, and were given the opportunity to voice their own opinions. This year also marked the completion of a new constitution for D.A.A.C. which was started by last year's executive.

Finally, I should like to take this opportunity to express my sincere appreciation for the unfailing support and co-operation I received from the Athletic Dept., noting Mr. Gowie and Mr. Selder in particular as well as the members of the D.A.A.C. Certainly it has been a good year for me, and I hope for Dalhousie also.

Sincerely,
Brock M. Rondeau, President D.A.A.C.

D.G.A.C.

LEFT TO RIGHT: Gale Pheene (vice-pres.); Judy Perry (sect.-treas.); Liz Campbell (Member-at-Large); Jane Cushing (pres.).

TOP ROW: Sandra Little, Nancy Graham, Leslie Tracey, Lena Messler, Carole Holland, Judy Hattie.
MIDDLE ROW: Margie Muir, Jennifer Dixon, Carole Shannon, Joyce Smith.
BOTTOM ROW: Joan Power, Sherry Abraham, Pat Ballock, Sue Powers.

This year D.G.A.C. changed its method of representation in order to make its program more accessible to the student body. Non faculty groups such as Alpha Gamma Delta, Freshettes and Shirreff Hall elected representatives to the D.G.A.C. executive and participated in the intramural program as separate groups for the first time.

Several new activities were introduced: hockey, soccer, swimming, bridge, and table tennis. Weekly programs in curling, skating, modern dance and keep fit were added. Participation in both the regular weekly activities and intramural programs were excellent.

This year a trophy will be presented to the group which accumulates the highest number of points in intramural tournament competitions. There were eight such competitions: volleyball, bowling, badminton, basketball, swimming, table tennis, bridge and broomball.

D.G.A.C. offered instruction in several activities for the first time: tennis, modern dance, keep fit, curling and skating. A joint effort by the student body, the Athletic Dept., and D.G.A.C. executive has made this year a real success. Thank you.

Jane Cushing, President D.G.A.C.

Varsity Football

1964 DALHOUSIE TIGERS

TOP ROW, Left to Right: Manager Richard Saunders, Bill Raine, George Markou, Glen Christoff, Phil Thomas, Brian Coleman.
SECOND ROW: Ass't. Coach Ron Simmons, Shelly Harrison, John Boyle, Elliotte Jacobson, Don Routledge, Jim Muir, Cam Trotter.

THIRD ROW: Coach Al Yarr, Dave Blanchard, Eric Kranz, Mike Prendergast, Brian Miller, Dave Crocker, John Tilley.

BOTTOM ROW: Head Coach Joe Rutigliano, Gary Sutor, Mark Offman, Bill Stanish, Wally Clements (Captain), Joe O'Leary, Barry DeVillie, Jim Collins.

The 1964 edition of Dalhousie Varsity Football provided an abundance of exciting, hard-knock action at its best. Under the watchful eye of coach J.T. Rutigliano, this well-conditioned team gave clear evidence of bigger and better things to come in '65.

Considered to be one of the better fundamental teams in the A.F.C., the Bengals were able to enjoy the most successful season in five years despite its being plagued by early-season injuries.

The highlights in Dal's record this year werethe last two games against Acadia and St. Dunstan's in which the Tigers over-powered their opponents while collecting a total of 54 points for and 13 points against the team standing.

The road to success is not an easy one and no one realizes it more than Coach Rutigliano. His instigation and organization of winter conditioning programs, local high-school clinics, and his personal encouragement to perspective athletes have not been in vain.

Besides Head-coach Rutigliano, the team received terrific direction from Ass't. Coaches Alan Yarr, Dick Loiselle, and Ron Simmons.

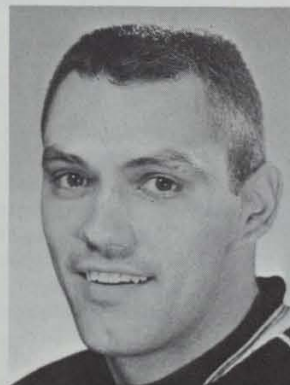

With a dedicated team and capable staff such as this, it is small wonder that the hopes are high for '65.

JOE RUTIGLIANO

ALAN YARR

DICK LOISELLE

Soccer

TOP ROW, Left to Right: Gordon Jackson, Mohammed Ali Shah, Joe Klemka, Bill Maycock, Colin Duerden, Robert MacNeil, Dennis Selder (Coach).
FRONT ROW: Ivan Ho, Andrew Chin Yuen Kee, Ken Murray, Malcolm McFarlane, Don Hoopey (Captain).
ABSENT: Clive Ali, Daniel Reid, Leon Thorburn.

In general, the performance of the Soccer Team this year was below par. Players were not as well conditioned as they should have been. Two major factors were responsible for this lapse. Firstly, the field was not available for practice in the evening, and workouts had to be held at 7:30 a.m. Secondly, the team had only one week of practice before its first game of the season.

Two individuals, Clive Ali and Colin Duerden accounted for five of the eleven goals scored by Dal. during the season, each scoring three and two goals respectively.

Special mention should be made of Ivan Ho and Don Hoopey, who were consistently outstanding on defence.

Of the six games played, the team emerged with one victory, three ties, and two losses. The soccer championship went to U.N.B.

TOP ROW, Left to Right: James Paar, Glen McLean, Roger Field, Prof. J. Farley.
MIDDLE ROW: Dave Haanschell, Dave Rogers, Ed Doe, Iain Niesh, Bill Freeland, Dugald Christie.
FRONT ROW: John Emery, Dave Eltis, Larry Honey, Colin Howell (Capt.), Peter Stirling, Norm Hall.

For the first time in fourteen years, Dalhousie returned to the rugby wars in '64. Although the team lacked in experience, its spirit was made known to other local clubs. The season began with a 6-3 loss to Stad. followed by a 31-0 loss to Shearwater, 3-0 and 15-0 to Halifax, 9-0 loss to an all-star side from the N.S.R.F.U. and ended on a winning note with a 5-3 victory over the league all-stars. Next year Dal. will enter the N.S.F.U. with Halifax, Greenwood, Stadacona and Shearwater. Indications are that we will be well-represented now that we have a year's valuable experience.

Rugby

Track

TOP ROW: Allan Yarr (Coach), Peter Spencer, Rick Meade, Jim Richards, Bill McInnis.
 BOTTOM ROW: Bob Howell, Nordeau Kaningsburg, Gary Sutor, Larry Archibald, Tony Roy.

Track — Wolfville was the scene of the 1964 Intercollegiate track meet. The hosts from Acadia overpowered four other teams to win the title by an imposing 51 points. Dal. made a good showing in the track events with several close seconds. Field events star Bill McInnes, awakened by a bronchial attack could manage only a third place in his specialty, the triple-jump. The team exhibited good spirit and with the relay runners all returning next year, Dal has the nucleus of a powerful contingent for 1965.

Cross-Country — Led by the strong running ability of Don Gladwin, the cross-country team almost upset the perennial victors in the Maritime meet held at Acadia. With at least four of the team's five scoring runners in this meet returning next year, the U.N.B. monopoly as Maritime representatives in the Canadian Championships should end.

Track Results
 Acadia - 86
 Dal - 35
 St. F.X. - 27
 S.M.U. - 10
 Mt. A. - 7

 U.N.B. - 36
 Dal - 40
 Acadia - 47
 Kings - 117

Golf

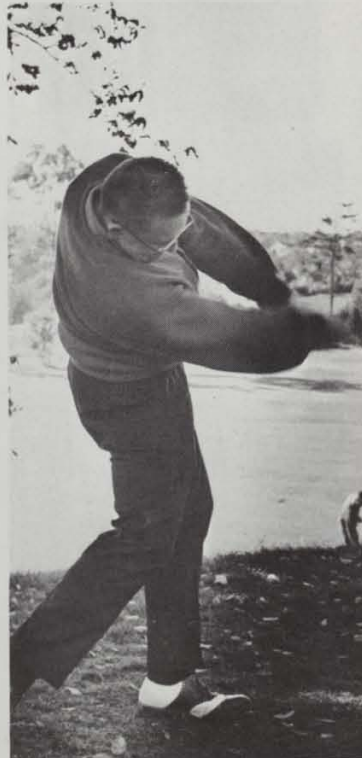

Bruce McLean, Allan Dunlop, Don Couse, Bob Silver.

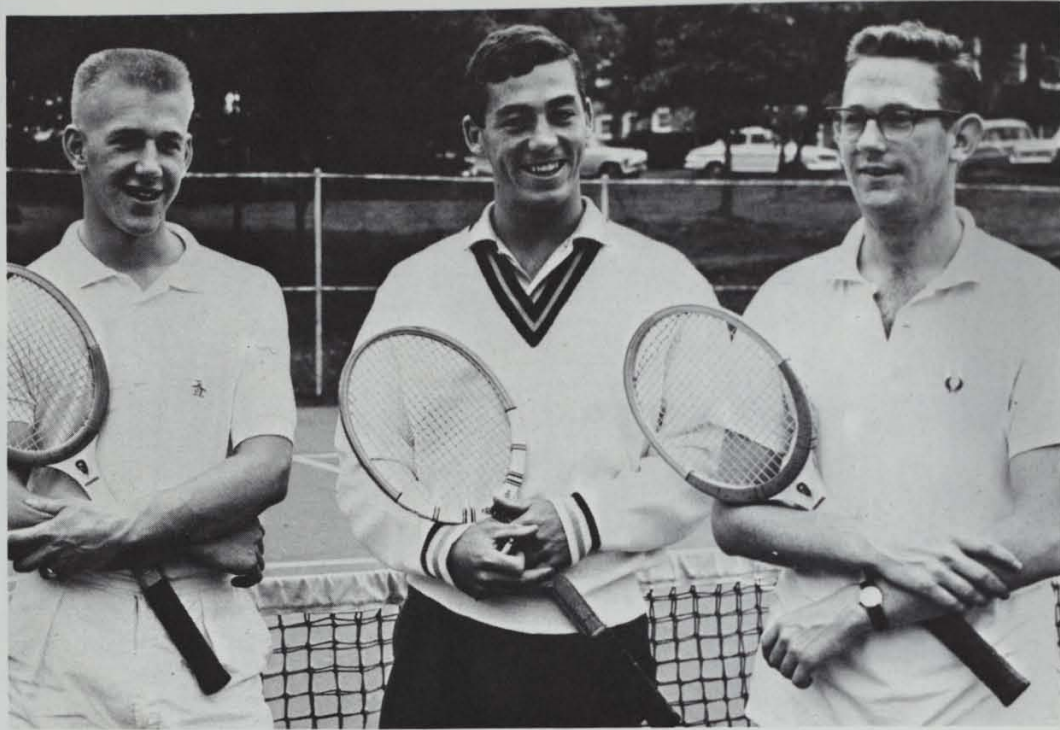

Bob Silver of Halifax and Sydney's Bruce MacLean each fired 75's to pace Dalhousie University to a nine-stroke victory over defending champions of the University of New Brunswick in the annual Maritime Inter-Collegiate golf tournament played at Ashburn Golf Club in Halifax early in October.

McLean had nines of 39-36 while Silver went out in 37 and came home with a 38. Don Couse and Allan Dunlop each shot 81's to give the four man Dalhousie squad a combined total of 312 to the University of New Brunswick's 321. Mt. Allison finished third in the 18-hole medal play tourney with 333, five strokes better than St. X who tallied a total of 338. N.S. Technical College finished with 371.

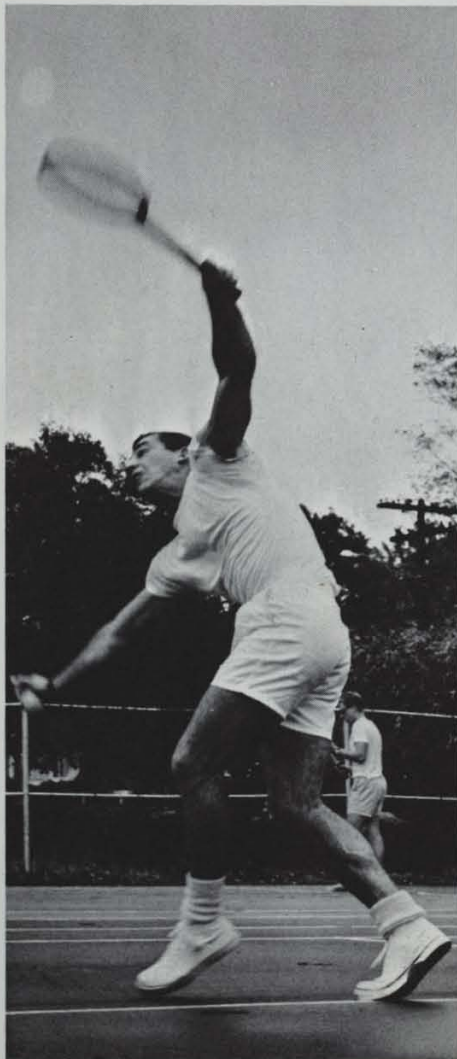

After nine holes of play, U.N.B. held a slim margin of a two-stroke lead over Dal. and St. X., who were tied in second place. However, the strong back nines of the Dal. quartet were sufficient to carry them to a win.

Tennis

Paul McLean, Dick Speight, John Cooper.

Teams from N.S. Technical College, St. Mary's University, University of New Brunswick, and Dalhousie, playing in the M.I.C.A.A. Tennis Tournament, were handicapped by weeks of rainy weather. Thus, the Dalhousie team was chosen partly on previous tournament performances with Al Yarr acting as coach. A round robin draw was played in singles and doubles (no mixed) with trophies awarded according to team and individual scores based on 3 points for two straight-set victories and 2-1 award of points where sets split. U.N.B. won every event with Bill Redden taking the singles. Dal's single entry, Dick Speight, lost to Redden 6-4, 6-2. Although his serve won several aces, he was handicapped by errors at the net. Later, by switching to a defensive groundstroke-lob strategy, he took N.S. Tech's man 6-2, 6-3.

John Cooper and Paul McLean put up the best stand offered that day against U.N.B.'s team losing 6-4, 6-5, 6-3. However, they beat Tech's doubles team 6-3, 7-5, although losing to S.M.U. in a three sets close match.

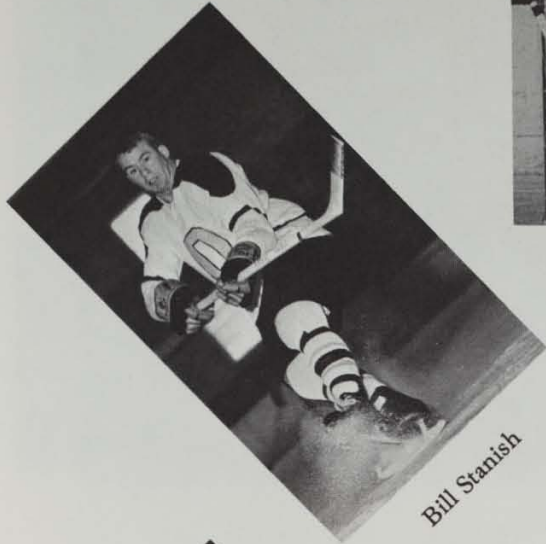

Dal closed in second place with U.N.B. standing as winners followed by S.M.U. and N.S. Tech.

- * team stressed speed and conditioning this year.
- * Dennis Selder, our new coach, comes from U.B.C. where he played under Canada's top amateur coach, Father David Bauer.
- * Dal hosted first annual Invitational Hockey Tournament for guest players from Loyola, University of Montreal, and U.N.B.
- * In 5-4 victory over Mt. A., Dal's Ron Sieniewicz kicked out 56 shots.
- * Dal was fortunate in having two capable goal-tenders this year, Sieniewicz and McMaster.
- * Peter Stoddard, Barry Ling, and Paul McLean head the list of promising prospects for future seasons.
- * Dal's first line of Smythe (Captain), Drmaj, and Stoddard was the most effective for the Tiger.
- * 6-4 victory over St. Thomas helped pick up Winter Carnival spirit at Da.
- * After losing to Acadia in their opening game the Tigers rebounded with a 4-2 victory.

Dalhousie	0	2	0

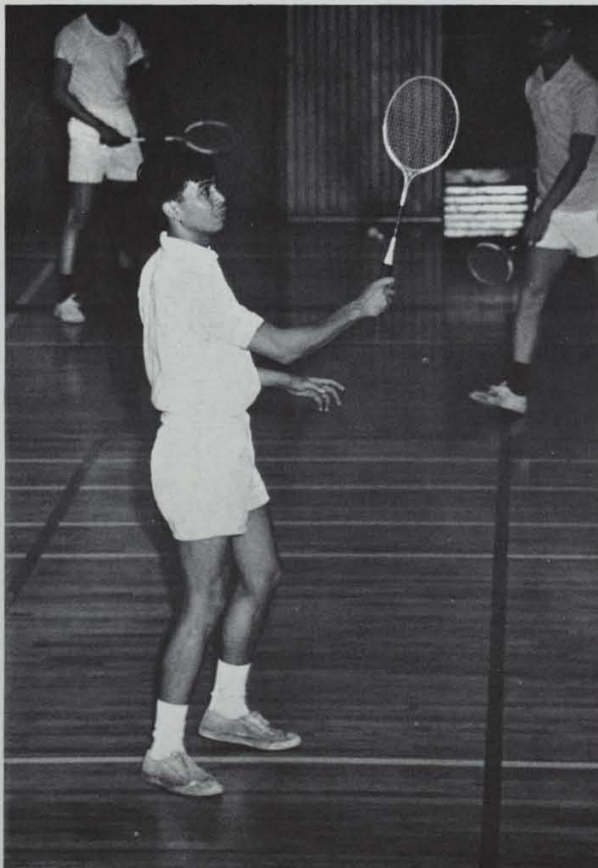

Badminton

TOP ROW, Left to Right: Mohammed Shah bin Ali, Khoo Teng Lek, David Dickie, Muri Muhammad, Hari Swaminathan.
FRONT ROW: Sharon Smith, Kathy Quinlan, Gay Donovan.

