Journal

19<sup>th</sup> April

1001

Calcutta

Calcutta 1801

Sunday 19<sup>th</sup> - Hunt

Borrowed from Mr. Mearns  
the 10<sup>th</sup> Vol. of the Encyc.<sup>o</sup> B.<sup>o</sup>  
+ with him alone -

In the evening much  
thunder and lightning -  
little rain - lightning greatly  
unusually - flames crossing  
each other, dividing into drops  
of light, & some the extremities  
several times from upper

1881

H.

Monday 20 April

Blowing much dust up  
at the College. Nothing

the Provosts present.

+ La Sfoin French present  
is taken by the Abbots.

and carried into Madras.

- The form is a sheet of  
superior force by the latter.

H.

Tuesday 21 April

Cloudy - blowing between  
whirls -

- Saw W.W. of the first part  
of the Heads of the Section  
to copy far out for the  
prep -

College - no body from

- A full college council is  
to be held, it is said this  
week

# 8 p.m. Thunder and rain

Some loud claps - a  
good deal of rain fell during  
the night -

Patersona 20

Wednesday 22 April  
at a.m. Ther 70°

Visit from Mr. Du Plessy  
report says that the students  
from Madras and Bombay have  
had their choice either to re-  
main at the College or  
return to their respective settle-  
ments. Several of them it is  
said intend to return -  
- while the present quart. re-  
main the College will not go on  
properly - They brought with  
them into this country ideas very  
different from that of going to  
School again.

10012  
Thursday 23 April  
at a.m. Ther 01°

College at eleven - None of the  
officers present  
- Read the late regulations -  
Oath de fidele -  
- Visit to John & Jackson  
Two expeditious, one against the  
Americans, the other against  
Egypt -  
+ The Archbishop has brought  
Mr. Webb secretary to the  
Madras Govt, who arrived in  
town yesterday morning  
Capt Bromwich of the La  
Cyron would have fled from  
the Archbishop, but was pre-  
vented by his men.

- M<sup>r</sup> Du Messey and  
Taylor with us.

+ Thunder storm in the eve  
wind and rain beat  
all the night -

1001<sup>h</sup>  
Friday 2<sup>d</sup> April

The rain last night has  
rendered the air very cold and  
mild this morning

+ A packet over land - Puffin  
was with puffin - The 4<sup>th</sup>  
leaf at two shillings -

Saturday 25<sup>th</sup> —

Some English Ships escaped from  
the embargo laid on them by the  
Emperor of Russia; on which he  
ordered all the other Ships in his  
ports to be burnt, which was done  
accordingly, and the Officers and  
crews conducted on board a  
Sloop of 10, to the <sup>same</sup> interior parts  
of his Dominions. A very curious  
manuscript was published by the  
Emperor on the occasion.

1801 A  
Sunday 26<sup>th</sup> April. —

Very Dull  
+ Mr. Macnab 10 in com-  
pany  
+ Polycar escaped from our  
guards and took possession  
of their fort which had been  
peacefully demolished.

— Buonaparte finding that Malte  
must fall into the hands of the  
English made a present of it  
to the Emperor of Russia. The  
artifice had the desired effect.  
The back emperor thought he had  
only to demand it from G. B. He  
made the demand and was refused.

Catcutt p

Monday 27 April

Employed in finishing the  
Analysis -

Monday 20<sup>th</sup> April 1854  
Went to the college - Shew to  
the Committee half of the Notes  
Must be ready on Monday -  
Gave the Analysis to Ferris & Co  
to be printed. -

Mr. Reid called showed me a list  
of books lately imported from  
England

Calcutta

Wednesday 29 April  
Went to see the books yesterday  
I got the catalogue yesterday from  
Mr. Reed, (American) several  
the amount of 55 Rupees  
The books are charged high -

- 1801 -

Thursday 30<sup>th</sup> April

#  
O. C. M. called on the Vice-Chancellor  
with a proof of the first sheet  
informs me that my lectures were  
fixed by the college council to  
begin on Sunday the 7<sup>th</sup> of  
May at 8 o'clock in the evening  
to be continued every Monday  
and Thursday.

