PURPOSEFUL MONEY

Careless money is frittered away . . .
lazy money lies in drawers.

But purposeful money is saved with
an end in view . . . it knows what it
wants and plans to acquire it.

Purposeful money is made so by the
character of the people who possess it.

People who save before they spend
. . . people who make plans and carry
them through.

THE CANADIAN BANK OF COMMERCE
numbers many of these people among
its savings account depositors.

Your money can become purposeful
through the opening of a savings
account at

THE CANADIAN BANK OF COMMERCE

Five branches in Halifax and one in Dartmouth to serve you.

21,068 SQUARE MILES of INDUSTRIAL OPPORTUNITY

The industrial picture in Nova Scotia is brighter today than it has ever been.

In a decade manufacturing production has increased by 115% to nearly \$400 million. Last year the highways department spent \$14 million on roads and plans to spend at least as much again this year. New capital expenditure on Nova Scotia projects during 1958 is estimated at \$207 million—10% more than in 1957. Electric power consumption advanced 4% to 764 million kilowatt hours.

Industrial Estates Limited, the recently formed crown corporation, built four important new factories in Nova Scotia last year—indicative of the aid the Government of this Province is providing to encourage new industries to locate here.
