

Dear Dr
London Apr 22 1812

I Recd your Letter on the 15 and
was sorry that you have had so much
trouble and Expence in a nother mans
Business the Bill was sent of that Day
By the post I hope it came safe to
you

I hope you got to Dumfries in good
health and found all your friends well
and that the Country agrees with you
We have Very fine weather for the
Season But no alteration in the market
Wheat flour is 12s per sack oats have
fallen 2s a Quarter within the last
fortnight

Mr Dalziel will take charge of this
for you a young friend of yours he
has been in the house of Messrs
Mellison & Co But is now in Business
as a Ship Chandler at Lorne house
in a partnership Concern

Give my best Respects to all Enquiring
Friends and to your Brother which is
among my oldest acquaintances that
I had at the mill as we have Carpen
terd many a Ramey Day together

I am Dr Dr your obliged
Humble Servt
A Robie
