MARITIMES, WEST SECURE DEFEAT OF I. U. S. AFFILIATION PROPOSAL

Preparations Under Way in Glee Club for Play, Concert, Patience

Concert To Be Presented On January 18th and 19th

An evening of choral and orchestral music will be presented by the Glee and Dramatic Society of Dalhousie university in the gymnasium at 8.15 p.m., Jan. 18 and 19. The first night will be for a student audience, admission by student council card, and the second night will be a public performance.

As a dramatic solo, Eileen Cantwell will sing numbers from the role of Josephine in H.M.S. Pinafore. Coloratura soprano Jean Parker will sing the role of the plaintiff from Trial by Jury. A solo will be rendered by contralto Diane Parker.

Reynard Mitchell, violin soloist, and director of the Dalhousie concert orchestra will be one of the featured performers. He is a graduate of the Halifax Conservatory of Music and a former member of the Toronto Conservatory Orchestra.

Joyce Whittier and Phillip Hebb will present a piano duet.

The featured performance by the concert orchestra will be Mozart's Seraglio Overture.

The female chorus and the mixed chorus, under the direction of Noel Hamilton, will be heard during the program.

CCUF Endorses Plan For Student Grants

"Democratic management of this club is more important than adhering to party policy", said Bob Kail, vice-president of the Dalhousie CCUF, at a meeting held in the Arts Bldg. Wednesday night. The club voted to increase its activities and take a more active in-

Results of Kingston Conference Discussed At Vets Meeting; Seek Increased Grants From Government

The meeting of the Dalhousie-King's Vets Association was held last Wednesday night with Bill Cox and Earle Urquhart on hand to report on the National Conference held at Kingston over the Christmas holidays.

A resolution asking for an increase in the basic training grants for the veterans at the Vets meeting held Wednesday evening. This was one of the resolutions made at the National Convention held at Kingston to be presented in Parliament. No definite amount was mentioned, but in view of the fact that other civil servants had received an increase of \$15 to \$20, it was felt that the vets deserved something.

From some of the suggestions made at the convention, Cox said that the veterans in Halifax are

"George Washington Slept Here"

BY ALF HARRIS
"Practice" is the watchword around the Glee Club these days. The Dalhousie concert orchestra is practicing regularly for their spring audition to be held in the gymnasium Jan. 18 and 19. From all reports the students can be prepared to hear a good program. The Dalhousie Girls Chorus will be heard on the same bill singing various ballads.

The members of the Dramatic Society are practicing every evening for the play "George Washington Slept Here". The cast includes many of the better-known dramatic artists on our campus: Art Hartling, George Flemming, Ken Phelps, John Trim, and Patty MacKinnon. Some of the newcomers include Glyn Yeomans, Alf Harris, Anita Simpson, Marnie Stevenson, Jan Sinclair and Lucy Colp.

Once again our college play will be under the able direction of Mr. Leslie Pigot.

Interest in campus activities affecting the student body as a whole. It was decided to support the DKSA in its request for an increase in veterans' allowances. A program was drawn up for bringing in prominent speakers to discuss topics of current interest. The club endorsed the stand taken by Doctor Kerr in pressing for increased government grants for worthy students. The meeting adjourned after hearing a report on the CCUF national conference held during the holidays presented by George Leucks.

better off than other places. He illustrated his point by showing one resolution which asked that the veteran have his glasses changed under the Government and not have to pay for it himself. Apparently, this has always been done at Camp Hill.

It was also resolved that scholarships for the children of the war dead be started. This did not appear on the brief to Ottawa, but depends on each university. A pledge system would be used, whereby the veteran would redeem his pledge after some years.

A circular, the statistics of which will accompany the resolution asking for an increase, will be distributed to the veterans. It will show the increase in the cost of living, and all the vets are asked to get one.

