
Forthcoming events

2005

- August 7–12
Bratislava,
Slovakia
- August 13–19
Durban,
South Africa
- August 21–26
Helsinki,
Finland
- August 27–31
Marsilles, France
- August 28–31
Helsingør,
Denmark
- September 15–17
Chicago, IL,
USA
- September 23–26
Göttingen,
Germany
- 22nd International Conference on
Yeast Genetics and Molecular Biology
www.yeast2005.org
- 8th International Phycological
Congress
Contact: Dr. Stuart Sym
stuart@biology.biol.wits.ac.za
- 9th Symposium on Aquatic Microbial
Ecology
www.same9.fi
- Pseudomonas 2005
www.fems-microbiology.org
- 2nd International ASM-FEMS
Conference on Enterococci
www.fems-microbiology.org
- 5th International Congress on Peer
Review and Biomedical Publication
www.jama-peer.org
- 2nd European Conference on
Prokaryotic Genomes
www.genomik.uni-goettingen.de

2006

- April 9–13
Brisbane,
Australia
- July 4–8
Madrid, Spain
- August 4–10
Vienna, Austria
- August 20–25
Adelaide,
Australia
- 3rd International Conference on
Legume Genomics and Genetics
www.iclgg3.org
- 2nd FEMS Congress of the
European Microbiologists
www.fems-microbiology.org
- 5th International Symbiosis
Society Congress
people.bu.edu/iss/
- 8th International Congress of
Plant Molecular Biology
