SIR JAMES DUNN
DAY CELEBRATED

by Don Grant

Sir James Dunn believed that the development opportunities of the century lay not in the West, as was the popular opinion, but in the East. Lord Beaverbrook told guests at a special convocation for the laying of the cornerstone of the Sir James Dunn Science Building last Wednesday, that Sir James wound these opportunities, and used them in ample measure.

Dean Weldon, famous dean of the Law School, wrote of student Dunn in February, 1937:

"This certifies that James M. Dunn is a student in the Dalhousie Law School having attended lectures during two years—that so far he has taken the highest rank of the students of his class at the seasonal examination, that he has been assistant librarian in the law school during the present year. He is found to possess excellent ability, and will be I future energetic and faithful in the discharge of duties assigned to him.

Paying tribute to Sir Dunn, Lord Beaverbrook compared him with George Bernard Shaw, both possessors with wit and humor, both gay, fun-loving rebels and both loving England—"that redoubled good English." Sir James never failed to declare himself a good North American; and it was in North America that he built his monument.

Following the Convocation, the symbolic laying of the cornerstone took place. Lady Dunn performed the ceremony, after which the stone was pronounced "well and truly laid" by the building contractor. Some 500 students and alumni witnessed the ceremony.

The festivities of the day were concluded with a formal dance.

The Rt. Hon. C. D. Howe, Chancellor of Dalhousie University, and Mrs. Howe were hosts at one of the most enjoyable balls the campus has experienced. The Sir James Dunn Ball, held in honor of Sir Dunn's birthday, was exceptionally well attended. The impressive list of guests included Lady Dunn. The Rt. Hon. C. D. Howe and Mrs. Howe, President A. E. Kerr and Mrs. Kerr.

Among the highlights of the evening was the presentation to Lady Dunn of a gold "DV" (Dalhousie students' highest award). Dave Mathie, son, president of the Council, gave the presentation speech as Joan Herman, vice-president, made the actual presentation.

Sir James Dunn Foundation
Grants Seven Scholarships

President A. E. Kerr announced Saturday afternoon, at the Law School's 75th Anniversary Convocation, the giving of seven $1,500 scholarships a year to Dalhousie Law School by the Sir James Dunn Foundation. A fund has also been set up by the Foundation to provide for a permanent librarian and cataloguer for the Law Library. These gifts represent more than $1,000,000 in invested interests and it is appropriate that such a gift should be announced on this memorable occasion.

Council Reviews Pepcats, Advertising, Dal Directory

The Council of Students Monday took a close look at the Pepcats organization, the Dal Students' Directory, the 1959 Phares and the Dalhousie Advertising Bureau, in a meeting filled with detailed committee work.

Dave Fox reported that material for the Directory—soon to be published—has been compiled by Editor Dave Bogart, and that advertising for the publication is near completion. He cited reasons why the Advertising Bureau has been slow getting under way, but added that its heavily-worked staff was now approaching its advertising goal for the year.

Editor Hugh Gorham of Phares submitted a cover design bearing the symbolic lighthouse upon a gold background, for the 39th yearbook. Layout of the book will be done by professionals, he stated, and it will be published by May 15.

Springhill contributions from NFCUS organizations all over Canada have been received by Gary Horner, chairman of the Dalhousie organization.

Gregor Murray, head Pepcats, was grilled about the club's activities: he reported megaphones, new skirts, sweaters and crests for cheerleaders on order. The Council suggested that male cheerleaders be introduced, fraternities be approached to encourage blocks of spirit, the reserve section of the football stands be given to students, and that more and better pep rallies.

The Council also set up a committee to revise its constitution, as well as a Student Union Building committee to investigate plans for the structure.

Bonnie Murray spoke briefly on plans for the year.

The Convocation was addressed by the Rt. Hon. Mr. Justice William Douglas, who has attained eminence as a teacher of law, world traveller, author and Judge of the Supreme Court of the United States. Dr. A. L. Goodhart, who was for many years Professor of Jurisprudence at Oxford, is now Master of University College, Canadian branch, as an Editor of The Quarterly Review.

