BLACK AND GOLD REVIEW

One of the most fun-filled and best remembered evenings of Winter Carnivals of the past is the evening of the Black and Gold Review. Now a well instated tradition, the Black and Gold Review provides a few hours of laughs, chuckles and relaxation as each and every campus organization and residence demonstrates its talents through a skit, song or you name it.

This year the Black and Gold Review will be held in the Dal gym on Sunday evening Feb. 9th commencing at 7:30 p.m. Door prizes will be given and a panel of judges will decide on the best routine.

Each year students are turned away at the door so be sure to arrive early.

More services now offered in SUB

By JACK SOMMERS

With the last of the construction workers putting the finishing touches on the new SUB, many services never before available to the Dal student are coming into operation.

Here are some of those changes:

Games Room—Already proving to be one of the most popular areas in the building, the games room offers you a choice of billiards, snooker, pool, table tennis, and shuffleboard all at the most reasonable rates in town. Regular hours are:

Monday to Thursday 10:30 a.m. to 11:30 p.m.

Friday and Saturday 10:30 a.m. to 12:30 a.m.

Sunday and holidays 12:00 noon to 11:30 p.m.

The Card Room—This room is exclusively for the card addicts. Ten four player bridge tables are presently available and an 8 player poker table is expected to arrive any day now. Hours for this room are the same as the general hours of operation. **Men's and Women's locker rooms**—Over two hundred lockers each for men and women are available at a low rental charge (includes the lock). These rates are:

\$1.00 per term plus \$1.00 refundable deposit for the lock.

\$.50 per week plus \$1.00 refundable deposit for the lock.

\$.15 per day plus \$1.00 refundable deposit for the lock.

Again hours of operation are the same as those for the building. Details available at the Games Room Control Desk.

Special Notices Board—In the basement lobby a glass case notice board is available to students and faculty members with something to sell, trade, buy, request and offer rides, as well as other miscellaneous notices. Forms available in Publicity Office, Room 212, Second Floor.

The Stereo Room—Located on the main floor, this room is already crowded and its opening was only announced by word of mouth. By depositing your University ID card with the Enquiry Desk, you can borrow a headset plus stereo 8 cassette of your favorite recording and plug yourself into the "true stereo sound" from any of the six cassette players in the Stereo Room. Our tape library presently has 65 tapes, plus another 45 on order. Because of its tremendous popularity, we will be ordering a further thirty tapes plus ten tapes a month to the end of the

academic year. If you'd like a particular tape we don't have fill out one of the suggestion forms available in the Stereo Room, Music Lounge or the Enquiry Desk.

Hours for the stereo room and tape lounge are:

Monday to Thursday 10:30 a.m. to 11:00 p.m.

Friday 10:30 a.m. to 1:00 a.m.

Saturday 11:00 a.m. to 1:00 a.m.

Sundays and holidays 12 noon to 11:00 p.m.

The Music Lounge—This is easily one of the most adaptable rooms in the SUB. The stereo amplifier unit will operate on no less than six separate channels. AM radio, FM radio, stereo record player, 4 track stereo tape cartridge player and recorder and stereo tape recorder and player (variable speed). Students may use this equipment during regular operating hours. If you wish to reserve ahead of time simply sign the Music Lounge book at the Enquiry Desk. Although tapes may be borrowed from the Tape Library, students are welcome to bring their own records, tapes and tape cartridges.

As a special service students may also use the equipment for tape recording sessions. Those wishing this service are requested to arrange a time through the enquiry desk or the Reservations office, Room 210, second floor.

Reading Lounge—On order and expected in soon, many magazines and newspaper subscriptions have been ordered, as a result of a preference poll taken before Christmas. For a complete list see the posters in the Building.

News Services at the Enquiry Desk—In filling its role as information centre of the building, a number of new services have been started here.

It is now possible to reserve facilities in the SUB for any time period up to one week ahead of the present date. Complete information on all meetings, events, dances, films, etc., for daily and weekly periods is available from the personnel on duty.

