The three words above adequately describe the ideal executor of Your Will. The future of those you will leave behind is dependent upon these qualities in the executor who will administer your estate. Only a Trust Company can possess these qualifications. We should be pleased to discuss with you the vital matter of Your Will, and as executor and trustee offer strength and experience gained in over 45 years of progress and development.

THE HEART OF HOWE

By D. C. Harvey \$1.50

Selections from the Letters and
Speeches of Joseph Howe

Joseph Howe was a great Nova Scotian and a great Canadian. In his letters and speeches he has left us lasting proof of his noble mind and character, as well as valuable information on Canada's historical development.

AUTOBIOGRAPHY WITH LETTERS

By William Lyon Phelps \$3.75

The autobiography of America's most beloved man of letters gives the full flavor of his extraordinary personality. Full of anecdote and memories of men and manners in many countries, it has the same infectious enthusiasm that has delighted audiences everywhere. Professor Phelps gives intimate portraits of the men he has known—Joseph Conrad, John Galsworthy, Maeterlinck, G. K. Chesterton, Thomas Hardy and many others—including hitherto unpublished letters.

AN INVITATION to Young Executives

This year hundreds of young Canadians will assume the larger responsibilities that go with executive promotion. Not a few will head their own firms for the first time, form partnerships, plan the expansion of existing businesses.

The Royal Bank of Canada welcomes the opportunity of helping these younger business men in bringing their plans to fruition and of discussing their problems with them at any time. Your local branch manager invites your enquiries.

A New Exclusive Solvent in Esso and 3-Star Gasolines

DISOLVES GUM AND CHECKS CARBON

● Claims for gasoline improvements have been many and varied. But here is an improvement that has been granted a patent by the Canadian Government. That means definite recognition that the product has new, useful and improved characteristics.

A new solvent is now being added to Esso and 3-Star Gasolines which dissolves gum and checks carbon formations that rob your engine of power. Instead of baking into hard sticky deposits in your engine, these trouble-forming elements are blown out through the exhaust.

No one can duplicate the new patented formulae of Esso and 3-Star. No other gasoline can duplicate the performance of Esso and 3-Star. Decide now to have a cleaner, livelier engine. Next time you need gasoline fill up at the Imperial sign.

113 YEARS

The Halifax Chronicle has been closely linked with the history of Nova Scotia for 113 years. It is one of the most quoted newspapers in Canada, and is the only paper of the Maritimes of which that impartial authority, the Encyclopedia Britannica, says it is "of national reputation and wide political influence."

Adhering always to a sound, sane editorial policy it has won and enjoys the confidence of all sections of the people to a marked degree.

The Halifax Daily Star, established in 1873, is associated with the Chronicle as an afternoon paper. These two, in combination, provide an excellent coverage of the entire province.
