The College by the Sea

Dalhousie University, situated in historic Halifax on the edge of the broad Atlantic, has for a century served the need of Eastern Canada.

Today, with 4,000 students from all corners of the world, Dalhousie offers the only courses available in the Atlantic Provinces in medicine, dentistry, dental hygiene and physiotherapy, and is one of two universities offering courses in law.

By 1970 more than 6,000 students will be seeking enrolment at Dalhousie. The university is expanding to meet this need through a \$16,000,000 fund; already buildings worth \$13,000,000 have been completed or are under construction, and by the end of 1968 it is estimated that \$22,000,000 more will have been spent on capital expansion.

Dalhousie welcomes contributions from anyone who is interested in helping to maintain the high standards of education that have always been the hallmark of the Atlantic Provinces.
