Sr - My health is so precarious that the
has prevented me waiting on you. as I propose
the Lady who was so good as to take me
& bring me home could not go this week.
She begd I would write to you. to ask
the Day - you were to Lecture. on the
Orrery & to be so good - as to Let
her know. by Marks on the Lectures
which you Think. would be most useful
& necessary to us Ladies - as we
Suppose. There are many too high -
for us to understand - The Assembly
we Shall attend all - - I am Sr
your Humble Sert