"Forgotten Men" Work On Sets For Three Productions

BY CHARLES MACINTOSH
Those forgotten men of the Dal Glee Club, the Stage Crew, will soon begin work on the scenery for "George Washington Slept Here". There were five regular members on the Stage Crew to build the scenery for Macbeth. These were Jerry Pefhany, Stage Manager, Murray Fraser, Dave Parker, Dave Jamieson, and myself, Charles MacIntosh. There were four artists who helped paint scenery—Jerry Grant, Sheila MacDonald, Pearl Goodwin, and Betty Merrick. Two others, Muriel Ritchie and Edith Hils helped Franny Jubien, Vice-President of the Glee Club, with the monumental task of sorting out, fitting, mending, washing and keeping track of the costumes. Several other students helped these hard-pressed individuals in their spare time.

And yet on the program for Macbeth the members of the Stage Crew are not mentioned.

Gazette On Trial At Council Meet Tonight Lusher Resigns After 3 Years On Editorial Board

For the second time this year the Gazette goes on trial before the Students' Council at its meeting tonight in the Murray Homestead. Charges levelled at the Gazette editors of irresponsibility and destructiveness in their criticism at a meeting of the Executive have already led to the resignation of Jack Lusher, one of the Gazette's co-editors.

Mr. Lusher came to Dalhousie three years ago, and has been a member of the Gazette staff since then. In his freshman year he became Features Editor of the Gazette and was the founder of the Sam Peeps column, which appeared for the first time that year. Next year he was News Editor and co-Editor-in-Chief this year.

Council President Russ McKinney announced late last night that tonight's meeting of the Students' Council may be held in the Chem Theatre in the Science Building instead of the Murray Homestead to accommodate a possible turnout of more spectators than the Homestead could seat.

Boilermaker's Ball Friday

The Nova Scotian Hotel will be the scene of another formal dance come Friday, January 21. This time, it will be the Engineers' Ball. Music will be provided by Les Single and his 15 piece orchestra.

Exchanges, National Sport, Summer Seminars Arranged at Montreal Nifcus Meeting

by Ross Hamilton

"How did the delegates feel as the Conference started?"
"The delegates from all the major Canadian Universities came to the twelfth annual conference of the National Federation of Canadian University Students hoping that the federation would be able to prove the raison d'etre of its existence, and Bob Harwood, past President of Nifcus placed the responsibility for this proof on the shoulders of all Canadian university students and quoted the motto of the students of U.B.C. "TUUM EST"—it is up to you. We went to the University of Montreal looking for results and most delegates came away with a new enthusiasm for NFCUS as we recognized the possibilities of the Federation."

"Did the question of affiliation with the International Union of Students take up much of the Conference's time?" Many of the delegates felt that the relations of NFCUS with the IUS had overshadowed the last year's program and were fairly determined that this should not be the case for this year at least. For Nifcus must be strong at home before it endangers its existence by overt international activity. Some universities still wanted a renewed effort to get Nifcus working in IUS but by a vote of 10 to 7 a motion to this effect was defeated. The day following this discussion, by a vote of 10 to 5 it was decided to send two observers to the IUS General Assembly meeting this coming summer, the NFCUS executive to choose the observers, and the financing to be done outside the Federation's regular budget. The Maritimes as a block opposed renewed affiliation and were supported by UBC, U. of Alta., U. of Man., U. of Ottawa, and McMaster."

"If this was felt to overshadow the past year's effort, did NFCUS do anything to merit future support this past year?"

"Why yes, the Federation did quite a lot. Let's enumerate just what it has done this past year. It has justified its existence as a National organization formed to speak and act on behalf of Canadian students.

(1) The National Conference of Canadian Universities has endorsed and is actively furthering the formation of a Dominion Intercollegiate Athletic Union. Nifcus started this ball rolling.

(2) The first National Debating Final took place in 1948 sponsored by the National Debating Union. This latter Union was formed at the 1947 NFCUS Conference at Winnipeg.

(3) A few inter-regional student exchanges were effected through NFCUS this year. This plan needs more publicity.

(4) NFCUS is supporting ISS in the scheme for Reconstruction Scholarships. It is hoped that this plan will be supported by all Canadian Universities and by agencies outside the University.

(5) The Unemployment Insurance Commission was approached regarding a rebate for unemployment Insurance Premiums paid in by students working during the vacation periods. The Commission declined to alter its regulations.

