## NOVA SCOTIA CLIMATE . . .

- The first province in Canada where the leaders of both industry and labour have agreed to suspend requests for amendments to the Provincial Labour Relations Act . . . a significant step in labour-management understanding and co-operation.
- The first National Work Study School in Canada is established here—to train Canadians to be more productive in the use of time, money and materials.
- A new government department . . . first in Canada . . . headed by a senior minister . . . working effectively for voluntary economic planning to establish goals for industrial growth, greater productivity and wider markets.
- Industrial Estates Limited . . . a non-profit Crown Company of the Province . . . will provide site and plant on long-term lease basis.
- Excellent educational system including vocational schools, universities . . . and research establishments.
- The Interprovincial Grid transmission line, built in 1960 . . . connecting with New Brunswick . . . is the start of a National Grid transmission system.
- Plenty of low-cost electrical power for industry of any size.