The Dalhousie Badminton Club started its activities in September and had a successful year with a total of 60 players. The Club meets regularly on Tuesday nights at the gym. Players include beginners and members who became Inter-collegiate champions.

Two tournaments are sponsored each year. The 'Early Bird' tournament was held before Christmas in which games from men's singles to mixed doubles were played. The Dalhousie Championship tournament was held in February and Challenge Trophies were contested in all categories.

In the Maritime Inter-collegiate Badminton Championships, Dalhousie University's Men's Division tied for second place with U.N.B., scoring 20 points apiece. The tournament was won by Nova Scotia Tech.

Dalhousie finished on top in the Women's section as Sharon Smith and Trinda Weatherston won the doubles event.

With the keen participation shown by the club members, next year should be a promising season.

Junior Varsity Sports

Football

TOP ROW: Bernie Ungerman, Jim Allen, Mike Knight, Harold Garrison, John McFarlane, Brian Coleman, Dave Crocker.
MIDDLE ROW: Eric Kranz, Bert Trerice, Colin Wobschall, Steve Craig, Derek Sarty, Ken Dawson, Ron Worthington, Gordie Marler (Coach).
FRONT ROW: John St. Armand (Captain), Gord Hunter, Wayne Bachusky, Nardan Kanigsberg, Pete Dockrill, Mike Cummings, Barry DeVille, Jim Nickerson.

Basketball

TOP ROW, Left to Right: Paul DeGrosbois, Gerry Clarke, Carl Thomas, Dave Crocker, Alex Shaw, Joe Rutigliano (Coach).
BOTTOM ROW: Joe O'Leary, Don Sinclair, Ivan Carey.

Varsity Basketball

STANDING, Left to Right: Larry Archibald, Peter Lacas, Ross Nisbet, Jim Seaman, Norm Vickery, Jesse Dillard, Tom Beattie, Bud MacSween, Carl Johnson, Howie Parker (Capt.), George Hughes, Eric Durnford.
SITTING: Ken Glube (Manager), Alan Yarr (Head Coach), Joe Rutigliano (Ass't. Coach).

It was a winning year for the Dalhousie Tigers basketball team and an exciting one for the fans. Under the capable guidance of coach Al Yarr, the youthful team made its presence felt amongst the perennial giants of the conference viz. Acadia, St. Mary's and St. F.X. Youth was the key to this year's success with rookies Larry Archibald, Tom Beattie, George Hughes and Eric Durnford showing tremendous future potential. Archibald and Hughes were regarded as the best backcourt duo in the league.

The season began with an 83-73 loss to St. Mary's in which the Tigers' desire and ability to come back was exemplified. Downed by almost 30 points at half time, the Tigers narrowed the gap to a mere seven points before bowing out. After competing in the Bluenose Classic, the Tigers were able to improve their standings against such teams as Mount Allison, U.N.B., and St. Dunstan's, all of whom were to lose a pair of games to the Tigers.

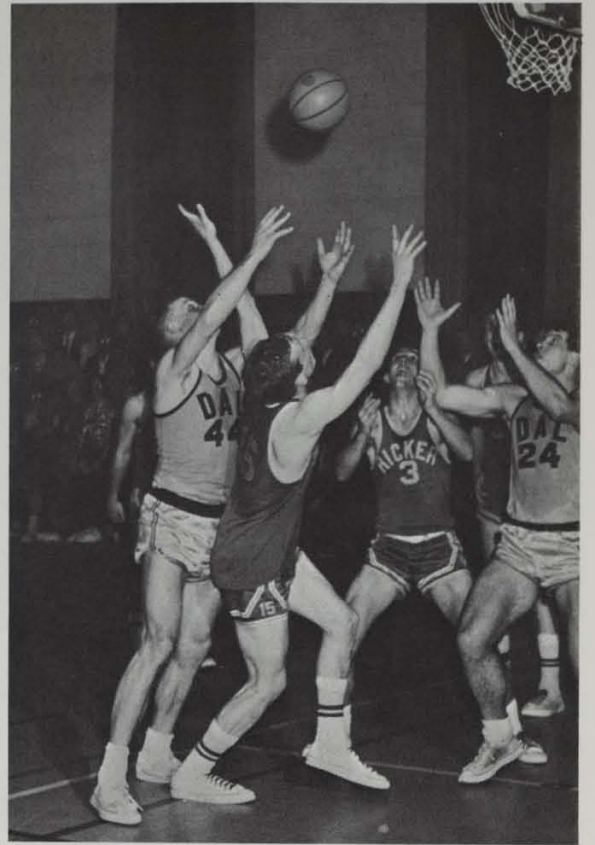

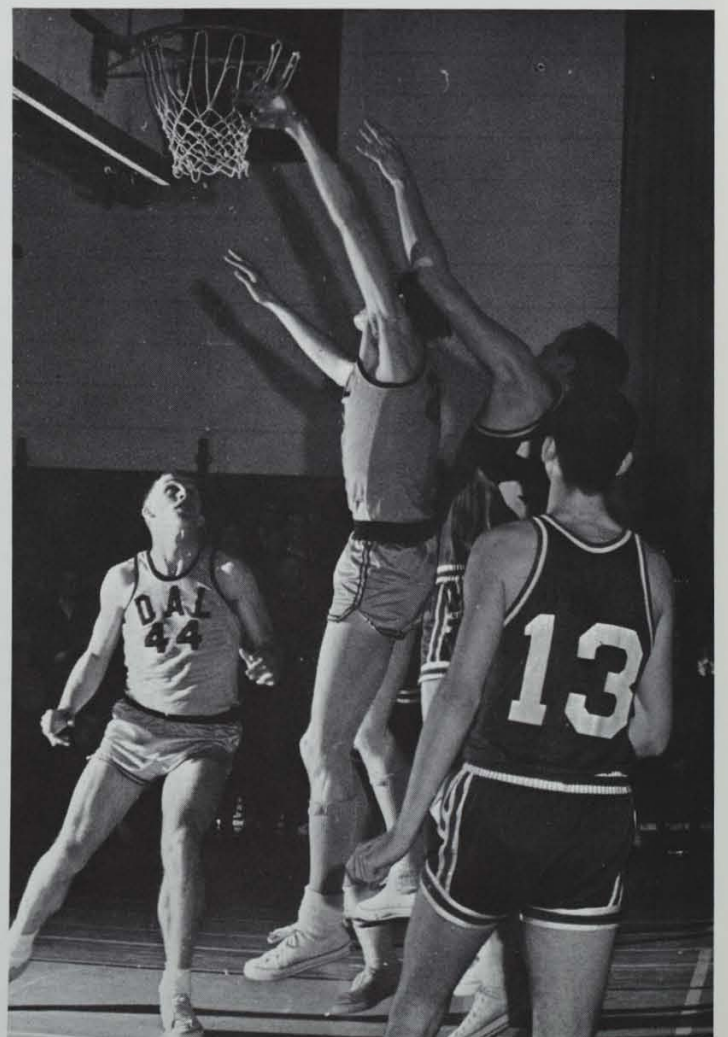

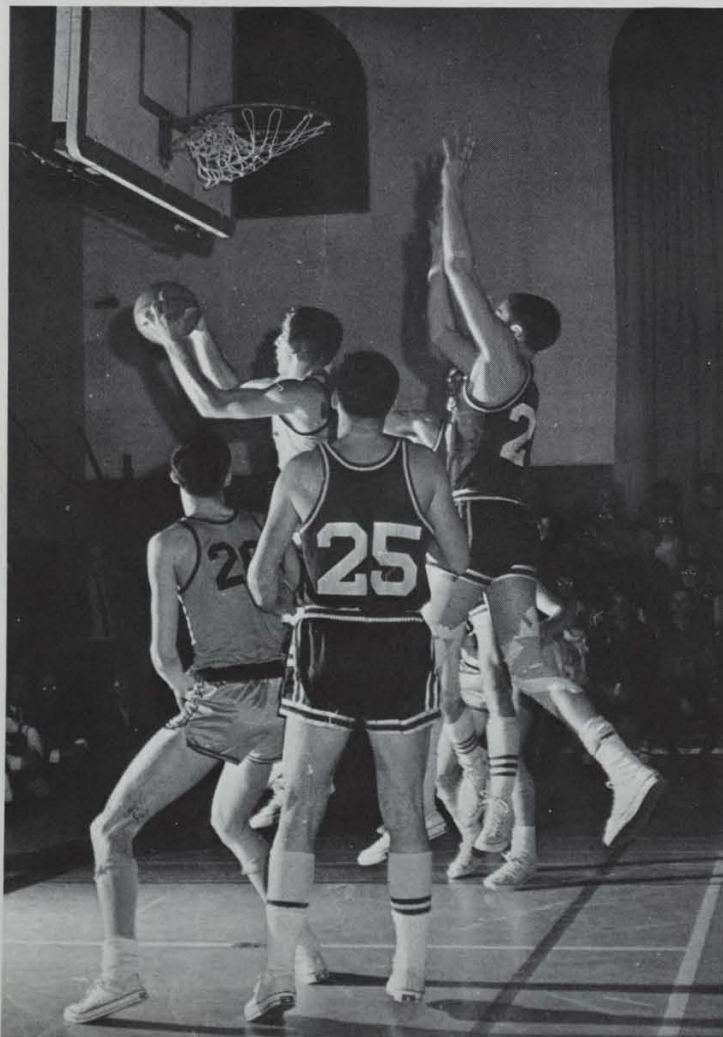

It was in the final home-game of the season that Dal's promising future was exemplified. Against the powerful Acadia Axemen, at the time ranked #2 in the nation, Dal was to force the game into two periods of overtime before the final whistle sounded, ending the game at 68-61 for the Axemen.

A great deal of credit for the Tiger's revival must be given to the more seasoned players; Norm Vickery the team's top rebounder, and Howie Parker the team captain who completed the blend of youth and experience.

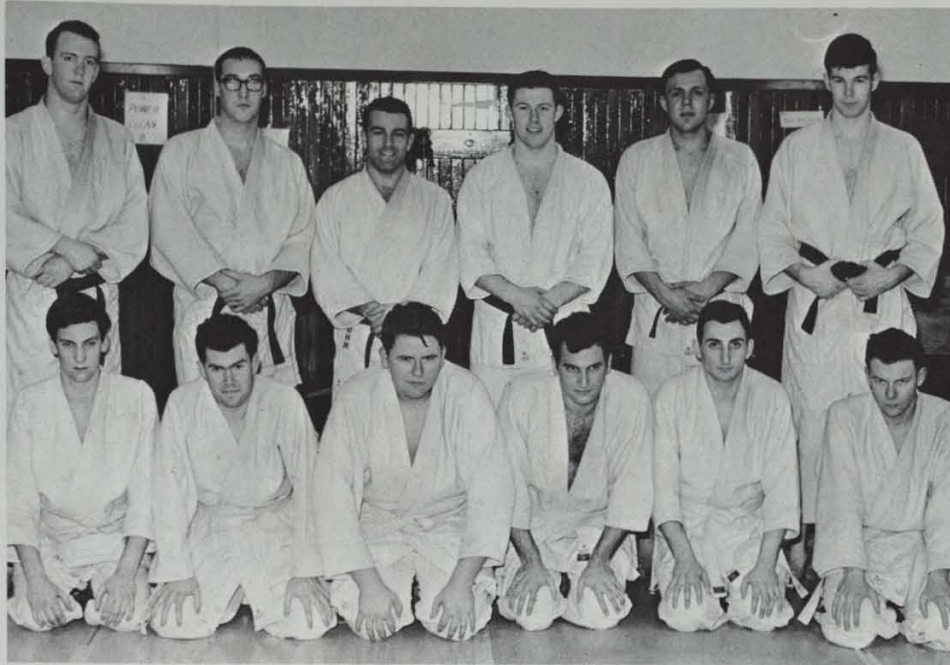

Next year the prospects are for an even better season. The Tiger's performance in the M.I.B.C. should improve next year with a nucleus consisting of such Tiger stalwarts as Larry Archibald who was voted Most Valuable Player in the Potato Classic, George Hughes, the high-scoring backcourt ace and Tom Beattie whose experience this year will make him a top competitor in the future.

We of the PHAROS tip our hats and wish future success to an exciting, and dynamic basketball team.

Judo

TOP ROW, Left to Right: Mike Banks, Jim Saddington, John Micallef, Dr. Alan Swanzey, Eric Corkum, Bill MacDonald.
FRONT ROW: Robin Jost, John MacDonald, Jim Hamilton, David Vinegar, Harold Yazer, Elmo MacKay.

Anyone who chanced to wander into the lower gymnasium on Tuesday evenings or Friday afternoons during the school year no doubt noticed gentlemen decked out in white costumes with different coloured belts performing curious movements. They were none other than the Dalhousie Men's Judo participants. The belts represent grades of proficiency and range from the white belt which all beginners receive through yellow, orange, green, blue, brown up to black, which has ten degrees itself. The most common movements observed in the sport of Judo are throwing techniques followed in turn by hold-down and

choking techniques. Only black belts are allowed to apply arm and leg locks in competition. Kicking and punching which form a portion of self-defense techniques, although a part of Judo, are not employed during sporting contests.

The Men's Judo Club has been in operation for three years and is fortunate to have as its instructor Dr. Allan Swanzee, 2nd degree black belt and one of Canada's top "Judoha". Regular participants of the club during this time have been Mike Banks, Jim Saddington, Bill Macdonald, all green belts and John Micallef a brown belt.

The highlight of the competitive year was the third annual Dalhousie invitational tournament where the above mentioned "Judoha" as well as the newer members of the club gave a good account of themselves. The winner was Ray Jean Duhamel, green belt of H.M.C.S. Stadacona.

Fishing

LEFT TO RIGHT: Richard Speight, James Cleary, Donald Armstrong, Andy Weir, John Lowman, Dennis Selder (Coach).

Three giant tuna swung the tide for the Canadian Colleges as they gained possession for one year of the R.J. Schaefer International Trophy in the 9th Annual Inter-collegiate Game Fish Seminar and Fishing Match, September 2-6, at Wedgeport. Sponsored by Yale University and the Province of Nova Scotia, the seminar brings together five colleges from the United States and five from Canada.

George Deogle of the University of Western Ontario caught a giant 703 lb. bluefin winning the Crandall Trophy for the heaviest fish caught.

The Dalhousie Team, coached by Dennis Selder, finished sixth in the competition with 48 points. The ten colleges taking part were - From Canada: Dalhousie, U.N.B., St. F.X., U. of Toronto and U. of Western Ontario. From the U.S.: - Dartmouth, Harvard, U. of Mass., Princeton and Yale.

Ivan Saunders of the U.N.B. team watches as his 560 lb. tuna is boated, during the Inter-collegiate Fishing Match at Wedgeport.

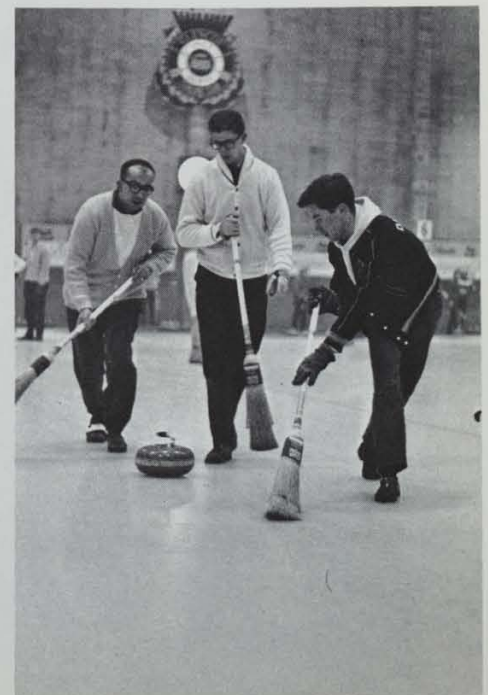

Curling

The Dalhousie Curling Club got off to a slow start this year as ice time was lost due to a lack of organization. After the Christmas holidays, teams began practice periods to sharpen both their strategy and unity for the play-offs which would determine the Dalhousie representatives for the matches that were to follow.

In these play-offs, ten teams fought for the honour of representing Dal. The finals showed the teams of Mike Jelks and Don Couse playing to a close finish. Skip Mike Jelks' team came out on top and will go on to the Maritime Inter-collegiate Bonspiel. Members of the team are:

Skip	Mike Jelks
Mate	Norm Campbell
Second	Mark Macpherson
Lead	Bill Bezanson

BACK ROW: Lee Kirby, Rob Murray, Gord MacMichael, John Finley, Bill Raine, Ian Bruce, Ed Doe.

