PSAC Agenda
September 16, 2008
9:15 to 11:00
G62, Killam Library

1) Announcements and updates from previous PSAC meetings
    - from July PSAC - update on PSAC-sponsored Open Access mini-conference (Jane Duffy)
    - from July PSAC - update on organization of the "S - Drive" (Michael Moosberger)

2) Update from the PSAC WorldCat Local sub-committee

    The PSAC WorldCat Local sub-committee will distribute their recommendations based on the investigation they conducted over the summer. (For discussion among all members.)

3) E-Reserves - the University of Calgary model

    Gwyn Pace will provide an overview of the University of Calgary Library's e-reserve service. We will hear how UofC Library provides this service through the integration of "supplementary readings" (aka "e-reserves) into that institution's various online class environments. (For discussion among all members).

4) Web page issues and updates

    Marc Comeau will outline the latest priorities, issues and developments re: the Library Web page (for discussion among all members).
