HOUSE PACKED FOR PINAFORE

Med Ball To
Be Held On
Friday, Mar. 5

The annual Med Ball, sponsored by the Medical Society of Dalhousie University will be held Friday, March 5, in the main ballroom of the Nova Scotian Hotel at 9 p.m., according to an announcement by Lauchie MacLellan, a member of the committee in charge of arrangements for the annual affair.

The dress for the occasion will be formal, or semi-formal, and Don Warner's orchestra will provide the music.

Chaperones will be Dr. and Mrs. C.W. Holland and Dr. and Mrs. G. Wiswell.

Tickets will be available, at \$3.75 per couple, from the following persons; Bruce Miller, 2-2148; Emmerson Moffatt, 2-2148; Dick Groom, 2-3028; Lauchie MacLellan, 4-9632; Hugh MacDonald, 3-9774, and Roy Atwood, in the Gym Store.

The Med Ball, one of the big social events of the campus season, will be the first event of the Munro Day weekend, and should be a great jumping-off point for those who are going all-out in their Munro Day celebrations.

Committee in charge of the Ball includes, Lauchie MacLellan, Bruce Miller, Emmerson Moffatt and Dick Groom.

TOMMY GILES

Tommy Giles (above) president of the D.K.S.V.A. yesterday announced that over twenty entries had been received in the Dalhousie "Beautiful Babies" contest, and more were coming in every day. The brash challenge from U.B.C. will not go without a strong reply from the married veterans of Dalhousie University.

CAMPUS QUEEN HOPEFULS NAMED

The names of the Munro Day Queen candidates were released this week to a waiting campus by Jack Boudreau, Chairman of the Munro Day Committee.

The contestants include; Medicine — Elsie Cruickshanks
Law — Gwen Lugar
Dent — Kay Stack
Pharmacy — Jean Mitchell
Arts and Science — Lucy Calp and Marg Eustace
Commerce — Holly Flemming
King's — Nancy Jones
Pine Hill — Barbara Quigley
Engineers — Jenelle MacDonald

SUPPORT
THE
I. S. S.
APPEAL
FOR
CHILDREN

Wednesday, Feb. 25 — For two hours tonight I stood in a dark corner in the rear of a crowded Dalhousie gymnasium and witnessed the Dalhousie Glee and Dramatic Society's production of the Gilbert and Sullivan operetta, H.M.S. Pinafore.

I left the gym after the performance, passing through the milling throngs at the exit and listened to the remarks of the students who had witnessed the performance. Their expressions of pleasure and satisfaction mirrored my own thoughts—"Great", "Wonderful", "the best show ever put on by the Glee Club", "I'm going to see it again", all these words and many, many more were the theme of the conversation of the student audience after the show.

In the first flush of enthusiasm over what was, in my opinion, the finest student performance ever staged by a Dalhousie Drama group, I can't find enough words to say that Frank Flemming and his many, willing co-workers have reached what must be the culmination of all their hopes and desires in the sometimes thankless task of managing a university glee and dramatic group.

All the soloists were excellent—Lloyd Soper and Maynard Taylor fully lived up to expectations in their roles — but it was Eileen Cantwell who stole the show, with her sometimes brilliant characterization of Josephine, the Captain's daughter. Playing her first leading role in a Dalhousie stage performance, Miss Cantwell received thunderous applause after each and every one of her solo parts — applause which she truly deserved.

Frank Padmore's Dalhousie concert orchestra was excellent. The long weeks, even months, of practice did much to bring the orchestra to near-perfection — the small imperfections were more than counterpoised by the enthusiasm of the musicians. And the vivacity of the very impressive Mr. Padmore.

ARCHERY TOURNAMENTS

Practises in archery will be held in the lower Gym next Tuesday at 7.00 P.M., next Wednesday at 2.30 P.M., and next Thursday at 3.30 P.M. Draws will be held for the Tournaments. All turn out.

BERNAL SAWYER
— on ice —

I. S. S. CHAIRMAN PRESENTS REPORT

The ISS committee campaign for funds in conjunction with the Canadian Appeal for Children rolled up a total of \$800 to date out of a total objective of \$3,000, according to an announcement this week by Bernal Sawyer, Dalhousie ISS chairman.

The Tag Day, which utilised the services of taggers from Dalhousie and 3 from Kings, brought in a total of \$450.

The Campus King contest to date is rolling along at a fine pace, with the Shirreff Hall candidate, Bernie Creighton, in the lead, closely pursued by the King's candidate, Denne Burchell. Bernal's report carried this line "Delta Gamma and Alpha Gamma need to get cracking".

A special committee formed by the Faculty is looking after collections from faculty members.

The Shirreff Hall girls, under Helen Beveridge, have done a marvelous job in raising money. Bridge games, and sale of fudge in the mens' residence and enthusiastic backing of their candidate did much to swell the coffers of ISS.

One half of all the children who have been born in Europe since the end of the war are now dead. These babies are the future citizens of the world. Keep them alive by giving the food they need through the Canadian Appeal for Children.

Ice Carnival To Feature ISS Program

The first gala effort of the Dalhousie International Student Service committee this year will be the staging of an ice carnival at the Forum, according to an announcement by Bernal Sawyer, this year's I.S.S. committee chairman.

The program will include a bona fide hokey match between the Dalhousie girls' hockey team and a group of male students, a trifle jittery on skates, who are to be called the Kampus Karacters.

A tug-of-war on skates, featuring the presence of two-ton Engineer, Bert Cull, will be presented, together with girls' and boys' speed skating competitions, humorous skits, and a triumphal procession of the Carnival Queen by the Campus Kink candidates.

Following the ice show, the annual I.S.S. dance will be held in the gymnasium, with the crowning of the Campus King by the Carnival Queen being the high spot of the entertainment.

It is planned to have transportation provided from Dalhousie to the Forum and return, and full details will be posted on notice boards. Tickets may be obtained from Room 14, Arts building.

Mr. Sawyer announced that Mayor "Gee" Ahern has been responsible in a major degree for the successful plans completed to date.

EILEEN CANTWELL

Eileen Cantwell (above), a comparative unknown in Dalhousie Dramatic Society, stole the show in the production of the Gilbert and Sullivan Operetta, H.M.S. Pinafore.

