DEPARTMENT OF MANPOWER AND IMMIGRATION

The placement of men and women  
In Jobs Befitting Their Capabilities  
Is of grave concern to Universities,  
Governments and Industrialists.

Working in the community with these  
Groups, as part of the team, is the  
Department of Manpower and Immigration,  
Whose field offices are known as  
Canada Manpower Centres.

We congratulate the 1967 graduates  
And wish them well as they  
Enter the labour force of Canada
