

INDEX

Volume XX

Ascorbic Acid Content of Some Maritime Foods. B. C. Collier, M. F. M. Morrison and M. E. Morse.....	121
Barytes Deposit at Pembroke, N. S. A. E. Cameron.....	57
Cameron, A. E. Barytes Deposit at Pembroke, N. S.	57
Collier, B. C., M. F. M. Morrison and M. E. Morse. The Ascorbic Acid Content of Some Maritime Foods.....	121
Dore, W. G. and A. E. Roland. The Grasses of Nova Scotia.....	177
Ferns of Nova Scotia. A. E. Roland.....	64
Fishes of Malpeque Bay. A. W. H. Needler.....	33
Gates, R. R. Some Recent Aspects of Genetics.....	127
Genetics, Some Recent Aspects of. R. R. Gates.....	127
Grasses of Nova Scotia. Dore, W. G. and A. E. Roland.....	177
Marine Fish and Salp Records. R. A. McKenzie.....	13
Marine Records from Nova Scotian Fishing Waters. R. A. McKenzie.....	42
McKenzie, R. A. Some Marine Fish and Salp Records.....	13
McKenzie, R. A. Some Marine Records from Nova Scotian Fishing Waters.....	42
Morrison, M. F. M., see Collier, B. C.....	121
Morse, M. E., see Collier, B. C.....	121
Needler, A. W. H. A Preliminary List of the Fishes of Malpeque Bay.....	33
Odonata of the Maritime Provinces, Additions to the List. E. M. Walker.....	159
Pneumothorax Gases. C. B. Weld.....	1
Presidential Addresses:	
1938. G. H. Henderson.....	21
1939. Harold S. King.....	47
1940. Harold S. King.....	141
1941. R. J. Bean.....	289
Proceedings of Annual Business Meetings (Treasurer's Reports, Librarian's Reports, Officers Elected):	
1938.....	27
1940.....	149
1939.....	50
1941.....	293
Proceedings of Ordinary and Extraordinary Meetings:	
1938-39.....	28
1940-41.....	150
1939-40.....	51
1941-42.....	294

INDEX

Roland, A. E. The Ferns of Nova Scotia.....	64
Roland, A. E., see also Dore, W. G.....	177
Walker, E. M. Additions to the List of Odonata in the Maritime Provinces.....	159
Weld, C. B. Pneumothorax Gases.....	1

ABSTRACTS

Armstrong, F. H. The Growth Rate of Salmon Embryos.....	157
Arnell, J. C. and Coffin, C. C. Further Studies on the Decom- position of Ethylidene Diacetate Homologues.....	56
Bauld, W. S. and C. W. Small. The Synthesis of Substituted Phenanthrenes Related to the Steroids.....	154
Bauld, W. S. and R. D. H. Heard. Steroids X. The Metabolism of Ovarian Follicular Hormone.....	299
Bauld, W. S., R. D. H. Heard and M. M. Hoffman. Steroids XI. The Isolation of a Water Soluble, Ether Insoluble Conjugated Estrogen from the Urine of α -Estradiol-Injected Rabbits...	299
Begg, R. The Inorganic Nutrient Requirements of <i>B. Coli</i> <i>Communis</i>	30
Bell, H. P. Calyx and Structure of the Gravenstein Apple.....	54
Bell, H. P. Winter Growth in the Vegetative Buds of the Wagener Apple.....	155
Bell, H. P. The Origin and Histology of Bordeaux Spray Russeting on the Apple.....	300
Brown, H. H. The Sponge Fisheries of the West Indies.....	297
Coffin, C. C. A New Type of Calorimeter.....	31
Coffin, C. C., see Arnell, J. C.....	56
Collins, V. K. A Study of Fish Spoilage.....	30
Collins, V. K. The Production of Dimethylamine in Cod Muscle Press Juice During Spoilage.....	55
Davson, H. and J. P. Quillam. Permeability of the Eye Membrane.	54
Davson, H. and E. Ponder. Photo-Dynamic Haemolysis.....	55
Davson, H. The Effect of Fluoride on the Permeability of the Red Blood Cell.....	154
Davson, H. and C. B. Weld. Studies on Aqueous Humour.....	155
Davson, H. Potassium Chloride Haemolysis.....	297
Davson, H. A Form of Membrane Catalysis.....	300
Dyer, W. J. Phytin as an Organic Constituent of Soil.....	154
Dyer, W. J. "Putty" Spoilage of Salt Fish.....	300
Dyer, W. J., see Sigurdsson, G. J.....	301

