## THE SIR CHARLES TUPPER MEDICAL BUILDING

OFFICIALLY OPENED  
JULY 14, 1967  
BY HER MAJESTY  
QUEEN ELIZABETH  
THE  
QUEEN MOTHER

### DALHOUSIE UNIVERSITY

**WHY** a new, multi-million dollar medical school?

- There has been a rapid rise in the number of applicants for entry into medicine, dentistry, and other health professions.
- There is a serious shortage of doctors in the Atlantic Provinces.
- Present facilities are over-crowded.
- More research space is needed.

The Tupper building has been designed to meet the pressing need for more doctors and to provide vitally needed facilities for research. Alumni, business and industry have made substantial contributions to the Dalhousie Expansion Fund, and governments have provided large grants from the Centennial and Health Resources Fund, but almost \$2 million is still required to pay for the building. The support of many medical alumni is urgently required. Help the university to uphold her tradition of expanding services to meet the needs of her constituency.
