

NOVA SCOTIA

CANADA'S EASTERN GATEWAY

NOVA SCOTIA is the nearest Canadian Province to Great Britain. As the oldest established Province of the Dominion, it has more to offer the newcomer from the standpoint of social conditions, than the newer Provinces of the west. There are other important reasons, however, why British people should settle in Nova Scotia.

NOVA SCOTIA has the most basic resources for industrial development of any portion of the American Continent. While her industries are expanding rapidly, agriculture still remains of prime importance and last year the Province was favored with crops to the estimated value of over \$49,000,000.

ANNUAL WEALTH

Returns for 1920

Coal.....	\$34,080,000
Coke and By Products	4,200,000
Gold and other Minerals	267,500
Gypsum, Limestone, etc.	2,475,000
Building Materials and Clay Products	2,312,600
Iron and Steel Products	15,520,000
Fisheries	13,890,000
Manufactures, Ships and Freights	59,100,000
Products of the Farm	49,456,500
Products of the Forest	17,390,000
Game and Furs	850,000
Grand Total	\$199,541,600

NOVA SCOTIA has land suitable for Mixed Farming, Market Gardening, Dairying, Sheep Raising and Fruit Growing. Her apples are among the finest flavored in the world. Trees bear from five to ten years after planting and yield profitably for from sixty to one hundred years. Nearly a million acres of land not yet planted are suitable for orcharding.

NOVA SCOTIA has strong local markets and unexcelled opportunities for exporting. Her ports, a number of which rank among the most accessible and safest harbors in the World, are near to the great international trade routes.

NOVA SCOTIA, unlike the great prairie Provinces of Canada, the development of which depend very largely upon one or two resources, presents the greatest variety of agricultural industrial and Commercial opportunities of any part of the Dominion of Canada.

111 YEARS

ONE HUNDRED AND ELEVEN years ago we introduced ourselves to the Merchants and Contractors of the Maritime Provinces as Public Servants, and out of a modest beginning grew a business that has never departed from the SPIRIT OF SERVICE which was the ideal of its founders. This business which was 57 years old at the time of Confederation has never changed hands except as the business descended from father to son, and other family members entered, and its most cherished asset after all these years is the friendly GOOD-WILL of the public it serves.

**Our Service to the Constructive
Forces of the Maritime Provinces
has been wide in its Scope**

The lines we specialize in have entered fully into all of the varied works of industry that increase the wealth of our country. Especially have we served:

**CONTRACTORS OF PUBLIC AND
PRIVATE BUILDINGS AND
INSTITUTIONS.
RAILROAD BUILDERS
SHIPYARDS
MINING INTERESTS
LUMBERMEN AND BUILDERS OF
PRIVATE HOMES.**

Over a Period of 111 Years We Have Achieved a Standing, a reputation in the commercial world for a service well performed, and we will continue to follow the ideals and principles that have created it.

When You Are Among Those "Next of Kin"

WHEN a man dies without leaving a Will, the members of his family find themselves in much confusion;—What is to be done about the business? How are these securities to be divided? If that happens to you, or to any friend of yours, remember that the shortest cut out of the confusion is a petition to the Court for the appointment of

THE CANADA PERMANENT TRUST COMPANY

as administrator of the estate. A prompt settlement follows— as equitable to all parties as the law permits.

The fact remains, however, that no settlement of an unwilling estate can ever be satisfactory to everybody. Someone will have a lifetime of thinking—"I know Father would have planned things so differently."

The only way is to make your will, naming as your executor

The Canada Permanent Trust Company

Your family is then assured smoothness of settlement, security in your estate, and that just division which only you can make.

“The Dalhousie Review”— The Long Distance Telephone Lines— A Parallel.

“The DALHOUSIE REVIEW” is forming an intellectual bond of union among not only those to whom “Old Dal” is *alma mater* but among all the people of culture throughout the Province.

The **Long Distance Telephone Lines** of the Maritime Telegraph & Telephone Co., Ltd., form part of a physical bond of union among all the people for the quickening and fostering of intimate, conversational relations.

“The DALHOUSIE REVIEW” is giving abundant promise of attaining its object—although its task is but beginning.

The use of the **Long Distance Telephone Lines** has become an everyday habit with enterprising men in the affairs of business—but there is a broad field for the extension of their use for social and personal purposes.

What opportunities the ordinary, commonplace Telephone holds forth for the social union of our people near and far!

Take down your receiver—say the word, and you are given access to your neighbour over the way or, just as efficiently, with your friend in far-off Chicago, New York, Boston, Montreal and Toronto!

And just as the subscription rate for “The DALHOUSIE REVIEW” is a very modest one, so the rates for these **Long Distance Telephone Calls**—considering the service rendered—are very low indeed, in fact, lower than elsewhere.
