Dr. Donnell

Boston 13 Feb 1794

Dear Sir,

I have the pleasure to send you
a copy of the Speech of Mr. Donnell on East India Affairs
and Plans for the Government of India, compiled by
Mr. Bruce under his Eye. The I have supposed you
with the motive of my furnishing you with the
publications, that you may be the more of our
wishes, in respect to the information he
looks for from India and China. I have
to make the following Extract from Mr. Bruce
letter for your guidance.

"To furnish or procure information on the
Government, political revolutions, the religion
and usages of the former & present inhabitants,
in the connection of these subjects with their laws,
the progressive stages of the useful arts, manu-
factures and sciences, and of the fine arts, and
particularly, of the foreign & internal trade"

Such are the objects, that are necessary to be
investigated, before the projected history can be
completed; If it should fall in your way to, would

any intelligence from India, China or elsewhere
will please
send for the interesting work, you enclose, to
Mr Bruce, at the India Office Whitehall, to the
care of Mr Dundas, whom I shall take care to
apprize, that you are a ready and, I doubt not,
will prove, a zealous promoter of his public
undertaking. I am, with esteem,

D. or Sir,

Your Obedt Servt

Cyler Sower

Dr. D. Dundas