PUT UP OR SHUT UP

These words are not intended for those who have already decided to cast ballots in the coming council elections. They are, however, quite definitely intended for the surprisingly large percentage who will avoid the polls. Among those who will remain absent there will be a small percentage not interested in campus affairs. For such conscientious objectors there will be some small excuse for abstinence. But for those who take part in extracurricular activities, and who wish to have anything at all to say about campus administration, there is little excuse for not voting. To such abstainers we say, "Don't vote! After all, it is your right to choose. But to them, also, we wish merely to say, **Keep quiet next year!**

EDITOR'S MAIL BOX

An open letter to the Students

Last week, Student's President Hamilton issued the statement that a plebiscite to raise the Dal Student's Council Fee to \$17. would go before the student body on election day. At first glance the natural reaction is one of disfavor -- the thought of having to pay \$7.00 more to attend school next year, but on investigation, any student who views with pride the accomplishments of the Glee Club, the Gazette, The Student's Council, Sodales, the D.G.A.C. and the D.A.A.C. will become an ardent supporter of the raise.

In the report made by a joint committee of the Senate Athletic Committee, after an exhaustive study in which every Canadian university was contacted, it was shown that Dalhousie's present fee was the lowest figure in Canada -- in fact, the proposed advancement would still leave us amongst the lowest!

That we have been running on a shoe string is no secret to anyone active in campus affairs. It is no secret to anyone who has had to endure the night-long meetings cutting down budgets to keep them within our sparse limits. Before the current price rises it was possible to carry on a restricted programme, now it is impossible. I hesitate to think where the athletic programme would have been this year, if the students had not passed the

extra \$1,700. from the sinking fund, for the replacement of equipment, in the plebiscite held last year.

The students of Dalhousie must pay for their coaching services, \$100.00 a week for ice during the hockey season, and next year may have to pay for an athletic field -- at any rate, we can't play our games on our own field, which puts an added burden on the Students. At other Canadian Universities these services are supplied by the university.

If the present standard of Student Activity is to be maintained this plebiscite must pass with not just a majority but an overwhelming majority. The future of the name of Dalhousie is in the hands of the present students let us hope that they investigate the matter, and act wisely.

Sincerely,

T. B. (Windy) O'Neill,
President, D.A.A.C.

Dear Sir:

I have just read the "Campus Roundup" column of February 20 in which your correspondent advocates a revision of the "D" system. He states that glee club awards should not be placed in the same classification as athletic "D"s which require "a lot more in sweat and effort."

His arguments are both unjust and unreasonable. Your correspondent is unjust to the many energetic glee club workers who put so much "sweat and effort" in their many achievements. He complains that glee club awards are gained in the "warmth and cleanliness of gym basements" as opposed, perhaps, to the cold, muddy atmosphere of Studley field. The writer did not mention practice in a stuffy, unhealthy gym basement as opposed to football drill in the invigorating afternoon air of Studley.

Your correspondent is also most unreasonable. He cites the "Blood and Guts" and "nervous and physical" requirements of athletics on the one hand, and the glee club atmosphere of "cajolery" and "non-urgency" on the other: football is a nightmare of nervous tension, dramatizes a veritable picnic. If the glee club practised "As You Like It" and "Dear Ruth" amidst mere fun and laughter, their performances are even more remarkable than was at first realized.

The writer places a premium on physical achievement or mishap. Is this the yardstick of the coveted "D" award? The award is granted for manifesting a high degree of college spirit of which athletic display is only one means. Your correspondent would award the highest recognition of college spirit to those who succeed in sports alone. The most enthusiastic and persevering glee club member would have to take second place to the "spirited" Studley stalwarts.

The glee club has most certainly done its share to promote college spirit. Let its most energetic workers be recognized to the full.

Sincerely,
John P. Martin

D-DAY PLANS PROGRESSING

Plans Near Completion For Dalhousie Radio D-Day Set For March 8

"Auditions for the seven positions as announcers for the Dal Radio Day will be held between 2 and 4 o'clock, Saturday, February 21, at CJCH." Art Mears, Publicity Director and key man behind the radio organization at Dal, announced today, Feb. 18.

Thirty-two applications for the position of announcer were received by Mr. Mears at an organizational meeting last Thursday, and since then the director, with the assistance of Les Page, has been lining up a program schedule.

Among the various programs will be the following: a thirty minute radio drama; a broadcast of either an intercollegiate hockey match or the finals in inter-faculty hockey; a fifteen minute religious period as well as a short variety program; a mock soap opera, guaranteed to be better than either "Life Can be Beautiful" or "The Rocky Road of Life"; thirty minutes of either the chorus or parts from "Pinafore"; a barber-shop quartet; a quiz period modelled after the popular Saturday night feature, "Twenty Questions"; Dal Hit Parade, a disc-jockey effort; two vets programs, one in lighter vein of humorous stories from the war, and the other on transition from war to scholastics; Parade of Champions, a feature by Don Harris on past Dal heroes; Moosehead Mac, a satire on a CJCH regular feature; and three short addresses by Dr. Kerr, Ross Hamilton in behalf of Dal students; and Murray M. Rankin on behalf of the Alumni.

Students chosen from among the thirty two volunteers are:

- Joe Levison
- Bruce Lockwood
- Ian MacEwan
- John Trimm
- Al Lomas
- Phil Walker
- Joyce Whittier
- Moyra Seegar

Don Loughnane, Chief Announcer of CJCH, and judge of the auditions, commented very favourably on the Dalhousie talent.

"In all sincerity, all of the students were very good, and any one of them could be made announcers with little training," he said "Undoubtedly, others would have done better if they had had more time to look over the script."

Students taking part in the Radio Day are advised to observe bulletin boards regularly.

SUPPORT THE I. S. S.

Engineers Hold Annual Banquet

The annual Engineers Banquet was held last Friday evening (Feb. 20) in the main ball room of the Lord Nelson Hotel. A large crowd of approximately one hundred and eighty students and guest were present for the gala occasion.

The speaker for the evening was Mr. G. J. Currie — an Engineer of the Nova Scotia Light and Power Co. Mr. H. W. L. Doane General Manager of the Standard Paving Lt, was originally slated to speak but because of illness was unable to attend. Mr. Currie kindly concented to speak in his place.

