

Team Work . . .

In the history of human endeavour the chapters of greatest renown have been written through the efforts of teamwork.

From the proud growth of the ancient Grecian culture through the struggles of the Renaissance to the hopeful birth of the United Nations men have found that working in harmony has produced lasting benefits of inestimable value.

In this age, more than ever before, we believe team work to be men's most potent force for worthy accomplishment.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

It has always seemed to us that the first function of any advertisement is to get itself read. People do not have to read advertisements. Therefore any art or device, even as simple and inexpensive as this advertisement was to prepare, commands more attention than just cold type. Use more pictures. Illustrate your advertising.

PROGRESS!

FOR 140 years the Story of Stairs has been synonymous with the Story of Progress.

Starting as a small general store in 1810, the firm has kept pace with the advance of time and has contributed much to the progress and growth of the city and province in which it was established.

To-day, Stairs has become known as the supply house for much of the Hardware and Plumbing and Heating business conducted in the Maritimes. In addition, the firm is representative for the leading Canadian and American manufacturers of heavy construction machinery and equipment.

Stairs, to-day, embraces the four Maritime Provinces with branch offices located in Saint John, N. B., Sydney, N. S. and St. John's, Newfoundland.

Never have property owners been so underinsured against the risk of fire as at the present time.

For example most dwellings in Nova Scotia before the last war were insured for \$5,000 to \$10,000.00 To-day such dwellings should be insured for \$10,000.00 to \$20,000.00.

The cost of additional insurance for dwellings is small, in most cases from \$8.00 to \$9.00 per thousand for 3 years.

The above remarks also apply to household furniture and personal effects.

As a Confidential friend . . .

The family lawyer, the family physician of many year's standing are people in whose judgment you place confidence, and who treat your affairs as a matter of confidence.

Your banker, too, is a professional man—a member of a profession that works as much as any other in the public interest, protecting the depositor against loss and employing his liquid surplus for general advancement of the country.

Each member of the staff of The Canadian Bank of Commerce is bound by professional oath to treat your affairs confidentially.

Make use of his services, placing him on the same friendly professional footing as your family lawyer or physician.

Cheapest and Quickest

Station - to - Station Long Distance Calls

It's cheaper and faster to use Station-to-Station Service on your Long Distance Telephone calls. A Station-to-Station Call is one where you ask for a **telephone number**, and not a particular person.

The saving through using this class of service amounts to as much as thirty per cent on calls during the day. On calls after six p.m. the average saving is larger still. Besides, your call goes through much more quickly—usually while you hold the line.

Save yourself money and get quicker service by using Station-to-Station Service whenever possible. Remember it especially on Sundays, as Night Rates are effective all day then and your saving is still greater.
