

**Wanderlust**

Surely  
it's in those  
far blue mountains  
surely  
it's there  
my happiness lies  
else why  
do they call me  
rover come over  
why do they call me  
to come  
and to stay.

If I should leave  
this place  
today or tomorrow  
would I ever  
reach them  
or will there be  
always  
faraway mountains  
calling  
rover come over  
rover come here.
