

A GREAT WAR! A GREAT PESTILENCE! A GREAT DEPRESSION!

☪ ALL within twenty years. Could there be a more gruelling test?

☪ Yet life insurance stands invincible. During that whole period it paid every obligation promptly and fully—as it has ever since the Dominion was formed.

☪ The Sun Life Assurance Company of Canada itself paid to policy-holders and beneficiaries in cash during these periods—

The War (1914-1918).

The 'Flu (1919).

The Depression (1930-1931).

—over \$226,000,000. It has paid to its policy-holders and beneficiaries since formation nearly \$677,000,000.

*In prosperity, life insurance is valuable;
in adversity it is indispensable.*

"This is What I Do"

"It's not that I haven't faith in the lad...but when a young fellow goes away to college it's much the same as starting out in the world...you can't expect the wisdom, stability and experience of a man of 50 on the shoulders of a lad of twenty.

"I used to worry at first and I knew the wife had the same feelings...then we hit upon an idea which solved our problem. We put through a Long Distance call and both of us had a real friendly chat with him. It relieved our minds and it gave him no end of pleasure too.

"We found out that by calling after 8.30 we got what is called night rate service...it is so low that a 3 minute conversation costs little more than a package of cigarettes...yet you get the same speed, promptness and efficiency.

"Now we call once a week...every Thursday evening after 8.30 p. m...We get all the news first hand and in the most personal way...I tell you, it warrants its small cost a hundred times."

If you feel the need of this personal contact with your boy or girl, call the operator for the Long Distance charge to the town or city in which he or she is located. Don't forget about evening rates, in effect after 8.30 p. m. They make it possible for you to maintain these contacts at a cost which is practically negligible.

MARITIME FOLK

Maritime folk can point with pride to the fine hotels which now adorn their countryside... and can combine practical patriotism with hospitality in inviting their friends to visit them.

At Digby is THE PINES, with open air swimming pool, golf, tennis. Kentville in Evangeline Land boasts the CORNWALLIS INN. In old English Halifax there is the hospitable LORD NELSON (operated by Associated Canadian Hotels) and at Yarmouth, once the port of "wooden ships and iron men," the LAKESIDE INN. All hotels are served by the Dominion Atlantic Railway.

... And don't miss St. Andrews across the Bay of Fundy with its fashionable ALGONQUIN HOTEL. All rates in keeping with present day economies.

This year invite your friends!

The Pilot Doesn't Worry

Fifty below in the Arctic night—and a plane down, with a defective spark plug and an empty tank.

The spark plug can be replaced, but that won't help without gasoline to turn the motor—and the nearest "town" is a few Eskimos and a trading post across the lake at Blackfish Point.

But the pilot doesn't worry. He knows there is a cache of Imperial Gasoline at Blackfish, and someone there to help him.

The great wealth of Canada's north is being found from the air many years before it could be reached afoot, because men are willing to adventure and supplies are there when they are needed.

These supplies come from the Imperial Oil Refineries. By ship up through Hudson Strait into the Bay, by rail beyond the Pas, by paddle wheeler down the Peace and MacKenzie Rivers they go to distributing points. In winter, dog teams and sleds drag them further into the wilderness.

For fifty years Imperial Oil has been meeting the new needs of transportation and industry. Because it has met each need with enterprise and energy, Imperial has become a great company—serving every corner of Canada—its ships on the Atlantic and Pacific—its pipe-lines in the tropics.

Fifty years of constant enterprise are in the products Imperial Oil sells to-day.

Imperial Three Star and Imperial Ethyl are its best gasolines.

Which means that nothing finer can be put in your car.

Are You Confident Your Will Is Right?

A man who takes these three precautions will secure real peace of mind about his Will:

1. Have a lawyer draw the Will. This saves the danger of litigation made possible by technical irregularity.
2. Discuss its practical provisions with this Company. Our wide experience in Executorship might suggest a more practical method of achieving the result in mind.
3. Name THE CANADA PERMANENT TRUST COMPANY as Executor and Trustee. This places all the experience and all the corporate judgment of this company at the service of the family. They are assured a permanent executor, a responsible trustee, a regular income.

For the sake of your own peace of mind, and your family's happiness, make sure your will is drawn and executed so as to secure the very important ends you have in view.

LIFE'S ESSENTIAL

Sugar is human energy in its purest form—a single pound contains 1800 energy calories, and if these could be transmuted into mechanical energy, a pound of sugar could lift itself a thousand miles in the air—it could raise a one ton steel girder half a mile straight up—it could keep a 110 watt electric lamp burning continuously for almost twenty hours.