Unfortunately, this year the "Student Directory" will not be published. However, the Desk has a bound copy of the computer lists of student names, addresses and telephone numbers. This list is by no means completely accurate, but information will be given upon request. This information can also be obtained by calling 424-2140 (the Enquiry Desk number). Has something in the SUB made you angry? Or would you like to make some recommendations or suggestions about changing or adding something? Fill out

a convenient form at the Desk and we will contact you to take action to satisfy your request or complaint. Any action taken on suggestions and complaints will be posted on bulletin boards and possibly announced in the Gazette.

Do you want literature on some subject? We have pamphlets, flyers, booklets, etc., on such topics as CUS Life Insurance. We also have a supply of current editions of the Gazette, Sublicity, Dalhousie Newsletter, The Ansul, The Alumni News, and many other free publications of various departments within the university.

The Cafeteria—Under the operation of Versa Foods, the Cafeteria attempts to offer good food at low prices. Week day specials for lunch and supper offer a complete meal at a special lower price. Hours of operation are:

Monday - Friday 8:00 A.M. to 6:30 P.M.

closed all weekend.

Due to low demand, the Cafeteria will not be open weekends. However, the vending machines area is open at all times during regular hours of operation of the building.

General Services—Popular movies will be shown on most Sunday evenings for the rest of the term, usually double features.

Students are invited to submit any plans they may have for filling up the empty wall space with art work. The SUB Operations Board will pay construction costs for serious workable ideas. The art piece must be mountable on some sort of frame or platform that does not require permanent attachment to the wall. Contact Jack Sommers or George Munroe through the Director of Operations Office, Room 210, Second Floor.

The general hours of operation for the building (plus the Music Lounge, Main Lounge, Card Room, T.V. Lounge, Vending Machine Area, Reading Lounge, and Cultural Display Area) are:

Monday - Thursday 7:30 A.M. to 11:30 P.M.

Friday 7:30 to 1:00 A.M.

Saturday 10:30 to 1:00 A.M.

Sundays and Holidays 11:30 A.M. to 11:30 P.M.

Those requiring special use of the building facilities after the normal hours of operation must get written permission from the Executive of the Student Council, Clem Norwood, Director of Operations, or John Graham, Business Manager.

Moustache Party Sat. Afternoon

On Saturday afternoon, February 8th, in the McInnes Room of the S.U.B. there will be what some would consider, a boring afternoon drinking beer and listening to a monotonous band.

So far so dull! Why should you go? Why waste a buck?

Here's why! Waste a buck so you can listen to a live Dixieland band blasting out old gold. Waste a buck to get a genuine English glass beer mug in the admission price and the opportunity to purchase a hairy moustache and boater hat. Waste a buck so one of our twenty beautiful waitresses can bring beer to your own table that will be amply filled with free peanuts and cigarettes.

Take part, or merrily watch Canada's first inter-fraternity and inter-faculty chugging contest. Watch old movies, sing along to the music, enjoy yourself, you'll be sure to have a great time, Saturday from 1-5.

Know something? This doesn't sound like such a waste after all...

