

Player's Please

For the guidance of the Navy's aircraft pilots, the force and direction of wind currents up to 30,000 feet are charted by means of released balloons and the instrument which the Blue-jacket is operating.

For your guidance, every package of Player's bears on the face of it the famous lifebuoy. It proclaims that the contents were manufactured in accordance with Player's traditional standards.

Player's offer you the choice of two great cigarettes—"Medium" or "Mild". Choose the one which suits you best.