Michael Grant O'Leary has been recognized as one of the ten leading Canadian Journalists since Confederation. Mr. O'Leary is Parliamentary Press gallery reporter, and President of the Ottawa organization.

Professor F. R. Scott is an outstanding member of the Faculty of Law of McGill University, where he now holds the MacDonald chair. He was instrumental in the founding of the Association of Canadian Law Teachers.

The two degrees granted "in absentia" were to Judge A. W. Bennett, and Dean J. D. Falconbridge. Judge Bennett was the first person to receive the degree of Bachelor of Laws of Dalhousie University. His name appears first among the graduating class of 1896. He served as Judge of the County Court for Westmorland County. Dean Falconbridge was Dean of Osgoed Hall Law School, from 1924-1948, and is now Dean Emeritus of that school.

The Convocation was addressed by Dr. Scott, who spoke humorously and penetratingly on "The Function of Lawyers in the Protection of Civil Liberties."

The Students' Health Service has obtained a limited amount of influenza vaccine for the purpose of immunizing Dalhousie students against the malady. The Dalhousie Public Health Clinic will be open to Dalhousie students on Saturday morning, Nov. 8th, from 9 a.m. until 12 noon.
Something in Common

Letter to the Editor

Re: Alleged Apathy

A certain farmer conditioned his pigs to come to food upon his pounding a hollow log. All went well, until a group of woodpeckers moved into a nearby woodlot. In the resulting melee the pigs died of exertion. What began as a practical improvement became complete waste.

Similarly (well, almost) many of our students are interested in adding to the vigor of our campus life with positive suggestions. They shouldn’t have to wear themselves out pursuing the specific complaints of a few thwarted “disturbers.” We are here alluding to the nausae contributed by the “Individualist” and “Distrusted.”

In answer, may I remark that if “Individualist” wishes to blot himself out of the haze of apathy and conformity, suppose he begins by providing himself with the honest individuality of a name! If “Distrusted” desires attention, perhaps he too, might stand up to be seen.

As for their desire for some “angry young men,” I hope they realize that most of the bloody upheavals in the present world are being conducted and supported just such types. As citizens of a nation which has won independence and respect by personal achievement, united effort and cultural maturity, rather than hot-headed nationalism, “Individualist” and “Distrusted” should realize that these same “angry young men” would be much happier and come closer to their goals if they would open their eyes, close their mouths and become “busy young men,” not “busy young men” that they seek, I refer them to the department of Chemistry, Dentistry, Engineering, Law, Mathematics, Medicine and Physics. When a beaver slaps his tail, there is usually a reason for the noise.

Please accept my compliments on fine publication, I remain,

Optimistically yours,

Normal Paul Patterson.

EDITORIAL COMMENT

Anything New?

Reprinted from The McGill Daily

We heard once of an eccentric journalist who insisted that the word “news” was a plural noun and should be treated as such. It was his custom to squatter into a newsroom and demand of the staff, “Are there any news?”

We ask ourselves that question often. We wander into committee meetings, we listen to speeches, we watch football games. But few news we do find.

After scouring the campus in search of a genuine seed, a promise of change, some dark iconoclast to tear away the veil, we find only hesitant spokesmen, people studying, and quiet couples, talking over coffee. In headlines like “Founder’s Day Observed,” and “B.C. Prunes Budget,” we record the march of time.

It’s laziness, of course. We’re like the drunk who looked for his money under the streetlight—not because he’d dropped it there, but because it was the only place he could see. So we report meetings, announcements, results—not because they’re vital or significant, but because they’re tangible and easy to report.

Perhaps perhaps are the news of this era—that people work hard and have fun and live their lives without benefit of golden swallowing and noisy proclamations. And we say their opinion is good. But while news like these might foreshadow a saner, happier future, they make for awfully dull reading in the present.

So wearily we plod back to our office, to watch our index finger poking out the unportentous word for Wednesday morning.