The usual large number of distinguished guests were on hand. Among them were, Prof. H. R. Theakson, Prof. W. H. Bowes, Dr. C. C. Coffin, Prof. M. N. MacNeill, Prof. J. G. Ahshead, Prof. G. V. Douglas, Prof. C. H. Smith and Capt. G. C. Milligan.

This Banquet was the second social adventure undertaken by the Engineering Society in the past month, the other being the Boilermakers Ball, their annual dance. The arrangements for this banquet were ably handled by the committee consisting of Bob Bezanson (chairman), Jim Morrison and Hesb. Johnson.

Meeting Of Sodales Debating Society Set

The annual meeting of Sodales Debating Society will be held on Thursday, March 4, at 8.00 p.m. in the Munro Room of the Law School. Main business of the meeting will be the election of officers for the coming year. A full attendance is required.

Competition Set For MacDonald Oratorical Award On March 3

The competition for the MacDonald Oratorical Award will be held on Wednesday, March 3, at 8.00 p.m., in the Munro Room.

This award is made to the outstanding debater of the year, and competition is limited to those who have competed in intercollegiate debates. Eligible this year are the following debaters;

- Al Baccardax; Malcolm Graham; Alfred Harris; Don Harris; Bob Kaill; Earl Urquhart.

Subjects chosen for the oration is "The Future of the British Empire". Judges will be President Kerr, Dean MacDonald, and Dean Wilson.

— Time Out...

Arts and Science Dance Greeted As Great Success

The Arts and Science annual dance was held last Friday evening in the lower gym and again proved to be a great success.

Under the able management of Bob MacDugall and the committee of three Sherman Zwicker, Marg Goode and Jessie Morrison, the dance proved a welcome asset in the entertainment of the visiting Mount Allison and Acadia girls basketball teams who were here in conjunction with the invitation girls basketball tournament. Bob MacDugall arranged before hand with the numerous available men of the campus to act as their escorts. This proved to be a greater success then expected.

About sixty couples danced to the music of Denny Burchell and his trusty quartet. Chaperons for the evening were the physical directresses of Acadia, Mount Allison and Dalhousie. The dancing lasted from 9-1.

This dance was decided on after the usual Ball at the Nova Scotia Hotel was cancelled due to the opinion that the dance could not possible be operated without the society's funds being sadly depleted.

Liberal Club Holds Meeting Last Week

A meeting of the Dalhousie University Liberal Club was held on Studley Campus on Feb. 18, at 12 noon. Many of the members of the Club were in attendance and took an active part in the proceeding.

The first point on the agenda was the election of officers for the year 1948-49. The following were elected, President, Earl W. Urquhart, West Bay, C. B.; Vice-President, Neil McKelvey, St. John N. B. and Secretary-treasurer, Wm. E. Mingo, Halifax.

The meeting unanimously adopted the constitution of the Canadian University Liberal Federation of which this Club is a member.

Plans were laid to have a discussion group in the very near future and all those interested are invited to attend. Immediately after registration in September a drive will be started to recruit new members.

Dal Defeated By Kings In Radio Debate

The final debate in the first round of competition for the C.J.C.H. Radio Debating Trophy was conducted last Sunday evening (Feb. 22) at 8.00 P.M. over station C.J.C.H. between Dalhousie University and Alexandra Hall of Kings College. The girls of the Hall won by a unanimous decision.

The subject was "Resolved; that the National Harbours Board for the port of Halifax should remain as it stands." The team from Kings, Joan Bradshaw and her colleague Miss Macleod took the affirmative while the negative was upheld by Bob Kaill and David Graham, both of Dalhousie.

The judges were Miss. E.B. Thomas, Mr. R.B. Adams and Mr. G.E. Richardson. The decision of the judges was based upon the scale, fifty percent for material, twenty-five for rebuttal and the final twenty-five for presentation. All four debaters handled their subject and speech well

This concludes the first round in radio debating for this term. The second round starts next week. Each Sunday over station C.J.C.H. until the end of the term, at 8.00 P.M. a debate will take place in competition for the station Trophy. There have been two already this season, this being the third. Two weeks ago Sherriff Hall was defeated by a team from Mount St. Vincent while one week ago the Dalhousie Delta Gamma Society defeated a team from St. Mary's College. The winners of each round will meet on the final Sunday to compete for the championship.

Science 5 And Law 1 Teams Set For Finals In Inter-Fac Debates

The final round of the Inter-faculty Debate Schedule has been reached. Winners of the semi-finals were Arts and Science 5, team of Whit Dalrymple and Dve Graham, who defeated the Law 2 team of Bill Cox and Don Harris; Law 1, team of Phil Arlitt and Neil McKelvie, who won from Law 6 team of Al Baccardax and Earl Urquhart. The two winners will meet in competition for the Biscout Bennett Shield. Date and topic will be posted on the notice boards. The shield will be presented to the winning team on Munro Day.

ent, and I want to express it." Gordie McConnell, Fresh. Commerce: "Yes I'm going to vote, because my vote might be the issue.

Ron Coldwell, Editor of the "Pharos": Yes, I am going to vote, Rhude is running for President".

Joan Paterson, Junior Arts: "Yes. I'm going to vote, it's part of college spirit to vote"

THE GALLOP POLL

Conducted At A Fast Trot

By Patsy Pigot

Nearly all students are going to vote in the coming Students' elections according to the results received from the survey this week. Practically all those approached said that they were definitely going to vote, and the only ones in doubt were some of the Frosh who remarked that they felt they did not know enough of Campus obligations to vote. When asked the question: "Are you going to vote? Why?", the following students replied thus:

Buddy King, Soph. Commerce: "Yes, I am going to vote, for I think that student government is

a very important factor as it affects our campus life directly".

Shirley Weatherby, Senior Arts: "Yes, I am, because I feel that it is my responsibility and privilege as a student. Also I am very interested in these affairs".

Virginia Mosely, Soph. Arts: "Yes. I think everyone who has the right to vote should do so to prepare himself for exercising his right to vote for the government of the country. Everyone should be interested enough to vote."

Lilo Brown, 3rd Pre-Med: "Yes of course, because I have an opinion as to who should be Presid-

SPORT REPORT

BY BOB TUCK

Dalhousie Athletics have suffered a sad week-end. The only ray of light piercing the darkness of defeat is the victory of the Girl's basketball second team which captured the invitation intercollegiate tournament here Saturday. The Grads were edged by St. F.X., Acadia dumped the weakened hockey Tigers, edged the Varsity basketball team 25-21 and captured the swimming meet. But there is no need of crying towells. Each team fought hard and lost with good grace.

