In memoriam — Angela McGrath

It is with a very heavy heart that we share the news that Angela McGrath has passed away, after a short but serious period of illness. Our condolences and thoughts are with her husband Kevin and their daughter Alicia during this time.

Many of you know Angie from her work with the Registrar's Office, she had been with us for 25 years. When asked, her colleagues remember her as kind, patient, and always willing to help. She knew everything about academic transcripts, as that was her primary responsibility for much of her time in the RO. In more recent years, she helped support her team members with old records on microfiche, which most of our junior staff have never used! Her most recent position in the RO was as a valued team member in the Enrolment Processing and Support Unit, where she became the expert on Graduate Studies admissions applications. She was always happy to be working directly with our students, answering phone calls and emails with the same gentle support she had for colleagues.

Angie's full obituary can be found [here](#). There will be a Celebration Of Life Saturday, April 15, at 1 p.m. in First Baptist Church, 1839 Hammonds Plains Rd., Hammonds Plains. Donations in her honour may be made to Hospice Halifax. Flowers also accepted and appreciated.

Losing a colleague is a unique and acute kind of pain. Please remember that EFAP is here (1-800-387-4765 or workhealthlife.com) and do not hesitate to connect with them.
