

NOVA SCOTIA

CANADA'S EASTERN GATEWAY

NOVA SCOTIA is the nearest Canadian Province to Great Britain. As the oldest established Province of the Dominion, it has more to offer the newcomer from the standpoint of social conditions, than the newer Provinces of the west. There are other important reasons, however, why British people should settle in Nova Scotia.

NOVA SCOTIA has the most basic resources for industrial development of any portion of the American Continent. While her industries are expanding rapidly, agriculture still remains of prime importance and last year the Province was favored with crops to the estimated value of over \$49,000,000.

ANNUAL WEALTH

Returns for 1920

Coal	\$34,080,000
Coke and By Products	4,200,000
Gold and other Minerals	267,500
Gypsum, Limestone, etc.	2,475,000
Building Materials and Clay Products	2,312,600
Iron and Steel Products	15,520,000
Fisheries	13,890,000
Manufactures, Ships and Freights	59,100,000
Products of the Farm	49,456,500
Products of the Forest	17,390,000
Game and Furs	850,000
Grand Total	\$199,541,600

NOVA SCOTIA has land suitable for Mixed Farming, Market Gardening, Dairying, Sheep Raising and Fruit Growing. Her apples are among the finest flavored in the world. Trees bear from five to ten years after planting and yield profitably for from sixty to one hundred years. Nearly a million acres of land not yet planted are suitable for orcharding.

NOVA SCOTIA has strong local markets and unexcelled opportunities for exporting. Her ports, a number of which rank among the most accessible and safest harbors in the World, are near to the great international trade routes.

NOVA SCOTIA, unlike the great prairie Provinces of Canada, the development of which depend very largely upon one or two resources, presents the greatest variety of agricultural industrial and Commercial opportunities of any part of the Dominion of Canada.

111 YEARS

ONE HUNDRED AND ELEVEN years ago we introduced ourselves to the Merchants and Contractors of the Maritime Provinces as Public Servants, and out of a modest beginning grew a business that has never departed from the SPIRIT OF SERVICE which was the ideal of its founders. This business which was 57 years old at the time of Confederation has never changed hands except as the business descended from father to son, and other family members entered, and its most cherished asset after all these years is the friendly GOOD-WILL of the public it serves.

Our Service to the Constructive
Forces of the Maritime Provinces
has been wide in its Scope

The lines we specialize in have entered fully into all of the varied works of industry that increase the wealth of our country. Especially have we served:

*CONTRACTORS OF PUBLIC AND
PRIVATE BUILDINGS AND
INSTITUTIONS.
RAILROAD BUILDERS
SHIPYARDS
MINING INTERESTS
LUMBERMEN AND BUILDERS OF
PRIVATE HOMES.*

Over a Period of 111 Years We Have Achieved a Standing, a reputation in the commercial world for a service well performed, and we will continue to follow the ideals and principles that have created it.

Superiority In The Newspaper Field!

Superiority in the newspaper field is not attained in a day or in a year, but is the reward of years of faithful service rendered to the people of the constituency in which that newspaper circulates—Such is the position enjoyed by

“The Morning Chronicle”

the daily Newspaper that has been, and is still recognized as “Nova Scotia’s Greatest Newspaper.”

Ask Any Dalhousian

Ask Dalhousie graduates, old and new, which newspaper carries the BEST Editorials, the MOST authentic news, and is altogether the best all round daily newspaper in Nova Scotia and we believe nine out of ten will answer “The Morning Chronicle.”

There are MANY EXCLUSIVE AND SUPERIOR features about “The Morning Chronicle.” First of course is the reliability and promptness of its news service—To be well and reliably informed—to keep posted on the daily happenings at home and abroad you must be a regular reader of “The Morning Chronicle”—The yearly subscription price is \$6.00. You will find “The Morning Chronicle” worth five times that to you.

IN Buckingham Palace Today— In Your Home Tomorrow?

PRINCESS LOUISE

A ROYAL
AMHERST
PIANO

THE Princess Louise Piano made by us is a replica of the one selected by H. R. H. the Princess Royal and christened by her "Princess Louise".

The original rests in her quarters in Buckingham Palace. The replica—identical in every respect with the one that won the wonderful distinction of being chosen above all other instruments by one with exalted musical taste and authoritative tutoring—can be yours for a moderate amount.

Suberb—Supreme—it confers distinction on the home that has one; it ministers to every musical mood with a beauty and fullness no other instrument can attain.

When You Are Among Those "Next of Kin"

WHEN a man dies without leaving a
Will, the members of his family
find themselves in much confusion:—
What is to be done about the business?
How are these securities to be divided?
If that happens to you, or to any
friend of yours, remember that the short-
est cut out of the confusion is a petition
to the Court for the appointment of

THE CANADA PERMANENT TRUST COMPANY

as administrator of the estate. A prompt
settlement follows— as equitable to all
parties as the law permits.

The fact remains, however, that no
settlement of an unwilling estate can ever
be satisfactory to everybody. Someone
will have a lifetime of thinking—"I know
Father would have planned things so dif-
ferently."

The only way is to make your will,
naming as your executor

The Canada Permanent Trust Company

Your family is then assured smooth-
ness of settlement, security in your es-
tate, and that just division which only
you can make.