- Sent the list of books to  
Capt. Humphreys, returned it.  
Says the books are charged too  
high -
- Paid for books purchased yesterday.  
55 Rupees -

Calcutta

Friday 1 May 1801

Set out plan below for  
80 S. Paper of 10 weeks, not finished  
by concluded

Finished the Analysis -  
returned the rest of books to  
Mr. Reed -

Saturday 2 May

Apparatus now done  
and will be ready on Monday

Mr. Pritchard called. News  
La Jolie lost in the red sea  
Alexandria taken by storm  
All the French captured by  
the Arabs &c.

Mr. Pritchard returned from Wolla-  
by without having made any  
purchase.

Sunday 3 May 1801

4 A.M. Thur — 87.  
very busy and sore  
all night —

Monday 4<sup>th</sup> May 1801

4 A.M. Thur — 87.  
This is the first day of term  
in the College. — No business  
to be done this week — I have  
two rooms for my Apparatus  
which will answer very well  
— Visit from Mr. Taylor, a  
letter on the same —

4 This evening at 9 P.M.  
Mr David Hume called on  
his arrival in Calcutta  
— News. English fell into  
rather in off a-bath fields,  
and by the lake  
had for some time past pro-  
posed Stations — has founders  
of a Society of Whites. —

- By Mr. Stone received a letter  
from the Rev. Mr. J. Wann  
Antony giving me the <sup>name</sup> of  
English -

1801<sup>th</sup>

Tuesday 5 May 1801

- Mr. Stone at Northport -  
- took on Mr. Lamb - introduced  
Mr. G. - took at home - too  
little light - -  
- Mr. G. with us - Mr. F. -

Wednesday 6<sup>th</sup> - May 1801  
Went to the college two rooms  
for apparatus with Shelton

2<sup>nd</sup> p.m. Thes — 91

Employed on the Analysis -  
- Letter from Judda mentions  
the conquest of Adonnet Blongues  
at that part with well except  
the La Frole which struck on  
a rock foundation but despite they  
were obliged to run here on a  
shoal - none was lost - Report  
from the the Alexandria had  
been taken by Genl. Abercromby

Thursday 7<sup>th</sup> May 1801

Sunny - afternoon very close  
and cloudy

2<sup>nd</sup> p.m. Thes — 91

- with W. McNabb - Capt.  
Hoble -

- The Armed Neutrality is actu-  
ally signed - Russia, Prussia,  
Sweden and Denmark.

Do not ~~rest on~~ <sup>rely on</sup> this league  
in that formidable point of  
view that some do. Open here  
is better for England than an  
armed Neutrality -

+ Thunder Storm at 4 p.m.  
same rain —

Friday 8<sup>th</sup> May 1801

9 a.m. Thur — 06

Wrote since the rain last  
College, rooms not ready.

of Col. W. M. Parthey; Theo-

ditite to Genl. M. Douglas  
to be sent to W. Caulfield

+

1801<sup>th</sup>  
Saturday 9<sup>th</sup> May

Went to the College and  
staid all the afternoon  
in the room —

Read the last sheet of the  
Analysis —

— Sent the Analysis to Mr.  
Harrington to look <sup>at</sup> with  
an apology for not dining  
with him —

Calcutta  
Sunday 10 May 1801

Notes for the first and  
second lectures

+ with M. A. - C. - Mestri,  
Fay - Hunter, Kell, Es, Wils  
and Brown

- Great Britain has declared  
war against the American  
powers

- Some thunder and lightning  
in the evening. little rain

Monday 11<sup>th</sup> May 1801

College - arranged the app<sup>ts</sup>  
on the shelves -

- Read 60 analyses for the  
Students - and a Dozen  
bills sent for the members  
of the College Council.

