

MICHAEL KULYCKY

I Love the Nude Grey Scenes

i
love the
nude grey

scenes of
winter
trees—the

way all
ponds and
rivers

freeze. i
love to
crunch a-

cross glazed
snow or
kick first

drifts with
sealed-
tight

boots. i
love the
sparrows

and the
crows whose
less-than-

splendid
calls com-
pose the

music
for this
dear repose.