What a shape!

With the main meets still to come, the N.S. Indoor Championships and the Maritime Intercollegiate Championships, this year's Dal Swim Team has shown itself to be the best yet.

In five meets, the Dal men have a win - lose record of 4-1, and the Dal women have won 2, lost 2, and tied 1.

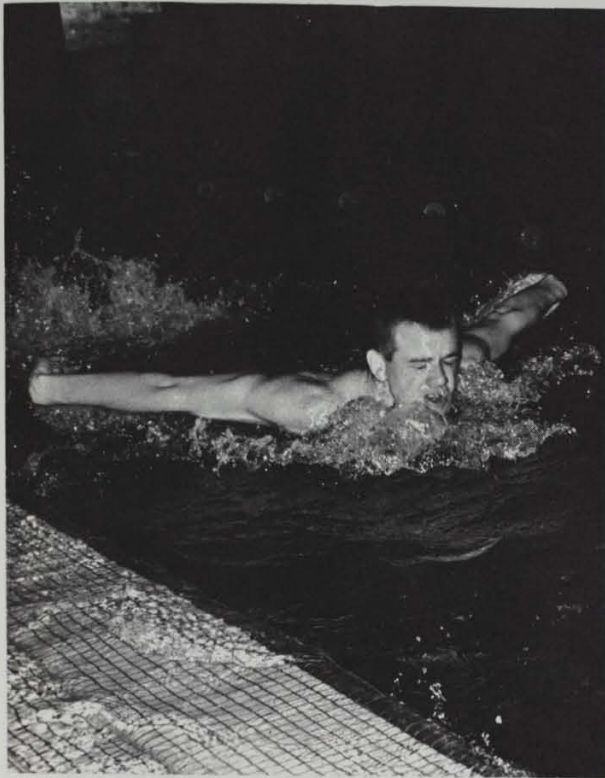

The efforts of Rob Murray, Jack Smith, Nick Fowler and Gordon MacMichael have resulted in the breaking of provincial swim records 12 times, 6 of these being by Gord MacMichael. More records are certain to fall to Dal men before the end of the season, which extends from September to March inclusive.

The girls' team consists of Lois Hare, Karen Jamieson, Jackie Armitage, J. Botterell, and Kathy Benson. Each of these girls have put forward tremendous effort in swimming and along with our inspired coach, Carol Arnold, have been an inspiring and stabilizing force behind the boys' team.

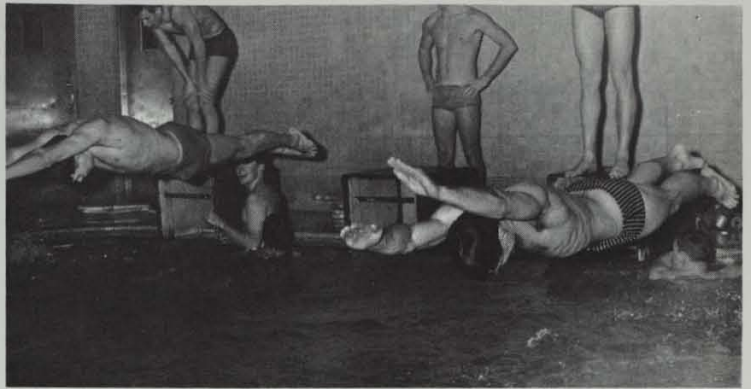

Boys not yet mentioned are: Ed Doe, John Finley, Rod McInnis, Bill Raine, Bill Brymer, Lee Kirby and Mario Galante. These fellows add strength and depth making Dal's men, we hope to prove on Feb. 26, the top Maritime Intercollegiate men's team. We would also like to add thanks to our manager Dave Clark.

Water on the brain!

Wet wings

Come fly with me

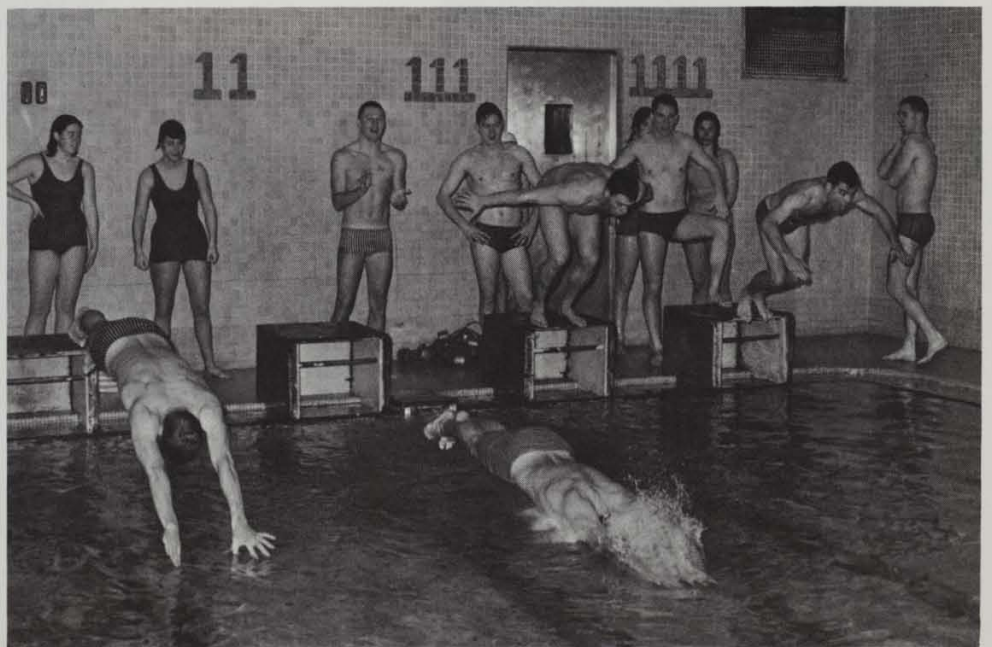

Now I lay me down to sleep

Bottoms up

But I Can't swim

Last one in is a chicken

LEFT TO RIGHT: Miss Arnold, Sandy McLeod, Margie Muir, Sue Powers, Estelle Warner, Ann Bromley, Joyce Smith, Elaine Gordon, Judy Hattie, Belle Clayton.
KNEELING: Mary Jane Lewis, Heather MacKinnon, Nancy Graham, Judy Perry, Sue Lane, Dorothy Woodhouse.

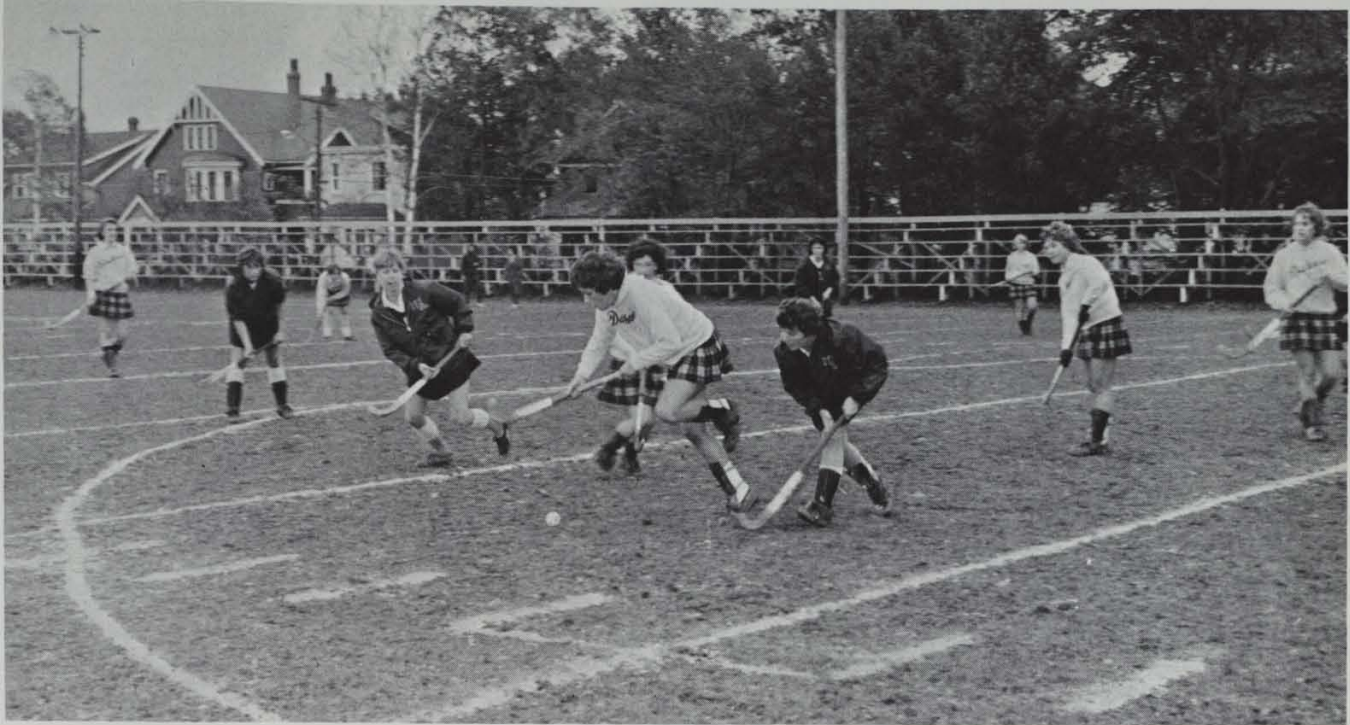

Beat you to it!

Why so glum, chum?

Hockey

oops!

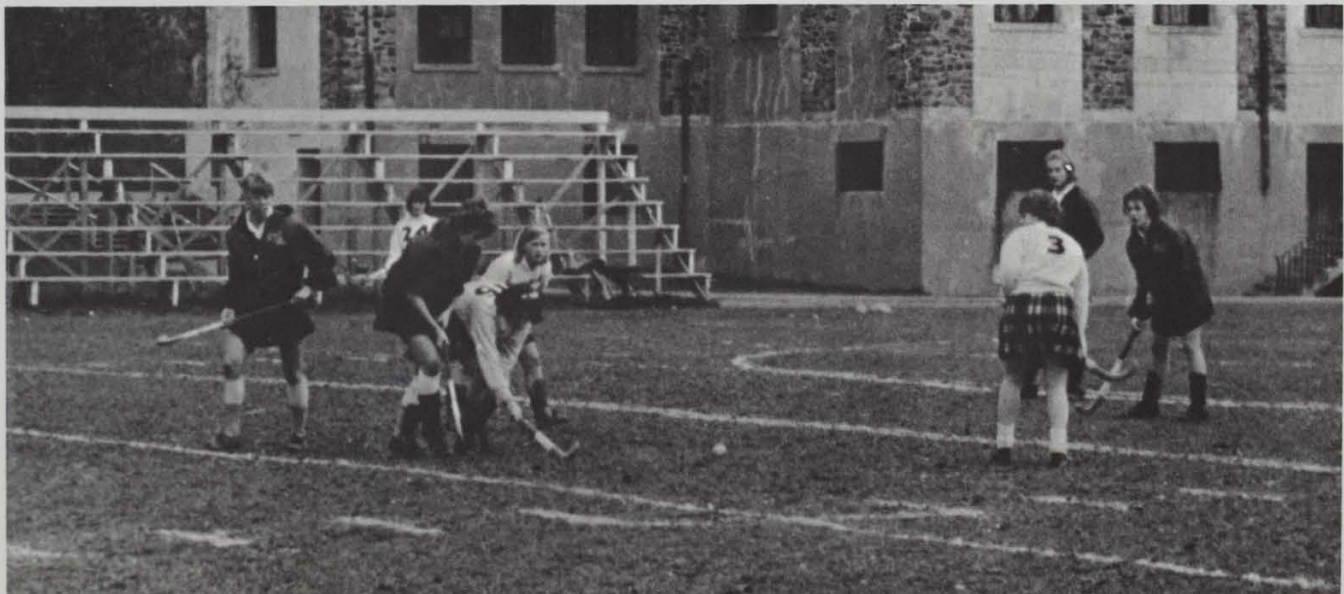

The field hockey team had a full and, on the whole, successful year. Between October 2 and November 10 we played nine games, eight of them regular league contests. We ended the season with a record of four wins, three losses, and two ties to place us in a tie for **SECOND** place in the league.

The most exciting game of the season was played at Mount Allison. We hit the field determined to avenge our heart-breaking loss to U.N.B. the day before and to squash those Sackville pumpkins. With sheer drive and spirit and a tightly co-ordinated (even to the point of a half-back holding the goalie's legs together!) defence, we held Mount A. for the entire game to come up with the season's big win and shut-out, 1-0.

With a strong nucleus of the team returning, we have high hopes of improving upon our second place finish. We're on our way!

Games

Dal at King's	2-0*
Acadia at Dal	4-4
Dal at Acadia	1-1
Dal at U.N.B.	1-4
Dal at Mount A.	1-0*
Mount A. at Dal	3-0
King's at Dal	0-5*
U.N.B. at Dal	3-0
Dal at King's	6-0*

It's anyone's ball

Varsity Basketball

LEFT TO RIGHT: Wendy Stoker, Sue Lane, Estelle Warner, Barb McGinn, Wendy Harrison.

This season has been a very successful one for the Girls' Varsity Basketball Team. Training started in November and the season opened with the Annual Mount A. Tournament on January 8 and 9. Although we lost both our games the team promised to be one to watch when the league opened the following week.

The team practised three times a week and played once or twice every weekend between January 16 and February 19. In all there were four trips away which added to the spirit of the team. Most of the games between these evenly matched teams were close being decided only when the last buzzer had sounded. Our most successful weekend was January 29, 30, when we defeated Mount A. 32-27 and Mount St. Bernard 37-34 in hard fought matches. Our final game was played on February 19 and it was also the last game for three graduating students: Wendy Stoker, Estelle Warner and Peg Herman.

Many thanks to our coach Miss Arnold and our manager Jane Cushing. We are all looking forward to a successful season next year. Why not!

Handing Over Gavel

Malcolm Honour Award

KAREN RIDGWAY

GEORGE COOPER

The MALCOLM HONOUR SOCIETY is the order of merit at Dalhousie, formed by the students, to recognize such attributes of character in students in their graduating year as James Malcolm possessed.

"James Malcolm spent the five richest years of his life at Dalhousie. Graduating in Arts in 1903, he returned the following year for Theology. During his stay at college he came to be the idol of his fellow students, the life and soul of various college clubs and social activities, and the captain and mainstay of the football team, as well as being an excellent student.

His first year in Theology had hardly closed when he himself had passed on to higher service. His death was in harmony with his life. While swimming with a companion during the summer, he heard a cry. A few strokes carried him to the spot where his friend had disappeared. Twice Jimmy Malcolm dove and twice he was forced to the surface. Once again he dove, and the waters closed over him . . . Every action of James Malcolm breathed the spirit with which he made his happy sacrifice".

The standards demanded are high, making the group of recipients of this award a small one. The Malcolm Honour Award gives by its small gold key, concrete recognition that the person so honoured has consciously or unconsciously set the welfare of the institution before the welfare of self and has often trod the harder rather than the easier path. Each year the entire graduating class is considered with care by a committee and from this body, representing so many diverse activities and achievements, there are chosen some who, it is believed, have given substantial evidence of this devotion to their fellow students, and some measure of this spirit of self recognition.

Future Intentions: Graduate Study in Math.

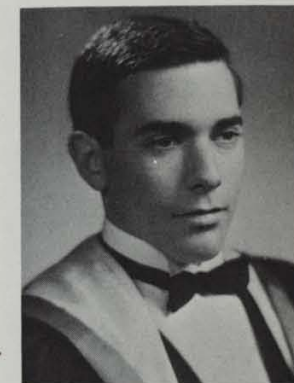

CLARK, MALCOLM FINLAYSON
Halifax, N.S.
Carleton University
Activities: Dal Ski Club, Skiing, Tennis.
Future Intentions: B. Ed. at U.B.C.

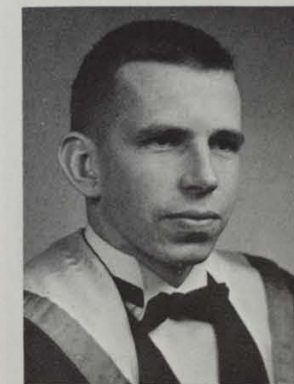

CULMER, LESLIE W.
Halifax, N.S.

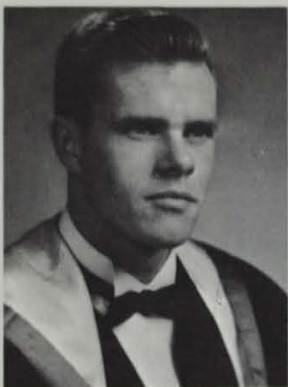

DAVID, MORTON JEROME
Sydney, N.S.
Scholarships: Entrance, 1962-63.
Activities: Pre-Med Soc., Tau Epsilon Phi, Historian, 1964-65; Tennis, Hockey, Basketball, Ping Pong.
Future Intentions: Medicine.

DILL, ALAN SCOTT
Hantsport, N.S.
Scholarships: University, 1963.

