The Society for the Study of Architecture in Canada is a learned society devoted to the examination of the role of the built environment in Canadian society. Its membership includes structural and landscape architects, architectural historians, urban historians and planners, sociologists, folklorists, and specialists in such fields as heritage conservation and landscape history. Founded in 1974, the Society is currently the sole national society whose focus of interest is Canada's built environment in all of its manifestations.

La Société pour l'étude de l'architecture au Canada est une société savante qui se consacre à l'examen du rôle que joue l'environnement bâti dans la société canadienne. Parmi ses membres, on retrouve des ingénieurs en structure, des architectes de paysage, des historiens en architecture et en urbanisme, puis des urbanistes, des sociologues, des folkloristes et des spécialistes dans des domaines tels la préservation du patrimoine et l'histoire du paysage. Fondée en 1974, la Société est présentement la seule association nationale dont l'intérêt se concentre sur l'environnement bâti du Canada sous toutes ses formes.
