MEET THE MAN WHO SELLS ENGINE PROTECTION

Perhaps you've forgotten that your oil has to do more than lubricate your engine.

For one thing, it has to cool moving parts the water in your cooling system can't reach.

It has to carry heat away from pistons and bearings where the temperatures are terrific. Your oil *must* be able to retain its body under heat like that.

In summer, Marvelube gives you more protection, more trouble-free performance.

In winter, Marvelube means easier starting in sub-zero weather. Marvelube is easier on your battery, helps keep your engine clean.

Marvelube is Canada's largest-selling motor oil. Your Imperial-Esso dealer has it for you. Stop in and get some.

PROGRESS!

FOR 140 years the Story of Stairs has been synonymous with the Story of Progress.

Starting as a small general store in 1810, the firm has kept pace with the advance of time and has contributed much to the progress and growth of the city and province in which it was established.

To-day, Stairs has become known as the supply house for much of the Hardware and Plumbing and Heating business conducted in the Maritimes. In addition, the firm is representative for the leading Canadian and American manufacturers of heavy construction machinery and equipment.

Stairs, to-day, embraces the four Maritime Provinces with branch offices located in Saint John, N. B., Sydney, N. S. and St. John's, Newfoundland.

Never have property owners been so underinsured against the risk of fire as at the present time.

For example most dwellings in Nova Scotia before the last war were insured for \$5,000 to \$10,000.00 To-day such dwellings should be insured for \$10,000.00 to \$20,000.00.

The cost of additional insurance for dwellings is small, in most cases from \$8.00 to \$9.00 per thousand for 3 years.

The above remarks also apply to household furniture and personal effects.

Long Distance Calls

It's cheaper and faster to use Station-to-Station Service on your Long Distance Telephone calls. A Station-to-Station Call is one where you ask for a **telephone number**, and not a particular person.

The saving through using this class of service amounts to as much as thirty per cent on calls during the day. On calls after six p.m. the average saving is larger still. Besides, your call goes through much more quickly—usually while you hold the line.

Save yourself money and get quicker service by using Station-to-Station Service whenever possible. Remember it especially on Sundays, as Night Rates are effective all day then and your saving is still greater.
