DE GARGAS

Recensement général du pays de la Cadis, 1687-1688. The author is undoubtedly Gargas (receveur principal), who goes into considerable detail, naming forty-nine places, giving a list of each town and village in Acadia, and under more minute headings than the Census of Meulles. Seven folio leaves, written on both sides. Dimensions: 13 1/4 in. x 14 in.