Science

DOCKER,
RAYMOND WAYNE
Big Island, Pictou Co., N.S.
St. F.X.U.
Activities: I. S. A., 1962;
W.U.S.C., 1960-61; Sigma Chi,
Varsity Soccer, 1960-62; Inter-
fac Basketball, Football.
Future Intentions: Medicine.

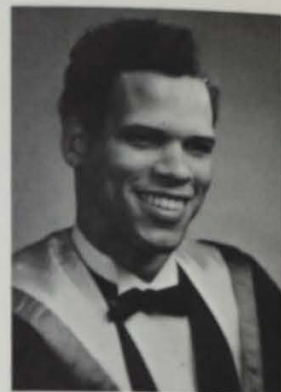

ELLIOTT,
THOMAS MICHAEL
Halifax, N.S.

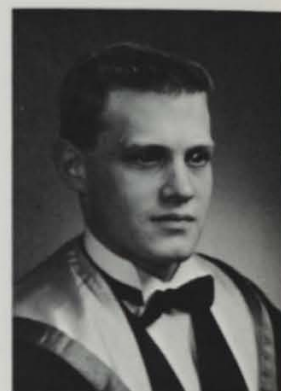

FLOWERS, EDWARD HENRY
Halifax, N.S.
Scholarships: Queen Elizabeth
Foundation, 1961; Dal Entrance,
1961; University, 1964.
Activities: Pre-Med Soc., Phi
Kappa Pi.
Future Intentions: Medicine.

FYFE, FOREST MacPHERSON
Halifax, N.S.
Scholarships: University, 1960-
64; MacKenzie Scholarship,
1961; Dr. A. Stanley MacKenzie
Schol, 1962; Khaki University,
1964.
Future Intentions: M.Sc. in
Physics.

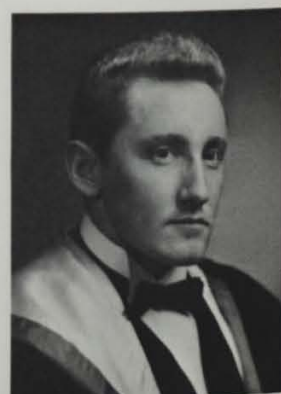

DUERDEN, FLOYD COLIN
Pembroke, Bermuda
Activities: W.I. Soc., Varsity
Soccer, 1962-65; Dal West In-
dian Steel Band.
Future Intentions: Medicine.

FARLEY, PAUL MURRAY
Halifax, N.S.

FINGARD, DAVID HALLETT
Dartmouth, N.S.
Activities: Sigma Chi.

GATES, HENRY NORMAN
Halifax, N.S.
Activities: Drama, Ballroom
Dancing, Swimming, Curling,
Tennis, Hockey, Badminton.

GUY,
FREDERICK CAMPBELL
Hantsport, N.S.
Scholarships: Entrance, 1961-62.
Activities: Dal-King's N.D.P.,
Treas., 1963-64.
Future Intentions: M.Sc.

HAYES, MICHAEL CHARMAN
Sydney River, N.S.
Scholarships: Entrance, Univer-
sity, 1963-64.
Future Intentions: M.Sc.

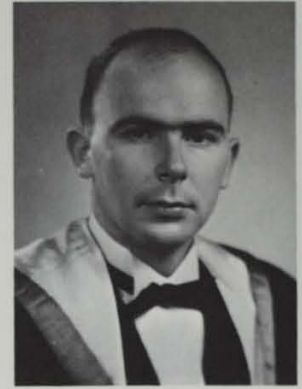

JOHNSTON,
MICHAEL WILLIAM
Sydney, N.S.
Scholarships: Entrance, 1962;
H.R. Wanpal, 1963.
Activities: Inter-residence Sports.
Future Intentions: Medicine.

LEE, YEONG-CHYANG
Penang, Malaysia
Scholarships: Colombo Plan,
1962-65; University 1963-64.
Activities: Editor, Chinese Soc.
Yearbook, 1962; Sec. Chinese
Soc., 1963; Yearbook Editor,
1963, Pres., 1964; Executive
I.S.A., 1964; Varsity Badminton.
Future Intentions: Graduate Stu-
dies in Math.

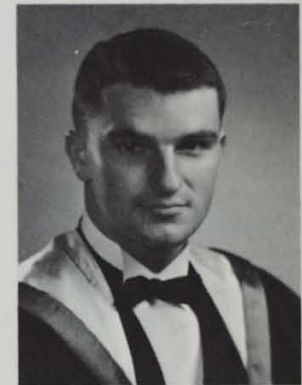

GREEN,
DOUGLAS EDWARD
Dartmouth, N.S.
Scholarships: R.O.T.P.
Activities: Geology Club,
D. G. D. S., Varsity Cross
Country.
Future Intentions: Canadian
Army.

HATTIE,
SCOTT ARCHIBALD
Stellarton, N.S.
Future Intentions: Dept. of
Transport, Meteorological
Branch.

JACKSON, GORDON EARLE
Maigog, P.Q.
Activities: Dawson Geology
Club, 1962; C.I.C., 1963-64;
Varsity Soccer, 1964.
Future Intentions: Research
Chemist.

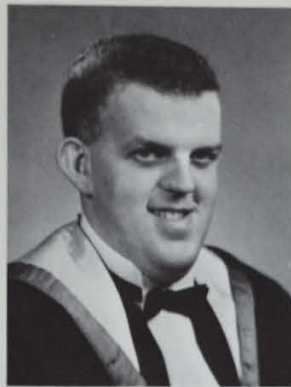

KNIGHT, MICHAEL
Halifax, N.S.
Scholarships: Entrance.
Activities: Sigma Chi, Varsity
Football, 1963; Inter-fac Foot-
ball, Hockey, Hockey with City
League.
Future Intentions: Medicine.

MacDONALD,
GEORGE HENRY
St. John, N.B.
Scholarships: University, 1961-
62, 1962-63.
Activities: Gazette, Vice-Pres.,
Science Soc., '64-'65; U.R.T.P.

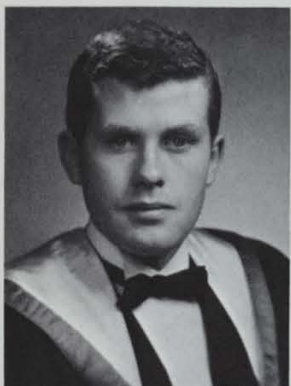

Science

MacLEAN,
DONALD WILLIAM
Glace Bay, N.S.
Scholarships: Entrance, 1961;
Cape Breton Post, 1961.
Activities: Science Soc.; I.S.A.;
Residence Council; Residence
Sports.

MAHEN, ROBERT GORDON
Halifax, N.S.
Activities: Phi Rho.
Future Intentions: Medicine.

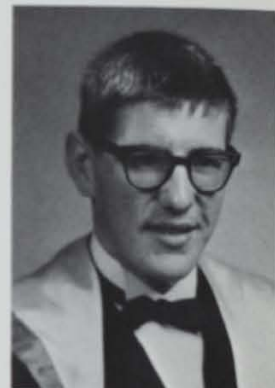

MEEK, CLIFFORD AGNEW
Peterborough, Ont.
Activities: Science Soc.; Sigma
Chi; Inter Fraternity Council, '63-
'65; J.V. Basketball, '61-'62; In-
terfac Basketball.
Future Intentions: Graduate
School.

MOSELEY, LINDA SHIRLEY
St. Jerome, Que.
Scholarships: Entrance, 1961-62;
University, 1962-63.
Activities: D.G.D.S., '63-'64;
Gazette, '61-'62; Pharos, '61-'65;
Dal Film Soc., '63-'64; P.C.S.F.,
'63-'65; Initiation Comm., '62-
'63.

MacLEAN, JOHN RAYMOND
Halifax, N.S.
Scholarships: Hi-Y Entrance, 19-
60.
Activities: Bowling, Tennis, Bad-
minton.
Future Intentions: M.D., or M.A.
in Psychology.

MAHONEY,
GORDON RALSTON
Bridgetown, N.S.
Activities: Varsity Volleyball, Soc-
cer; J.V. Basketball; Interfac
Hockey.
Future Intentions: Medicine.

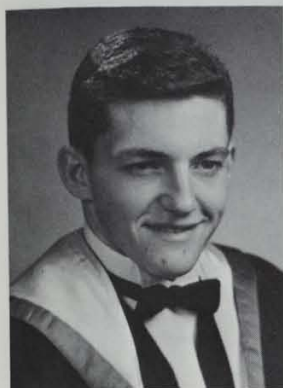

MILLER,
JOHN RODERICK
Stoney Creek, Ont.
Scholarships: University, 1962-
63.
Future Intentions: Dentistry.

NICHOLSON,
WAYNE HOWARD
Louisbourg, N.S.
Activities: Swimming.
Future Intentions: Teaching.

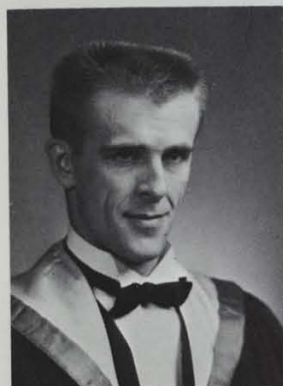

OXNER, JAMES HOMER
 Chester Basin, N.S.
 Scholarships: Entrance; University, 1964-65.
 Activities: J.V. Hockey, '62-'63; Interfac Hockey, Football.
 Future Intentions: Medicine.

PARSONS, WILLIAM
 Tangier, Hfx. Co., N.S.

PIERCE, ERROL ROSS
 Halifax, N.S.
 Scholarships: Entrance, 1961.
 Activities: Dal Science Soc., 19-62-64; Film Soc., 1963.

PURCELL, CARL ROLAND
 Halifax, N.S.
 St. Mary's University
 Activities: Varsity Volleyball; Track and Field; J.V. Hockey and Football; Interfac Basketball.
 Future Intentions: B.Ed., and M.Sc.

RAE, CAROL MARIE
 West Branch, N.S.
 Scholarships: Entrance, 1962-63; University, 1964-65; Neil and Jessie Matheson Bursaries, 19-62-64.
 Future Intentions: Lab Work and Travel.

RAPHAEL, CARL S.
 Uniondale, N.Y., U.S.A.
 Activities: Hillel, 1961-64; Pre-Med Soc., 1961-64; Tau Epsilon Phi; 1961-64; Gazette, 1964.
 Future Intentions: Medicine.

ROSEN, MARTIN
 Far Rockaway, N.Y.
 Activities: Pre-Med. Soc.; Tau Epsilon Phi; J.V. Football, 1961; Interfac Basketball.
 Future Intentions: Medicine.

SCALES, NORA ELEANOR
 Charlottetown, P.E.I.
 Prince of Wales College
 Future Intentions: Teaching.

SCHWARTZBERG, EDWARD JAY
 Great Neck, N.Y., U.S.A.
 Activities: Gazette, CUP Editor; Hillel; Tau Epsilon Phi.
 Future Intentions: Graduate Studies.

Science

STEWART,
JOHN JAMES MacGREGOR
Halifax, N.S.
Activities: Dawson Geology
Club; Interfac Hockey.
Future Intentions: M.Sc. in Ma-
rine Geology.

TITUS, LORNE OTTY LEE
Lancaster, N.B.
Future Intentions: Medicine.

TODD,
FREDERICK RICHARD
Saint John, N.B.
St. Thomas University
Scholarships: Beaverbank Schol.,
1963-65; University 1964-65.
Future Intentions: Medicine.

WILLIAMS, WILLIAM LEWIS
Sherbrooke, Que.
Scholarships: King's, 1964;
President's.
Activities: Varsity Tennis; King's
Students' Council.
Future Intentions: Medicine.

SPENCER,
LAWRENCE RICHARD
Halifax, N.S.

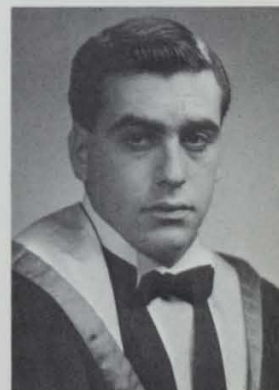

TAN, MENG-HEE
Kuala Pilah, Malaysia
University of Singapore
Scholarships: Colombo Plan;
University, 1963-65.
Activities: Sec., D.C.S.S., 1963-
64; Sec., I.S.A., '64-'65; Pres.
HCSA, '64-'65.
Future Intentions: Medicine.

TOBY, NORMA YUTLYN
Port-de-Spain, Trinidad
Activities: Dal West Indian Soc.,
Sec., '61-'63; Varsity Field Hock-
ey.
Future Intentions: M.Sc.

