§ 1.—SESSIONS.

In each Academic Year there are two Sessions:—the first, a Winter Session, and the second a Summer Session.
 The Winter Session for 1870-71 will commence on Wednesday, October 26th, 1870, and end on Wednesday, April 26th, 1871.
 The Summer Session will commence on Monday, May 1st, 1871, and end on June 28th, 1871.

§ II.—ADMISSION OF STUDENTS.

Applicants for admission will present themselves at the College on the opening day of the Winter Session, at 11 A. M. Students may enter, either
 1st, as *Undergraduates*, with the intention of applying for the Degree of B. A. at the end of the course; or
 2nd, as *General Students*.
 Students entering as Undergraduates of the First Year are required to pass the Matriculation Examination at the opening of the Winter Session, and to take the classes prescribed for the four years' course.
 Students may also enter as Undergraduates of the Second Year, and take the three years' course by complying with the conditions specified under § IV.
 General Students are not required to pass any preliminary examination, and may attend any classes they choose.
 No person can be admitted as an Undergraduate after ten days from the opening of the Session, without the special permission of the Senate. General Students will be admitted at any time during the Session.
 Undergraduates from other Universities will be admitted to similar standing in this University, on producing satisfactory certificates, if, on examination, they be found qualified to enter the classes proper to their year.

§ III.—MATRICULATION EXAMINATIONS

FOR THE FIRST YEAR.

The subjects of examination for entrance into the First Year, are:—

I. In Classics.

Latin Grammar, Greek Grammar, one easy Latin, and one easy Greek Author.

The following Authors are recommended:

Latin

Cæsar, one book; Virgil, one book; Cicero, two Orations; Horace, one book of Odes.

Greek.

Xenophon, one book; Homer, one book; Lucian's Select Dialogues; New Testament, one Gospel.

II. In Mathematics.

Arithmetic; Euclid's Elements, Book I.; Algebra to the end of Division.

III. In English.

Grammar; History; Geography; Composition.

FOR THE SECOND YEAR.

In order to enter as an Undergraduate of the Second Year, a Student must pass an examination,—

1. In the *Classics* of the first year as specified in § XII. or their equivalents.
2. In the *Mathematics* of the first year as specified in § XII. or their equivalents.
3. In *English Grammar, English History, Geography* and *Composition*.

§ IV.—COURSE OF STUDY.

The Undergraduate course extends over, either

1. Four Winter Sessions, or
2. The Winter and Summer Sessions of two Academic years, and an additional Winter Session.

In order to enter upon the latter course, Students must be able to pass the Entrance Examination of the second year, and must take the classes prescribed by the Senate in the Summer Session.

I. WINTER SESSION.

FIRST YEAR.

Classics, Mathematics, Rhetoric.

SECOND YEAR.

Classics, Mathematics, Chemistry, Logic and Psychology.

THIRD YEAR.

Classics, Metaphysics, Modern Languages, Natural Philosophy, Chemistry. Mathematics and Practical Chemistry *optional*.

FOURTH YEAR.

Ethics and Political Economy, History, Modern Languages, Natural Philosophy (Experimental Physics), and either Classics or Mathematics.

In Modern Languages, Undergraduates may select either French or German as part of their course, but they must take the same language in both years.

II. SUMMER SESSION.

Classes will be opened for instruction in the following subjects:

Classics.
Astronomy.
Applied Logic.
Optics.
Botany.
History of Modern Literature.
Modern Languages.

§ V.—FEES.

The Fee to each Professor, whose class or classes a Student enters, is *six dollars* for the Winter Session, and *four dollars* for the Summer Session, or *eight dollars* for both. Any Undergraduate who has paid fees twice, either to the Professor of Classics or to the Professor of Mathematics, may attend the classes of such Professor during the remainder of his Undergraduate course without paying an additional fee.

General Students pay a fee for every class they attend. Experimental Chemistry is an optional class, the fee for which is *six dollars*. Students taking this class are required to provide their own apparatus.

In addition to Class Fees, there is a Matriculation Fee of *two dollars*, payable by Undergraduates at their first entrance. General Students pay an annual Registration Fee of *one dollar*.