The hockey team practically skated themselves into the ice in a tremendous effort to beat Acadia. They were carrying on (Sherman Zwicker was too) without the big names of O'Neill, Frazee and Robertson, and although the substitutes played strong games, the absent regulars were sorely missed. Only the outstanding efforts of MacMillan and Leslie kept Dal in the game, and when Acadia rattled in four goals in the third period, the Tigers were so weary they just couldn't cope with the Axemen attack. Rosie played almost sixty minutes and was only a shadow of himself at the finish, and Leslie was put through the mill in no uncertain manner. In fact the whole team was practically blue from their exertions at the end. They lost, but they did their level best to win. They didn't get the breaks (the clinching goal was scored after some character in the crowd had blown a whistle) but it would have been a miscarriage of justice if the Axemen had not won.

It is said that during the game Leslie skated over to the side where a diminutive brunette was standing. She is reported to have whispered in his ear "All for you, Bliss!"

Understaffed Tigers Beaten By Acadia 6-3

The Acadia Axemen moved into first place in the Intercollegiate Hockey League by defeating Dalhousie at Acadia Saturday by a score of 6-3 in a wide open, rugged game. The Tigers were playing without the services of O'Neill, Frazee and Robertson, and although they skated themselves into the ice trying to win, they could not match the smooth skating and sharp passing of the home standing Axemen.

Every Dal forward line was jumbled, and although every member of the team turned in a good performance, the team play was poor due to the unpractised forward combinations. Dave Churchill-Smith showed flashes of his old form, and if he decides to contest a berth he should bolster the team in future games. Zen Graves and Tim Harley, who were also used, turned in good performances. Rosie MacMillan, who handled the team, played almost the full sixty minutes and was a tower of strength throughout. The Axemen had to fight for every goal they put past Bliss Leslie, and the Blister had no chance on the pucks that got by him. On the other hand, Proud,

in the Acadia nets had only about 2 stops he could properly be proud of.

The goal that clinched the game for Acadia came after a whistle blown by one of the spectators had caused the Tigers and half the Axemen on the ice to relax, and Leslie had no chance on MacKenzie's shot.

SUMMARY

First Period;	
1. Acadia — MacVicar (Morrison) 10.30	
2. Acadia — Crowell (Smith) 14.10	
Penalties — Mont (elbowing) 14.55, Roche (elbowing) 18.00	
Shots — by Dal 2, by Acadia 12

Acadia Defeats Tigers In Varsity Basketball

The Acadia Axemen, stressing possession and playing a very slow, steady game, defeated the Dal Tigers, 25-21, in an Intercollegiate Varsity tilt at Wolfville last Saturday afternoon. The Tigers could not get a consistent attack under way in face of the Axemen's zone defense, but were hampered to some extent by the small playing court.

After holding a 13-12 halftime lead, the victors settled the outcome of the contest with a string of seven straight points to open the second half. Although Dal rallied in the losing minutes, Acadia held on to preserve their triumph.

Charlie Connolly was the star performer for the Tigers in this rough contest, playing a brilliant floor game and proving a great

ball hawk. Syl Gossac, Dal's leading scorer with eight points, also was a key player MacPherson was Acadia's best operator.

The line-ups: Acadia — MacPherson 6, White 5, R. Demont 4, Irving 4, E. Demont 3, Cameron 2, MacNeil 1, Hart. Dal — Gossac 8, Connolly 6, Woodward 5, MacKay 2, Morrison, Tanner, Shaw, Rogers, Mahone, MacDon-

DAL CO-EDS VICTORS IN HOOP TOURNAMENT

Dal's Gals In Sport

By Bev Huntingdon

Dal came off triumphant in the first annual Round Robin Basketball tournaments between intercollegiate second teams which was held here last Friday and Saturday. Acadia and Mt. A. were represented but U.N.B. was unable to come. No official recognition — cup or shield — accompanies the set of games, but a more intimate amicability and intercollegiate show of sportsmanship has never been exhibited. The feeling of good sportsmanship was prevalent throughout the games and Acadian and Mt. A. girls, even when they were forced to yield to the superiority of the Dal players, and to realize that they were fighting a losing battle, nevertheless exerted themselves to the very end. The spirit and high quality of the individual and team play of the Dal girls was exceptionally outstanding, and the skated match between Dal 1 and Dal 2 is much looked forward to. Special mention is due to each girl on the Dal team, most outstanding among whom were Marg Eustace, Gwen Lugar, Rennie Fisher and Lois Rattee.

Badminton: Gwen Lugar defeated Pat MacKinnon 11-7, 11-1 in the girl's singles. This means that Gwen will probably play Ladies Singles in intercollegiate tournaments to be held at U.N.B. in March. Congrats to both Gwen and Patty for exceptionally fine playing throughout the tournament.

Swimming Meet At Acadia

The Dal swimming team will journey to Acadia for the Maritime Intercollegiate Swimming meet next Tuesday night, and from preliminary reports the team is the best that Dalhousie has had in several years. After an exhibition meet with Acadia last week with the Axemen which the valley boys won the Tigers are confident that with a little rearrangement of the relay teams they can take the appleknockers into camp and give the Foresters from the University of New Brunswick a real battle. The Dal team is well balanced this year and is composed of eight members. Backstrokers are Kingsley Churchill and Greg Comeau. Breaststrokers are Don Seaman and Don Woodward who are also in the free style relays, and Don Harrison who is expected to take the diving competition this year. Free stplers are Bob Heffler, Bob Smith and Alan Rubin.

The girls team this year is sparked by Marg Eustace, free style artist from Queen Elizabeth High. With Marg as anchor swimmer, the Dal relay teams this year should be hard to beat with co-swimmers Marg O'Neill, Bryna Levine and Carol Logan. The breaststrokers and free stylers are Pat Snuggs, Jean Bowers, May Mintz and Pat Pigot.

DEFEAT Mt. ALLISON IN OPENER TAKE ACADIA 18-8 TO WIN TITLE

The Dalhousie intermediate girl's basketball team captured the first intercollegiate invitation intermediate co-ed basketball tournament ever held, at Dal Friday and Saturday, to become, unofficially at least, the Maritime champions in their division. Following are the games contested by the Dal girls, and won by large margins.