Not a damn news!
At last year's committee report, the most important will be the financing of the building, its architectural design and location of the building. The financing for such a building is set aside for the permanent Union Building. The Council has set aside a $15,000 fund for a permanent Union Building, but this is just a small start. The committee will continue to confer with the University as to the means of financing, the architectural design and location of the building. The amount of council contributions, one suggestion at present is the building to be located between the Studley and Forrest campi.

It has been suggested that the old Men's Residence be used as a temporary Union Building. If this were the case a decision would have to be taken as to the use of the building, its financing and the essential functions it would perform. Last year's committee reported that if this building were to be used, only a bare minimum should be invested and that more money could be set aside for a permanent Union Building.

**Actors Prepare For Connolly Shield**

More plays are being entered this year in the Connolly Shield Competition than have been for the past five years. The competitor's purpose is primarily to promote the development of young actors and actresses, who have been unable, either through time or circumstances, to enter the main dramatic presentation of the year. At present, ten plays are on the agenda, and Julia Gosling, DGDS president, hopes that still more will be performed.

On November 17, 18, 19, plays from King's Education, the Junior class, Delta Gamma, Law, Arts and Science, Pi Beta Phi, and three entries from Dalhousie have been entered. Although an adjudicator has not yet been chosen, an announcement concerning one is expected shortly.

The adjudication will be made and the winners announced on the last night of the competition, although the awards will not be presented until Munro Day. In previous years, since the plays were performed after Christmas, the announcement of the winners was not made until Munro Day.

Last year five plays were presented, the winners being:
- Best Play—Education
- Best Actress—Carol Clarke
- Best Actor—Paul Rouleau

There are still some entries for the plays that have not yet been received. Julia Gosling has requested that these be given to her as soon as possible, in order that plans for the program may be made.

**BELL AND RENIB TO MCGILL CONFERENCE**

The second McGill Conference on World Affairs, a meet which last year proved a great success, will be held this year from November 12th to 15th.

Two noted Dalhousians—one of them an exchange student from Saskatchewan—will represent our University. Julia Gosling and Norm Renib have been chosen by a faculty-student committee.

The subject of this year's conference will be Canada's Relations with the United States. The opening address of the conference will be delivered by Professor Edgar McFadden, President of the Canadian Institute of International Affairs.

During the mornings and afternoons of Thursday and Friday, November 13 and 14, the student delegates, from Canadian and American universities, will meet in round table discussion groups, to consider the subject of the conference in its political, economic, military and cultural aspects.

The Honorable Frank M. Coffin, a member of the House of Representatives of the United States, will deliver the closing address of the conference.

Upon their return, the Dalhousie delegates will organize and head a Foreign Affairs Club on the campus, which promises to be a very interesting venture.

**Classes will not meet on Remembrance Day, Tuesday, November 11.**

**The Students' Health Service has a limited amount of influenza vaccine which will be used to immunize Dalhousie students without charge on a "first come, first served" basis on Saturday morning, November 8, from 9 a.m. until 12 noon at the Students' Health Service Rooms, Dalhousie Public Health Clinic.**

**ANNOUNCEMENT**

**ROYAL CANADIAN NAVY**

Capt. G. D. MacRae will be at Dalhousie University to provide full information and to give personal interviews regarding opportunities for OFFICER CAREERS in the Royal Canadian Navy.

9-4 Monday to Friday

Naval Cadetships in the regular force are now available to selected undergraduates, providing subsidized continuing university education and leading to commissions in the Royal Canadian Navy immediately on graduation.

**ROYAL CANADIAN NAVY**

**Diana SWEETS**

368 Spring Garden Road

We cater to students at all times

"Meals a Specialty"

Joe, Tom and Pop

**EXTRA"**

**FILTER TIP CIGARETTES**

**THE SHIRREFF HALL FORMAL will be held on Thursday, November 13.**

The Shirreff Hall Formal will be held on Thursday, November 13.

