ROYAL BANK

2 ACCOUNT PLAN

1. Use your SAVINGS ACCOUNT strictly for saving. Put in a definite amount at set intervals—say every pay-day. Leave it there. Your regular deposits, plus steady bank interest, will quickly create a worthwhile backlog of savings.
2. Keep a separate ROYAL BANK PERSONAL CHEQUING ACCOUNT for paying bills. It's the business-like, money-saving way to handle your regular finances. And it helps you avoid "dipping into" your savings. Ask for folder at any branch.