DAL 27 Mt. ALLISON 7

The game was off to a flying start when the Tigresses immediately took the upper hand with a basket scored by Marg Eustace in the first 30 seconds of play. Mt. A. played far better than they did in the morning against Acadia, but still did not present an overly stiff opposition to the Dal girls in either the forward or guard positions. Gwen Lugar scored the second basket for Dal followed by another basket by Marg Eustace, while Mt. A.'s only score was a free shot throw, and at the end of the first quarter the score was 6-1 in favor of Dal.

In the second period Dal showed their outstanding team play, while Rennie Fisher and Lois Rattee distinguished themselves in their position as guards. Mt. A. showed much hesitation in handling and passing the ball, but it was kept steadily on the move when in Dal hands. Marg Eustace again set the ball rolling by passing it through the Mt. A. basket followed by a free shot by Gwen Lugar. Another basket by Marg Eustace brought the score up to 13-1 at half time.

In the third quarter Gwen Lugar scored a free shot and two other baskets for Dal, while Mt. A. managed to bring their score up by three points, making a total score at the end of the third period Dal 18, Mt. A. 4.

The final period of the game showed much renewed effort by both teams. Dal scored on two free shots and another basket, while Mt. A. achieved one basket, bringing victory to Dal by the score of 22-7.

Even artificial arms and legs are lacking for some children in Europe and Asia. Your dollars to the Canadian Appeal for Children will help replace arms and legs mutilated by war.

St. F. X. Defeats Dal Grads By Narrow 35-33 Score

In the best basketball game seen this year in the Dal gym, St. Francis Xavier University swept from behind the closing minutes of play to defeat the Dal Grads, 35-33, last Saturday night. An overflow crowd was kept on edge all evening as the two teams engaged in a fast, well-played, and exciting contest that was in doubt until the final whistle. More games like this one would go a long way towards establishing basketball as a top sport in the Maritimes.

The Grads got off to a flying start, and except for two brief moments, held a slim lead throughout the first half. Intermission found the Gold and Black leading, 22-19, and St. F. X. weakened by the loss of their best guard, Tim Kyte, through a knee injury.

With the start of the second half, the Grads opened their advantage to ten points, and appeared as if they were going to breeze to victory. But then, with six minutes left and eight points down, the Xaverians started to roll. Led by Proper, a brilliant, spring-legged operator, the visitors cut the deficit down gradually, and put in the winning

DAL 18 ACADIA 8

Acadia defeated Mt. A. 40-15 to meet the Dal girls in the final playoff for the tournament championship.

The game started with the play fast but fumbling, as play switched from end to end as both teams warmed up feeling each other out. Dal scored the first points of the game when Gwen Lugar shot a basket that didn't touch the rim. The only Acadia point of the period came after a foul on Barb Quigley. Just before the end of the quarter Gwen Lugar again scored for Dal with a free shot bringing the score to 3-1 for Dal.

In the second period Gwen Lugar again came to the fore and with another of her seemingly effortless throws, tossed the ball through the Acadia basket. Mary MacDonald shot the first two-point basket for her team with four minutes to go, making the half time score Dal 5 Acadia 3.

In the third period the whistle had scarcely gone when there was a double foul under the Acadia basket. Dal's shot missed, but Mary MacDonald sank hers for Acadia. Marg Eustace's next basket was immediately followed by an Acadia score, but Dal countered on a free shot. Marg Eustace then sank two for the Tigresses. Another Acadia score brought the third quarter score to 12-8 for Dal.

The fourth quarter was played fast and furiously by both teams and Dal's expert inter-team play and passing up and down the court showed up. Acadia's score remained at 8 for the remainder of the game, but between sharp shooting Marg Eustace, a freshette, and Gwen Lugar, Dal's score rose to 18. When the whistle blew Dal had an 18-8 win over the Valley co-eds and had won the tournament.

St. F. X. Defeats Dal Grads By Narrow 35-33 Score

In the best basketball game seen this year in the Dal gym, St. Francis Xavier University swept from behind the closing minutes of play to defeat the Dal Grads, 35-33, last Saturday night. An overflow crowd was kept on edge all evening as the two teams engaged in a fast, well-played, and exciting contest that was in doubt until the final whistle. More games like this one would go a long way towards establishing basketball as a top sport in the Maritimes.

The Grads got off to a flying start, and except for two brief moments, held a slim lead throughout the first half. Intermission found the Gold and Black leading, 22-19, and St. F. X. weakened by the loss of their best guard, Tim Kyte, through a knee injury.

With the start of the second half, the Grads opened their advantage to ten points, and appeared as if they were going to breeze to victory. But then, with six minutes left and eight points down, the Xaverians started to roll. Led by Proper, a brilliant, spring-legged operator, the visitors cut the deficit down gradually, and put in the winning basket with only a minute to play.

Propper was the star of the game, for this Bronx boy was not only a deadly scorer, but a great passer and probably the best cage player seen in Halifax during the season. Eddie Rogers and Blair Dunlop, the Grads' leading scorers, each played standout ball for the losers.

The line-ups: St. F.X. Propper —15, Nelson—5, Kyte 4, McLean —4, Hanusiak —4, P. Kyte—2, Whalen 1, Bond, McNeil, O'Sullivan, Miffen. Grads—Rogers 12, Dunlop —9, Cunningham —8, Farquhar —4, Giffen, Sweet, Webber, Wylie.

ST. MARY'S BLANKED IN HOCKEY FIXTURE

AIRTIGHT DEFENCE, LESLIE STAR AS DAL DROPS SANTAMARIANS 5-0

The Dalhousie Tigers racked up the first shutout of the inter-collegiate hockey season at the Forum Thursday Feb 19 as they blanked St. Mary's College 5-0. The win moved Dal into a first place tie with St. F. X. in the League standings.

The Tigers rolled in three goals in the first period to take a commanding lead, and as the game progressed Dalhousie was content to play careful two-way hockey. "Legs" Leslie earned his goose-egg the hard way as he made several spectacular saves on close in thrusts by the more dangerous Santamarian forwards. But Leslie was getting faultless assistance from his defence which skated off many St. Mary's rushes and cleared the puck immediately on rebounds.