The Weekend Goes Downhill From Mt. Martock

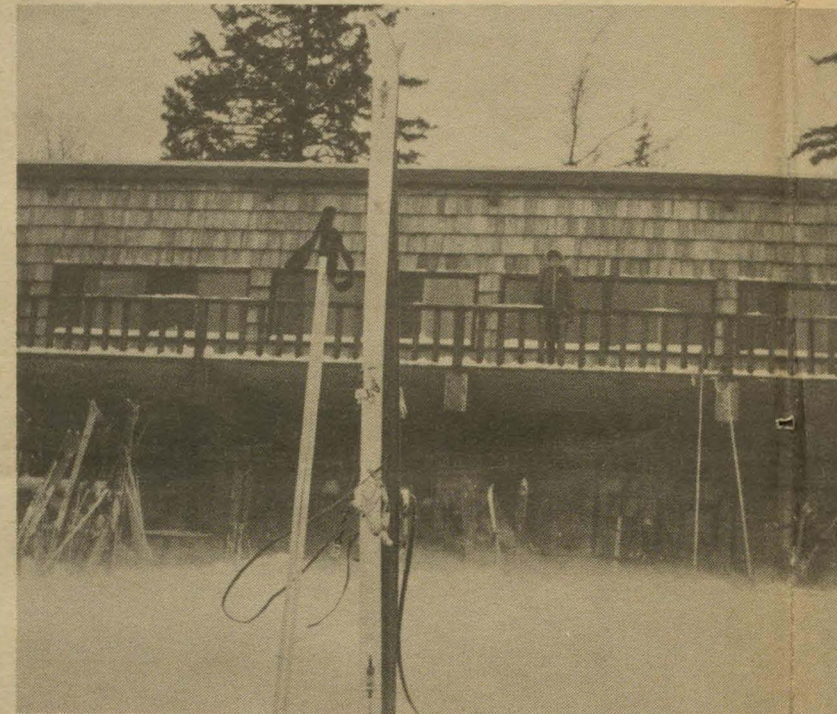

This year the day at Mt. Martock will not only be a lot of fun for everyone who takes part but it will also be a step forward in inter-university relations which are sadly lacking in this city. The betterment of inter-university and therefore inter-community understanding is the reason we are co-ordinating this part of Carnival with St. Mary's University.

Four buses will be at the S.U.B. at 8 a.m. on Feb. 7 and will leave when filled or on the hour, at the discretion of the campus police. There are only 60 sets of equipment, so arrive as early as possible. Anyone with space in their cars, please stop by the S.U.B. and offer those who might be stuck a lift to the slopes. This whole event is a unique opportunity to meet people and should therefore prove well worth the expense of time and money. The buses will leave Mt. Martock between 5 and 6:30 p.m. for the S.U.B. -- Don't forget in your alcoholic stupor that you

must make the bus in order to get back.

From 9 until 11 in the morning there will be a meet between the Dal. and S.M.U. ski teams on the main slopes. From 11 on the main slope is yours. Also there will be some "fun" races on the alternate slope from 12 until 2 open to any Dal or S.M.U. student. In the recently enlarged lodge there will be a dance to the music of the Yellow Bus from twelve until five. This group is comparatively new to the Halifax music scene but the five of them are all accomplished musicians and do anything from Jimi Hendrix and the Cream to Butterfield Blues. They have been involved with other groups locally but fusing into the Yellow Bus, they have found out where it's at.

There will be an open bar with cost price booze from noon on for those who don't ski and to assist those who are just beginning to ski.

SUB Swings with Soul Show

The Unifics are not a new group south of the border, but they are relatively new locally. With one of their records "The Beginning of My Own End" currently in the top ten in New York, the foursome will be appearing with Little Anthony and the Imperials during Winter Carnival. The group writes and performs most of its own material which is in the soul music vein. Tickets for the seven o'clock show are \$2.50 per person, while those for the nine o'clock performance \$2.75.

For ballads, beat, rhythm and pop - to go along with their frenetic dancing ability and just the proper dash of light humor - there probably is no other young adult cafe act around today, which grew out of the hot rock era of the late 1950's, to match Anthony and The Imperials.

Successful since 1958 when as Little Anthony and The Imperials they rushed the record heights with their initial million-selling disc, "Tears On My Pillow", Anthony Gourdine, Ernest Wright, Clarence Collins and Samuel Strain, intelligently realizing the overall importance of presentation and performance, finally decided that they were in show business - for good.

To that end, in 1966 they dropped the adjective "Little" from their billing to project to all their new image of an adult cafe act and continued the pursuit of right material and staging for their nightclub, college and one-nighter appearances.

All Brooklyn, New York-born, the quartet hasn't always been this strongly in accord. Following their initial disc smashes they parted for two years in order to find the proper grooves; Anthony doing a single and the others continuing as The Imperials. But it was only upon regrouping did they actually find that "proper groove". It is this groove which is propelling them to cafe stardom and achieving for them the accolades of adult audiences as well as satisfying their teenage fandom.