+ with M. A. - C. alone -

1801<sup>th</sup>  
Tuesday 12 May.  
waited in the Vice-Chancellor's  
with a copy of the Analysis -  
left copies for the  
Council at the Provost's  
Chamber

- Visit from a Mr. Wilkins  
son of Mr. Wilkins printer  
in London - He has been bred  
in the Chemical line - I mean  
to employ him for a month  
or two -

1801<sup>th</sup>  
Wednesday 13 May  
At the College in the morning  
the pump cuts well - got  
ready what is wanted for  
tomorrow's lecture -

<sup>th</sup>  
2  $\frac{1}{2}$  p.m. Ther - 93<sup>o</sup>  
Very Sultry -

- A visit from Capt. Leigh  
<sup>#</sup>

4  $\frac{1}{2}$  p.m. Ther - 94.

- Capt. L. invites me to  
dine with him on Sunday  
at 6  $\frac{1}{2}$  p.m. -

Thursday 14<sup>th</sup> May

## At 8<sup>1/2</sup> p.m. Gave my introductory lecture to the Philosophical course - Full room audience - the Provost, two Professors, and almost all the students. Very attentive & went off pretty well. I shall improve the latter part - 4<sup>1/2</sup> p.m. in a thunder storm. Two steps near; one in the direction of the fort, properly on the Esplanade.

Friday 15<sup>th</sup> May 1801

All four set out for the residence - met W. Hamilton who says there have been two packets received within these two days. ## News - Paul of Russia has challenged G. III to single combat!! He kicked W. Bernstorff out of his presence, & immediately set out for a courier safe at Copenhagen + Committee of the Asiatic Society - I determined to write a circular letter to the different Presidents requesting them to send proposals for printing the 7<sup>th</sup> Vol of the Asiat. Researches.

# - Mr Ammeron has given in  
a paper to the Senate Room  
on the 12<sup>th</sup> day of the first  
book of Euclid —

+ yesterday afternoon a  
man was killed by light  
ning on the road leading  
to the Casuarina Gate of Ft  
Lecton, about 20 yards  
distant from 10 pieces of  
very cannon. This was of  
the flesh which I judged  
from the interval must  
have fallen on the explosion

#  
+ 4 $\frac{1}{2}$  p.m. Th<sup>r</sup> — 93  
Cloudy - very sultry all  
the morning —

1801<sup>th</sup>  
Saturday 16 May  
Went to the College this  
morning - Shelves fixed  
Locks not yet on all the  
doors

- Visit from Mr. Tuley born  
report that the Emperor  
has made peace with  
England - (That one of  
the Genl. Secretaries for the  
Council of N. U.) does not  
seem —

The  
Sunday 17 May

Very sultry last night

no rest on account of the  
tom tom - Musket - for  
days - Bust beating -

for but the greatest part  
of the day.

with Mr. Fairlie -

Mrs. C - Mrs. D - Mr.  
Laurie -

Ocean is certainly connected  
between France and Austria

It is supposed that Count  
of Ruffin will be destroyed.

He proposed a tournament  
the King of Sweden - Came

on the siege of Malen, took  
it by storm and gave a great  
entertainment on the occasion

Monday 18 May 1801

9<sup>3</sup>/<sub>7</sub> a.m. Ther. - 90°

+ Read Mr. Grant's bill. of  
Mining Society. quarterly meeting  
the 1<sup>st</sup> April -

wrote to Messrs. Franklin & Co.  
respecting the - is in  
instruments -

+ At the College preparing  
for the lecture - Rooms  
will be very damp. -

+ Give the first lecture of  
the course - Subject the  
properties of matter -

+ Mr. Westhead sent to the  
Laboratory - began with  
him -

Monday 19<sup>th</sup> May 180

Sailing last night - got  
under way - (Disturbed with  
the mousers Tom Tom

+ This morning called on  
W. Buchanan - abroad

- Williams called - gave him  
a gold watch in remembrance

- Saw Mr. Ince's come across  
the river

- with Capt. Lough, Capt.  
Levon of the Swallow pack  
and 8 other Gentl.