St. Mary's showed their best efforts in the scoreless second period. Don Smith's goaltending was tighter than in the first canto, and the Santamarian defence had tightened considerably. They were kept off the score-sheet principally due to the stout work of Leslie, who made a sprawling save on the most dangerous St. Mary's chance of the period as Johnny Young came in

alone. The game was clean, with only two penalties handed out by referees Charlie Copus and Rock Sullivan, both to Dalhousie.

MEDS 4 COMMERCE 2

Medicine defeated Commerce 4-2 at the Arena in a regular Interfac hockey game and virtually assure themselves of a playoff berth Crowell for Commerce was the outstanding figure on the ice, but it was a losing cause as the Med power was too much for the Millionaires in the third period.

SUMMARY

- First Period;
Scoring — none
- Second Period;
1. MEDS — Hunt (Miller)
- Third Period;
2. COMMERCE — McCullough (Crowell). 3. MEDS — Miller (Goffens) 4. MEDS — Sinclair (Ross). 5. MEDS — Vair. 6. COMMERCE — Schaefer (Crowell).

ENGINEERS 9 COMMERCE 4

There was rejoicing in the Shack last Tuesday as the hitherto luckless and winless Engineers celebrated a crushing 9-4 victory over Commerce. The Engineer stook the lead in the first period with two goals and never relinquished their lead.

SUMMARY

- First Period;
1. ENGINEERS — Isnor. 2. ENGINEERS — Humphries.
- Second Period;
3. COMMERCE — Schaefer (Horne) 4. ENGINEERS — McKeigan 5. ENGINEERS — MacDonald (McKeigan, Humphries)
- Third Period;
6. COMMERCE — McCullough (Anderson, Frederickson). 7. ENGINEERS — Thornham (MacDonald) 8. ENGINEERS — MacDonald. 9. ENGINEERS — Cull. 10. COMMERCE — Adams (Gardiner) 11. ENGINEERS — MacDonald (Steeves) 12. ENGINEERS — Thornham. 13. COMMERCE — Anderson

Did you feed your cat this morning? That milk would be a three-day ration for a baby in Poland. These babies will be given the food they need for life through the Canadian Appeal for Children.

Archery practises will be held in the lower Gym on the following days: Tuesday at 7.00 P.M., Wednesday at 2.30 P.M., and Thursday at 3.30 P.M. All must turn out since draws will be held for the tournament.

BASKETBALL

LAW 46 ENGINEERS 21

The high flying Lawyers again swamped the luckless Engineers to the tune of 46-21. Led by veteran players Gord Hart and Pete Hanington the Lawyers didn't give their opponents a chance as they outscored them 22-8 in the first half and 24-13 in the final frame.

SUMMARY:-

- Law Hart—12, C-Smith — 10, Roddam — 6, Hanington — 12, Wallace—2, Davis—2, MacKelvie —3, Trites, Pearson.
- Engineers Oakley, Single, Fergusson — 2, Morrow—8, Messenger, Thornam, Jeffery, Stewart, Smith,—7, Smelyser—4, Lindsay, Thomas.

MEDS 25 COMMERCE 16

In a hard fought, close checking basketball game last week, Meds handed Commerce a 25-16 defeat. High scorer of the game was Jamie MacLeod of Meds with 7 points. Runner up was Ashley of the same team with 6.

SUMMARY:-

- Meds:- Vair, Moffatt, Ashley — 6, MacLeod — 7, MacGregor, MacDonald, Foster—5, Algie—4, Morton — 1,
- Commerce:- MacMillan — 4, Ogilvie—2, MacKinny, Morrow—2, Comeau—4, Rogers, MacConnell—3, Marshall—1.

DENTS 37 PRE-MEDS 31

Dents defeated Pre-meds in a well-played game at the Gym in a regular Interfac Basketball League game by a score of 37-31. Leading scorer of the contest was Deware of Dents with 14 points, followed by Sarantos of Pre-meds with 13 markers. Dents won on the strength of a last half drive that gained them 29 points. Pre-meds led at half time 16-8.

Line-ups: Pre-meds; Sarantos 13, Beer, Sutherland, Dauphinee 5, Green, Hughes 7, Shaw, Cruickshanks 6. Dents: Carson, Deware 14, MacMurdo, D'Arcy 3, Bellevue 1, Mingo, MacKenzie 10, Peters 9, Cork, Banks.

Hi There!

right now your grades are good... but life holds harder tests

Harder indeed! Life was never a lenient school-master. And making the grade in life demands all a man can muster in the way of knowledge, ability and forethought.

Especially forethought! The sort of forethought that prompts a man to start charting a life insurance program early in youth. The sort of forethought that enables a man to realize that whatever the experiences life holds for him — earning a living, getting married, raising a family, having earning power cut off — he is better equipped to meet them and enjoy them when he has behind him the security and protection provided by life insurance.

Talk to a Mutual Life of Canada representative and get the benefit of his special training and our long years of experience in adapting life insurance to the varied desires and responsibilities of people of all ages and all incomes.

Ask him what policy or combination of policies is best suited to your particular circumstances. Let him show you the special features of Mutual low-cost life insurance.

THE MUTUAL LIFE OF CANADA

THE FACULTY OF LAW

The Faculty of Law at Dalhousie is still engaged in its primary task of training men for lives of usefulness in the practice of law. It realizes now — as it always has realized that Law must be taught as a great profession, membership in which entails social responsibilities of a high order to the citizen and to the State. All through its lengthening history the Faculty has sought to provide adequate training in the basic subjects and techniques of our legal system in an atmosphere of high purpose and wide freedom.

Over this span of years it has had to face successive changes in the character, habits and views of society, and to consider the degree to which teaching methods and facilities should be adapted thereto. In the result, the Faculty has won merited recognition as a preparatory agency for success in law, business and public life.

The Faculty is not unmindful of the fact that only about half of its graduates now embrace the active practice of law and that the rest find their careers in government service and business in about equal measure. Obviously such a situation poses problems as to objectives and directions. So far we have clung to the idea that we can best fit our students for these varied ways of life by giving them the best training in our power in the fundamental characteristics and methods of the legal system, broadly conceived as the great instrument whereby business and government are carried on.

The obligation to keep pace with the world about us is not necessarily best discharged by the multiplication or invention of new courses; for a better way may well be in changes of emphasis.

