

# NOVA SCOTIA

## CANADA'S EASTERN GATEWAY

---

NOVA SCOTIA is the nearest Canadian Province to Great Britain. As the oldest established Province of the Dominion, it has more to offer the newcomer from the standpoint of social conditions, than the newer Provinces of the west. There are other important reasons, however, why British people should settle in Nova Scotia.

NOVA SCOTIA has the most basic resources for industrial development of any portion of the American Continent. While her industries are expanding rapidly, agriculture still remains of prime importance and last year the Province was favored with crops to the estimated value of over \$49,000,000.

NOVA SCOTIA has land suitable for Mixed Farming, Market Gardening, Dairying, Sheep Raising and Fruit Growing. Her apples are among the finest flavored in the world. Trees bear from five to ten years after planting and yield profitably for from sixty to one hundred years. Nearly a million acres of land not yet planted are suitable for orcharding.

NOVA SCOTIA has strong local markets and unexcelled opportunities for exporting. Her ports, a number of which rank among the most accessible and safest harbors in the World, are near to the great international trade routes.

NOVA SCOTIA, unlike the great prairie Provinces of Canada, the development of which depend very largely upon one or two resources, presents the greatest variety of agricultural, industrial and Commercial opportunities of any part of the Dominion of Canada.

# 111 YEARS

---

**O**NE HUNDRED AND ELEVEN years ago we introduced ourselves to the Merchants and Contractors of the Maritime Provinces as Public Servants, and out of a modest beginning grew a business that has never departed from the SPIRIT OF SERVICE which was the ideal of its founders. This business which was 57 years old at the time of Confederation has never changed hands except as the business descended from father to son, and other family members entered, and its most cherished asset after all these years is the friendly GOOD-WILL of the public it serves.

**Our Service to the Constructive  
Forces of the Maritime Provinces  
has been wide in its Scope**

The lines we specialize in have entered fully into all of the varied works of industry that increase the wealth of our country. Especially have we served:

**CONTRACTORS OF PUBLIC AND  
PRIVATE BUILDINGS AND  
INSTITUTIONS.  
RAILROAD BUILDERS  
SHIPYARDS  
MINING INTERESTS  
LUMBERMEN AND BUILDERS OF  
PRIVATE HOMES.**

*Over a Period of 111 Years We Have Achieved a Standing, a reputation in the commercial world for a service well performed, and we will continue to follow the ideals and principles that have created it.*

## "Manners Maketh The Man"

OVER the doorway of one of the old Colleges of Merry England is the inscription—"Manners maketh the man." It is not how a man is dressed, but what he himself really is that counts.

The same is typically true of Watches. It is not how a watch is dressed, but what it contains—which determines its worth.

Birks Watches range in price from \$15.00 to \$5,000.00, but whether in a gold-filled or diamond set platinum case they all bear the same backing—"Guaranteed, of course."