- The three ships will not  
be able to work out of the  
bay this season - will in all  
probability be driven back  
next

Capt. Lough says that M-  
was bad tempered  
+ Sir L. Muntz died beyond  
of West Fort

+ Capt. Gaggell Extra<sup>d</sup> came  
between Austria and France

III Dispatches from England to  
Russia of a pacific nature  
were returned unanswered  
with several letters by a sailor

- He is believed to be insane

- Mr. Forsyth called and  
promised to go over the water  
to wait on Mr. Harington

1801<sup>th</sup>  
Wednesday 20<sup>th</sup> May

Tom Tom put down in the  
whole night - Sultry

- A female dentist operated

on one of my beavers. She

had two sticks by <sup>which</sup> she

showed the teeth making

use of several elegant instruments

and accompanied them with

a constant harangue, she

concluded with a motion

of the instrument across

her forehead

+ Paid Mr. Taylor 200 s. for

for a present to be presented

Thursday 21<sup>st</sup> May 1801

3<sup>rd</sup> Section Well  
This morning felt a violent

pain in that part of my back

which struck the ground in falling

out of bed -

Visit from Doctor Ware Jones

to enquire for Mr. Ware watch

maker

- Mr. Bateman called - He had

a dozen Terriers who with

their mother all went mad

on the same day. It was on

the day when there was an

eclipse of the moon, and

he predicted the accident

some time before!! -

12<sup>th</sup> Then 09<sup>th</sup>  
somewhat cloudy -  
Much less sultry than for some  
days past.

Friday 22 May

Purchased Linn's Hydrom.  
of M. Shubert price 44 S. P.

- Found it with M. Swamy's  
found the difference the same  
in way but, that is  $\frac{1}{2}$  of  
Cent. A - ye getting the spec  
so much stronger. This is  
owing to a small change  
on the ball of the instrument.

- With M. Taylor - By the  
person with a finger he  
had nearly brought it to  
a mortification which is  
+ this country is more exact  
and more active than at  
home

- Loyde Anchor and Hope  
met for the first time here.

Saturday 23 May

Putty last night kept  
cool this morning - cloudy

- Visit to the College  
nothing done further  
respecting the sub; but  
Mr. Johnson to have  
them ready for this days  
lecture -

- With M. De-  
- Thunder storm in the  
evening. Not very violent

th

Sunday 24 May

Much water in consequence  
of the rain last night

With Mr. Fairlie -  
Mr. Davidson - Ladies

Evening a Mr. Weston -  
wind in strong flames

very abrupt - heavy  
rain for a short time

remarkably cool after  
Two ships arrived

is said to have left on  
10<sup>th</sup> Jan<sup>y</sup> - In my new

papers -  
Mr. F. informs me that

I have a book box &  
Co. on the Caldonia -

books I suppose

1001 th

Monday 25 May

cool and pleasant after  
the rain. —

Gave the 4<sup>th</sup> Lecture of the  
course - subject the Meth<sup>d</sup>  
power - went off well. —

N. B. I ought to write out all  
the lectures, whether to be used  
in the class or not. —

1861. 4th  
Monday 26 May

Extremely sultry at the

Day

Thunder storm at 7 p.m.

Went to Mr. Fairbanks -

Collecting Experiments for the

fifth lecture -

Went to the lecture room

to see whether the Labo-

ratory be put in repair.

4th  
Tuesday 27 May

Extremely sultry -

Went to Mr. M. C. - alone

Thunder storm at 7 - heavy

rain -

Sully - perpetuates que

+ 5<sup>th</sup> Lecture - Subject

Center of Gravity and

Motion by Gravity -

+ Mr. Carey performs me the

the tables covered exposing

their bodies to the beginning

of a heavy rain. They say

it occasions pains. Query

the cause -

- Rec'd a letter from Barnard

1851 Th  
Friday 29 May

Sully last night -

10 a.m. Thur - 90°

Then morning received a

letter from Mr. Hume Glen

Long, Ore, with a box cont<sup>d</sup>

5 $\frac{1}{2}$  Vol<sup>s</sup> of the Encyc<sup>l</sup> <sup>13<sup>a</sup></sup>

and one vol of Sully -

<sup>th</sup>  
Saturday 30 May

Extremely sultry -

Preparing for the 4<sup>th</sup> day

+ with M. M. b.