The group has made many outstanding TV and club appearances including spots on the Ed Sullivan Show, Today Show, Shindig, Murray the K Special, Mike Douglas Show, "What's Happening, Baby?" and Hallaballoo and engagements at the Top Hat in Windsor, Canada and the Hollywood Beach Hotel in Hollywood, Fla. February of 1967 found them at the Holiday House in Pittsburgh followed by a March engagement at the Flamingo Hotel in Las Vegas. They have also been a smash hit at most of the major colleges and universities across the country.

Their recent outstanding record hits include the current "It's Not The Same," and such previous singles as "Better Use Your Head," "Hurt", "Going Out Of My Head," "I Miss You So," "Hurt So Bad," "I'm On The Outside Looking In" and "Take Me Back". They record for United Artists Records.

Anthony and The Imperials personnel is made up of Samuel Strain, the eldest, who sings tenor, Ernest Wright, second tenor, Clarence Collins, baritone, and lead singer Anthony Gourdine.

Black and Gold Black and Gold Black and Gold

All the spiritous energy of nearly 100 Dalhousie students will explode before your very eyes at Winter Carnival 2,069's BLACK AND GOLD REVIEW -- the talent show where a little liquid courage is sometimes the key to a riotous performance.

A tradition at Dalhousie, this year's show will uphold the Black and Gold spirit with fraternity skits, jugbands, folk singers, comedy routines and a pop music group thrown in for good measure.

The purpose of the Black and Gold Review is summed up in one word: F-U-N. This means fun for the participants and fun for the audience who can sit back and belly-laugh at their lab partners, fraternity brothers and friends.

