We urge all readers of the Dalhousie Review to take a few minutes off to consider the insurance coverages they have in force. Most home owners are under-insured, and so, also, are those who own considerable furniture and personal effects.

We are ready at any time to analyze your present policies and make recommendations, if necessary. Our new composite policy will cover in one policy, fire, extended coverages such as windstorm, etc., burglary, legal liability, with a 10% reduction in rates.