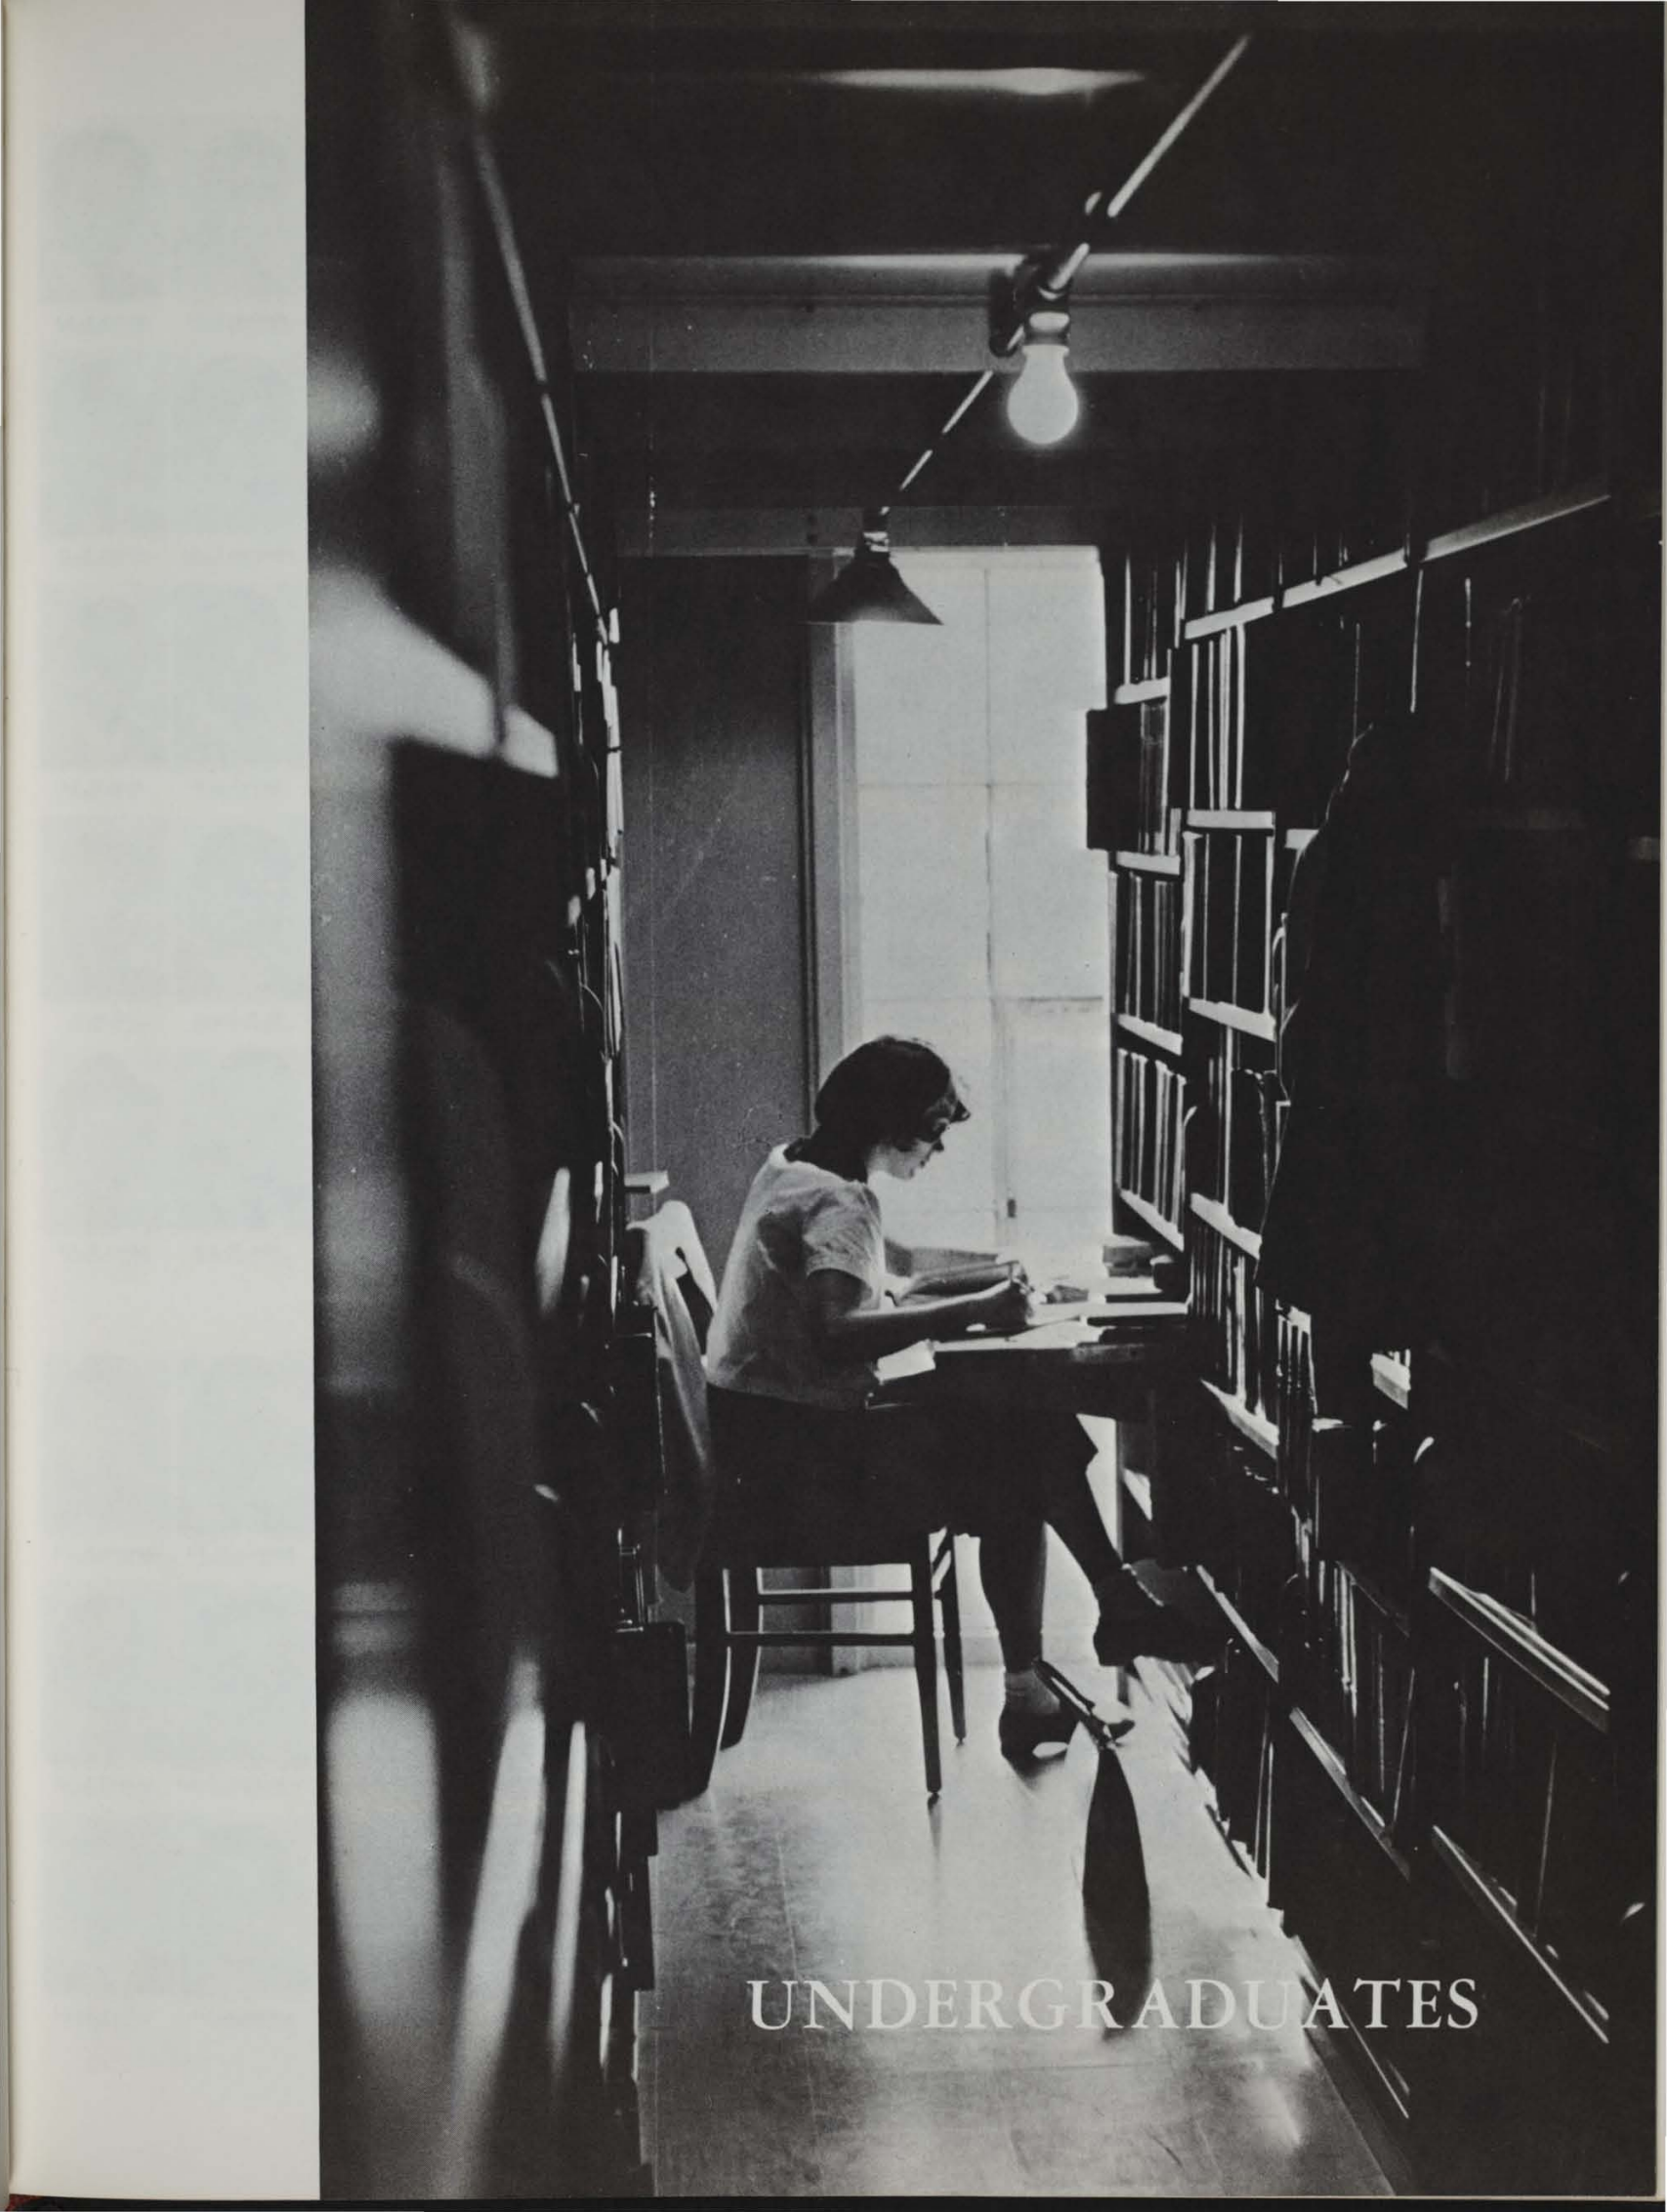

UNGERMAN,
BERNARD THEODORE
Toronto, Ont.
Activities: Varsity Track and
Field, '62-'63; Varsity Football,
'61-'63; J.V. Hockey, '61-'62,
Basketball, '61-'62.
Future Intentions: Medicine.

Arts Society

TOP ROW: Alice Battist, Peg Herman, Hirsh Gavsie, Lynne Black, Sue Powers.
BOTTOM ROW: Bill Raine, Pres.; Judy Ferguson.

The year of '64-'65 was a successful one for the Arts Society. President Bill Raine and the executive managed to get activities started early. The annual Ball was held at the end of October. The theme of the Ball was "Jazz" and it was at this time that the Society crowned Sue Harlowe as their Queen. Guest speakers attended some of the general meetings. Inter-Faculty sports were as popular as ever when Artsmen went out to defend their faculty in football, basketball, hockey, and other inter-fac sports. The one-act play, "Hello Out There" was the Arts entry in the Connolly Shield Competition in January. In February, the Society sponsored a dance in the gym. The Executive expresses best wishes to all, and many thanks to those whose support made our activities a success.

The Arts Society needs you, so. . . .

Let's Go!

Commerce Society

LEFT TO RIGHT: Tim Tracy, S.C.; John Renouf, Pres.; John Church, F.R.; John Young, Soph. Rep.; Don Gladwin, V.Pres.; Jim MacKay, Tres.; Elliott Jacobson, DAAC.
SEATED: Linda Thomson, Sec.

The members of the Commerce Society participated in an active program during 1964-65. A week of receptions for commerce and economics faculty and students was held at the first of the year. Several industrial speakers have addressed us concerning career opportunities.

Dalcom has also been active in AIESEC, Students' Council, the Advertising Bureau, Inter-Fac Sports, and has formed an Investment Club this year.

Commerce Week '65 enjoyed success and good attendance at all activities. The events included our annual formal at the Lord Nelson Hotel at which time Miss Barbara McGinn was crowned Commerce Queen. A tour of Oland's, a broomball game with the "Plumbers," a buffet at the Men's Residence, and the Sweater Dance Concluded the busy week.

Dentistry Society

Moe Wong, V.P.; J. Rooney, Tres.; J. Roache, DAAC; Ed Hannigan, S.C.
SEATED: George Nye, Pres.

Open wide now

The activities for 1964 – 1965 got underway in September with an Orientation Programme for new students. At a Tea sponsored by the Society they met the Faculty and were welcomed by Dean McLean. Following this the students were conducted on a tour of the Forest Campus. The rest of the week saw various social activities including a dance co-sponsored with the Meds, and a stag where they met other students in dentistry and recent graduates.

On December 4 another successful Dental Ball was held at the Lord Nelson Hotel highlighted by the crowning of lovely Miss Leslie Ballem as our Dental Queen.

In March, the public showed great interest in our displays and demonstrations, during Dalhousie's Open House. A few weeks later dental practitioners attended our Table Clinics on dental techniques.

This year saw an increased participation in inter-faculty sports, with most participating in one of football, hockey, basketball, volleyball, "Little 500" or curling.

The social activities of the Dental Society officially ended with the dining-out of the Senior Class and the Society awards presentation at the Dental Banquet.

Engineering Society

Archie Munroe, John MacLennan, Pat Fitzgerald, Dale Retallick, Rene Smith, Peter Smith, Gary Armsworthy.

Stamping the Gazette

The Dalhousie Engineering Society of 1964-65 was this year, as in other years, a very active and spirited campus organization.

The Engineers Ball was held on November 6 at the Nova Scotian Hotel with the crowning of Miss Sandra Little as the Engineering Queen, the highlight of the evening. This year's Ball was the most successful one held in recent years. Publicity for the Ball included some eye-catching art work on the fence surrounding the construction side of the new addition to the Chemistry Building, and the usual Gazette stamping. This Year's Gazette Stamping was met with loud protests from the Gazette staff. However, the use of the Gazettes for publicity for another function, — The Engineers' Hayloft Jamboree — Was met with much less commotion.

The Engineers again came through at the Winter Carnival, organizing and managing the carnival parade, as well as entering their own float in the parade and a structure in the snow sculpture contest.

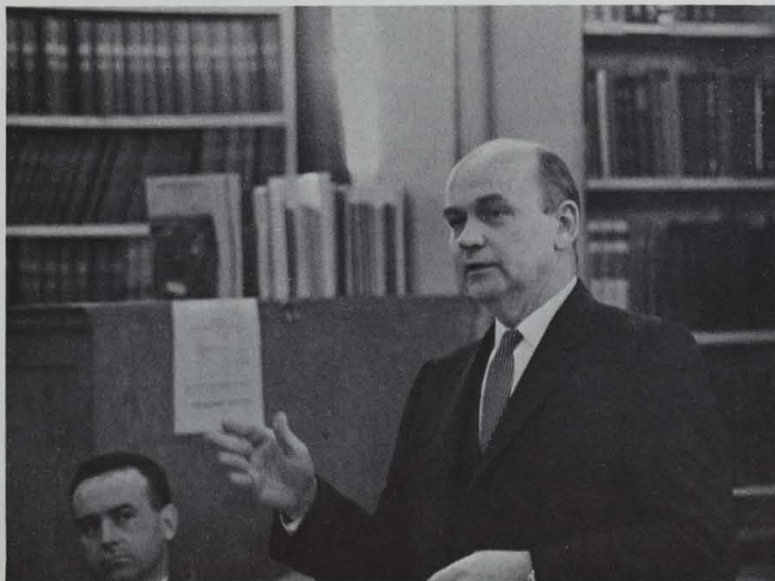

On the whole the Engineers, as in the past, set the pace for Campus spirit with their ability to stick together and act as a unit in the interest of the Society and the University.

Law Society

TOP ROW, Left to Right: Terry Donahue, Wally Fedoryk, John Burns, Wes Campbell.
BOTTOM ROW: Bill Dickson.

With a considerably larger enrollment in the Law School this year, the Society continued its past program, and increased the social functions. The Presidents (known by a more affectionate name in the Law School) entertained at the Poor Man's Law Ball in the Fall. This was generally reputed to be the most successful dance on the campus, next only to the Law Ball! A pleasant exchange weekend with U.N.B. law students was held in January, the events being entirely non-academic. It is hoped to make this an annual affair, at least. The Society also sponsored a series of speakers, the Moot Courts, and Model Parliament. Under the Toe, our athletic teams had a successful year, although, for some reason, we lost the football championship (again).

Guest lecturer, Dalton Camp.

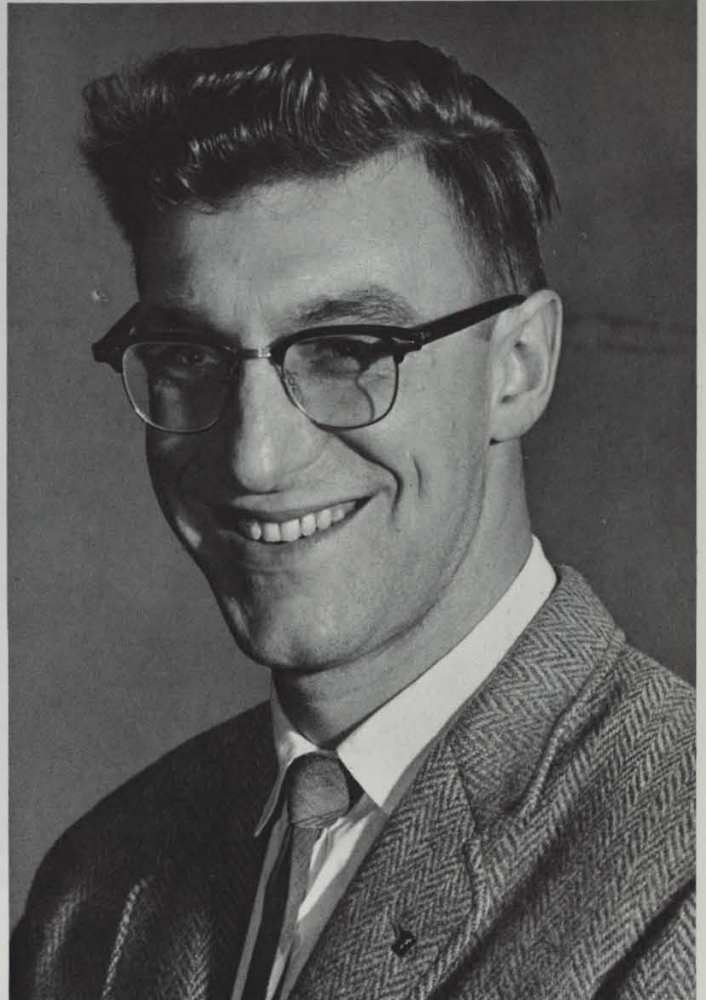

The lawyers are winning!

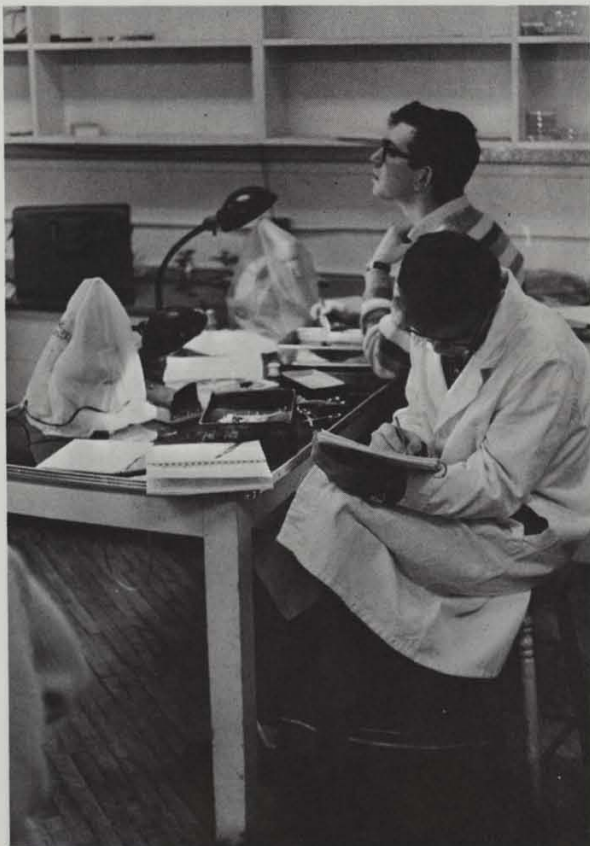

Medical Society

Eric Jamieson - Treas., S.C.