Certain it is that the growing complexity of modern life has produced increasing need for well-trained men of law and this should be a source of encouragement for all who are now in this Faculty.

V. C. MacDonald,
Dean.

Moot Court Has Successful Year

by Keith Eaton

The 1947-48 sittings of the Supreme Moot Court of Dalhousie were brought to a close last week after the hearing of a total of thirty appeals, the largest number since the creation of the right to appeal from the Privy Council some years back.

The giving of a whole case to each of the senior counsel in Second Year instead of having two argue each case; the reduction to a minimum of fining for court misdemeanor with a consequential elimination of horseplay; and a scheme calling for more preparation by the Third Year justices were innovations this year.

Highlights of court sessions were Colin Henderson Smith's quip while Sheriff Claude Dingwall was inspecting said Smith's fingernails on instructions from Churchill-Smith L.J.C. to ascertain if said Smith was "coming to equity with clean hands". Said the Social Credit ace: "Were it not Assize time I would run you through" (*Tuberville v. Savage*). And there was the day when counsel and public left the court completely mystified as to how the case was decided after just listening to Their Lordships hand down judgement. The Chief Justice said that he found for the Respondents (in fact he intended the Appellants). Another of Their Lordships said he concurred with the learned Lord

Chief Justice in finding for the Appellants, while the third and remaining judge said he concurred with both his learned brethren. It was not until a day that the contestants discovered who won the appeal.

It is possible that the competition for the Sidney Smith trophy which is based on an argument by four third year students before a bench comprised of two judges of the Supreme Court of Nova Scotia and the President of the N. S. Law Society, will be revived this year after having been dropped during the war years. Students selected by last year's Third Year class to argue this year were Alex MacIntosh, Bill Chipman, Gerry McAdam and Keith Eaton.

V.C. MacDonald, B.A., I.I.B.,
K.C., Dean of Law.

Lawyers Take Active Part In Student Affairs

Not many Studley students realize exactly how large a number of Law students take an active and responsible part in student organizations; the general impression is that lawyers are elderly people, somewhat detached from the hum and bustle of student offices at Studley. A brief review of the offices held by law students reveals how erroneous this impression is.

On the Council, apart from the Law representative, Bill Cox, there are two law students who hold two of the five general positions not confined to any faculty. These are Harry Rhude, who is Vice-President, and Dave Doig, the Member at Large.

In other organizations the tally is quite as large: in the D.A.A.C. there is Windy O'Neill, who is in the first year of Law. Art Mears, a third year lawyer, heads the new Publicity Department, one of the better innovations produced by the Harvey administration. Frank Fleming, the President of the Glee Club is in the second year of Law, and Ron Coldwell, the Editor of the Year Book, is in first. In the Vets Society Law is well represented, with Tommy Giles and Colin Smith heading the list. Lawyers are on all the Varsity teams, particularly in the two footballs, with Gordie Hart captaining the rugby team to the Maritime championship.

The Law Ball

This year's Law Ball was an unqualified success, thanks to an energetic committee whose efforts served to make it the best dance of the year. On the Committee were Gordon Hart, the Chairman, Doug Hunt and Nat Taylor. The dance was held in the Ballroom of the Nova Scotian Hotel, with Don Warner's Band in attendance.

Among the chaperones were Dean and Mrs. V. C. MacDonald, Professor and Mrs. J. B. Milner and Professor and Mrs. T. M. Feeney. Patrons were the Hon. and Mrs. Angus L. MacDonald, Sir Joseph Chisolm, Chief Justice of Nova Scotia, and Mr. and Mrs. T. deW. Barss.

THE LAW SOCIETY

This year has been a very successful one for the Dalhousie Law School Society, the activities of which I propose to outline briefly. The Law Ball, thanks to the hard work of Gordon Hart and his committee was one of the finest formals held in the last few years. Our orators Tom Giles and Bill Cox journeyed to Toronto where they defeated a debating team from Osgoode Hall Law School. The Moot Court, under the guidance of a committee consisting of Alex MacIntosh, Keith Eaton and Bill Chipman, continued as in the past to upset the decisions of the House of Lord's in true judicial fashion, and finally our Mock Parliament promises to uncover some very fancy legislation.

In interfaculty competitions the lawyes have given an excellent account of themselves. Bill Cox, our interfaculty debating mtnager, deserves a lot of credit for his handling of the debating teams; in basketball, rugby and hockey, with Ken Mathews, Rory Black and Dave Churchill-Smith as respective managers, the lawyers have provided some thrilling moments, especially when they copped the rugby title in an upset victory last fall.

A great number of Law students are prominent figures on the campus, namely Windy O'Neill, President of the D.A.A.C., Harry Rhude, Vice-President of the Students Council, Art Mears, Publicity Director, Frank Fleming, President of the Glee Club, not to mention many others who are engaged in different capacities in the numerous functions on the campus, and above all our one and only Don Warner.

I take this opportunity to express my gratitude on behalf of the Society to the various officials of the University for their co-operation. Had it not been for the help of Dr. Kerr, the debate with Osgoode Hall would not have been possible. We are specially grateful to Dean V.C. MacDonald and the other members of the Law Faculty for their kind help and advice.

In concluding I wish to extend my very sincere thanks to all the

Jim Cregan, President of the Law Society

members of the Society and in particular to Colin H. Smith, Vice-Pres., to Bob Matheson, Sec-Treas., and to Al Trites, Member-at-Large, for their assistance and co-operation.

JIM CREGAN PRES.

COUNCIL CANDIDATES

HARRY RHUDE

For President

Harry Rhude...

After four years in the R.C.A.F., three tours of operations as a flying Officer, and a D.F.C., Harry returned to Dal in 1945 in the Faculty of Arts and Science. In his first year in Arts Harry worked on the Gazette, was captain of the debating team that won the Bennett Shield, and, in his second year was elected Arts and Science representative on the Council. That year he won a Wings Club Scholarship, and was elected Vice-President of the Council, and has capably fulfilled this position this year. Now, in his first year of Law, married, Harry offers his experience and ability as a candidate for the Presidency of the Students' Council.

The Law Society offers

two of its ablest men to serve the students of Dalhousie. Both have had wide experience in student affairs and both are eminently qualified for the positions for which they have been nominated.

BILL COX

For Vice-President

Bill Cox...

