A Royal Bank PERSONAL CHEQUING ACCOUNT

actually makes saving easier

If you are in the habit of paying bills by cheque, drawn against your Savings Account, a Royal Bank Personal Chequing Account is tailor-made for you.

This way you pay all your personal and household bills by drawing against your Personal Chequing Account. You can then leave your Savings Account strictly alone, to grow and prosper with your regular deposits plus interest.

You will find that having two separate accounts, one for savings, and the other for personal chequing, *actually helps you to save.*

We have a pamphlet at every branch which answers all your questions about the new Royal Bank Personal Chequing Account. Please ask for a copy.