(6) The American Federation of Musicians were approached regarding the use of amateur musical talent on non-commercial university radio broadcasts. No decision has yet been reached with this body.

(7) The proposed film based on Canadian Universities to be made by the National Film Board is high

on their list for 1949-50 although the Board seems harassed by financial shortages.

Editor's Note: Unfortunately the length of Mr. Hamilton's report prevented us from printing it in its entirety. The remainder of the report should be continued next week.

Letters To The Editor

Letter To The President Of The Students' Council

Dear Mr. McKinney,

During recent weeks there has been considerable criticism, both official and otherwise, levelled by members of the Students' Council against the practices and policies of the Editors of the Dalhousie Gazette.

This situation climaxed recently with the censuring and subsequent resignation of one of the Editors. Certain other writers have since resigned as a sequel. Charges and counter-charges have been numerous with personalities entering into the controversy at certain stages.

In view of the above, it is the opinion of the writer that the Students' Council would not be in a position to give an unbiased hearing to the Editors at the meeting proposed for Friday night.

Therefore, it is strongly urged that a Students' Forum be summoned and an independent Committee be elected to investigate the circumstances. An examination should be carried out of all copies of the Gazette published during the present Editors' term of office and a report submitted along with recommendations of whatever action is deemed warranted.

Yours sincerely,
BOB KAILL

GAZETTE POLICY

It has, unfortunately, become necessary for the Gazette to print a statement of "policy", a thing which is sometimes done at the beginning of the year without its ever having meant much. The most significant thing about the Dalhousie Gazette almost since its founding over eighty years ago was its liberty from Faculty or University control. When the Council of the Students was founded some time later, and the University conferred a constitution upon it, the Gazette continued as a more or less independent agency, with nominal Council control.

This has been continued since then. The Gazette has always been the responsibility of its Editors, with freedom to print their own views on matters of student interest as against those of either the University or the Students' Council—although the three seldom conflicted in matters of any importance. The tradition at Dalhousie has always been one of independent publications, based on the sound theory that this was the best long-run arrangement. In this respect Dalhousie has been more fortunate than many other similar institutions.

The Gazette's "policy", if one wants to use the word, has been its complete freedom to deal with any situation as it saw fit; since the students on the Gazette staff were generally a representative University group, with wide diversity of opinions, a more truly student opinion was thus reflected than if the paper had been controlled from any single source.

In the discussions which take place at the Council tonight and at possible future meetings as to the future of the Gazette, this should be born in mind. Quite apart from the people who will edit the paper, the important point is to be reasonably sure that they are independent people, and represent no body other than themselves. The fact that the staff will be, or should be, a group drawn from all corners of the Campus is enough to ensure at least an honest opinion in the pages they produce.

THE COACHING SETUP

The Students' Council has still to deal with the matter of who pays and appoints coaches, and it is to be hoped that some action will be seen soon, before the year is over.

Repeating the story for about the fifth time, this University has almost depended in all sports upon some interested citizen who will offer his services for a small honorarium, if anything, coming forward and offering to coach a team. There has been at no time a clear basis for making offers to prospective coaches, and the hardest job the Physical Director and Managing Committee of the D.A.A.C. have had to do this year is probably securing coaches. Their success not only in obtaining coaches, but in obtaining good coaches, is a significant tribute to their energy and ability.

The situation should not be allowed to continue. The University has an interest in the persons who teach its students anything, and probably is in no way inclined to ignore the matter, or to avoid any commitments as to paying coaches adequate salaries. After a meeting of students and the Senate Athletics Committee last year we were given to understand that the University had undertaken to bear the financial burden, and there has been no contradiction of this understanding.

The initiative seems to rest with the Council, who have as yet done very little in the matter.

Family Welfare Expert Addresses Sociology 4

Mae Fleming, Chief Supervisor of Welfare Service, Family Allowance Division, Department of Health and Welfare, addressed the recently combined Sociology 4—Economics 7 class in the Chemistry Theatre, Monday, Jan. 10. Miss Fleming is in the Maritimes on an inspection visit of regional offices of her department as the Department may soon extend its activi-

ties to Newfoundland and wishes to integrate the new offices into the national system with as little confusion as possible.