Bill attended Acadia from '38 to '42 and received his B.A. there. He was, among other things, Editor of the Athenaeum, a member of the Students' Council and prominent in debating and sports. In the Army from '42 to '46, Bill served in Canada, England and North-West Europe, in the North Shore Regiment of the Third Div. He entered the Law School here in '46, has been prominent in debating, both interfaculty and varsity; he represented Dalhousie at the N.S.C.V. Conference at Xmas, and is Maritime Representative on its national Executive. This year he is the Law representative on the Council. Now in his second year of Law, Bill offers his excellent qualifications for the position of Vice-President.

A Progressive Policy On Important Issues...

The following points were arrived at after a close study of groundwork done by the present Council in some of the matters concerned; Harry and Bill intend that their policy shall be a continuation of what the students have shown to be their wishes this year, and have governed their platform accordingly. As well as completing the groundwork of this year's Council, there are other points put forward for the consideration of the students.

1. More efficient and businesslike administration including
 - (a) strict adherence to authorized budgets,
 - (b) continuing co-operation between the council and society heads, and
 - (c) full use of the interest and abilities of ALL students (a broadening of the basis on which student activities rest)
2. The granting of a lump sum for male athletics to be administered by the managing committee of the D.A.A.C.
3. The granting of a lump sum for female athletics to be administered by the managing committee of the D.G.A.C.
4. The Students' Council to take over and administer the Veterans Employment Service for the benefit of ALL Dalhousie students.
5. The continuance of steps already taken to replace the present Gym Store by an adequate canteen, under the same management, to be dedicated as the Dalhousie War Memorial.
6. To provide publicity for Sodales Debates through the Council publicity committee.
7. The formation of a committee to approach the University to:
 - (a) replace the present stage curtains in the Gym, and to provide storage facilities for a permanent costume wardrobe,
 - (b) improve the playing surface and seating accommodations of the football field.
8. Full co-operation with the N.F.C.U.S. and the National Council of Student Veterans in their efforts to obtain increased services and benefits for Canadian students.
9. To go on record as favouring the construction of an adequate men's residence at the earliest possible date.

LAW IN INTERFAC

Debating

by Neil McKelvey

The great triumph of the year was the win that Messrs. Cox and Giles achieved over Osgoode Hall this month. This was the second of yearly verbal battles between Canada's two greatest Law Schools. Using some very ingenious methods of debate, the Dal boys were able to convince the three judges from the "Queen City" that Communism should not be outlawed in Canada. Next year the Toronto boys will come east to debate.

This year the Law School had six debating teams in the interfaculty field, and at the time of writing there are three teams out of the four who are left are Law school teams. When you read this the percentage will perhaps be higher.

Sports

by Vince Morrison

A grimy, weary band of Law students trudged off the frozen turf and stone of the Dalhousie gridiron last November with the light of victory in their eyes. Having parked their false teeth and arch supports on the sidelines, Law's irrepressible "Old Men" had just walked off with the interfaculty football title. A gallant, but bewildered Engineers' thirteen, who had made premature victory plans, left the field a soundly beaten team, unable to stem the relentless play of the legal Tigers.

The spirit displayed by that fighting rigger team has been typical of the Law School's teams in interfaculty Sport this year. Large turnouts and terrific enthusiasm have been the order of the day for the legal lights from the Forrest Building.

Did You Know...

One of the dignitaries of the Chancery in England is the Master of the Rolls. In Dean Sydney Smith's time the youngest member of the faculty was awarded this title, in the good, old legal tradition. His installment in office, accompanied by a proper "Seating" ceremony, bestowed upon the new M.R. the duties of informing the janitor as to when "rolls" were needed below.

Generous in victory, gallant in defeat, the Law hockey team, though not leading the interfaculty hockey league, is battling for that position with the leaders. No team has beaten this scrappy aggregation without first being forced to the limit; never sure of victory till the final bell sounded. With the highest scoring team in the interfaculty league, the Law School can well be proud of its hockey representatives.

THE MOCK PARLIAMENT

by Colin Smith

For several years it has been the practice of the Dalhousie Law School to hold annual Mock Parliaments. This year with all the pomp and ceremony the attend the opening of the Federal House of Parliament at Ottawa, "our" Governor-General will read the speech from the throne and once again our loyal supporter, Mr. Leonard W. Frazer, K.C., will act as Speaker of the Commons. We are grateful to Mr. H. L. Roper and to the firm he represents for the very kind donation of a Mace to our Parliament. It will be carried into the Commons by the Sergeant at Arms, and together with the formalities gone through by the Gentleman Usher of the Black Rod a very fitting background for the opening night will be obtained.

That students and indeed all people should gather together and become familiar with the art of governing themselves was exactly what men like Joseph Howe had in mind when they first gave Canada her first responsible government one hundred years ago. After last year's very successful Mock Parliament we were all delighted to see what a keen interest Dalhousie students took in the summer in the by-election which sent Mr. John Dickey to Ottawa. At that time students went out and "got their feet wet," as it were, in becoming familiar with the machinery of democracy that has been established for us. Daily they are beginning to realize that the duty to serve one's country in peacetime is as essential as it was in wartime.

The Prime Minister elect is Mr. Alec J. MacIntosh of Stellarton representing the "Liberals;" Mr. Mark Yeoman of the "Progressive Conservatives" is the Leader of His Majesty's Loyal Opposition while the "C.C.F." leader is Mr. Gordon Black. And in order to round out the federal picture more clearly the "Social Credit" group will be headed by Mr. C. Henderson Smith.

We feel justified in predicting that this year's Cabinet is one of the most brilliant ever selected. It is composed of the following students:-

E. N. McKelvey	Finance;	G. S. Hawkins
Trade and Commerce;	J. W. E. Mingo	Justice;
J. B. Ballem	Agriculture	A. M. Mears
National Affairs;	Earle Urquhart	Labour and Vets
Affairs	Gordon Hart	Health and Welfare;
G. M. Harquail	Transport and Fisheries	Harry Rhude
Mines and Resources.		

Mr. Harris MacDonald will be the mover speech from the throne while Mr. Hinton will second the motion. Dean V. C. MacDonald and Professors Hancock, Milner and Feeney will be in attendance.

Law Library

As exams draw near, the boys frequent the library more and more. The Dal Law Library is the largest of its kind in the Maritimes, with about 20,000 volumes worth over \$15,000.