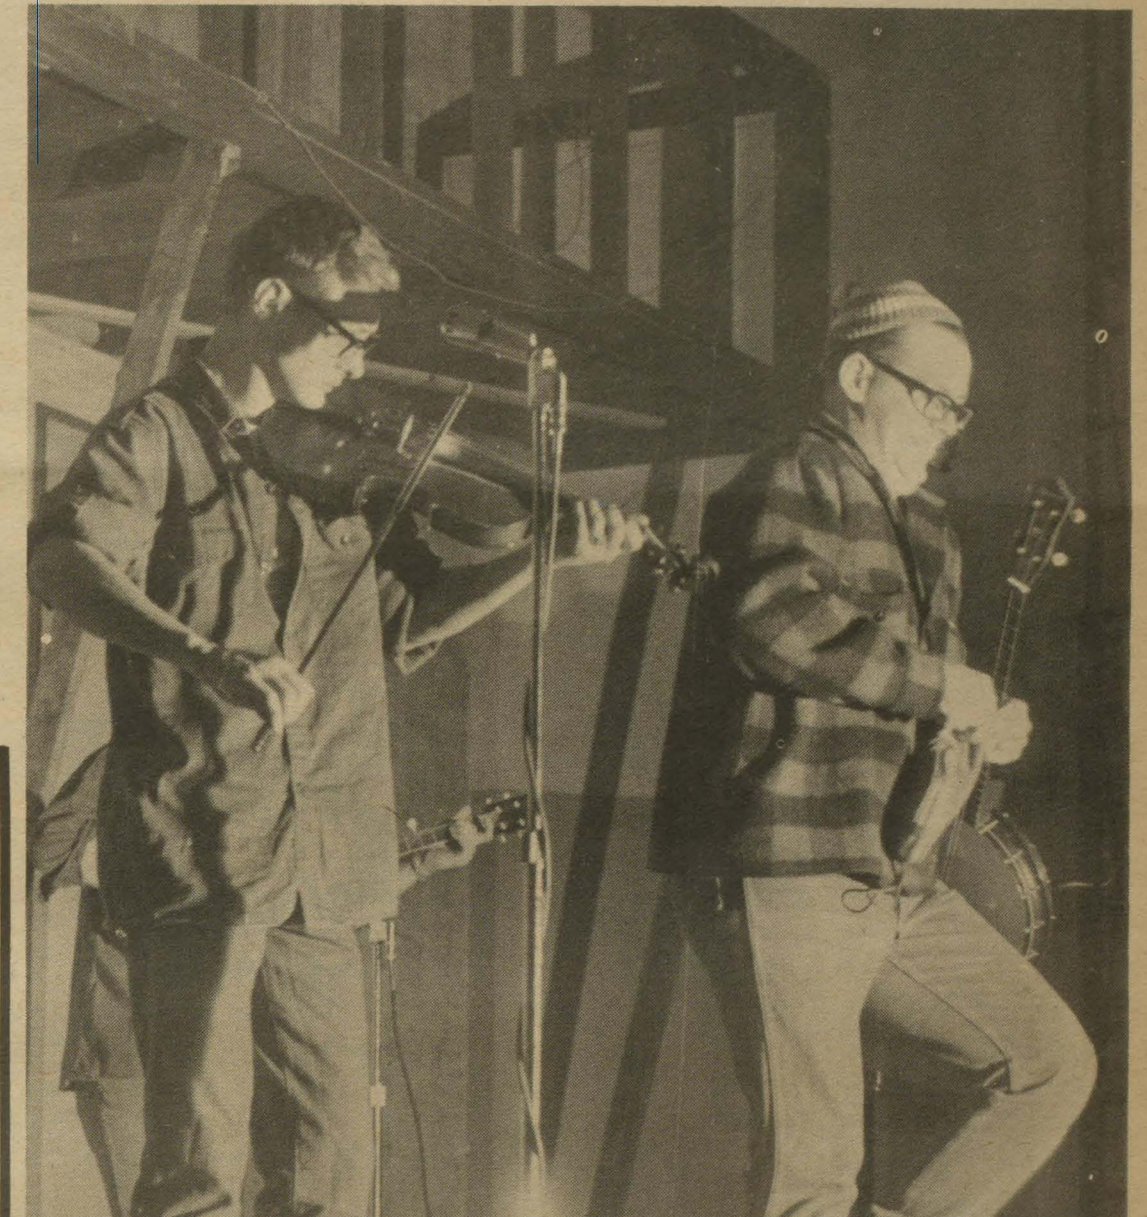

The big finale of Winter Carnival, The Black and Gold Review enables all students to get involved in the spirit of this year's Winter Carnival. The Black and Gold Review lets you express inborn talents which sometimes are only revealed in the shower or during an impromptu performance at a wine and cheese party, and provides an enjoyable evening for everyone.

Emcee is Mr. Ewan (Sudsy) Clarke of D.G.D.S. "I'll Abner" fame.

That's Sunday, February 9 in the McInnes Room of the S.U.B., The Black and Gold Review.

Entries accepted until February 5th.

Remember the snow sculptures. They will be created on the University Avenue Boulevard, weather conditions permitting.

Blast-off at Ball

For a futuristic beginning, for a futuristic Winter Carnival, there is the blast off ball, Thursday, February 6 from 9 p.m. to 2:30 p.m. The cost is only \$5.00, a small sum to pay for the pleasure of rocking to the sounds of Little Willie and The Soul Kings, a group that can really sock it to you. The feature singer, Bobby Wayne, is a man who makes music worth listening to.

For the quieter, mellow moments go to the Cafeteria and trip along with the smooth sounds of the Eddie Richards Combo, known for their great interpretations of contemporary music.

There will be a well stocked bar for the thirsty throats and platters of sandwiches for the starving stomachs.

Dress is formal or semi-formal, a chance to do your own thing.

In keeping with the theme, a light show, projections and effects will create the futuristic atmosphere of the year 2,069.

To add to all the excitement, the Queen of the Winter Carnival will be chosen and crowned at the Ball 2,069.