- Along of St. P. and

the Church Chest -

1001<sup>th</sup>  
Sunday 31 May

4

1 p.m. Ther. 92

South<sup>ly</sup> wind - very sultry

+ with M. Familie - Super

D-n and St-n

- The capture of the river  
ships by the French ships  
of war seems not to be  
confirmed -

- Engaged a Portuguese  
sloop at 12 S. Super  
D. Month -

Monday 1<sup>st</sup> June  
to lecture

Acoustics - Collisions  
and Theory of Projectiles  
- Greatly appreciated by  
the best of the Day - The  
Lecture Showed went off  
better than I expected

Tuesday 2 June  
Moved the greater part  
of my furniture to  
the College -

- Messrs Taylor and New  
with me -

- Evening - Whether  
Americans, Danes, &c, can  
carry merchandise direct  
from this country to London  
This spoken by one Gent.

Monday 3 June  
Moved wholly to the  
College - Better accom-  
modation than I first sup-  
posed -  
- very sultry during the  
night - Slept indef-  
erently -

11  
Tuesday 4 June  
At seven was a Royal  
Salute with the new  
colours hoisted - Three  
batteries of fire arms each  
three Divisions stationed  
in different parts of  
the Fort -  
- A strong southerly wind  
has prevailed for these  
ten days part caused  
by hot  
- The current of the large  
Electric machines has  
gone away -  
- Lecture part of 11th  
to morrow  
+ with Mr Fairlie

1801<sup>th</sup>  
Friday 5 June

Borrowed of Capt. Mump  
a one pound Coronade  
wounded -

- At home for the first  
time in my new lodging  
+ Lecture 7 Observations  
on Practical Geometry  
Intended to have consid-  
ered also the Ancient  
Engines of war - but had  
not time - This Lecture  
did not in my opinion  
go off so well as the former  
Students attend it -

1801<sup>th</sup>  
Saturday 6 June

Strong wind in flames  
all day - Sundry  
- with Mr. Munnab -  
- This evening much cooler

1801 No  
Sunday 7 June  
Mr. Moffat paid his note  
500 Silver Papers -  
- to Mr. M. Fairlie -

- Various reports from a  
packet said to have been  
received over board. That  
the Swedes and Danes had  
refused or at least demurred  
with respect to signing the  
armistice -

Monday 8 June 1801  
at Helms  
Ancient Engines of war -

+ At home -  
- Especially hot - a  
strong S. East wind with  
clouds moving rapidly to  
wards the N. West -

Friday 9<sup>th</sup> June  
A Thunderstorm at 4<sup>th</sup>  
took the air much -  
Evening agreeable -  
- Bet from Ferris and  
Co 360 odd Super  
Accepted it - To pay on  
the 1<sup>st</sup> of next month.

Wednesday 10<sup>th</sup> June  
I went to the G.  
Jury. L<sup>d</sup> W - would not  
examine me. He says that  
as the Grand Jury sits in  
the morning, as my prin-  
cipal collegiate duties are  
in the evening, his Lordship  
does not think he would  
be justified in complying  
with P. D.'s application.

Chance however gave  
me what justice could not  
obtain. I was not drawn  
- Mr. Knell applied to Mr.  
C - Pub: D. The answer was  
from Mr. Knell to Mr. C -  
+ with Mr. M - Mess. J. M. and How

at 5<sup>1</sup>/<sub>2</sub> p.m. —  
— A very heavy shower  
with little thunder — This  
is not doubt the introduction  
of the rains, which I am of  
opinion, will be frequent  
and heavy for some time

Thursday 11<sup>th</sup> June 1807  
Last night cool and pleasant  
9<sup>th</sup> Merit — — — — — 93<sup>1</sup>/<sub>2</sub>

