## **Notice to Drug Supply Houses and Others Using This Register**

Unless otherwise notified, all physicians listed in the Medical Register are in good standing.

Periodically (usually every month) a copy of a list of names added to the Register, together with a list of the changes of address occurring, is mailed to all interested companies, organizations, etc. If you are not receiving this, you should notify the Registrar.

When the "Additions and Corrections List" is received the appropriate changes should be made in the listings in the Register.

The purpose of this notice is to attempt to reduce the number of inquiries the Registrar receives for information which is already contained in the Register. Your co-operation in this regard is requested.

**NOTICE TO MEMBERS**

The entries in the Register have been carefully compiled and checked. Nevertheless, errors and omissions are inevitable. Consequently, each member is asked to examine his own entry and to advise the Provincial Medical Board of Nova Scotia if there is any inaccuracy.

Please note that the Medical Register can show only one address. This is the one that is used by the Provincial Medical Board as your mailing address, and is the one that is given to the public when your address is requested.