In addition, the beautiful 69 Mustang will be drawn for from the ball tickets so be sure to get yours as soon as you can.

Black and Gold Review

"If the response to the Black and Gold Revue is any indication, then the Winter Carnival is going to be a great success." According to Dan McSweeley of the Winter Carnival Committee, more than 100 people have signed up for approximately 17 acts and the Revue should be "at least as good as last year."

The Revue is a talent show with the accent on fun. "There is no real theme as such other than the basic Black and Gold. 2069 is the catchword, however, and according to the grapevine, some of the skits will have a futuristic idea. Variety

is the main thing, and there is "everything from fraternity skits to pop groups to folk singing to comedy and song routines." There is even a chorus line planned, with between 12 and 15 beautiful girls. The difference about the Revue this year is that there is some structured plan. Unlike former years, there will be a complete rehearsal to achieve a little continuity and make arrangements with the audio and lighting crews.

The Revue will be held Sunday, February 9 from 7:30 to 11:30 in the McInnes Room of the SUB.

Interview with The Chair lady

by DELLA RISLEY

The Winter Carnival is "going to be great" according to Janet Bird who is what else, Chairman of the Winter Carnival Committee.

The Ball, held first to imbue everyone with the Carnival spirit, will feature two bands who "can give a good adaptation of any contemporary music." The Moustache Club Saturday will be run "along the lines of the Moustache Club in Montreal", with a Cabaret featuring Dixieland music and a Chugging contest (700 cases of beer).

A Soul concert will take place the same night. Soul was chosen to get away from "last year's Acid Rock, where the sound had to be perfected to such a degree that when it is live, it just doesn't work." One group, the Unifics, are a recent discovery. In a contest at New York's Apollo Theatre they "stole the show completely."

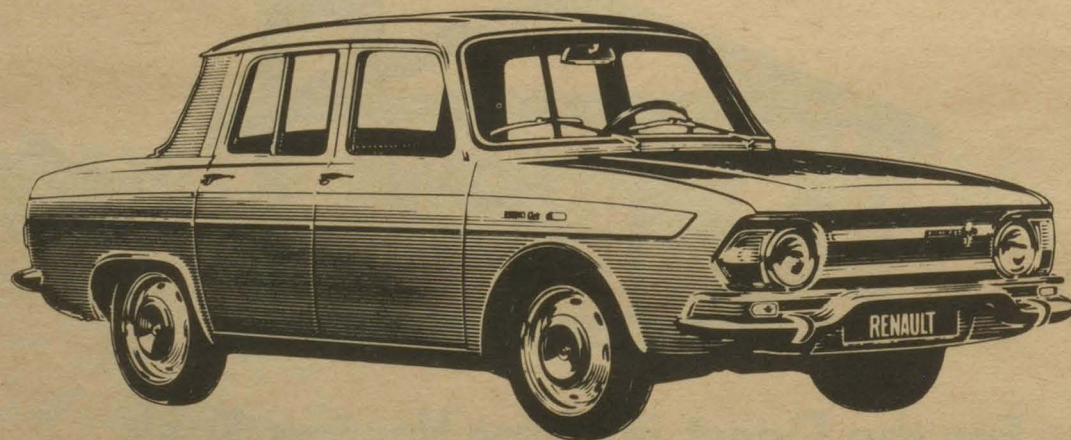

Another expected highlight is the Mixed Pool Tournament. "The idea is to get the girls interested in Snooker." The Chairman has little doubt as to whom the winner will be - Janet Bird.

A New Type of Queen

By DELLA RISLEY

The 1969 Winter Carnival Queen will be more a choice of the students than in former years. Committee Chairman Janet Bird said this is because of a new method of nomination which she instigated this year: "I felt it was time the students had some say in who represented them." Previously, the candidates were nominated by various University Societies, but now any girl who submits a list of 20 supporters can be a candidate for Princess.

Three of this year's Princesses were nominated in this manner. The Queen will represent Dal at Queen of the Universities Winter Carnival at Waterloo next year.