The American College Poetry Society has announced that an anthology of outstanding poetry composed by students in American and Canadian colleges and universities is being prepared for publication this winter. Dal students are invited to contribute original work to Alan G. Fox, Executive Secretary, American College Poetry Society, Box 24103, Los Angeles 24, California. All entries must be postmarked on or before midnight, December 31, 1958, to be considered.

The Queen Elizabeth High School Auditorium will be the scene of a premiere performance of "Four to Go" by G. D. H. Hafteid. The production is being presented by the Q.E.H. Dramatic Society before the student body at 8 p.m. on Thursday and Friday, November 6 and 7. Curtain time will be 8:15 p.m.
Dalhousie Glee and Dramatic Society presents

The Hidden River

In The Dalhousie Gym
November 6, 7, and 8

Hard At It—Members of an inaugural stage crew are in the finishing stages of preparing for "The Hidden River." They are, left to right, Libby McDonald, Laurie Lind, and David Hueston. (Photo by Thomas)

Players and Plot

All the mystery and excitement of a former war district situated on the banks of the Loire River, France, is to be re-enacted by the members of the Dalhousie Glee and Dramatic Society in their final presentation of the season. "The Hidden River," playing in the Dalhousie Gymnasium, on November 6, 7, and 8, is based on "The Hidden River," by Ruth and Augustus Goetz, a novel by Sturua Janessen, opened on Broadway, January, 1957.

The part of Otto von Kerlike, whose acting ability and expertise in Dalhousian, is played by Leon Cole, Doctor Montalti by John Chambers, a student, President of the Drama Club, who comes to us with experience in the Queen Elizabeth High School drama department and the Young English Musical Society of New York. His playing has won praise from the Dalhousian Dramatic Society, pays a return visit to Dalhousians.

Feller Boome is played by Ken Clark, Don Aitken by Otto Haenlein, and the uncle of Norm (Francis) and Penelope (Elizabeth) is acted by Otto Haenlein. The part of Otto von Kerlike, whose acting ability and expertise in Dalhousian, is played by Leon Cole, Doctor Montalti by John Chambers, a student, President of the Drama Club, who comes to us with experience in the Queen Elizabeth High School drama department and the Young English Musical Society of New York. His playing has won praise from the Dalhousian Dramatic Society, pays a return visit to Dalhousians.

Advice is Given—John Chambers, (Daniel) who plays the uncle of Norm (Francis) and Penelope (Elizabeth) is giving the two advice on their future marriage plans.

You Did It—Ken Clark (Adam) and Julia Gosling (Marian) are cross-examining a suspect in the mystery drama. Norm Klein (Otto) plays the part of Francis Moncrieff.

DAL TIGRESSES ROARED TO THEIR FIRST INTERCOLLEGIATE GROUND HOCKEY TITLE IN FIVE YEARS, AS THEY TIED MOUNT ALLISON MOUNTIES 1-1 IN SACKVILLE, ON SATURDAY. THIS TIE GAVE DAL A TOTAL OF 9 POINTS FOR THE SEASON, ONE MORE THAN THE SECOND PLACE MOUNTIES.

The spirited Dal eleven started off well, using their strong offensive line to control the play for the all-important first few minutes of the game. At the seven-minute mark of the opening stanza, Lorraine Lawrence belted a shot in the direction of the Mount A. goal. In their excitement, three of the Mounties' defence managed to put the ball in their own goal. This was Dal's only goal.

Shortly after, Mount A got organized and took control of the play up to the end of the game. Near the goal, the first half the Mounties missed a very close one. A hard shot hit the Dal goalie's pads, bounced up in the air and landed squared on the goal line behind the goalie. Dal's fullback, Karen Price, managed to clear the ball, and save the day.

The second half saw the Mounties fighting very hard for the championship. Controlling the play all the way, they took advantage of several penalty corners and finally Ann Clover found the mark, with an angle shot to the corner. The score standing at 1-1, both teams put on an extra spurt of energy. Mount A threatened on a breakaway but were unable to put the ball in the net. Time and time again their offensive line swarmed in on the Dal defence, but to no avail, and as the final whistle blew, the score remained 1-1.