Both Undergraduates and General Students are required at the beginning of each Session to pay a fee of *one dollar*, which entitles to the use of the Library for the year.

Matriculation or Registration Tickets and Class Tickets must be taken out on the first day of Lectures, as no Student is allowed to enter a Class without them.

The fees of Undergraduates who take the complete course in this University are as follows:—

Classes of First Year, Library and Matriculation Fees.....	\$21
" " Second " and Library.....	25
" " Third " "	13
" " Fourth " "	13

§ VI—GRADUATION IN ARTS.

DEGREE OF B. A.

The Degree of B. A. may be obtained by attending the prescribed courses of Lectures, extending over Four Winter Sessions, or three Winter and two Summer Sessions, and by passing the following examinations, the Candidate maintaining throughout the period a good moral character:—

IN THE FOUR YEARS' COURSE.

1. Matriculation Examination at entrance.
2. Examination at the close of the first session, in Classics, Mathematics, Logic and Psychology, and Chemistry.
3. Examination at the close of the second session in Classics, Mathematics, Rhetoric, and Chemistry.
4. Examination at the close of the third session, in Classics, Natural Philosophy, Modern Languages, Metaphysics and Chemistry.
5. Final Examination for Degree, at the Close of the fourth session or subsequently, in Modern Languages, Ethics, Political Economy, History, Natural Philosophy, and either Classics or Mathematics, at the option of the Candidate.

IN THE THREE YEARS' COURSE.

The Examinations specified above, except No. 2, and the Examinations at the close of each Summer Session in the subjects of the Session.

In no case shall a Student be entitled to a Degree who has not passed in every subject of the course.

The Fee for Diploma is *five dollars*, payable before the commencement of the Final Examinations.

DEGREE OF M. A.

Bachelors of Arts of at least three years' standing, maintaining meanwhile a good reputation, shall be entitled to the Degree of M. A., on producing an approved Thesis on a literary, scientific, or professional subject.

Fee for Diploma, *twenty dollars*, except in case of those who entered as Undergraduates prior to 1869, who pay *five dollars*.

§ VII—REGULATIONS FOR EXAMINATIONS.

1. If an Undergraduate absent himself from any University Examination, except for such cause as may be held good by the Senate, he will lose his year.
2. If an Undergraduate fail to pass in any Examination, he will be allowed a Supplementary Examination on the first

Friday of the following Winter Session, on giving notice to the Secretary of the Senate; but failure in more than two subjects at the Sessional Examination will involve the loss of the year. N. B.—In the application of this rule, Classics and Mathematics will each be reckoned as two subjects.

3. In all cases where a Student presents himself for Supplementary Examination, except on the day mentioned in Rule 2nd, he will be required to pay a fine of *two dollars*.

4. Students are forbidden to bring any books or manuscripts, into the Examination Hall, unless by the direction of the Examiner, or to give or receive assistance at the Examinations. If a Student violate this rule, he will lose his Sessional Examination, and it shall be at the discretion of the Senate whether he be allowed a Supplementary Examination.

5. Students who pass the Examination in the several subjects of their respective years, are arranged in three classes, according to the merit of their answers in these subjects.

6. A position in the First or Second Class will be considered honorable.

§ VIII—SCHOLARSHIPS.

1. HALIFAX SCHOOLS.

A scholarship entitling to free attendance on all the classes of the Undergraduate course, so long as the holder of it obtains a Certificate of Merit at the Sessional Examinations, is offered by the Professors for competition this year to the Pupils from the Halifax Schools; the competition to take place at the Matriculation Examination.

A Pupil competing for this scholarship must have attended the school from which he comes for a period of not less than one year immediately previous to the competition, and must present a certificate of attendance from the Principal of the School.

2. OPEN SCHOLARSHIP.

A scholarship of equal value, and to be held under the same conditions, will be offered annually for competition to all Undergraduates entering the first year.

No Student can hold more than one scholarship during the Session.

§ IX—PRIZES AND CERTIFICATES OF MERIT.

THE GRANT PRIZE.

A Prize of \$20 is offered by the REV. G. M. GRANT, M. A., for the best Essay on "The Literature of the Nineteenth Century."

