Cheapest and Quickest

Station - to - Station Long Distance Calls

It's cheaper and faster to use Station-to-Station Service on your Long Distance Telephone calls. A Station-to-Station Call is one where you ask for a **telephone number**, and not for a particular person.

The saving through using this class of service amounts to as much as thirty per cent on calls during the day. On calls after seven p.m. the average saving is larger still. Besides, your call goes through much more quickly—usually while you hold the line.

Save yourself money and get quicker service by using Station-to-Station Service whenever possible. Remember it especially on Sundays, as Night Rates are effective all day then and your saving is still greater.

“Joe Blakes”

When an Australian soldier is low in spirits, he refers to his complaint as “the Joe Blakes.” A frequent cause of “Joes” is lack of cash when needed. To avoid this malady make a practice of setting aside part of your monthly income regularly, in a savings account at the bank.

LET us all dedicate our full energies to Victory. "Speed the Victory" is **more** than a phrase to spur on the war effort. It is a hope and a prayer in the hearts of anxious mothers and fathers, sisters and brothers throughout the land, that their fighting sons will be home **soon** and **well**. Let us all spend less, save more and seek out new ways to broaden our personal war effort. No service, however small, is **too** small in war-time.

The men and women in our fighting forces long for "News from Home." Write to them often—and regularly—Keep your letters cheerful.

"If I had the time?

Why Wait for That?

Many a business executive has been heard to remark, "One of these days, when I have the time, I'm going to get out a booklet", (or a folder, catalogue, or other form of printed matter, as the case may be). But time and inclination often prove elusive ingredients—and meanwhile an aid to selling that might be doing profitable work stays uncreated.

Busy executives can solve problems of this nature very readily—by utilizing "Imperial" service. For we have on our staff men experienced in planning and writing all forms of "printed salesmen". Their services are at all times available to our clients.

Enquiries welcomed and printing estimates supplied. No Obligation.