Several injuries resulted from the rough play, which usually accompanies such keen competition. Dal full-back, Jean Bremer, was forced to leave the field in the middle of the second half, with a leg injury resulting from a great deal of slashing in front of the Dal net. Centre half, Heather Macintosh, also received a slashed ankle but managed to finish the game. On the Mountie side, starry centre-forward "Abbie" suffered an arm injury, when she tripped on a stick, while running after the ball.

Dal travels to Acadia this afternoon to play the final game of the season. The outcome of this game will not affect the standings of the league. An Acadia win would boost their point total to 10 points, still one short of Mount A and two short of Dal; a Dal win would merely increase Dal's point margin.

Congratulations to the Dal team, on their supremacy in Maritime Intercollegiate Ground Hockey competition.

CAREER OPPORTUNITIES

The Proctor & Gamble Co. of Canada Ltd. will have employment opportunities for graduating students in the following fields.

BUYING
ADVERTISING
SALES
FINANCE
OFFICE MANAGEMENT
TRAFFIC

A carefully supervised program enables our trainees to learn on the job, first quickly to responsible positions. All executive positions are filled from within the Company, thus a steady supply of talented young men is needed to fill such positions created by constant expansion.

Interviews will be held for students graduating in Commerce, Arts, Science and Law on TUESDAY, NOVEMBER 18, 1958.
Law Dominates Intercollegiate League Lead

by Mike Kirby

Last Tuesday, Law clinched first place in the Intercollegiate League with their 3-0 victory over the Engineers. In the only other contest played that week, Arts and Science moved into third spot in the standings by handing Mods a 13-1 set-back.

Early in the first quarter, an Engineer fumble on a punt by Mel Young, set up Law's opening touchdown. Only three plays later Conrad gathered in a short pass to put Law ahead 6-0. Young then made the convert good.

The Engineers bounced right back and near the end of the opening frame Pete Wilson scored on a wide running play. This was the first time Law had been scored on this season. However, this was the end as far as the "Shackmen" were concerned, and Law took over from then on. They added another touchdown in the second quarter and as yet the Saturday time is undecided.

At least 20 players have made appearances at the tryouts but coach Dargle has made it apparent that several new players are needed to complete the roster.

HOCKEY SQUADS BEGIN SEASON

Coach DeWitt Dargle has opened the 1958-59 intercollegiate hockey season at an early date as far as the Dalhousie Tigers are concerned. Coach Dargle has been holding practice drills since last week.

Several of last year's stars have not returned to the fold, therefore it is imperative that some new faces are added to the '58-'59 squad. Anyone interested in trying out for the Varsity or Junior Varsity squads should attend the following practices.

Monday—7:00 to 9:00; Tuesday—6:00 to 8:00; Thursday—4:00 to 5:00 and as yet the Saturday time is undetermined.

Bobby Wood, scoring five out of seven goals, sparked the fighting Dalhousie ground hockey team to two shutout victories over win-less University of King's College. Wood, who played several years for the powerful Edgehill ground hockey eleven, has been heading the Tabbies in the statistical race since the beginning of the season. Scoring three out of four goals in the first contest, she terminated her scoring spree with King's by adding a pair of tallies in the second encounter.

The first game saw the Dal eleven whip the hard-working King's girls 6-0. The Tabbies jumped to an early 2-0 lead on goals scored by Judy Jackson and Bobbie Wood. In the second half Bobbie Wood added two more goals to the register, while King's were unable to move the play from their own end.

Two days later Dal registered a second shut-out over King's. Again Bobbie Wood led the scoring with two goals while Ethelda Brown added another to make the score 3-0.

These two wins gave Dal undisputed possession of first place in the League. Dal has now won four games in as many starts. All of these games have been shut-outs, having defeated Mount Allison 1-0, and Acadia 5-0.