9<sup>th</sup> Lecture  
concerned Art of war —  
went off but tolerably  
— wanted spirit — words also  
somewhat deficient —  
— Evening Mr. T. called in  
his way from the court house  
— Robinson tried this day for  
murder spoke near eight  
hours — had no council  
— Sir J. A. had begun to  
address the jury —  
— At eleven Mr. Duffley  
returned from the court house

The Jury has brought in  
Kollason guilty to the great  
surprise and indignation  
of the whole audience -  
The fate of this man is  
peculiarly hard. But a  
few particulars that he  
collected after wards, on the  
subject. -

Friday - 1801  
Friday 12 June

This morning Kollason  
was brought to the Pen  
where he received sentence  
of death - to be hanged  
on Monday next -  
+ A visit to Jo - a!! -  
Doubtless -  
+ with W. Fink -  
W. Estlin -

Saturday 13<sup>th</sup>

Cool and pleasant after  
sweet smelt showers

- Mr. Robinson wrote a letter  
to Mr. Taylor Seal Engraver  
to come to the jail and  
see him as he had some-  
thing very particular to say  
to him. He went and  
has received all his papers

- Messrs. J-2 (D-4) and  
were with me

Mr. J-2 had been with  
at the morning  
went home D-4.

Sunday 14<sup>th</sup> June

After breakfast went with  
Mr. Fairs to see a picture  
at Stritrong - Moon light  
scene - called on W-4  
found him drunk - spoke  
with J-2 who goes to  
Cory, it is said to Cospitall

- Mr. J-2 -

- with Mr. McNabb - Col  
White and Son and a Mr

Calcutta 181 <sup>117</sup>  
Monday 15 June  
Some offers made to me  
from B-y and John  
respecting a particular  
business.

- 10 Lecture -  
Strength of bodies - sent  
of pretty well - Fluxion's  
Cent: of made of cutting  
out the strongest beam  
possible out of a round  
tree -

- he break up on them  
next. - The examination  
commence on Friday next.

1801 <sup>118</sup>  
Sunday 16 June

- with Mr Taylor - B-yatt  
Poor fellow - what an example  
of very considerable talents  
lost by keeping too long -

Urbana <sup>Thy</sup>  
Sunday 17 June  
Lepid and Dinner with  
Mr. T. - Met B-y - ma  
Company of Ladies -  
+ A letter from Mr. Robinson,  
Secretary to the College Council,  
requesting a report of the  
progress of my class -

Sunday 18 June 1881 -  
<sup>H</sup>  
7 a.m. <sup>Thy</sup> - 03½  
wind N: E " night very  
cool - obliged to put on  
my coat for this morning  
walk <sup>H</sup>  
- 11 Lecture concluded  
preliminaries, and the lecture  
for this term -  
- A model of a Cart-friole  
car and coach would im-  
prove the experiments of  
this lecture - It went off  
well -

Calcutta  
Friday 19 June  
4 a.m. Ther 00

Last night and this morn:  
cool and pleasant. —

5 Heavy rain — seems to us  
in for rain all day

+ W. White sent me  
the 1 part of the 2 Vol:  
of the Enreg: B: for perusal

4 p.m. Salute from a Ship  
9 Guns — Fort and round  
Fort Guns very loud.

Has rained all the morn:  
ning —

Saturday 20 June  
4 a.m. Ther 04½  
cloudy —

Recd a manuscript epistle  
for W — y — sent it w:  
a letter to M. F — who  
replied to my letter that  
he would see about the  
matter. In about an hour  
after, he informs me y:  
he has got "letters from W —  
" ships' stuns in the  
Mornington —

— Ordered of M. Poqueux  
a Soup Kettle —

+ Mess F — 2 and Har with me  
x x F — drunk and abusive

Calcutta

Sunday 21 June

Last night a very heavy  
 rain - <sup>got</sup> good quite soaked  
 before I could shut the window  
 - at 5 p.m. yesterday a  
 thunderstorm - two claps  
 very loud - Distance 300-  
 400 yards -  
 - Jan informed that a  
 house in Chowringhee was  
 struck -  
 + called at M's shop -  
 Servants change the mat,  
 at other times go to the  
 Bazar instead of M. J. Lohi.  
 #  
 1 p.m. Thur - - - 05  
 cloudy  
 - Dined at the garden. -

