**IMPORTANT NOTICE TO REGISTERED PERSONS.**

In order to maintain the accuracy of the Medical Register, all registered persons are requested to send immediate notice to the Registrar of any change of residence. No fees are required for alteration of addresses.

A. W. H. LINDSAY, *Registrar.*

REGISTRY OFFICE, 241 Pleasant St., Halifax, N. S.

In order to pass, a candidate must make fifty per cent of marks in each subject.

If fifty per cent be made in all subjects but one, he may begin study, and present himself in that subject alone at next examination, without payment of any additional fee, except in cases of candidates taking local examinations.

A candidate failing in more than one subject may not begin professional study; he will, however, at any subsequent examination, be exempted from all subjects in which he shall already have passed, and shall for such examination pay an additional fee of \$5.00, (or \$7.00 if a local examination be taken).

Certificates will be issued to successful candidates, showing the subjects in which they have passed, and the extent to which their knowledge of these subjects was tested.

Candidates who have passed the above examination will be admitted without further preliminary examination at all Canadian and American colleges.

This examination also satisfies the requirements of the General Medical Council of Great Britain as to the preliminary examination which must be passed by persons wishing to register as medical students, provided the candidate shall have passed in all subjects at one examination.

#### TEXT BOOKS.

Except where otherwise specified, the books prescribed by the Council of Public Instruction are recommended.

#### EXAMINATIONS.

Examinations take place twice each year, viz.: on the first Thursday in May and the second Thursday in September.

On the same dates local examinations will be held, on application, at Sydney, C. B., at Pictou, N. S., and at Yarmouth, N. S. Candidates taking local examinations are required to pay an additional fee of \$2.00.

For copies of previous examination papers (\$1.00 one entire set) apply to Registrar Provincial Medical Board.

#### EXEMPTIONS.

Graduates in Arts or Science of any recognized College or University, teachers holding the Grade A License of Nova Scotia, also those who have passed the entrance examination of the Nova Scotia Barristers' Society, are not required to submit to this examination.

The Matriculation and the Sessional Examinations of any chartered University or College, the First-Class Teacher's Examination, of either Nova Scotia, Prince Edward Island or New Brunswick, the Preliminary Examination of any Medical Licensing Board authorized by law in Her Majesty's Dominions, and also the Senior and the Junior Leaving Examinations of the High Schools, where 50 per cent is obtained in each subject, will be accepted *pro tanto*, that is to say they exempt from examination in the subjects comprised in them, in so far as the examinations are of the same extent as those required by the Provincial Law.

The Provincial Medical Board will also accept fully or recognize *pro tanto* such other examinations as may from time to time be similarly recognized by the Councils of Physicians and Surgeons of New Brunswick and of Prince Edward Island.

N. B.—For further particulars as to Professional Curriculum, Registration, etc., see "Requirements for Registration under the Medical Act," as issued by the Provincial Medical Board.