Miss Fleming was introduced by Professor Prince. She explained that both economic and social motives had prompted the government to institute Family Allowances. She said that the system had worked very well and had achieved its main objectives. A spirited debate followed in which Miss Fleming ably defended the present policies of her department.

In Memoriam

Notice

Know Ye All That Sam Peeps is Dead

Funeral Friday

Tuesday, January 11—Sam Peeps, faithful chronicler of campus events for the past two and one half years, passed away last night, quietly, from shock. With him died a tradition of freedom built over the years of his service with the Spectator (early edition)

In his first year on the staff he was forced to resign because of a heavy attack of authorityitis brought on after he was exposed to the harsh reality of politics at the college on the hill. Friends stated late tonight that his unexpected death was indirectly caused by a similar attack.

The funeral will be held tonight, attended by a full turnout of the college parliament and by what is expected to be a large attendance of sorrowful friends. The funeral oration will be preached by the president of the college parliament.

Several members of the staff of the Spectator (early edition) are suffering from the same ailment that caused Mr. Peeps' demise, and it is expected that some of their number will not live beyond Friday night.

The passing of Mr. Peeps marks the end of a long, up-hill fight, on his part, for freedom of thought, in the pages of the Spectator (early edition). His dying words were: "I am afraid I have fought a losing battle for a lost cause—I am disappointed and sick at heart."

For two and one half years he peered out from the inside pages of the Spectator (early edition) prodding and poking the foibles and fancies of individuals, and putting on the record, (the mistakes and the successes of groups), on the campus of the college on the hill.

I Quit!

New Weekly Founded in City Gazette Interviews....

David MacLellan, Editor of Halifax Free Press

by L. McNeil and C. Macintosh

"Halifax should not be dominated by a single source of news and in my opinion, the present organization operates without any clear-cut editorial policy, an inexcusable trait of any similar publication", said David MacLellan, managing editor of the newly founded Halifax Free Press, during an interview with Gazette reporters yesterday.

As a result of the recent amalgamation of the two Halifax daily newspapers, it became evident to Mr. MacLellan that there was need for an "independent organ of opinion" in this city. To meet this demand, he decided to publish such an independent newspaper.

The appearance of his new paper on the streets created far more support than he had anticipated. Although many citizens have been willing to donate to the paper, Mr. MacLellan stated that such offers had been turned down, pending further announcement, as he wishes to shape the editorial policy in the early stages of the paper.

The paper will continue to be published in tabloid fashion once a week, but when the time is opportune, it will have increased space and eventually it will become a daily. At present it is concerned with outstanding local matters but province-wide-coverage of news is in the near future. His present policy is to create an independent newspaper that will print news of significance that has not been published through other channels.

Mr. MacLellan, a former student at Dalhousie, was very actively engaged in student affairs. In 1934 he was News Editor of the Gazette and in the spring of the following year he was elected to the Students' Council. However he did not return to Dal, having decided to enter the field of journalism.

A member of the Princess Louise Fusiliers during the war, he was sent overseas and was in charge of Public Relations of the Canadian Army in the Field in the Italian Theatre.

On his return to Canada he entered First Year Law at Dal. At this time he was instrumental in drawing up the Constitution of the

DAVID MACLELLAN

One Day Remaining for Undergrad Photos

Undergraduates in Arts and Science have only one day left in which to have their photos taken for publication in Pharos. This day will be Wednesday, January 19th, from 9-12 and 1-5 in the Pharos Office in the basement of the Arts Building. Pictures of undergraduates in Forrest, Law, Medicine and Dentistry, etc., will have their pictures taken in the basement of the Medical Library on Jan. 17 and 18. These are definitely the only days left.

Graduates' pictures are to be taken at their own expense and must be submitted for publication not later than Jan. 31. In order to maintain uniformity, graduates are advised to have them taken either at Dodge's on Argyle St. or by Don Morrison, regular Pharos photographer, on Prince St. (Telephone 3-8829.)