Monday 22 June

Close and hot -  
 #  
 10 Ther - - - 03  
 cloudy -  
 + left my report in Mr.  
 Proctor's Chamber at 9<sup>30</sup>  
 clock  
 Paid Nofal's bill - 115 Sk  
 also Amshong's bill - 59 -  
 Paid Servants for last  
 month - - - 56 Sk  
 - At A. in the way of  
 new electrical machines by  
 Blunt. -

1001  
Tuesday 23-June-

8 a.m. <sup>H</sup> ~~Th~~ — 02,

Chou - some rain last night

arranged the apparatus

below -

<sup>H</sup>  
- 5 p.m. called at W - J  
met M - he has come to  
no determination as yet.

+ Evening at M. Amstrong's

Met there also with M -  
recommended by J - a -

to fine -

1001 — H

Wednesday 24-June-

A John: Jy - Dined with  
the Pope and another lodge -

Bought and paid for 300  
of claret ——— 60 sh.

Thursday 25<sup>th</sup> June

Mr. Bernard from the county  
went to see a house struck  
with lightning & had  
thunder storm - nothing  
remarkable -

- Paid Harris & Co bill  
for purchase of paper \$369.10  
+ at half past one I took  
Mr. Armstrong's work  
shed & perceived a vio-  
lent shock like that  
of an earthquake. The  
rafters were so much  
propped out of the perpen-  
dicular that the tiles  
were obliged to be taken off.

Friday 26<sup>th</sup> June

went of see Armstrong's  
work shed. It looks like  
the effect of a whirlwind -  
- Dined with him & I - a  
ride after dinner, to the Cape  
made - Mr. C. D. tells  
me that Th. - i has given  
the Throats a very bad  
character.

Saturday 27<sup>th</sup> June  
M<sup>r</sup>. Barnard and Pupple  
with me —

— It is singular to meet  
with a man so great a  
misanthrope in theory;  
and so much the contrary  
in practice as M<sup>r</sup>. B. —

— He considers this world as  
a scene of eternal evil at  
least with regard to man,  
says that my Day Time is  
much happier than any man's

Sunday 28<sup>th</sup> June

Monday 29<sup>th</sup> June

Accommodations for the  
Students palanquins are  
making on the side of  
the Great Bank in front  
of the College - From this  
it would appear that the  
reports respecting the ~~real~~  
abolition of the College are  
unfounded

Tuesday 30<sup>th</sup> June

Perusing the Suppl. to  
the Encyclop. B. -

+ Messrs D-y and W-y  
with me -

Clove and Sulley all day

Calcutta 1801  
Wednesday 1<sup>st</sup> July.

Slept last night -

Sent many books to the  
Shelver below -

11 a.m. Post - 86<sup>u</sup>

+ Saw Theobald's bell - 130

- with W. Maenalt

+ Asiatic Society in the Ev<sup>n</sup>

+ (Despatches from Egypt  
Genl. Menou has landed  
and taken Bouhse and

was on his march to Alex.  
Two battles said to have been  
fought. French lost 2000  
men killed and 500 pris

Thursday 2 July 1801

This day was published the  
Gazette as usual but without  
the Egyptian news.

+ Put in the evening the  
G. Extra. made its appear-  
ance containing the news mainly  
and the news from Egypt  
which had reached London.  
Lined by private channels  
but no official account had  
arrived.

- Visit from Capt Douglas  
delivered to the Major  
Mardonald's pamphlet.

Friday 3 July 1800

Take post in evening of the Gazette with a list of the shipping for 1800, 1800 —

+ with M. D. y — His girl and little daughter

— Evening a walk on the Esplanade —

— Visit in Caspitallah.

+ Egyptian news not believed by some —

French —

+ Queen may not the change in the English ministry affect her Lordships Subjects and consequently the College?