Competition is open to all Students of the years 1869-70 and 1870-71.

The Essays are to be sent in not later than 16th March, 1879, each signed with a motto, and accompanied by a sealed envelope, containing the name of the writer, and with the motto upon it.

THE SIR WILLIAM YOUNG PRIZES.

The following Prizes are offered by the HON. SIR WILLIAM YOUNG, Knt. Chief Justice of Nova Scotia:—

1. A Prize of \$20 for the best Essay on "The Functions of Money."

The Essay to be given in to the Principal, with an accompanying sealed letter containing the name of the competitor, (each bearing a motto) not later than 16th March, 1871.

Open for competition to all Students in actual attendance during the session in the Faculty of Arts.

2. An annual Prize of \$20 in Eloquence, open for competition to all Students of the first and second years. This prize cannot be held twice by the same Student.

NORTH BRITISH SOCIETY'S BURSARY.

A BURSARY of the annual value of \$50, has been founded in connexion with Dalhousie College, by the North British Society of Halifax, to be competed for at the Sessional Examinations of the Second Year's course, and held during the Third and Fourth Years' of the Undergraduate's course. Candidates must be Undergraduates who have completed two years of the Curriculum, and must be eligible at the proper age to be Members of the North British Society. The next competition will take place in April, 1872, at the Sessional Examinations.

CERTIFICATES OF MERIT.

Certificates of Merit of the First and Second Rank will be given to the Students who have obtained a first or second class standing in the aggregate of the benches of study proper to their year. N.B.—In computing points for these Certificates, French, German, and Experimental Physics will each count half as much as any other subject.

§ X.—ATTENDANCE AND CONDUCT.

1. All Undergraduates and General Students attending more classes than one, are required to provide themselves with caps and gowns, and wear them in going to and from the College. Gowns are to be worn at Lectures, and at all meetings of the University.

2. Attendance upon all the classes of the year, except those announced as optional, shall be imperative on all Undergraduates.

3. A Class Book will be kept by each Professor, in which the presence or absence of Students will be carefully noted.

4. Professors will mark the presence or absence of Students immediately before commencing the exercises of the class, and will note its absent those who enter thereafter, unless satisfactory reasons be assigned.

5. Absence or tardiness without sufficient excuse, and intemperance or disorder in the Class Room, if persisted in after due admonition by the Professor, or the discipline proper to the class, will be reported to the Senate.

6. The amount of absence or tardiness which shall disqualify for the keeping of a Session will be determined by the Senate.

7. Injuries to the building or furniture will be repaired at the expense of the party by whom they have been caused, and such other penalty will be imposed as the Senate may think proper.

8. While in the College, or going to or from it, Students must conduct themselves in an orderly manner. Any Professor observing any improper conduct in a Student will admonish him, and if necessary report to the Principal.

9. When a Student is brought before the Senate and convicted of a violation of any of these rules, the Senate may reprimand privately or in the presence of the Students, or report to the parents or guardians, or disqualify for competing for Prizes or Certificates of Merit, or report to the Governors for suspension or expulsion.

10. Students not residing with parents or guardians must report to the Principal their places of residence within one week after their entering College, and the Principal may disallow such residence if he see good cause. Any change of residence must also be reported.

11. It is expected that every Student will attend divine service on Sunday, in one of the city churches or chapels.

§ XI.—THE LIBRARY.

Through the liberality of a number of the friends of the College, a library has been formed, which consists of a careful selection of the most useful works in each department of study embraced in the University course. There are likewise a few works in general literature. The library embraces in all upwards of 1100 volumes. All students are entitled to the use of the Library, on payment of the annual fee of one dollar.

The Lectures on Institutes of Medicine will embrace Histology, Physiology and General Pathology, the first two divisions of the subject receiving most attention. Towards the close of the course a general outline of Pathology will be given.

III.—ANATOMY.

Lecturer....EDW. PARRELL, M.D., Surgeon to City Dispensary.

Lectures daily from 10 to 11 a. m., illustrated by the fresh subject, dried preparations, including skeletons, life-size plates, &c.

Class Books.—Gray, Wilson, Sharpey & Quain.