As soon as lists of this year's graduates are made up, each grad will receive a form to fill out which will replace the biographies formerly written by the grad or a friend.

Pharos was among last year's college yearbooks in Canada and the States which received a mention from the National Scholastic Press.

Schedule for First Round of Bennet Shield Debate Posted

The following is the schedule of the first round of elimination debates for the Bennet Shield. The losers of these debates are dropped from competition and the winners move on into the next round.

Jan. 13 (1)—Arts and Science 1 vs. Law 3.—Resolved that the Marshall Plan will result in the strangulation of the economy of Western Europe.

(2)—Delta Gamma 1 vs. Arts and Sci. 4.—Resolved that the welfare of the people of Halifax can best be served by at least two competing newspapers.

Jan. 20—Law 2 vs. Arts and Sci. 2.—Resolved that, at the present time, the United Nations is the most effective means for securing world peace.

Jan. 27—Law 4 vs. Delta Gamma 2.—Resolved that women talk more than men.

Feb. 3—Arts and Sci. 3 vs. Law 1.—Resolved that the belief in Santa Claus is psychologically injurious to children.

Winer (1) vs. Winner (2)—Resolved that the federal government should control the Canadian educational system.

The first team mentioned in each case has the affirmative.

All debates will take place in Room 3 beginning at 7:30 unless notice to the contrary is given on the bulletin boards.

All debates with the exception of those on Jan. 13, and Feb. 3 will be on the Oxford Union style.

The debates on Jan. 20 and 27 will be held in conjunction with public speaking lectures.

Late Library Book Owes Fee of \$867.75

A borrower recently returned a volume to the Dalhousie Library. This event, while not in itself unusual, aroused a great deal of interest in library circles for the book was slightly overdue. A professor had borrowed it way back in 1903. This professor was from the Law School and achieved the desire of all Law professors (ie.—to go to Ontario) and moved to that fair province taking with him the volume from the Dal Library in an absent-minded lapse of memory. A few weeks ago he or one of his family became conscience-stricken and returned the book through the City Library. He thus remained anonymous. This was perhaps due to the fact that he owed the Library the usual fee for an overdue book, 5c per day. The fee in this case amounted to \$867.75.

NOTICE

There will be a Frosh class organizational meeting in the Chem Theatre on Jan. 18 at 12 noon. All frosh are expected to attend. There will be elections for executive and next year's initiation committee.

NOTICE

Will the person who accidentally picked up a pair of ladies beige suede gloves at the Commerce Social Party last Friday please call 3-3410.

Dal Bulletin Board Seeks Sponsor for Radio Program

The Dalhousie Bulletin Board, the semi-weekly university radio program which featured John Trim and his presentation of Dalhousie news is to become a 15-minute sponsored show.

Jack Wilcox, publicity director, stated yesterday that there was "every possibility" that the program would be expanded and financed by a sponsor.

Dalhousie-Kings' Student Veterans' Association. He also contributed many articles of interest to the Law School Supplement in the Gazette that year.

To date the Bulletin Board has received a minor spot on Norm Riley's Penthouse Party program, but in future it will be given much more scope. The broadcast will continue to feature the Publicity Department's ace sportscaster, John Trim.

Plans are also being made now for this year's Radio D-Day, when Dal students, through the kind cooperation of Radio Station CJCH take over the station for the eighteen-hour day of broadcasting. This year's day is on Monday, March 7th, the day before Munroe Day which, for the benefit of the

uninitiated, is one very fine day indeed.

A large staff will be needed by the Pub. Organization to conduct the day's activities. Lists are up around the Campus and those interested in helping out and learning a little about Radio at the same time are asked to place their names on them. Positions to be filled include script writers, announcers and a traffic manager and staff.

Last year's D-Day, the first, was a great success, with about thirty students participating in the activities. More will be needed this year.

Andy MacKay and Herb Rosenfeld jump for the ball at a Varsity workout. Dal, under coach Jack Thomas, expects to be able to enter strong teams in this year's competition.

