Sir

Permit me humbly to solicit the favor of your Patronage and recommendation, in behalf of an Establishment which I am encouraged to form, at the pressing request of several Gentlemen of distinction who have resided in India, and who are pleased to honor me with their Names and Support.

My object is to Institute a Hookha Smoaking Club, for which I have taken a House, No. 34, George-Street, Portman-Square, and ~~have~~ fitted up Apartments suited for this purpose, as well as to accommodate Gentlemen with Hindostanee Dishes, dressed in national perfection.

As the completion of this design, must necessarily be attended with some expence, and requires the encouragement of the higher Circles, I am induced from your well known influence in those circles of Fashion to seek the honor of your name and recommendation, to promote this undertaking; and if not considered too presumptuous, to beg that your natural benevolence will prompt you to forward a pecuniary Subscription, which must tend to facilitate its accomplishment, and be ever gratefully acknowledged by me.

I have the Honor to be,

with profound respect,

Your most obliged and obedient humble Servant,

34, George Street, Portman-Square. *The Commissionment of the Club is given by these gentlemen who have honored me with their Patronage to be on Thursday the 30th. The favour of an answer will greatly oblige your hum^l servant Sean Mahomet*