Barry Yoell - President

Aspiring doctors?!

1964-65 was an active, but unspectacular, year for the Dalhousie Medical Students' Society. The meetings suffered the accustomed small attendance, but were felt to be successful in spite of this. The medical scope of the meetings ranged from the arctic to the tropics, from abortions to the chiropractic, and thus provided some welcome depth to a medical education noted more for its length than for its breadth.

The Medical Ball was a notable success, attracting not only large crowds of medical people, but several representatives of the City of Halifax who helped to create a lively prohibitionistic atmosphere in our Winter Wonderland.

As ever, the Medical Faculty upheld its high athletic traditions in intramural sport.

Thus it seems probable that we shall continue to graduate athletic doctors who are admirable dancers (and smugglers), but poor attenders of meetings.

Pharmacy Society

LEFT TO RIGHT: Eleanor Dunsworth, John Parks, Paul Haverstock, Margaret-Ann MacDonald.

In the Lab.

The Pharmacy Society started off the year with an enthusiastic welcome for the Freshman Class. They were introduced to the Faculty and the Society executive at a coke party, and later met all the society members at a gigantic wiener roast held at Boutliers Point.

Activities started with a successful dance which was held on November thirteenth.

The highlight of the year was our annual Pharmacy Ball held on February twelfth, at which our Pharmacy Queen was crowned.

The new executive were introduced at the Banquet for the Graduating Class, which climaxed the year.

The Pharmacy Society was active in various inter-society sports and activities (such as the Hillel Bowlathon in which the girls placed first), and held spirited general meetings throughout the year.

This spring, the Pharmacy students are to be the guests of Eli Lilly and Co. in Indianapolis, Indiana.

Pharmaceutical jig-saw puzzle.

Science Society

LEFT TO RIGHT: Karen Ridgway, S.C. Rep.; Mike Bent, D.A.A.C.; Harry MacDonald, V.Pres.; David Simpson, Trea.; Mary Cassills, Publicity; Khoo Teng Lek, Pres.; Ruth Manuel, Sec.

The 1964-65 term has been an active one for the Science Society. Things got underway with an informal party in Room 21. Other social activities included the annual ball, this year called "Eve of the Alchemist," a record hop in the gym, and a toboggan party.

For the first time this year the Society has sponsored the establishment of clubs in the Depts. of Physics, Math, and Biology. These clubs have met regularly and have been quite successful in their endeavours.

The programmes presented have been varied and well-received, the emphasis being on diversity, to cater to the wide interests of a large society. They included a Low Temperature Physics display, a Chemistry demonstration on special colourful indicators, film shows, talks on "Science and Religion," "Botony by Bicycle through Iceland," "The Adventures of a Chemist in Crime," and an excursion to the Bedford Institute of Oceanography.

Ugh!

The frustrated scientist!

In the Physics Lab.

Pre-Med Society

This year the pre-med society has enjoyed the most active student participation in its short history. Bi-monthly meetings have featured films showing surgical techniques, or a speaker describing some aspect of the medical life.

Two receptions were held at the V.G. auditorium. At the first, Dr. Stewart supplied many eye-opening facts concerning medical school policies. At the second, the girls of the society learned what medical school has in store for them when they entertained the members of the fourth year medical class.

Once again Dr. D.M. Bethune arranged emergency rounds at the V.G. Hospital, and they continued to attract the greatest interest of all society functions. Thanks to the co-operation of the administration of the Halifax Infirmary and of the Nova Scotia Hospital, students were treated to well-organized and educational visits to the above institutions.

Two, one hundred and fifty dollar scholarships, made possible through profits from the society dance, will be given to top students entering medical schools this fall.

Dan Reid, Tres.; Roddy McInnes, Pres.; Bob Yorston, V.P.; Dorothee Josenhans, Sec.

Artificial respiration? You're kidding?

A hospital tour to learn the trade.

Education Society

Joyce Smith, D.G.A.C.; Jamie Cochrane, Pres.; Barbara Reardon, V.-Pres.
SEATED: Mary Lou Leadbeater, Sec't.-Treas.

This year's Education class, consisting of one hundred and eighteen members, has had quite an active year.

Aside from participation in intramural sports, weekly mixed bowling became a popular event. Two teams were entered in the Hillel Bowlathon in January.

As defending champions of the "Connolly Shield," the Education students entered the play, "The Boor" in the competition. This play was directed by Linda Piers and produced by Marilyn Newman.

Under the direction of Ivan Carey, plans were also finalized for participation in Dalhousie's Open House. A toboggan party and a Ball were tentatively planned for the winter semester.

The triumphant Connolly Shield Winners.

Nursing Society

The membership in the Nursing Society has increased this year with fifty-one degree students and one hundred and fourteen students in the diploma course. Meetings were held monthly. Following the Business Meetings, programs consisted of guest speakers, demonstrations, informal gatherings, and refreshments. Attendance at meetings was much improved this year.

A bowling team was organized, and the Society participated in D.G.A.C. tournaments. A wine and pizza party was held in mid-February. In March, the Society displayed various aspects of the profession in the University Open House.

The highlight of the year's activities was the Annual Ball held on January 22 at the Nova Scotian Hotel where Miss Judy Hattie was crowned Society Queen.

Marilda Hitchcock, Sec.-Tres.; Phyllis Matheson, Pres.; Judy Rockwood, V.Pres.

Practical Training in Hospital — LEFT TO RIGHT: Beryl Ann Ferguson, Sharon Dimock, Bev Browlee, Marcia Galbraith, Genevieve Keen, Pam Young.

Men's Residence

With the addition of a new wing, the Men's Residence has doubled its size to 318 men, bringing a greater scope of projects and activities. Student activities in the residence are organized and sponsored by the Residence Council, governing body for student affairs.

The year started with an Initiation for Residence Freshmen. The Freshmen took an active part with the Council in planning and arranging a successful football trip to Acadia for Dalhousie Students. Again this year the residence hosted weekly Saturday night dances.

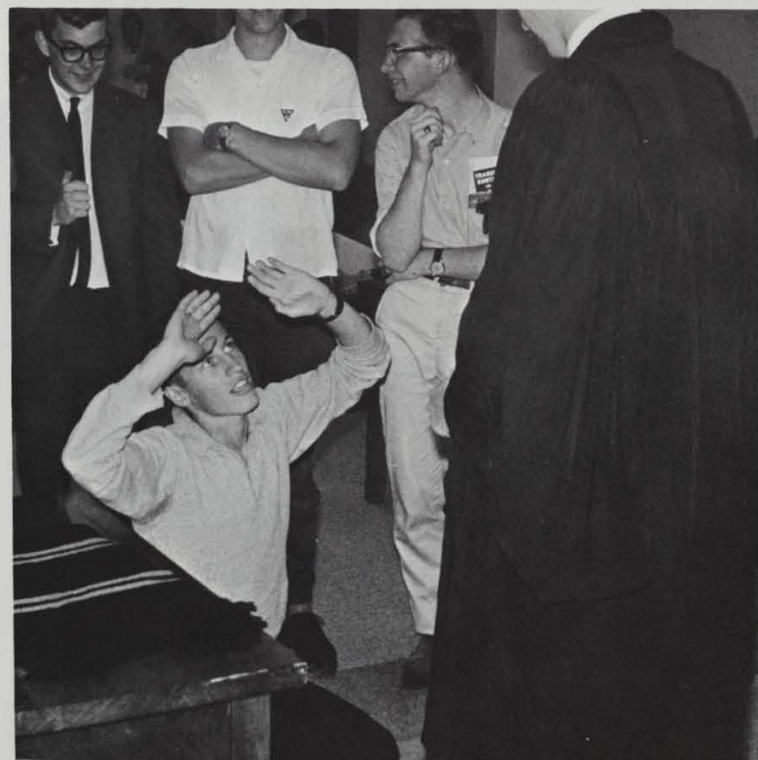

Interesting projects such as the Amateur Radio Station, broadcasting throughout Canada, and the working out of a University Radio Station kept residents busy. Sports also received wide participation as the Residence was in the city-wide Bowling Tournament, and, at time of writing, was well on its ways to winning the MacLean Trophy for Inter-Residence Sports.

Later in the year, the Council presented the Residence Ball, the highlight of the year, and the final Banquet.

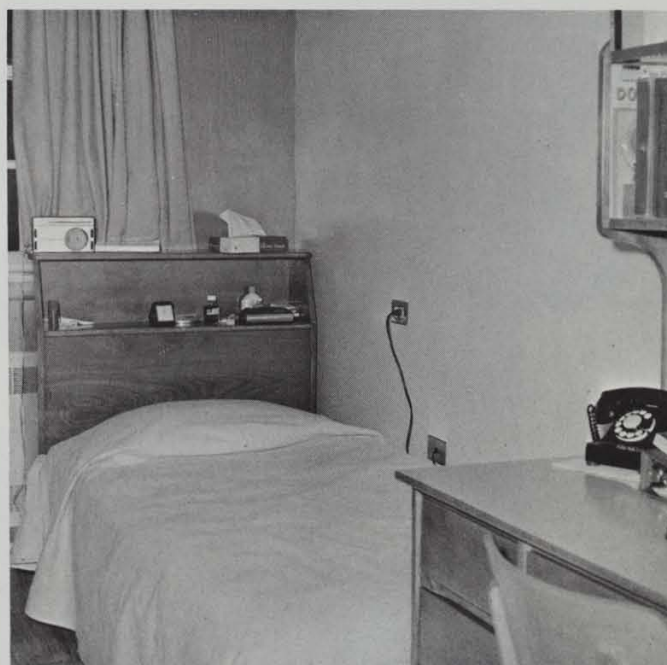

The year proved to be very rewarding and successful for all residents.

LEFT TO RIGHT: Dave Cole, Bob Waind, Dave Barnes, Mike MacCullough, Brian Baty, Bob Daley, Frank Bishop, Bill Dennis, John Finlay, Joe Ghiz, Gary Mason, Alan Dill.

O mighty lord and master

Mother must have been — or was it the maid?

Shirreff Hall

SEATED, Left to Right: Nancy MacDonald, Wendy Stoker, Gale Pheeney-Pres., Rebecca Chan, Leslie Tracey.
 STANDING: Betty Ann Levy, Liz Campbell, Joanne Cox, Dianne Lohnes.
 MISSING: Helen Jones, Diane Alexander.

I want the biggest one!

THOSE LAST
 MINUTE
 BLIND
 DATES...

A moment of quiet repose.

The Shirreff Hall House Committee is the executive of the Shirreff Hall Self-Governing Association. It is made up of representatives of different classes and is an important bridge between the Dean, Miss Irvine, and the rest of the girls.

The beginning of this year saw the passing of the new Shirreff Hall Constitution by President Hicks and the Senate. The Hall was also able to get a vocal representative on the Students' Council for the first time.

The Hall Formal, the Christmas Charity Project, the Hall Christmas Banquet and Party, and the Senior Banquet were all organized by members of House Committee. The members of Shirreff Hall were also active in organizing the Ball at the Mall for the Halifax Winter Carnival.

Shirreff Hall has enjoyed a most successful and rewarding year.

International Students' Association

SITTING, Left to Right: Meng Hee Tan, John Akabutu, Ivan Ho.
STANDING: Y.C. Lee, Peter Bright-Asare, Robbie Shaw, Joslyn Williams.

1964-1965 will be remembered as the year of "firsts" for the I.S.A. For the first time, the association collaborated with the Halifax Rotary Club in helping new overseas students adjust to the local conditions. Its first function, featuring "International Courtship", was very well attended. None of its previous functions had a greater response than the "International Folk Songs" with Don Burke leading the crooners. Two programmes were held during the Christmas to break the vacation monotony. The "International Soiree", featuring delicacies from various lands was another first. In the Dalhousie Open House, I.S.A. played her role as a campus organization. Finally, at the invitation of the Red Cross Society, I.S.A. helped to launch the latter's International Bureau. In short, I.S.A. had a most successful year.

Delicacies from Africa

International Soiree

Sodales

It's funny, it is, to suggest that the success of a debating season is marked not by the number of wins, but rather by the number of people who have become involved in this activity. Debating at Dalhousie is not unlike teeth in a chicken — there ain't none. To attempt to tell people that it doesn't hurt, that it is good for you, leaves the average student recalling the days of cod-liver oil.

Despite, however, our handicaps, we set out on a path of debating encounters that saw a visiting team from the U.K., Acadia, and Stadacona, all debating at Dalhousie. On the road we met U.N.B. and Memorial and took part in the McGill Invitational Meet. Our only concern is that the enjoyment involved was shared amongst very few students. The moment the neophytes divorce their fear of speaking and marry the idea of fun and usefulness involved, the more pleasurable will be the evenings.

A good team it was. Cicero would have smiled.

LEFT TO RIGHT: Jim Cowan, V.P.; John Burns, Pres.; Joslyn Williams, Sec.-Treas.

Resolved: "Infants enjoy infancy more than adults enjoy adultery."

Delta Gamma

STANDING, Left to Right: Janet Young-Sr. Rep., Pat Thomas, Nancy Lawlor, Pat Balloch, Sandy Lesyk-Junior Rep., Millie Leverman-Sec.-Treas.
SEATED: Audrey Attis-Pres.

Delta Gamma is the only organization on the Dalhousie campus whose membership includes all Dal girls. The organization provides an opportunity for the girls from the Halifax area to get to know the out-of-town students from Shirreff Hall. This year began with an introductory meeting for the Freshettes, including a candle-lite service and fashion show.

January 18 to 22 was Sadie Hawkins Week during which members serenaded the fraternities and residences and took their male friends out on a wide variety of dates. The Campus King, Aubrey Brown of Pharmacy was crowned at the climactic dance at the end of the week. Pennies totaling \$228.27, collected from the Campus King elections, were turned over to the S.U.B. Fund.

January 26 to 28 was the Delta Gamma Blood Drive with competition keen for the 'Betsy' Trophy - several societies registering a full turn-out of 100%.

Delta Gamma also entered "Phoenix too Frequent," a one act play, in the Connolly Shield Competition, with Brian Crocker playing the only male role and directed by Nancy Lawlor.

Serenading the Men's Residence.

A kiss for the victor! Campus King - Aubrey Brown.

The Blood Drive.

African Student Association

The African Students' Association started off the year in a traditional manner when, on September 3rd, approximately 21 new students were orientated. The guest speaker for the occasion was Dr. Atchison of the Dept. of Political Science. On December 5th, an African Freedom Day celebration was held in the King's College Gym in aid of an Angolian Refugee Camp. The guest speaker was His Excellency Gordon Cudgo who was introduced by Mr. D. MacLean. The Chairman was Mr. K. Heard.

On January 3rd, a seminar was held in Rm. 21 on East and West Africa, its politics, social and economic development. In February, a similar seminar was held on South and North Africa.

With more students from Africa coming to Dalhousie than ever before, this organization is becoming increasingly important on campus. In future years we hope to help African students to become an intergrated part of Dalhousie and thus continue to achieve our aim of student unity.

O. Kombudu, P. Bright-Asare; Pres., S. Essop.

Peter Bright-Asare, High Commissioner of Ghana to Canada,

Jack Tom.
FRONT ROW: Yeong-Chyang Lee, Lucy Chieng, Paul Tung.

With an influx of 30 new students, this society at present is the biggest independent foreign student organization on campus, its membership comprising students of Hong Kong, Malaysia, Taiwan, Canada, Thailand, Brunei and Indonesia. Its main concern is the furtherance of Chinese culture and tradition. Besides corresponding with prospective students and receiving the new-comers upon arrival, this society also undertook to find accommodation for them. As the Society grows to become multinational, its programs vary accordingly, occasionally organized with the ISA. A Wiener Roast, Sleigh Ride, International Soiree, and an exhibition during the Open House are but a few steps towards international understanding while bringing to light the long history of Chinese culture. Other events include the appearance on TV for the Chinese New Year celebrations, the Chinese New Year banquet, and the publication of a yearbook. The success in uniting members of diverse interests and backgrounds is a great achievement in itself.

West Indian Society

TOP ROW, Left to Right: Hervis Bain, Joslyn Williams, David Benjamin.
BOTTOM ROW: Olsen Hill, Doreen Browne, Chin Yuen Kee.

The West Indian Society, since its inception, has been an active organization on campus. It originated from a desire to encourage closer co-operation among West Indians, to promote good relationships between West Indians and other nationalities, to help provide an orientation programme for West Indian Students, and to co-operate effectively with other organizations in striving to make the West Indian community and personality a working reality.

The Society has monthly meetings at which problems affecting West Indians are discussed. There are also talks by various speakers on topics of interest.

Among the activities are two or three dances each year at which the Steel Band provides the music.

Starting this year, the Society intends to obtain West Indian newspapers and other publications which will be placed in the library.

West Indian float in Winter Carnival parade.

International Soiree

Ski Club

BACK ROW, Left to Right: John Emery, Ron Worthington, Tony Roy, Pres.
FRONT ROW: Karen Burton, Brenda Reynolds.

In this, its third year of operation, the Dalhousie Ski Club has doubled its membership. Almost a hundred members have helped to make '65 the most active season yet. At regular meetings, movies have been brought in on a variety of skiing activities from all over the world.