Tiger Hoopsters Prepare For Coming Schedule

The 1949 edition of the Dalhousie Tigers Basketball team has begun working out in earnest. With only four practice sessions before the exams and one since, a lot of practice is in order if Dal is to be ably represented this year. Manager Ian Palmeter has secured the gym Monday nights from 8 to 11 and at noon most weekdays. Unfortunately the coach can only instruct the boys in the evening and Monday is the only night obtainable.

NEW COACH

The D.A.A.C. has been fortunate to obtain the coaching services of Jack Thomas, for years one of the outstanding basketball men in the Maritimes. Mr. Thomas wants a definite system of play and, to institute such, has the boys working hard on floor and out-of-bounds plays.

NEW TEAM

Of last year's varsity hoopsters only two regulars are back for the '49 season, forward "Dee" Shaw and guard Andy MacKay. Jimmy and Mason MacDonald who also played with the varsity squad are working out regularly. Others trying out for the senior quintette are King's players Scott and Ian Henderson; Frank Rogers; and several junior players.

NEW SET-UP

The loss of most of last year's varsity Tigers and shortage of material will mean that the intercollegiate team will include many of this year's Junior squad. Final selection will be made in the near future as Dal's first Intercollegiate League game is scheduled for Feb. 5, at St. F.X.

JUNIOR TIGERS TO PLAY

Saturday night at the Dal gym the Junior Tigers hope to start another successful season by taking the measure of the Wanderers team. Last year the Juniors marched to the Maritime Championship and on to Montreal, where in the Eastern Canadian finals they had their first losses of the season. Up until this point the team had won twenty-one consecutive games and despite the existence of a stronger league in Halifax and losses of many of last year's players, many followers look upon the Juniors to repeat.

Expected to play for Dal Saturday night are "Dee" Shaw, Jimmy Mahon, Norm Beckett, Andy Mac-

Juniors Defeat Team off Maggie

Wednesday evening at the Stadacona gym, the Dalhousie Junior basketball squad won its first exhibition game of the season, defeating the team from H.M.C.S. Magnificent to the tune of 35-33. A ragged game until three-quarter time, the tempo picked up in the dying minutes as the Junior Tigers put on a scoring spurt to salvage victory. The zone defence employed by the "Maggy" boys slowed the game down considerably and at half time the Tigers were on the short end of a 14-10 score.

11 POINT DEFICIT

The sailors surged ahead in the third quarter and continued to drive until, with six minutes left in the game and the score 33-22 in favour of Navy, Dal came back sparked by Jimmy Mahon and "Dee" Shaw. Mahon netted six points as Dal used the fast break to advantage. With thirty seconds left Shaw swished a foul shot to deadlock the score, and seconds later dropped in a one-hander from the corner to give Dal their two point win. "Arp" Robertson, Earl Smith, "Big Bill" Calquhoun, and Scotty Henderson also stood out for the Tigers.

The pick of the "Maggy" team were Shelton, Arnott, and Coe.

THE LINEUPS — Dalhousie — Shaw, 5; Mahon, 11; Beckett; Robertson, 6; McCallum; Calquhoun, 3; Smith, 6; MacKay, 2; McCurdy; Drysdale; Reid; Ells, 2.

Kay, Bill Calquhoun, Bennie McCallum, "Arp" Robertson, Earl Smith, Scott Henderson, Dave McCurdy, Jim Ells, "Gibby" Reid, and Al Drysdale.

DAAC Meeting Admits Kings To Interfac

With their own concession that they drop their first forward and defense lines, King's has been admitted to the Dal Interfaculty Hockey League for the coming season. This arrangement was accepted by the D.A.A.C. at its first meeting of the new term last Wednesday night. Because the Kingsmen play other games and have access to outside practice, they would have a definite advantage in the Interfaculty League if the first team was not excluded. A list of the competing players for King's is to be submitted to the D.A.A.C. before the loop starts play next Monday.

Ian Palmeter was appointed varsity basketball manager and given over to the hoopsters on a drastic step in recommending that the gym be taken from the through his efforts the gym was Monday night. The D.A.A.C. took Alumni badminton club, but if Dal is to have any semblance of a basketball team, it was felt that suitable practice hours must be arranged.