Every facility will be offered to students to become practically acquainted with Anatomy, under the Lecturer (Dr. Farrell), and the Demonstrators (Drs. Treisman and Black).

PRACTICAL ANATOMY.

DEMONSTRATORS....T. TRETMAN, M.D., and J. F. BLACK, M.D.

ROOMS OPEN FROM 4 to 6, and 8 to 10, p.m.
Fee for Practical Anatomy, 34.

MRS. R. ALMON, M.D., Professor to the Chair of Anatomy. Dr. Avery has presented to the Medical School a large and valuable series of Anatomical Plates.

IV.—MATERIA MEDICA.

Lecturer....ALFRED E. WOODHILL, M.D., Physician to City Dispensary
Lectures daily from 11 a.m., to 12 noon, illustrated by specimens of the various pharmacological substances, microscopical objects, plates, &c.

Class Books.—Pereira by Farro, Sille, Dispensaries.

V.—OBSTETRICS.

Lectures....WM. J. ALMON, M.D., Consulting Physician to City Hospital and Dispensary, and Physician to City Alms House, and
ALEX. G. HAYES, M.D., Physician to City Hospital and Dispensary.

Lectures daily by one of the Lecturers, from 9 to 10 a.m.

Class Books.—Bedford, Tyler Smith, Cazaux, Churchill.

The Lectures will be illustrated by plates, mannikins, &c.; and senior students will have opportunities of becoming practically acquainted with the modes of treatment, &c., under direction of the Medical Officers connected with the Alms House and Dispensary, where a large number of cases occur.

VI.—BOTANY.

A short course of Lectures on Botany is usually given during the summer by Professor Lawson, in connection with which there are one or two excursions for field demonstration.

PUBLIC HOSPITALS, &c.

THE PROVINCIAL and CITY HOSPITAL is visited daily at 12 M., by the Medical Officers, and may be attended by Students without payment of any fee. THE CITY ALMS HOUSE, containing from 200 to 400 patients, half of whom are usually in the Hospital Wards, will likewise be available to Students. The best opportunities are here presented for clinical instruction, midwifery practice, and treatment of diseases; likewise for the observation of pathological appearances, which will be demonstrated by *post mortem* examinations.

CLINICAL LECTURES will be delivered at the Provincial and City Hospital and City Dispensary. Instructions will be given at the bedside, including physical diagnosis, and many opportunities afforded to Students to become familiar with the operations of minor surgery.

THE HALIFAX DISPENSARY is carried on after the model of the DeMilt Dispensary, New York, being divided into three Departments, viz: (1.) *Surgical*, including the Eye and Ear; (2.) *Medical*, including the Heart and Lungs; and (3.) *Diseases of Women and Children*. At this Institution, from 30 to 50 cases are treated daily. Here the Student can have the advantage of becoming practically acquainted with Pharmacy and Midwifery under the Officers of the Institution.

Certificates of attendance on the Hospitals and Dispensary will be given to those Students who attend regularly.

EXTRACTS FROM THE REGULATIONS.

1. Students desirous of attending the Lectures shall, at the commencement of each Session, enrol their names, age and residence, in the Register kept by the Dean, and each Student shall procure from him a ticket, for which he shall pay a fee of one dollar.
2. The Register shall be closed within one month after the commencement of each Session.
3. Each Lecturer shall deliver five lectures during the week, and each lecture shall be of one hour's duration.
4. Each Lecturer shall examine his class weekly on the subjects treated of in the preceding lectures, and each examination shall be considered a lecture.
5. A roll of names of the Students attending each class shall be called from time to time, in order that certificates of attendance may be given at the end of the Course.
6. The Matriculation examination is similar to that required by McGill University, Montreal, adopted under the Medical Act for Ontario, and recommended by the "Council of Medical Education and Registration" of Great Britain. Students desirous of passing it may present themselves to the Principal of

the College at any time during the Session. Students, not matriculating, may attend the classes without passing this examination.

Any additional information may be obtained on application to Dr. Rann, the Dean of the Faculty.

N.B.—Important changes are contemplated in the Medical Faculty. These will be embodied in the Faculty's Annual Announcement, which will be issued in course of a few weeks.
