“If I had the time?

Why Wait for That?

Many a business executive has been heard to remark, “One of these days, when I have the time, I’m going to get out a booklet”, (or a folder, catalogue, or other form of printed matter, as the case may be). But time and inclination often prove elusive ingredients—and meanwhile an aid to selling that might be doing profitable work stays uncreated.

Busy executives can solve problems of this nature very readily—by utilizing “Imperial” service. For we have on our staff men experienced in planning and writing all forms of “printed salesmen”. Their services are at all times available to our clients.

Enquiries welcomed and printing estimates supplied. No Obligation.

Cheapest and Quickest

Station - to - Station Long Distance Calls

It's cheaper and faster to use Station-to-Station Service on your Long Distance Telephone calls. A Station-to-Station Call is one where you ask for a **telephone number**, and not for a particular person.

The saving through using this class of service amounts to as much as thirty per cent on calls during the day. On calls after seven p.m. the average saving is larger still. Besides, your call goes through much more quickly—usually while you hold the line.

Save yourself money and get quicker service by using Station-to-Station Service whenever possible. Remember it especially on Sundays, as Night Rates are effective all day then and your saving is still greater.

LET us all dedicate our full energies to Victory. "Speed the Victory" is more than a phrase to spur on the war effort. It is a hope and a prayer in the hearts of anxious mothers and fathers, sisters and brothers throughout the land, that their fighting sons will be home soon and well. Let us all spend less, save more and seek out new ways to broaden our personal war effort. No service, however small, is too small in war-time.

The men and women in our fighting forces long for "News from Home." Write to them often—and regularly—Keep your letters cheerful.

Victory and Afterward

“The young men are thinking and thinking hard. They do not intend to make victory an end in itself. Their battle cry is ‘Victory and afterward,’ and they do not fight any worse for that.”—From Beverley Baxter’s London Letter (*Maclean’s* for May 15, 1942).

AFTERWARD is the lifetime of to-day’s young men and their children. Older folk to-day are custodians of what these young people are to take over later. Build Canadian NOW in a purely domestic operation—INSURANCE.