INTERCOLLEGIATE MEETS

Dalhousie will play host to two Intercollegiate meets, probably in late February. Both the Intercollegiate boxing and badminton meets will be held here in the gym and, though no final details have as yet been arranged, the Managing Committee made arrangements for trophies and awards for the winners of these tournaments.

Interfac Hoop Loop Drawn Up

The 1949 Interfac Basketball League will open tomorrow afternoon, Jan. 15 at 1 o'clock when the Engineers take on the new team of the league, Pine Hill. Two other games will follow, at 2 p.m. the Arts and Science team will meet Law and at 3 p.m. Pharmacy will meet Dentistry.

Last year the league was an outstanding success with the Meds walking off with the title by defeating Law in the final seconds of a game played on Munro Day. This year both teams are back strong and should arouse much interest.

The League is divided into two sections. The first section consists of the stronger teams as a result of the last year's standings, Arts and Science, Law, Meds and Commerce. In the second section there are the Engineers, Pre-Meds, Dents, Pharmacy and Pine Hill.

The schedule consists of thirty-two games in all, twelve in A section and twenty in B section. Each team plays the other teams in its own section twice. The playoffs will take place with the first two teams in each section playing off with the second place teams in the other section. The finals will again be held on Munro Day. The new time clock will be used for all games.

Scott Morrison is the chairman of the referees and will be responsible for one, possibly two, referees for each game. This year there will be no definite line drawn for eligible players except for those who are sure of playing Varsity or Junior.

NOTICE

The President of Sodales, Neil McKelvie, announces that the second term series of lectures in Public Speaking will begin next week on Thursday, January 21st..

CURLING

Friday afternoon, at the Mayflower Curling Club Dalhousie's youthful curlers take to the rinks for their first session of the '49 season. All interested should contact the manager, Shorty Faulkner, or the Physical Director, John MacCormick.

Gazette Photo by Soberman

JUST ANOTHER TWO POINTS.—Chick Childs (0), goes in for two more of his 15-point total in Wednesday night's exhibition game between Philadelphia Colored Giants and Dalhousie Grads. Garnie Brown (22) and Ralph Cooley (4) of the Grads, fail to stop Childs' shot. Alex Farquhar (10) of Grads, and Poarch (13) of the Giants, look on.

Colored Giants Defeat Dalhousie Grads 58-35

The Philadelphia Colored Giants romped to an easy 58-35 victory over the Dal Grads last Wednesday evening at the Gym. Taking a comfortable lead of 30-9 in the first half the Giants settled down to trick ball handling and unusual plays in the second half to amuse the crowd.

Any chance the Grads might have had in giving the Giants a run for their money was lost in the first few minutes of the game when they had difficulty in getting started and more than once missed a sure basket by poor shooting.

Big 6'4" Sugar Odriske was the sparkplug for the Giants as he accounted for 15 points, and treated the crowd with his spectacular ball handling, usually with one hand, and razzel-dazzel type of play which completely foiled the Grads. Alf Cunningham put in a steady performance for the losers as he scored 10 points, 6 in the first half. Garney Brown, who seemed to come to life in the final minutes of play, also came up with ten points.

From the opening minutes of play there was little doubt as to the outcome. With Odriske placed just outside the keyhole and with Childs and Ferrell feeding the giant with snap passes, they caused no little confusion among the Grads allowing them to shoot at will. Shifty Childs gave a great performance of hustle in the last quarter as he dashed to and fro

across the floor with Tommie Sweet vainly attempting to guard him.

Charlie Connolly and Alex Farquhar put on a fine show for they were the only ones who could recover a rebound off their opponent's basket. Connolly was particularly effective in the second half as he worked the ball into position many times only to have his work ruined by hurried and poor shooting.

The general impression from the crowd and the players alike is that the Giants were not as good as the House of David quintet who played here two months ago. Although this team played a different type of ball, a faster type, than the H. of D. they certainly were not as good individually. In fact the Giants lacked showmanship, which is what the audience wanted.
