In Memoriam: Dr. William Francis "Bill" Mason

It is with a heavy heart that we share the sad news that Dr. William Francis "Bill" Mason, former associate dean of Postgraduate Medical Education (PGME) at Dalhousie University, and Medical School alumni (1961), has passed away.

Dr. Mason was a highly respected radiologist, who spent most of his career at the Victoria General Hospital. He served in executive capacities on numerous medical boards and committees and was a past-president of the Canadian Association of Radiologists, president of the Medical Society of Nova Scotia and a member of the board of directors of the American College of Radiology.