Edson, M. and R. D. H. Heard. Hydrolysis of the Conjugated Oestrogens of Mare's Pregnancy Urine.....	31
Elliot, L. G. An Adiabatic Calorimeter for Determining Heat Capacities of Metals from 100°C. to 200°C.....	56
Feindel, W. H. Somatic Chromosomes in <i>Vicia Faba</i> L.....	155
Feindel, W. H., see also C. B. Weld.....	298
Frank, M. and E. Hess. Survival of <i>Eb. typhosa</i> and <i>Es. coli</i> on Salt Fish.....	153
Frank, M. and E. Hess. Studies on Brown Halophilic Molds of the Genus <i>Sporendonema</i> emend. Ciferri et Redaelli.....	155
Hayes, F. R. The Hatching Mechanism of Salmon Eggs.....	157
Hayes, F. R., see also Johnstone, J. H. L.....	31
Heard, R. D. H. The Synthesis of d:1- β -3:4-Dihydroxyphenyl-N-Methylalanine.....	30
Heard, R. D. H. and A. F. McKay. The Isolation of a New Androstanol-3(β)-One and of Allo-Pregnanol-3(β)-One-20 from the Urine of Pregnant Mares.....	53
Heard, R. D. H. The Oestrus-Inducing Gonadotrophic Substance. II. A Comparison of the Infantile and Adult Rat Assays.....	54
Heard, R. D. H. and M. M. Hoffman. Steroids III. Observations on the Constitution of a New Keto-Lactone from the Urine of Pregnant Mares.....	55
Heard, R. D. H. and M. M. Hoffman. Steroids IV. The Isolation from Equine Pregnancy Urine and Characterization of a New Member of the Female Sex Hormone Series.....	153
Heard, R. D. H. and A. F. McKay. Steroids V. The Kishner-Wolff Reduction of Dehydro-Iso-Androsterone.....	153
Heard, R. D. H. and A. F. McKay. Steroids VI. Observations on the Constitution of Androstanol-3(β)-One from Equine Pregnancy Urine.....	156
Heard, R. D. H. and A. F. McKay. Steroids VII. The Synthesis of Androstanol-3(β)-One-7.....	156
Heard, R. D. H. and M. M. Hoffman. Steroids VIII. The Conversion of Estradiol to Estrone in Man.....	156
Heard, R. D. H. and M. M. Hoffman. Steroids IX. The Metabolism of the Corpus Luteal Hormone, Progesterone.....	298
Heard, R. D. H., see also Edson, M.....	31
Heard, R. D. H., see also Bauld, W. S.....	299
Hess, E., see Frank, M.....	155
Hoffman, M. M., see Heard, R. D. H.	
Hoffman, M. M., see also Bauld, W. S.....	299

Hollett, A. The Carbohydrate Metabolism of Developing Salmon Eggs.....	53
Hollett, A. The Phosphorus Content of Lobster Blood and Muscle.....	298
Johnston, W. W. An Undescribed Compound of Histidine.....	30
Johnston, W. W. Fish Enzymes as Leather Bates.....	54
Johnston, W. W. and A. J. Wood. Observations on Sterile Cod Livers.....	298
Johnstone, J. H. L. and F. R. Hayes. The Ultra-Violet Absorption Spectrum of Salmon Egg Oil.....	31
McKay, A. F., see R. D. H. Heard.	
McKenzie, R. A. Canadian Atlantic Cod Migrations.....	31
McKenzie, R. A. Eastern Canadian Flat Fishes.....	54
McPhail, M. K. and H. C. Read. The Mouse Adrenal Gland I. Observations on Early Development, Degeneration and Regeneration of the X-Zone.....	300
McPhail, M. K. and H. C. Read. The Mouse Adrenal Gland II. The Sensitivity of the X-Zone to Various Hormonal Substances.....	301
Ponder, E., see Davson, H.....	55
Quillam, J. P., see Davson, H.....	54
Read, H. C., see McPhail, M. K.....	300
Sigurdsson, G. J. On the Carbohydrate Metabolism of Certain Bacteria Causing Decomposition of Fish.....	297
Sigurdsson, G. J., W. J. Dyer and A. J. Wood. The Relative Rate of Reduction of Trimethylamine Oxide and Sodium Nitrate by Certain Fresh Fish Spoilage Bacteria.....	301
Small, C. W., see Bauld, W. S.....	154
Weld, C. B. Photometric Measurements with the Ordinary Colorimeter: Hemoglobin Determinations.....	30
Weld, C. B. The Capillary Resistance Test.....	56
Weld, C. B., see also Davson, H.....	155
Weld, C. B. and W. H. Feindel. The Penetration of Sugars into the Aqueous Humour of the Eye.....	298
Wentworth, H. The Estimation of Allantoin in Blood.....	157
Wood, A. J., see Johnston, W. W.....	298
Wood, A. J., see also Sigurdsson, G. J.....	301
Young, E. G. The Ultra-Centrifugal and Electrophoretic Analysis of the Proteins of Egg White.....	30
Young, E. G. A Dietary Survey in Halifax.....	157
