

Make Your Will NOW!

- Have you made your Will . . . or had it reviewed in the light of to-day's income taxes and succession duties? In either case, you should not delay a day longer. With duties and taxes what they are, your estate should be protected to prevent liquidation of its assets. Most men are in a quandary what to do, so complex are the changes.
- We are, however, familiar with these matters and our expert knowledge can save you money and help you maintain your estate at a maximum. Why not arrange for a confidential discussion of your Will or any problem concerning your Estate. No obligation.

She's Right in the Centre of Things

The Long Distance Telephone Operator wears no uniform but she's a vital worker in the war. Her job is to get through the calls that build ships and guns and planes and tanks. And help a soldier talk to the folks back home.

Her job is an exacting one these days—putting through vital war calls that must have priority, and at the same time trying to give a civilian service that will satisfy.

You can help by placing your Long Distance calls during the hours when traffic is lightest. You will help to speed vital war messages through, and get better service for yourself by using the less congested periods. Try to place your calls before 9.30 a.m., between 12 noon and 2 p.m., between 5 and 7 p.m., and after 9 p.m.

LET us all dedicate our full energies to Victory. "Speed the Victory" is more than a phrase to spur on the war effort. It is a hope and a prayer in the hearts of anxious mothers and fathers, sisters and brothers throughout the land, that their fighting sons will be home soon and well. Let us all spend less, save more and seek out new ways to broaden our personal war effort. No service, however small, is too small in war-time.

The men and women in our fighting forces long for "News from Home." Write to them often—and regularly—Keep your letters cheerful.

"The young men are thinking and thinking hard. They do not intend to make victory an end in itself. Their battle cry is 'Victory and afterward,' and they do not fight any worse for that."—From Beverley Baxter's London Letter (*Maclean's* for May 15, 1942).

The Lamp of Memory Burns with New Oil

AS WELL-KNOWN DESCRIPTION OF NOVA SCOTIA ENTITLED "ULTIMA THULE", THE LATE DR. HIBALD MACMECHAN, GEORGE MUNRO PROFESSOR OF ENGLISH LANGUAGE AND LITERATURE AT NOVA SCOTIA UNIVERSITY, SAYS:

"Nova Scotia was nursed and bred in War. For a hundred and seventy years the Provincial Capital was a naval base where huge armaments assembled for use in world-wide campaigns. Nova Scotians in war after war have won fame on battle-fields under alien skies. For them every hamlet and countryside knew pride and sorrow. But they will never be forgotten. On every hand arise pillars of remembrance. Between the two Capes, the lamp of memory burns with new oil, and, by that immortal beacon, the soul of the ancient Province will ever be cheered and guided."

BY NEW OIL IS POURING INTO THE LAMP OF MEMORY. WITH THE FREEDOM OF THE WORLD AT STAKE, OUR SONS GONE ONCE MORE TO WAR. OUR FAITH IN THEM IS STEADFAST. OUR PRIDE IN THEM IS GREAT. THE COMPASS OF OUR COURAGE AND FAITH MAY BE MEASURED BY THE PLANS WE ARE MAKING FOR THEIR FUTURE.