Beginners are able to take lessons at Ashburn Golf Club and Wentworth Valley. For more advanced skiers, races are held regularly at Wentworth. Dal hopes to enter a team in the Inter-Collegiate Meet. A ski bus leaves weekly to transport students to and from Wentworth.

Sudsy Clark, Marg Jones, Annette Hayward.

French Club

The French Club, formerly a co-operative enterprise between students and faculty, is being run solely by the students this year. Its principal aim is to create and foster an interest in the French language and culture by allowing students to take their own initiative.

The results from this method have been fairly satisfactory and there is great promise for the future. Discussions on working in France and other countries in Europe received an excellent response, as did the French music and songs and the reading of French plays.

It is felt that once this challenge is widely accepted, the subject matter itself will lead to a highly successful organization.

Dalhousie Ad Bureau

LEFT TO RIGHT: Dave Morse, David Archibald, Bob Creighton.

The Dalhousie Advertising Bureau is a profit making organization which operates as an agency of the Dalcom Company. The revenue received from its operations is turned over to the Students' Council at the end of the college year, with each member of the organization making a commission. The advertising field is a very competitive one, especially so in Halifax with a large number of schools and universities competing for the same advertising dollar. D.A.B. also competes on a national level, especially in the Dalhousie Gazette and the Pharos.

This year the Dalcom Ad Bureau handled the Advertising accounts for the Gazette, Pharos, and made arrangements for the D.G.D.S. and Halifax Winter Carnival Programs.

Dalhousie Travel Bureau

LEFT TO RIGHT: Heather Killam, Hal Prescott, Peter Crawford, Marianna Hyslop.
SEATED: Bruce Hallett.

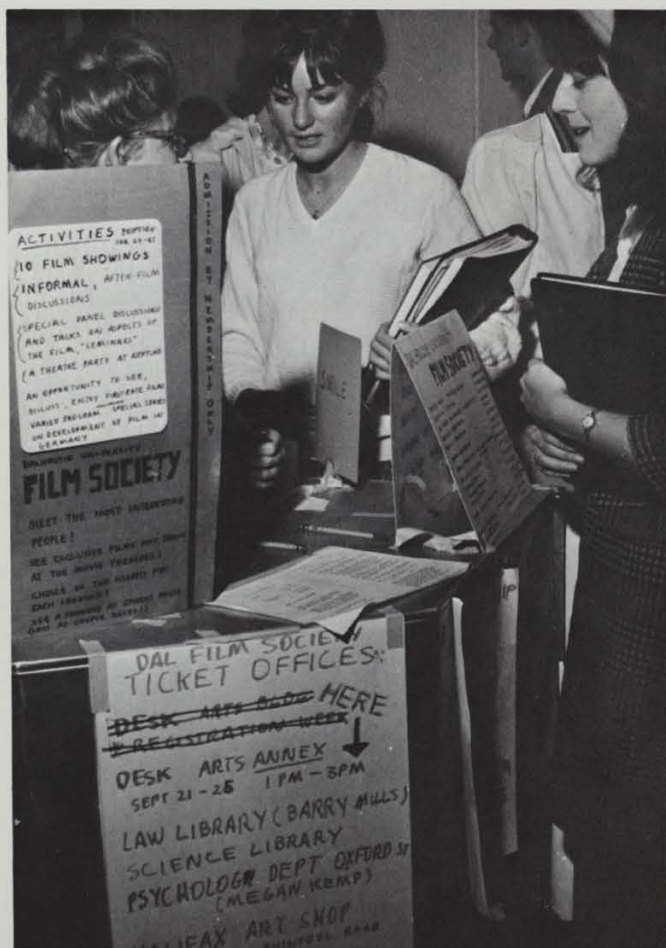

Off they went, into the wild blue yonder — students heading for Christmas vacation and leaving an exhausted staff at the Dalhousie Travel Bureau. The Bureau is organized by a group of students, operating with the approval of the Students' Council, to provide fare reductions at group rates for those students who fly home for Christmas.

This year, flight cancellations plagued the bureau and its parent agency, but eventually a reasonable semblance of order was attained. With the student population at Dalhousie increasing so rapidly it is hoped that even better service can be provided to students using the Bureau.

Film Society

Valerie Black, Heather Saunderson, John Wright, Lena Gillis, Helen Jones
SITTING: Carla Laufer, Pres.

Films anyone!

1964-65 was an exciting year of growth for the Dalhousie University Film Society. In order to accommodate an almost doubled membership of over 400, all showings were given on two consecutive evenings. After a very successful first summer series held in conjunction with summer school, there was a free showing of experimental films to welcome freshmen during initiation week. During the first term, five feature length programs were presented including a Japanese sword drama "The Seven Samurai", "Viridiana", a French double-bill with "Zero for Conduct" and Cocteau's surrealistic "Blood of a Poet", "Pather Panchali" and Bogart's "Beat the Devil". A controversial panel discussion on censorship added excitement in October.

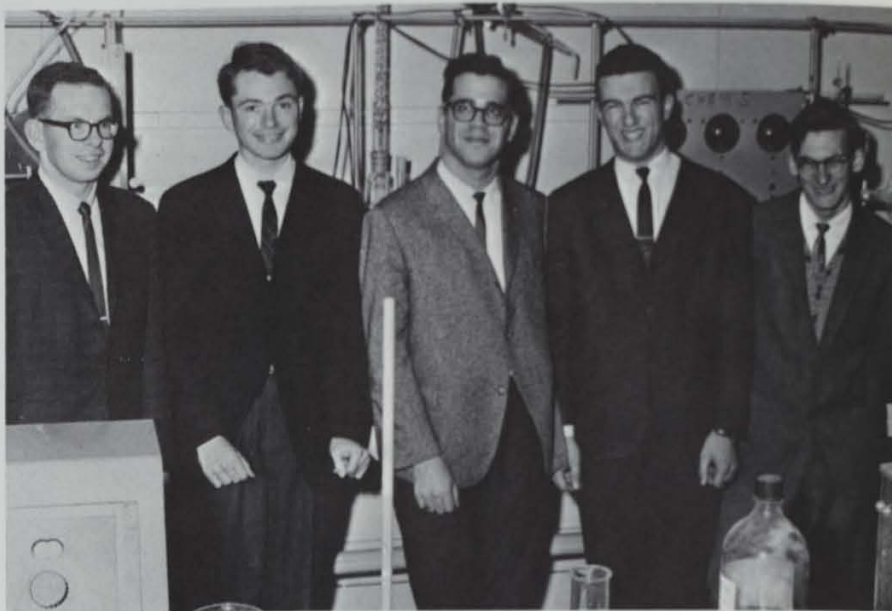

After Christmas, in co-operation with the German department, there was a special series on the development of film in Germany. Guests were invited to join with members for this brief history of film which included four rarely seen German classics. In March, a light French comedy, "The Five Day Lover" brought the season to a happy ending.

Throughout the year there were informal after film discussions with refreshments, generally held in the cozy atmosphere of the English House.

C.I.C.

The aim of the Student Chapter of the Chemical Institute of Canada at Dalhousie is to promote student interest in chemistry. This year the chapter endeavored to increase membership from the freshman and sophomore classes. This was accompanied by showing movies, and arranging for lectures and tours which would appeal to this group of students. A coffee club was also established to encourage a closer contact between the elementary and more advanced students.

The Student Chapter participated in the Open House held from March 5 to 6, by setting up exhibits and experiments which portrayed the work carried out in the Chemistry Building. The committee responsible for this program was chaired by Gerry Brydon, Student Chapter Vice-President.

Dave Horne, Gerry Brydon, Cyril Heitner, Mike Smith, Walter Miles.

Biology Club

LEFT TO RIGHT: Bob Cook, Lester Dezan, Dorothy Barnard, Muri Muhammed, Peter Eaton, Pres.

A Biology Club was started on the Dalhousie Campus this year in order to provide a source of information and entertainment for all students interested in biology.

The weekly programs usually consisted of a film showing or a special speaker and were on a level of interest for undergraduate as well as graduate students. Attendance of the meetings was fairly good and showed a definite interest in such an organization amongst the biology students. The club also took over the operation of a biology book store located in the Forest Building as a further service to biology students. It is hoped that the biology club will become a permanent addition to the Biology Department and continue to contribute enjoyment and service to its members.

W.U.S.C.

Marg Jones, Enid Green

World University Service of Canada is associated with the International World University Service, which has its head office in Geneva.

W.U.S.C.'s primary aim is to give assistance to those universities in developing countries which are unable to carry the full load of their own development, and through this program, W.U.S.C. hopes to encourage bonds among students the world over. A secondary scheme to foster the international brotherhood of students is the Annual Overseas Seminar, to be held in Chile in 1965.

The W.U.S.C. Treasure Van, known across Canada, will be visiting Dalhousie in the fall — from this comes the funds necessary for the national administration.

W.U.S.C. is planning an orientation program in 1965 for overseas students, and hopes to have such a programme in future at the beginning of every academic year.

Dal-King's Psychology Club

The Dal-King's Psychology Club was founded in December 1964, with the hope that it may create and sustain interest in the field of psychology, primarily among the undergraduates. All students are, however, welcome.

Meetings have been held every second week from 11:45 a.m. to 1:00 p.m. at King's College featuring informal talks, discussions and films covering many interesting topics in the related fields. We have also conducted demonstrations and tours for the general information of interested students.

It is sincerely hoped that the enthusiasm shown so far will be continued on into next year, and that, with the kind support of the Dal. Psych. Department, the club may in the future grow both in size and strength through YOUR participation.

SEATED, Left to Right: Wendy Doody, Connie Cooke, Donna Unwin, Betty Ann Levy.
STANDING: Chris Webster, Larry Peck, Dave Jones.

STANDING, Left to Right: Joan Chard, Norm Perry.
SEATED: Margie Davies, Mary Cole.

S.C.M.

The aim of the Student Christian Movement is to promote understanding of the Christian faith and its relevance for the modern world through lecture series, study groups and work camps. The group attempts to define the role of the Christian on campus and in the various professions. Each summer, many S.C.M. members participate in the industrial and mental health work camps in an effort to sharpen their awareness of the faith and life relationship. In October, Dalhousie S.C.M. was visited by Rev. Peter Paris, from the national office in Toronto, who lectured on Nigeria and conducted several discussion groups. In November the group sponsored a lecture by Dr. D.P. Varma on the religions of India. This term, Dr. Chalmers of Pine Hill Divinity College is leading a seminar on Modern Theology. This group meets every Wednesday evening and discusses the relationship between theology and science and such modern philosophies as existentialism.

I.V.C.F.

Inter-Varsity Christian Fellowship is a nationwide interdenominational student organization of college and university chapters dedicated to these objectives: a presentation of the relevance of the Lord Jesus Christ to college and university students; growth in Christian discipleship through individual and group Bible Study and prayer, discussions, conferences and speakers; and a consideration of the Christian's responsibility in world evangelism.

The year has seen steady growth in our I.V. group. A weekend retreat was held at Wentworth in October for all the Maritime Universities. Items of special interest in the regular program were: monthly international student nights and fireside discussions dealing with such topics as "The Literal Interpretation of the Bible" and "The Eccumenical Movement." Two delegates were sent for five days at Christmas to Urbana, a 7,500 student missionary convention at the University of Illinois. In addition to the group's regular on-campus activities, the students maintained a Sunday School class for handicapped children.

The co-operation of our staff member, our advisors, and the members themselves made it a rewarding year for Inter-Varsity.

LEFT TO RIGHT: Rupert Ray, Marlene Hawgood, Rebecca Chan, Winsome Smith, Mary Wilcox, Judy Perry.

Publicity Department

LEFT TO RIGHT: Derek Sarty, John Hajdu, Ken Hamilton, Carol Collicut.

Publicity Dept.'s view of the typical dormitory room.

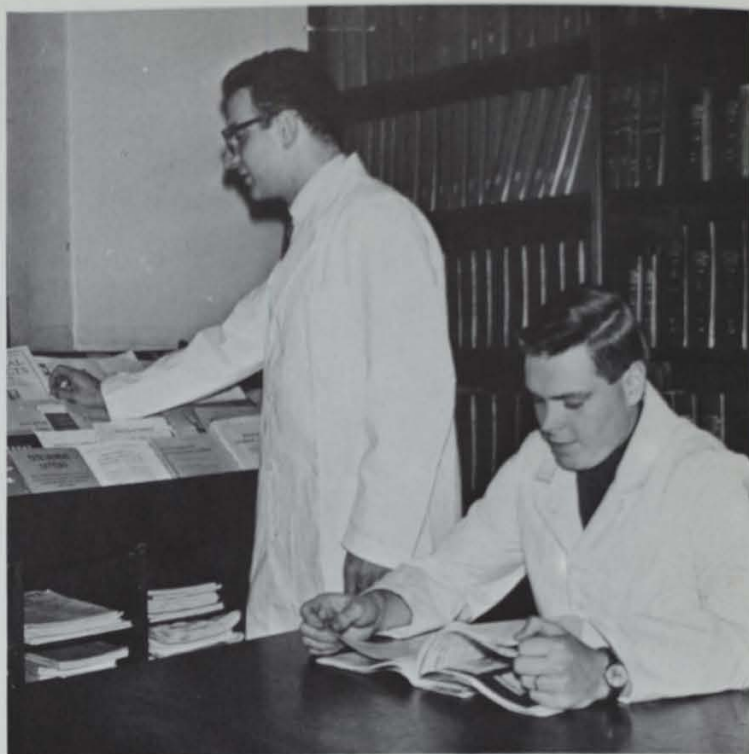

The Dal Publicity Department for the 64-65 year was quickly organized into working efficiency by the relaxed but smoothly professional leadership of co-chairman Ken Hamilton and Derek Sarty following Gord Campbell's abdication from the aforesaid position because of pressing conditions. Gord stayed with us, however, and Carol Collicut, John Hajdu and others were enlisted with characteristic rapidity, while Rufus Gilday slowly grew into the dual role of office wit and circulation manager. We established our suite (in the old Pharos Headquarters) adjacent to the throbbing presses of the Dal Gazette. Therein we spent most of our spare time drinking coffee and expressing awe at the magnificent array of talent accumulated in our tiny office staff while every so often we dashed off a few of those tremendously witty and intelligent posters which you kept crowding into our office to thank us for. If all goes well, co-chairman Hamilton and Sarty will take the reins of office again next year and after that excessively optimistic statement it remains only to thank you for reading this humble script.

Graduate Society

The society is interested in the welfare of the graduate student. The graduate school is increasing at a rate of about 10% per year. This year we have some 300 students studying towards advanced degrees.

Due to the nature of graduate study, our society members are very active on campus. The society therefore plans a few social functions each semester. Dances and parties are well-attended and enjoyed by most of our members. In the summer we have lobster boils, wiener roasts, corn boils, etc.

As about one-third of our members are married the wives have formed a club. They meet about once a month to discuss everything from fine arts to cooking. The society now has a health coverage on a year round basis and also is negotiating for a group life insurance plan.

Graduate students have to make full use of research facilities in their studies towards master's degrees and doctorates. Here, Mel Heit and Robert Sainsbury are taking advantage of the Chemistry Library.

Dawson Geology Club

LEFT TO RIGHT: Noel James, Douglas Green, Bernard Newland.

The Dawson Geological Club (named after one of Canada's first and foremost scientists) is composed of graduate and undergraduate students interested in the geological science in its entity. The club is closely affiliated with the Geology Department at Dalhousie. Members this year attended geological seminars given by many distinguished lecturers.

The club has seen a surge in interest this year and activities included films, tours and parties. At the Maritime Geological Conference held at Acadia, the club had a large and very active representation. The Dawson Geology Club was mainly responsible for erecting and conducting the successful displays put on in the Geology Department for the 1965 Open House at Dalhousie.

Hillel

LEFT TO RIGHT: Ira Abraham, Linda Gaffin, Joel Kirsh.

This year the B'nai B'rith Hillel Foundation of Dalhousie University has presented to the Jewish students on campus a cultural and social program far more varied and well attended than in previous seasons. A welcome innovation was the inception of noon-hour luncheons on campus. Bi-weekly discussions were held at the home of Rabbi J. Deitcher, Hillel Counsellor. At the monthly supper meetings we were privileged to hear, as guest speakers, several prominent members of the community. Dalhousie Men's Residence won the Annual Hillel Bowlathon, the proceeds of which went to the Children's Hospital Building Fund. There is still much room for improvement in both programming and attendance, and we hope the new season will see the return of all our members filled with renewed vigour and zeal.

Newman Club

LEFT TO RIGHT: Joe MacDonald, Eleanor Dunsworth, Nora Buckley, Jim Moore.

1964-1965 has been one of Newman's greatest seasons. The entertainment highlight of the first term was a programme offered by Pat MacKinnon. She was accompanied by Brian Ahern. Miss MacKinnon is one of the finest entertainers the club has ever enjoyed. The Newman Club held its first Art Exhibit in October. Works by prominent Nova Scotian Artists were collected by Ken Dwyer from the Ten Mile House. A Communion Breakfast was held at the Citadel Inn at which the Reverend Hugh Kierans, S.J. addressed the members. Dr. Kierans spoke on "Revolutions Within the Church" citing the works of Hans Kung and Karl Rahner. This talk was considered the high point of the intellectual programme. After Christmas the club was treated to the songs of the "Topsiders", a new and very talented group. The Club became "liturgically minded" offering a series of lectures on the reasons for the recent innovations of the Mass and Sacraments in the Church. Father Gordon Hayes was our chaplain this year and provided us with excellent leadership and assistance.

