Sir

I am very sorry it had not been in my power to see you this long while. But Our Vacation is to commence next week; then I hope I'll have the pleasure of waiting on you. In the Mean while, as we have public speeches on the 17th instant, & I know you for an amateur of sciences, I take the liberty of sending the enclosed ticket to you. M^r Besley, Our Master to whom I spoke several times of you, joins his compliments, and should be very glad to have the honor of

your Company!

I Remain

Sir

Your most Humble Ser^t.
