

 **ALUMNI NEWS** DR. G. McCURDY—*Editor*

A. H. Sangster, '30, recently spent a short vacation with his parents in Windsor after five years post-graduate study in England and Scotland, during which period the F.R.C.S. (Edin.), was conferred on him. Art returned to London in June where he will continue his studies in surgery.

Harrie Handler, '35, is interning at the Medical Center in New Jersey.

J. S. (Bunny) Robertson, '34, has been appointed Divisional Medical Health Officer for Cape Breton with headquarters in Sydney, filling the vacancy made by the death of C. M. Bayne, '20.

Fred MacLellan, '33 who was a resident at the Royal Victoria Hospital, Montreal, is now studying Urology at Ann Arbor.

T. M. Sieniewicz, '17, the superintendent of the Tuberculosis Hospital, Halifax, has been doing some very fine shooting at the rifle range and will be a member of the team which is to represent Canada at the annual Bisley competitions for 1937.

We deeply regret the passing of Duncan Alexander Campbell, '22, of Bridgewater. Dr. Campbell was interested in Pathology and Bacteriology having served as Pathologist to the Dawson Memorial Hospital for some years. While at College he excelled in athletics and since graduation he took a great interest in golf and curling.

Our heartiest congratulations go to James R. Corston, '02, who was elected president of the Medical Society of Nova Scotia, at the annual meeting at Halifax in September. Dr. Corston has been long associated with Dalhousie and at the present time is Assistant Professor of Medicine and Clinical Medicine.

Hugh Fraser, '29, now practising in Bridgewater, was married to Ruth MacDougald last May. After graduating Hugh spent three years at the Charity Hospital, Cleveland, then after a short stay in Halifax he moved to his present address.

G. D. Tulk, '35, is the resident surgeon at the General Hospital, St. John's, Newfoundland.

After graduation, Bob Dove, '35, was appointed Medical Officer of the S. S. Lady Anderson, and is engaged in Public Health work in Newfoundland.

George Keddy, '35, son of Dr. O. B. Keddy, Windsor, who has been studying in England, has been appointed to the surgical staff of the Manchester Royal Infirmary, Manchester, England.

Jean Hunter, '14, of Dumfries, Scotland, recently paid a visit to her mother, Mrs. Dr. J. W. MacLean, of North Sdney. This was Dr. Hunter's first visit to her home in many years.

Our best wishes are extended to Gerald Ross Burns, '25, lecturer in Medicine and Clinical Medicine, on his marriage to Miss Mary Dugan during the latter part of August. They visited many Canadian cities on their honeymoon.

The engagement of Edwin Fraser Ross to Miss Phyllis Skeen of Bermuda was recently announced. Miss Skeen was on the staff of the Pathological Department of the Victoria General Hospital, Halifax. Besides being engaged in private practice Eddie is a Demonstrator in Anatomy and Surgery.

John Budd, '33, is returning to Cleveland very soon where he intends to practice surgery.

John Andrew, '34, late of the Ottawa Civic Hospital was Ship's Surgeon on the S.S. Lady Hawkins during August and part of September. John intends to spend the next year studying in England.

Doug. Piercey, '34, is spending his second year at the Ottawa Civic Hospital, where he is assisting Dr. Stuart Evans.

We are pleased to announce the marriage of Hugh J. Martin, '31, to Miss Marguerite Herve, of Florence, C. B. The wedding was solemnized on September 19th at Antigonish. "Hughie" has been practising in Sydney Mines since his graduation.

Bernard F. Miller, '31, of New Waterford and Mrs. Miller recently sailed for England where "Bernie" is going to take post-graduate work.

R. Ian MacDonald, '30, left for Toronto, a short time ago after receiving an appointment to the Faculty of Toronto University and also to the visiting Staff of the Toronto General Hospital. While in Halifax Ian was Demonstrator in Clinical Medicine and Biochemistry.

Tom Murphy, '34, of Antigonish recently married Miss Frances Fitzgerald, of Sydney.

P. M. Sachs, '35, is now interning at the Trinity Hospital, Brooklyn, New York.

Herbert deMontfort Haslam, '26, spent a short time in the Victoria General Hospital, Halifax, during the early summer as a result of an injury to his leg which he received while camping. "Monte" is on the Staff of a boys' school in Concord, New Hampshire.

Ray Fraser, '32, has recently been appointed Health Officer for New Waterford.

We are pleased to see D. J. MacKenzie, '18, Director of the Public Health Laboratory, back at work again.

Douglas Kerr Murray, '35, who is now practising in Liverpool, is engaged to marry Miss Ruth Bruce Skaling, of New London, Conn. The wedding is to be in October.

Frank Johnson Hebb, '32, is now practising in Montreal. Before going to Montreal "Hank" spent a short time studying in England.

Yale Brody, '34, is a resident in the Ear, Nose and Throat service of King's County Hospital, Brooklyn.

Carl F. Messenger, '32, returned a short time ago from New York where he spent the last two years doing post-graduate work. He will practice in Middleton.

Dr. Evelyn F. H. Rogers, '27, of St. Luke's Hospital, New York, visited her sister, Mrs. S. H. Keshen, during the month of August.

Charles J. W. Beckwith, '27, assistant medical superintendent at the Nova Scotia Sanatorium, Kentville, is leaving for Toronto University where he is to make a special study of hygiene and public health, as a result of receiving a Rockefeller Foundation scholarship.

Thomas McCully Creighton, '12, of London, England, visited his parents, Mr. and Mrs. C. E. Creighton, of Dartmouth, during August.

We are happy to hear of the recovery of Alexander Robert Reid, '20, of Windsor, after his serious illness.

Ross Wright, '35, who has been interning at Syracuse, N. Y., and at the Montreal General, spent the summer in Halifax, where he assisted Doctors Mathers and Doull. Ross has returned to the Montreal General where he is studying Ear, Eye, Nose and Throat.

Frederick Lawson Whitehead, '35, practiced in Glace Bay, after he graduated. At the present time Fred is with the Royal Air Force, in England.

Donald Angus MacLeod, '11, of Sydney, accompanied by friends spent the late spring and early summer months touring Great Britain and Europe, he returned home on the R.M.S. Queen Mary.

Harold Taylor, '36, was recently married to Miss Lillian Russell, of Tusket. Hal is now taking a pathological internship at Saint Vincent's Hospital, New York City.

Irving Krebs, '36, is interning at the Hudson Co. Hospital, at Weehauken, N. J.

Donald Harper Archibald, '36, of Grand Falls, N. B., was recently married. Don intends taking an internship in Pathology during the coming year.

Richard O'Brien Monahan, '33, who interned in Detroit and Saint John after he graduated now holds the position of Medical School Inspector in New Brunswick.

It was with deep regret that we learned of the tragic death of John W. Denoon, '31, on September 29th. At the time John became ill he was engaged in the practice of medicine in the region of the Gold Coast, Africa. (see last issue).

A SAMPLE OF THE MANY LETTERS WE
RECEIVED

Halifax, N. S.,
April 15, 1936

Dalhousie Medical Journal,
Public Health Clinic,
Halifax.

Gentlemen:

You are indeed to be congratulated on not only the publication of a Medical Journal but also on the excellent material which your first effort has brought forth. I hope that it is definitely established as a permanent publication.

Sincerely,

E. F. ROSS, M.D.