U.N.T.D. C.O.T.C. R.O.T.P.

A number of Dalhousie students have chosen one of the three armed services as their career upon graduation, while others have made use of their summers and occasional evenings during the term to receive reserve officer training. All agree that the camaradie, the extra training, and pay are decided benefits.

In the tri-service Regular Officer Training Plan (R.O.T.P.), undergraduates with the rank and pay of officer cadets attend Dalhousie, take their degrees and become regular officers in the career of their choice upon graduation.

The military training program has been endorsed by the National Conference of Canadian Universities. The Conference and the Department of National Defence realize equally well the importance of educated leaders, with military experience, in the preservation of our national liberty.

University Naval Training Division

Training during the academic year at Dalhousie begins the first year as an introductory to seamanship, navigation and communications, the second and third years advance this training, concentrating on leadership and strategy. Dalhousie cadets spend a portion of the summer on boardship applying the winter training in various departments. They may find themselves on look-out, navigation, or below in the engineer room. Rounding the cadet's experiences at sea are the interesting calls at foreign ports in the South Atlantic or Europe. After graduation, cadets may enter the General list in the rank of Sub-Lieutenant.

Regular Officer Training Plan

The plan consists of summer training at R.C.A.F. stations in Canada and overseas, and weekly lectures and parades at Dalhousie during the winter. Summer training is composed of Reserve Officer's School, to be followed with the appropriate branch training in perhaps, aeronautical engineering, telecommunications, or air traffic control. The R.O.T.P. Officer Cadets are on regular air force duty throughout the term, receiving actual flying training in summer, and upon graduation a permanent commission as Flight Officer in the R.C.A.F.

Canadian Officer Training Corps

The training program of C.O.T.C. is divided into two phases: (a) Theoretical and (b) Practical. The Theoretical Phases are conducted during the academic year, surveying such subjects as Introduction to the Army, Organization and Administration, Minor Tactics, National Survival, and Nuclear Warfare. The Practical Phases are conducted during the summer vacation period at Corps Schools where cadets are guaranteed a minimum of sixteen weeks employment. The training consists of a detailed study of General Military subjects during the first phase, subjects special to corps during the second phase and "In-Job" training with regular army units in Canada and in Germany during the third phase.

D.G.D.S.

Joe MacDonald, Pres.; Bill MacDonald, Business Manager; George Munroe, V.P.

The Dalhousie Glee and Dramatic Society had its most active and successful season in recent years in 1964-65. With a greatly expanded program, the society welcomed many new members to its activities especially among new students at Dal. The largest operating budget ever granted DGDS allowed the society to carry out projects which had been merely discussed in past years.

Shakespeare's *Romeo and Juliet* produced with the co-operation of the English Department's Drama Workshop was the first production, and the first society effort since 1947 to turn a profit. A large cast, special costumes and a specially constructed stage in the Gymnasium which simulated the essential features of the Elizabethan theatre all contributed to the show's success.

Romeo was followed by a completely different venture — Brendan Behan's "The Hostage," staged by the society in the Neptune Theatre. This show too was a financial and artistic success, and proved to be a great deal of fun for the cast as well as a stimulating experience for the audience. This was the first production of a Behan play in Halifax.

For the first time since 1962 the society sponsored the Connolly Shield Competition for one-act plays produced by groups of students. The newly refurbished Shield was presented to the Education Society for their winning entry "The Boor" by Anton Tchekov. The Arts Society, Delta Gamma and King's Dramatic Society were the other entries.

As in past years the largest item in the society's program was the musical. This season's production was "L'il Abner," based on the characters created by cartoonist Al Capp. Staged in the Capitol Theatre with a cast of more than 60, the show was the largest single venture ever undertaken by the society and was the most successful.

The extensive program undertaken by the society this season is indicative of the increasing interest in the theatre among Dal students, and the society anticipates an equally extensive and varied program for next season.

D.G.D.S. Productions

Romeo and Juliet — November 19-21

The Hostage — November 25-28

Connolly Shield Competition — January 20-21

L'il Abner — February 24-27

Tony Thompson

Campus Co-ordinator

This year has witnessed an expansion of the duties of the Campus Co-ordinator. In addition to avoiding conflicts in dates, times, and use of University facilities arising out of the various social programs of campus groups, he now compiles information for the student Dal-O-Gram, and posts notification of all events on campus which are directed to his office.

The main problem, as in past years, has been the allocation of the limited Friday nights available for student dances on an equitable basis. However, the recommendations passed by Student Council at the beginning of the academic year relating to the job of the Campus Co-ordinator will go a long way towards facilitating weekly dance arrangements in future.

Any efficiency in the performance of the above functions must be largely attributed to the co-operation of the many student groups, the University Athletic Director, and the Secretaries of the Students' Council and the University Engineer.

Student Directory

The perennial problem, time, reared its ugly head in the production of this year's Student Handbook and Directory.

The basic plans for both publications were sound and with refinements encouraged from experience, next year's publications will be of infinitely more value than the present books.

The Handbook attempted to serve Freshmen, as the Students' Council Constitution could not be included, and most organizations were in a state of reassessment of objects and aims. Further efforts must be made to help incoming students find their way about during the first weeks — in the physical location of things on campus and a complete outline of activities open to them.

Arrangements have already been made not only to include this year's information in the next Students' Directory, but also to give the complete home address and phone. With the assistance of the IBM Computer big advances are arranged to speed material from the campus to the printer and hence give a better product at an earlier date.

Frank Hennigar

John Renouf, Sue Blackmore, Brock McClearn.

A.I.E.S.E.C.

An International Association of Economic and Commerce Students, AIESEC is a world-wide organization that encourages economic exchange between countries by finding jobs in foreign countries for students.

In Summer 1964, AIESEC sent two people to Europe — John Renouf to Italy, and Brock McClearn to France.

The outlook for the next year is promising.

Radio Club

The Radio Club was formed after Christmas through the efforts of interested students and with the co-operation of Ken Gowie, Dean of Men.

The Club operated within the Men's Residence. Aided by Dr. Guptill of the Physics Dept., a new receiver was donated to the club from the university.

Under the call VEIVY, the station has made contact with over a hundred stations all around the world. It is hoped in future that a station may be procured in the new SUB Building to aid students in speaking with friends and relatives in distant cities.

Ralph MacPherson, Jonathn Wilde, Terry Jones.

Model Parliament

Prime Minister Harry Thompson - but not for long!

Rev. Oliver - the Governor General reading speech from the throne.

Placing of the Mace to indicate that the House is in session - careful, it's heavy.

Speaker of the House - Hon. Bob McCleave.

Dal-Kings Chorale and Orchestra

This has been the second year for the Dalhousie Chorale and Dalhousie Orchestra which were organized in the autumn of 1963 by the Department of Music and are directed by Prof. David Wilson.

Combined concerts were given by the Orchestra and the Chorale on November 8 and March 7.

On November 29 a program of Christmas music was given by the Chorale and musicians from Halifax Symphony Orchestra. The featured work was the Christmas Oratorio for chorus and orchestra by Camille Saint-Seans.

Two smaller groups have been organized from the Chorale. They are the Dalhousie Chambers Choir and the Renaissance Singers. These two groups gave a performance of music from the Renaissance on February 14. In this concert they were assisted by the Dalhousie Recorder Consort whose players included members from the Dalhousie Orchestra and the Chorale.

The Chorale also took part in the folk singing concert sponsored in November by the International Students' Association and the Open House variety concert in March.

C.U.S.

In May, a Regional CUS Conference was held at which time the idea of an Association of Maritime Students was formulated. The idea was followed up in October in the founding conference of AMS with George Cooper presiding. AMS acts as a linkage to form a strong tie between the Atlantic Universities.

A Student Mental Health survey of representative professors and students at Dalhousie was taken to determine the necessity for developing a psychiatric consulting service. Initiation of a large calibre speakers series got under way and a solid foundation was laid for future years. The Student Means Survey is being conducted in conjunction with the Dominion Bureau of Statistics and National office to form a report for the Bladdin Commission on financing higher education with government grants.

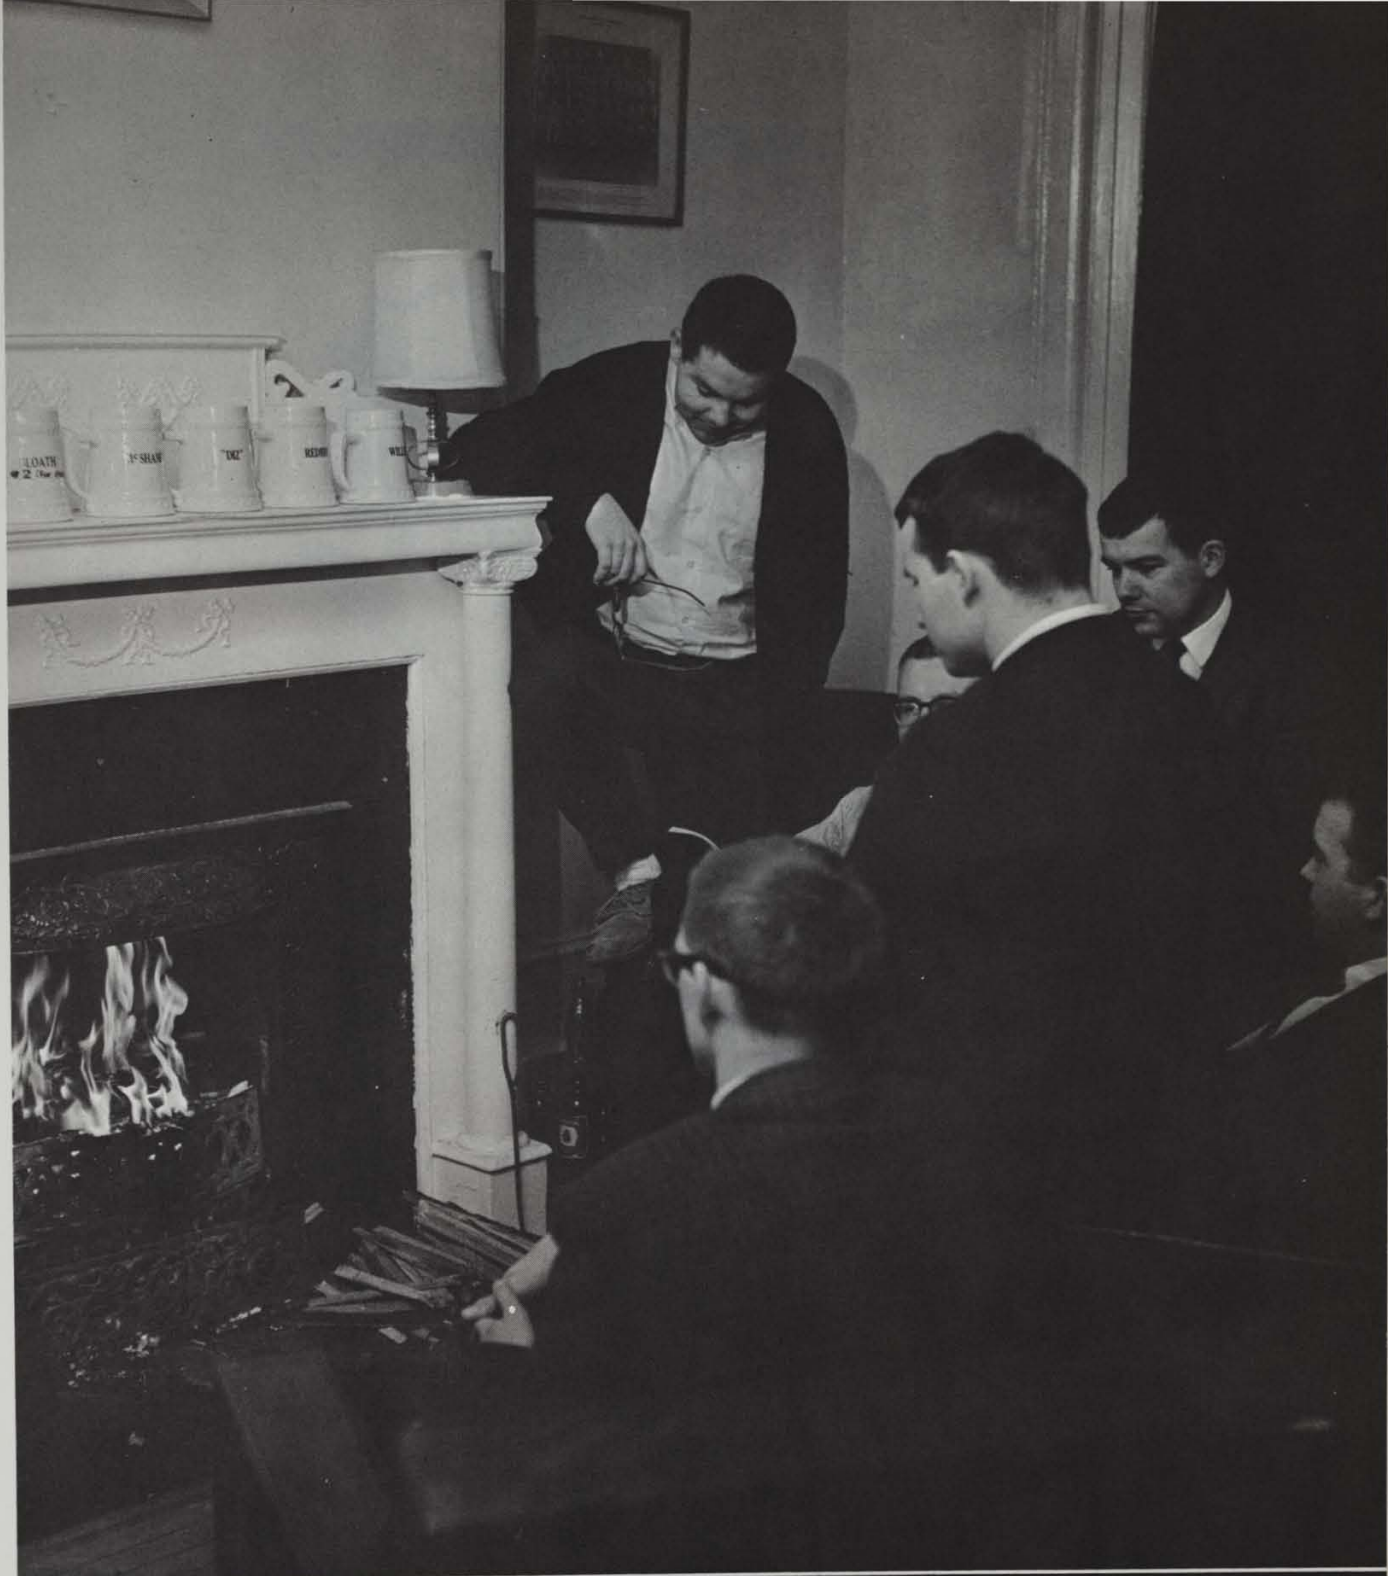

Through student pressure the government developed a student loan program. Two of the older projects of CUS were enlarged upon. Through the High School Visitation Program approximately 30 schools were visited, and the Student Discount Service, travel, and Inter-Regional Scholarship Program were broadened in their scope.

Rick Crothers — Vice Chairman, Margie MacDougald — Chairman, Marg Jones.
ABSENT: Margie Muggah — Secretary.

The founding conference of AMS.

Symbol of Craftsmanship

The Jenkins valve is itself a symbol, not merely of quality and engineering performance, but also of all the varied skills that contribute to its creation. From initial design, through pattern-making, molding, machining, assembly, through all the stringent tests that check each stage of manufacture, the craftsman's desire for perfection is everywhere evident. For these reasons, to men who know valves, the Jenkins "Diamond" is today—and has been for close to a century—the symbol of unrivalled craftsmanship and quality. Jenkins Bros. Limited, Lachine, Que.

CANADA CEMENT

helps promote Nova Scotia's industrial growth with
\$12,000,000 Cement Plant

Artist's sketch of new Canada Cement Company plant in Colchester County, Nova Scotia, scheduled to go into full production within the next two years.

Annual capacity: 5,000,000 bags

This latest addition to Canada Cement's manufacturing and distributing facilities will provide Nova Scotia with a major, convenient new source of cement bearing the familiar "MARITIME CEMENT" brand.

Large capacity. Strategic site near Truro. Completely modern design . . . All help assure ample supplies of high-quality cement for the province's expanding program of concrete construction: industrial, commercial and residential buildings; highways, bridges, soil-cement roads and other public works. The new project is being carried out in association with Industrial Estates Limited. Some 400 to 500 men will be employed during the construction stage, and the permanent staff of approximately 100 will be recruited from local areas.

"...thus the man who goes forth to change the
shape of the world must be equipped with the proper
tools if his task is to be well done."

Yllek.

Dalhousie must be congratulated on the splendid
manner in which they prepare their students for the
job ahead - physically, mentally and spiritually.

This excellent preparation is reflected in the many
outstanding graduates Dalhousie has made for the
betterment of mankind.
