

Forthcoming Events

2005

- | | |
|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| March 14–18
Moscow, Russia | III Moscow International Biotechnology Congress
www.biotechworld.ru/eng |
| March 23–25
Miami, FL, USA | Focus on Fungal Infections 15
www.imedex.com/calendars/infectiousdisease.htm |
| April 2–5
Copenhagen,
Denmark | 15th European Congress of Clinical Microbiology
and Infectious Diseases
Contact: AKM Congress Bureau, info@akm.ch |
| April 4–7
Edinburgh, UK | Molecular Pathogenesis of Virus Infections
www.socgenmicrobiol.org.uk |
| April 7–9
Würzburg, Germany | Microbial Infection: Analysis, Prevention and Use
www.fems-microbiology.org |
| April 17–21
Tahoe, NV, USA | ASM Conference on The Biology of Beneficial
Microbial Symbionts in Animals
www.asm.org |
| April 18–22
Lapland, Finland | 1st International Conference on Plant-Microbe
Interactions: Endophytes and Biocontrol Agents
www.bioweb.fi |
| April 25–28
Prague
Czech Republic | Molecular Biology of Spirochetes
Contact: Dr. Dagmar Hulinska, dhulin@szu.cz |
| May 11–14
Victoria, BC,
Canada | International Meeting on Microbial Epidemiological
Markers (IMMEM7)
www.asm.org |
| May 26–29
Semmering, Austria | Analysis of Microbial Cell at the Single Cell Level
www.fems-microbiology.org |
| June 26–29
Lyon, France | 8th Symposium on Bacterial Genetics and Ecology
www.fems-microbiology.org |
| July 5–7
Lyon, France | 3rd International Conference on the Biology of Nocardia
www.fems-microbiology.org |

- July 10–15
Oxford, UK
4th International Gordon Conference on Molybdenum and Tungsten Enzymes
www.fems-microbiology.org
- July 18–23
Vienna, Austria
XVII International Botanical Congress
www.abc2005.ac.at
- July 24–29
San Francisco, CA
USA
IUMS Congress – Microbes in a Changing World
www.iums2005.org
- July 30 – August 5
Hilo, Hawaii, USA
Joint Meeting with the Mycological Society of Japan
www.msafungi.org
- August 7–12
Bratislava, Slovakia
22nd International Conference on Yeast Genetics and Molecular Biology
www.yeast2005.org
- August 13–19
Durban, South Africa
8th International Phycological Congress
Contact: Dr. Stuart Sym
stuart@biology.biol.wits.ac.za
- August 21–26
Helsinki, Finland
9th Symposium on Aquatic Microbial Ecology
www.same9.fi
- August 27–31
Marseilles, France
Pseudomonas 2005
www.fems-microbiology.org
- August 28–31
Helsingør, Denmark
2nd International ASM-FEMS Conference on Enterococci
www.fems-microbiology.org
- September 15–17
Chicago, IL, USA
5th International Congress on Peer Review and Biomedical Publication
www.jama-peer.org
- September 23–26
Göttingen, Germany
2nd European Conference on Prokaryotic Genomes
www.genomik.uni-goettingen.de

2006

- July 4–8
Madrid, Spain
2nd FEMS Congress of the European Microbiologists
www.fems-microbiology.org
- August 20–25
Adelaide, Australia
8th International Congress of Plant Molecular Biology
Contact: Sally Jay Conferences
ispmb@sallyjayconferences.com.au