Saturday 4 July

Got the five subscribers to Walling's coffee —

only five wanting. These

will visit a liberality

in this country not to be

found at home. —

— Weather in the evening  
day rainy and very close

Sunday 5<sup>th</sup> July 1801.

9 a.m. Ther — 82°

Close light rains more  
frequent than when in the dry  
season. The thermometers were  
at 90°

— Green what can be  
observed for a certain de-  
gree of heat during the rainy  
season being more uncom-  
fortable than in the dry  
season

Monday 6<sup>th</sup> July 1801

Showers all day — Ther.

Perspire much —

— Gazette extraordinary

— Report — Matter to be given to  
the Emperor of Russia — Pruss  
and Denmark do not agree

— A letter from Mr. Watson  
requesting me to speak  
to Mr. Fairlie for a situa-  
tion in one of his Judge's  
wards, he had heard that  
two Europeans were wanted

— Mr. Fairlie says he does not  
want any European at pre-  
sent

Friday 7<sup>th</sup> July 1800  
A general search for the  
lost part of Sonorali Beyars  
but to no purpose.  
None —

The news from Egypt  
is generally believed. And  
it is said, are received of  
the arrival in Egypt of our  
expedition. It is hoped  
they will have nothing  
to do —

Calcutta  
Wednesday 8<sup>th</sup> July 1800  
Read the Ex: Gazette  
Speeches in Parliament.  
Mr. Pitt mentions the cause  
of his resignation, Emancipa-  
tion of the Catholics in Ire-  
land, also the respect of the  
East and Corporation acts.  
Mr. Pitt it is said contended  
for the respect, but was upon  
particularly (it is conjectured,  
by the King — <sup>to</sup> <sup>be</sup> <sup>born</sup> <sup>with</sup>  
his resignation because the act  
of the Privy Council did  
not extend to the former case  
formerly held out to the Catholics

Admitta<sup>th</sup>  
Thursday 9 July 1801

Yesterday received an invitation to dine at Keddaspore house on Wednesday next the 15<sup>th</sup> Instant. —

H. 1/2 a.m. there — 83°  
Cloudy - little wind S.E.

- no rain there two days.

+ yesterday evening had a long walk on the Esplanade. Mr. A. joined us. —

- with Mr. Fairlie —

+ It appears evident that the King is insane —

Mr. Sheridan's speech and motion, and Mr. Pitt's speech on Dec<sup>r</sup> the motion - great. —

Friday 10<sup>th</sup> July 1801

I saw Mr. B. —  
There is no doubt respecting Egypt's being invaded by the French —

+ This morning sent Wooding's subscription paper to Mr. Wholl - He filled it up - 5 subscribers —

- Received from Mr. Fairlie a beautiful large green line Caterpillar - preserve it in spirits of wine —

1801 the  
Saturday 11 July

Perchard of Rod, Ken con.  
3 Gasp returns and East  
were on board and two nests of  
Cuculles —

— Got an order from Capt<sup>n</sup> of  
Relio to the Officer Com:  
on board the Mornington  
to receive Watling and his  
baggage on board.

— A permission from Gov<sup>t</sup>  
to go on board must be  
obtained on Monday sth

— Mr. M. gave W. 100  
for a month's teaching

1801 the  
Sunday 12 July

Had  
10 This 81  
Sun<sup>n</sup> took — muzzling

Last night the news from  
Egypt is confirmed Genl.  
Maurombi has died  
of his wounds. Between  
4 and 5 thousand French  
are killed and taken pri-  
soners —

— Called on Mr. W. to  
see my picture, found  
him quite drunk in  
bed — I found my self  
quite as a top how to

To act. I had pleasure  
to have given him  
to Deming  
+ Received a letter from  
W. M. Carthy - Chatta-  
hoochee  
+ letter to Francis.

See bookings at my  
act. account, receiving of  
Messrs F. G. & Co from  
1000 J. M. P. charges  
to my debit (at my  
credit) -