ON THE MOVE—Immitative University of King's ground hockey forward, Susan Bell, is being attacked from the rear by two Dalhousie defenders, Taffy Jones (left) and Marc Sinclair (second from left). The action took place on the King's grounds Tuesday the 21st when Dal overpowered UKC 6-0. Shown in the background is Mary Archibald, of King's, and Bobbie Wood of Dal.

Gosh from!

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the pep drink on campus, I mean. Always drink it, you say? Well—how about dropping in a gum form and downsing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.
Hillel Sponsors Synagogue Tour

A general meeting of the Hillel group was held Wednesday evening, October 29, in the Arts Building. The main outcome of the meeting was the decision to form a Study Group under the guidance of Hillel advisor, Rabbi Dobrinsky, of Adath Israel synagogue. The Group will meet weekly, on Wednesday nights, to discuss matters related to this central theme—What It Means To Be A Jew In The Modern World. Also, because of the enthusiasm shown, the group will concern itself with learning conversational Hebrew.

Since many Dal students have expressed interest and curiosity concerning the new Adath Israel Synagogue on Coburg and of Adath Israel synagogue. "The Group will meet weekly, on Wednesday nights, to discuss matters related to this central theme—What It Means To Be A Jew In The Modern World. Also, because of the enthusiasm shown, the group will concern itself with learning conversational Hebrew.

WUSC Speaker Visits Dalhousie

Patrick Deigh, a student from Sierra Leone, will visit the Dalhousie campus this week as guest of the WUSC Committee. Mr. Deigh is touring the universities of eastern Canada to interpret the life of African university students to their Canadian counterparts. He will address a joint meeting of Dalhousie, King's and Saint Mary's students at Shirreff Hall Wednesday evening at 8:15 p.m. Following the meeting, refreshments will be served. Professor Montigny Duffy spoke on "The Christian Moral Law," and on Nov. 2, Archbishop Berry gave a lecture on "The Pope as the Exponent of Christian Moral Law."

Dal Newman Club Varies Program

Newman Club, the organization for Roman Catholics on the Dal-Tech campus, is well into its 1958-59 season. So far, the membership includes almost 100, with nearly double that number turning out for its varied intellectual, spiritual, and social program on Saturday nights. "The Life and Work of Pius XII" by Rev. Owen Sharkey headed the list of lectures. On October 19, there was an interesting film on Mental Health. The following Sunday, Monsignor Duffy spoke on "The Christian Moral Law," and on Nov. 2, Archbishop Berry gave a lecture on "The Pope as the Exponent of Christian Moral Law."

On Sunday, Nov. 9, the topic will be "The Teaching Authority of the Bishops." Through the year, the Club will sponsor monthly Communion Break­fasts with Mass at the Holy Heart Seminary and breakfast afterwards at Newman Hall. A yearly event is the Mission, which is to be held this year at the Sacred Heart Convent on Nov. 13, 14, 15 and 16.

Le Cercle Francais Elects Officers

A small but enthusiastic crowd was in attendance at the first meeting of the Cercle Francais held on Monday, October 27 at 8 o'clock. As election was held and the following officers were elected:

President—Robert Ryan
Vice-President—Marc Polay
Secty-Treas.—Heather Williams

Secty-Treas.—Heather Williams
Plans for the year were discussed and it was decided to follow much the same program as last year—monthly meetings ending with a Soiree Francaise in February or in March. Marc Polay, a new student from Montreal, is interested in starting a class in conversational French if enough are interested.

Following the business meeting refreshments were served. Professor Chayv completed the evening by showing two French films.

This way to glamour!

Kitten

by Glenayr

Wherever you find Kitten you'll find excitement! And here's Kitten in a dramatic new convertible heavy-knit turtle-neck cardigan... matching pockets... accenting pearl buttons! In luxurious Ban-Lon—soft, soft beauty without tiring upkeep, Full-fashioned, hand-finished—sizes 34 to 40—at good shops everywhere, price $11.95.

Bell employment representatives will be on campus to interview on Friday November 14th
